105th Annual Session

July 8-13, 1979
Auditorium and Convention Center
Minneapolis, Minnesota

AFTERNOON SESSION
MONDAY, JULY 9, 1979
THREE O'CLOCK P.M.

The Public Opening Session of the One Hundred Fifth Imperial Council Session was called to order at three o'clock p.m., at the Minneapolis Auditorium and Convention Hall, Noble Robert Potter, Master of Ceremonies, opening the meeting.

NOBLE POTTER: Before proceeding with our program this afternoon, I would like to give credit where credit is due.

We have been entertained here by the Zuhrah Temple band and I think you will agree with me that they have been performing in an excellent manner. (Applause)

Let me say that many people have worked very hard to make this Imperial Session a success. Many people have put in many hours to see that all the little details have been taken care of so that the visitors here will have the best time possible and that this will be the most successful Imperial Session of them all. Not the least of these is a gentleman who has led us all and who has worked harder than any of us, and that is the Imperial Director General, Illustrious Past Potentate Rollin S. Chapple.

...At this point Director General Chapple walked individually through an Honor Guard composed of the various units of Zuhrah Temple and assumed his position in front of the podium...

DIRECTOR GENERAL R. S. CHAPPLE: Good afternoon, Ladies and Gentlemen.

One of my very first pleasures is to introduce to you some dignitaries.

...At this point, the Past Potentates of Zuhrah Temple were escorted to the front of the auditorium, following which there ensued the escorting of the govern-

mental dignitaries, the Masonic dignitaries, the Past Imperial Officers and the Imperial Officers through the Zuhrah Honor Guard to their places on the podium...

DIRECTOR GENERAL CHAPPLE: And now we will receive the Imperial Potentate of the Shrine of North America, Imperial Sir Warren W. Weck, Jr. of Zuhrah Temple.

...Whereupon, rising applause ensued as Imperial Sir Weck walked through the Honor Guard of Zuhrah Temple and assumed his place on the podium...

DIRECTOR GENERAL CHAPPLE: We will now have the presentation of colors.

...There then followed the presentation of colors by the Zuhrah Temple Color Guard, following which those in attendance recited the Shriner's Pledge, followed by the band playing and the chanters singing the National Anthem, O Canada and the Mexican National Anthem...

DIRECTOR GENERAL CHAPPLE: Will you all please remain standing and uncover for the invocation by our Imperial Chaplain, Reverend Charles Vogt.

REVEREND CHARLES M. VOGT: Let us pray.

Almighty God, in whose loving hands all the world is blessed, grant to this, our 105th Imperial Session, wisdom and courage, bless our leaders. Give them a sense of your presence and of your support and, in your divine providence, bless our great healing philanthropy.

May each of us, in our way, give witness to the healing power that is so much a part of our life that you have given to us.

This we ask in Thy name. Amen.

DIRECTOR GENERAL CHAPPLE: As Director General, it gives me a great deal of pleasure and honor, to open officially the 105th Imperial Council Session.

I would like to take these very, very few moments to give thanks to certain groups and certain people.

I would first like to thank the Mayor of Minneapolis and the Chief of Police of Minneapolis for their total and complete cooperation toward the staging of this session.

I would like to thank the Lieutenant Governor for their cooperation from the State of Minnesota, and also the Convention and Tourism Bureau, who have likewise supported us one hundred percent and have given us their General Manager as my Housing Chairman.

I would also like to thank the Potentate of Zuhrah Temple, his Divan, the units of Zuhrah Temple, all of the Nobility of Zuhrah Temple which have supported this convention above and beyond the call of duty.

Whenever we requested help, it was there.

There is an interesting sideline here. Last year we were in Detroit for the 104th Imperial Council Session. This was in 1978.

Well here, the last Imperial Session prior to this one that we had here was in 1957 and the Imperial Session before that was held in Detroit in 1956. Therefore, it seems like it is 1956-1957.

Also, at this time, I would like to take the opportunity of thanking our Imperial Sir Warren F. Weck, Jr., for appointing me in April of 1975 to handle this task for him. It has been a grand and marvelous experience and I have just had a lot of fun in doing it.

That concludes my remarks and now I would like to call on the Mayor of Minneapolis, Albert J. Hofstede, for a few words of welcome.

THE HONORABLE ALBERT J. HOFSTEDE [Mayor, Minneapolis, Minnesota]: Thank you very much.

The first thing I want to do is to simply say welcome to Minneapolis. I hope your stay here will be enjoyable and I hope that you enjoy it sufficiently to come back.

However, I do want to, personally, in behalf of my police chief and people, thank you for selecting Minneapolis, which we believe is the number one city in the country.

You know, there are many people who have asked the question as to why anybody would want to be a Mayor, especially, in these turbulent times. This is especially true when being the mayor of a large city means nothing but trouble. Well, when asked this question, one has to search for an answer but, in my case, it was a challenge—a challenge as to whether or not we can make our American cities, including the City of Minneapolis, a place that people may choose to live in.

You know, during the past thirty years, it was easy for people to live in the city and then go elsewhere for whatever reason. However, since that time, people have been leaving for various reasons and establishing themselves out in the suburbs. This is because of the general deterioration of the cities.

Therefore, our challenge here is whether or not we can make our cities decent places for people to live in.

In 1976, this country celebrated its Bicentennial and, as a people and as American people, we stood up and we said "Look how proud we really are. We are proud of the standard of living we have, we are able to put men on the moon, able to drive automobiles and purchase gasoline, able to listen to radio and television." However, the biggest disgrace this country has today involves our American cities and, therefore, our challenge is as to whether or not we can make our cities over this country a place that people may choose to live in.

That is a challenge—not only my challenge but yours and no matter where we are to go throughout this country, whether it be Minneapolis, St. Paul, New York or wherever it is, we will see Shriners—see these Shriners not only committed to the hospital and caring for children of this country but in addition to that, caring for the well being of this country.

If we are ever going to meet that challenge, it will be done with the help of the Shriners.

All I can say is keep up the good work, have a good time and, again, welcome to Minneapolis. (Applause)

DIRECTOR GENERAL CHAPPLE: Thank you, Mr. Mayor.

Now, may I present to you a Shriner from Aad Temple, representing the State of Minnesota, Lieutenant Governor Lou Wangberg.

THE HONORABLE LOU WANGBERG [Lieutenant Governor, Minnesota]: Thank you very much.

It is a pleasure to be with you today and I would like to extend to you the personal greetings of our Governor. He is currently at the National Governors Conference and will be back in town shortly but I know he is very pleased that you have picked Minnesota as a place in which to hold your very important meeting.

I also think that the City of Minneapolis, in the Land of Lakes, is your host this summer. We hope that as your convention progresses here, you will have an opportunity to take advantage of the opportunities in Minneapolis and St. Paul and our suburbs and then, afterwards, that you will venture into our outer areas of the state, where we have some of the most beautiful natural lakes in the entire country.

You know, as I have been the Lieutenant Governor and as I campaigned for the office, one thing I was impressed with was the tremendous diversity that is in Minnesota. Until you get into the process of going to every corner of the state, you are not really as aware of this as you can be.

We have a state that has tremendous geographic diversity. From our great North Shore area on Lake Superior, with its rugged kind of beauty, down to the gentle and fertile corn lands of Southeastern Minnesota, Southwestern Minnesota, and in Southeastern Minnesota we have the hardwood forests and in the Northwestern portion of Minnesota we have the beautiful Red River Valley with its productivity but, more importantly, Minnesota is another state that has worked over the years and it has also worked because of its cultural diversity and the diversity of its people.

We have a strong tradition here of caring about others and I think this makes it important in a symbolic sense that you are here with us today because you repre-

sent a great deal of diversity but, more important than that, you represent an ocean of love and concern about other people and if there is anything I am in awe of it is thinking of all the Shriners who will be here in the Twin Cities during these next few days and the history of Masonic experience that could be tabulated, if we could pull it all together, but larger even than that is the cumulative love that Shrinedom represents. Most of the outside world would not necessarily understand that, that this is the real reason that all of these goings on exist, and that is to dignify the lives of individuals and, for the most part, young individuals—young individuals who would not otherwise have had an opportunity, because this opportunity is made possible because of the activities of Shriners all over the world.

We are just delighted to have you with us here in Minnesota today.

I am very proud myself of my Masonic affiliation—proud to be a Shriner—and I am proud that you are with us today.

Have a good convention. (Applause)

DIRECTOR GENERAL CHAPPLE: Thank you, sir.

Now, this concludes my portion of the program and I would like to turn the gavel over to Imperial Potentate Warren F. Weck, Jr.

... The gavel was tendered to Imperial Potentate Weck...

IMPERIAL POTENTATE WECK: Thank you Director General Rollie.

It is a real privilege to stand here today before all of you and welcome you to our community.

It is a wonderful community—I am very proud of it. I have lived here all of my life. My family have grown up here.

We have available here a diversity of education, museums, cultural things, industry, more so than of almost any community across the country. I can say this because I have visited a lot of them over the last few years.

We hope you will enjoy your visit here and that you will be able to share some of the things that we as residents here enjoy.

Today we have with us a number of guests whom I would like to introduce to you and have them bring their greetings from their respective organizations.

First of all, will you please join me in welcoming Stanley F. Maxwell, Sovereign Grand Commander, Supreme Council, AASR, Northern Jurisdiction.

NOBLE STANLEY F. MAXWELL: Thank you very much.

Imperial Sir, Imperial Sirs, Distinguished Guests, my Brethren and especially the Ladies: It is a real distinct pleasure for me to be here representing, as I do, over a half million Scottish Rite Masons in the Northern Masonic Jurisdiction and to bring you their sincere greetings and good wishes for a most successful meeting here, as we have every year and this year will be no exception, I am sure.

I think the one thing I would like to say to the people sitting out there in front of me, who perhaps may not be aware of, is that we are a part, all of us, of a fantastic and tremendous Masonic family and we are very proud of that family and I think when I quote these few figures to you you will truly agree that we really have something going for us.

A survey was made not too long ago which shows that effectively we are spending, as a Masonic Fraternity, and that takes in all branches, over \$400 million a year in charitable enterprises and, of course, that is almost \$1.25 million per day, when you take the plus figure of the \$400 million and, of course, the Shrine of North America contributes a very large share of that amount in the operations of their orthopedic hospitals and burns institutes and the great research work that they are now doing.

However, in addition to that, we have the other bodies, and I will not try to designate them, but we have different groups that are doing studies of spastic children, mental dearrangement, trying to uncover the great causes of schizophrenia and then hopefully, following that, a cure.

Likewise, we have in most states a Masonic home or Masonic school. We have those people who are doing work in Muscular Dystrophy, Cystic Fibrosis and we

also have the Knight Templar Eye Foundation and the Scholarship Loan Fund—and I could go on and on and on. However, I am positive that if I try to hit everyone of these, I would leave some of them out but the important thing is that we are all working for humanity and, as a great Masonic family, we must stay together and do the things that have to be done for, if we do not do it, I ask the question—who is going to do it? The answer will come back “The government”, but, yes, if the government were to do the things that we were doing, I don’t think they would do them half as well.

Again, it is a pleasure to be with you and I bring you sincere greetings from the Scottish Rite, Northern Masonic Jurisdiction. (Applause)

IMPERIAL POTENTATE WECK: Thank you very much.

Now will you join me in welcoming Henry C. Clausen, Sovereign Grand Commander, Supreme Council, AASR, Southern Jurisdiction.

NOBLE HENRY C. CLAUSEN: Imperial Sir, Imperial Sirs, Distinguished Guests, Friends and Brethren: You know, there was a geography teacher in a class in Minneapolis not too long ago that gave a question to the class—“What is the shape of the world?” A little boy, in answer, wrote down—“My father said the world is in a hell of a shape.”

Well, what a great relief it is to come in from outside of this world to the healing ministrations of Shrinedom.

The Southern Jurisdiction of the Supreme Council has asked that I bring you greetings, which I do, warm and cordial and also that of our Southern Grand Inspector General.

May I say, insofar as the Southern Jurisdiction of the Scottish Rite is concerned, as long as I am Southern Grand Commander, no one, no one is ever going to drive a wedge between us and the Shrine. (Applause)

These are the days when we have demonstrations. My office is in Washington, D. C. and, of course, we have plenty of them there.

Well, we are going to see demonstrations in this great city of Minneapolis of a different kind—men of good will; men who hold high the banners of their country; men whose hearts respond to the motivations of Freemasonry and, certainly, men who dispense charity without race, color or creed.

You know, somebody asked as to the difference between advertising, publicity and public relations.

Well, let us say, a man is a crook and he builds shoddy houses and then, he, on Washington’s Birthday, goes to the highest building in town and throws away dollar bills—well, if that man were to pay to have the stunt published in the newspapers, it would be advertising; if he persuaded the newspapers to do it without pay, that would be publicity; but if an honest builder should go up to this roof and push the crook overboard, that would be good public relations. (Laughter)

I think one of the greatest things in relation to Freemasonry is the public relations that we have in Shrinedom.

As I depart, may I do so by saying that, to me, you are giants of Freemasonry and giants of principles of what we were taught when we knelt at the altar and long may you so continue.

Thank you very much. (Applause)

IMPERIAL POTENTATE WECK: And now will you join me in welcoming J. W. Vandall, General Grand High Priest, General Grand Chapter of Royal Arch Masons.

BROTHER J. W. VANDALL: Imperial Sir, Imperial Sirs; Distinguished Guests, Ladies and Gentlemen:

It is a rare privilege for me to appear at the Imperial Session of Shrinedom and be given the opportunity to bring the greetings of my organization.

You know, most of us serve a brief period of time. Some of us serve one year, others three years. At any rate, 500,000 Royal Arch Masons throughout the world would insist that I applaud Shrinedom and the very fact that I am here signifies that I bring you their most distinct greetings.

You know, when speaking, I ordinarily tell a brief story which explains a lot of things and I am going to do it at this time because most of you have not heard it.

I come from wild and wonderful West Virginia. You know, I did not hear any applause. (Applause) We have an airport right on top of the mountain and because of situations that have developed up through the years, we have been forced to recognize equal opportunity.

As a result, they hired a man off the street, so to speak, a little bit suntanned if you know what I mean, to work in the tower there. He had no experience.

On his first afternoon there, he received a request for landing instructions from Allegheny Airlines and he said "use runway 6-A approach east."

About the same time, however, Piedmont Airlines called for landing instructions and he said "use runway 6-A approach west."

Well, there was a pause, and then the first guy called back and he said—"Say, isn't that a bit dangerous?" The man replied, "Yes it is, but please be careful." (Laughter)

The point is that we need to be careful because we are first and foremost Master Masons. Each one of us has a challenge—each one of us has an opportunity to deliver the gospel that America is great, that womanhood is fine, that home life is a decent sort of way to live, that our public school system is something that we must defend at all costs and that to live in the land of the free and home of the brave ought to be the creed of every American, more especially a Mason. (Applause)

Imperial Sir, thank you so much for allowing us to visit you and I certainly shall respond to the Royal Arch World as to your extreme courtesy. (Applause)

IMPERIAL POTENTATE WECK: Now will you join me in welcoming Willard M. Avery, Grand Master, Grand Encampment of Knights Templar of the United States of America.

NOBLE WILLARD M. AVERY: Imperial Sir, Imperial Sirs, Nobles and Ladies: It is indeed a great pleasure and distinct honor for me, as the Grand Master of the Grand Encampment of the Knights Templar of the United States of America, to bring you the greetings of this organization and to say that I certainly am most happy to be a part and the head of an organization of Masons such as is being represented here at this time.

I thank you most sincerely for recognizing York Rite Masonry.

As all of you Nobles know, it is necessary that you be a Scottish Rite Mason or York Rite Mason in order to be a Shriner. We wish to thank you most sincerely for that prerequisite but I think it would be improper if I did not also state the fact that we in York Rite Masonry know the great dependence that we have upon the Shrine.

We thank you very, very much for what you are doing for York Rite Masonry and for Masonry in general.

Again, it is a pleasure for me to be here.

I wish for you, Imperial Sir, a most enjoyable and most profitable session.

Thank you very much. (Applause)

IMPERIAL POTENTATE WECK: Now, I would like to thank all of these units of Zuhrah Temple for their assistance today in presenting this program. We are going to call upon you many, many times this week. You have done such a tremendous job over the past two years and I am just extremely proud of every single one of you. I am sure that this will apply to the public, especially when they see our parades—see Zuhrah Temple on parade, as well as all of the other temples that will be participating. We believe this is going to be one of the best shows that has ever been presented to the public of our city.

I hope that you Nobles who are present here will join us at our meetings. Our deliberations will start tomorrow afternoon after the parade. There will be space in the gallery here.

There will be many things discussed—legislation passed of great importance to

all of us—and I am sure that each of you will benefit from the discussions that precede the voting on these various matters.

We are very proud of having this session in our community and I am so pleased that we have had all this wonderful weather. You may recall that in 1957 it was just about 107 degrees in the shade and very few of our hotels were air-conditioned. However, we have corrected that, have turned the heat down, and so it is going to be real nice all week.

Now, again, I wish to thank all of you very much and this will conclude our Public Opening Session.

...Whereupon, at four-eight o'clock p.m., the Public Opening Session was adjourned...

AFTERNOON SESSION
TUESDAY, JULY 10, 1979
THREE O'CLOCK P.M.

IMPERIAL POTENTATE WECK: Will all of the Representatives please take their seats.

I would like to call on the Reverend Charles Vogt, our Imperial Chaplain, for our invocation.

REVEREND VOGT: Almighty God, creator, redeemer and sustainer of all human life, bless now the actions of our Imperial Session. May wisdom and understanding abound in our deliberations.

May our Imperial Officers, especially your servant, Warren, find renewed spirit in your presence.

Keep us ever mindful of the high ideals of Shrinedom and cause our great healing philanthropy to prosper, in your name and for your sake. Amen.

IMPERIAL POTENTATE WECK: I now declare the One Hundred Fifth Annual Session open for business, waiving all forms and ceremonies.

I will ask for the report of the Committee on Credentials, Roger Murdock.

This is the report of the Committee on Credentials, membership recap.

Imperial Sir, I would move for the approval of this report.

IMPERIAL POTENTATE WECK: Is there a second?

... Business was transacted in the Colorado Corporation at this time. . .

IMPERIAL POTENTATE WECK: I now proclaim this Session to be open for business to be transacted in the Iowa, Colorado and all of our appendant charitable corporations and it will remain open until the session is adjourned.

I will now fill vacancies in the standing committees.

On the Grievances and Appeals Committee, I appoint Gerald W. Groat, Representative from Moslem Temple, to replace Robert N. Hinds of Mecca Temple.

Also, as we are about to begin our session, I would like to remind you to carry with you both your ballot book and your other coupon book.

We will have our luncheons here in the Auditorium, one floor down from here. Remember, I am doing that so that we may save time traveling back and forth to the hotels. This would be time consuming.

Also, we have much legislation to cover and I hope that with the great cooperation of all of you that we will be able to do it very expeditiously and still have time to spend with our other Nobles who are with you in attendance here.

I will also ask you to use the ballot book because there probably will be a number of non-representatives sitting on the sidelines here and it is very difficult, from the podium, to tell who is voting either in the affirmative or the negative—whether it is from the floor or on the sidelines, especially when you tend to bring along your own cheering sections.

We, of course, also want to be very fair and be sure that we have the necessary number of votes to pass our legislation because we do have a minimum number that is required in accordance with our By-laws.

Therefore, on that basis, it is quite possible that from time to time we will be asking you for a written ballot.

Now, I would also request of each of you Representatives—and I do not mean that we should shut off any debate whatsoever—but we do have a tendency to repeat ourselves. Therefore, if some Representative has already said something that you believe is in accordance with your thinking on whatever item of business is before you, let us not stand up here and say it over again. You can indicate your approval to whatever has been said by your ballot. Again, we want free discussion on everything but just as a matter of courtesy to your fellow Representatives, we do have that tendency to repeat ourselves. Therefore, I would ask for your cooperation in this respect.

Also, from time to time there will be a card up here saying "pictures". When that card is up, you will go around that (indicating) door and into the corridor. These will be pictures with Charles Claypool, your incoming Imperial Potentate.

For those Chief Rabbans and Potentates who would like a picture, when that sign is up, please feel free to go over there and get your picture taken.

Now, at this time, I would like to make a report.

As my term of office draws to a close, it is most appropriate that I report to you, the Representatives and governing bodies of the Shrine and Shriners Hospitals for Crippled Children, on some of the important events that have taken place since our last session held at Detroit. You have already received the annual report, which contains the reports of the Imperial Potentate, Chairman of the Board of Trustees and all the major committees of both the Fraternity and Shriners Hospitals for Crippled Children.

In addition to these reports, I felt that this year there are several unusual events which require special comment to you, the Representatives to the Imperial Council.

The first matter is the status of our new Shrine Headquarters Building at Tampa, Florida.

Contracts were let and construction started in November, 1978. Shortly after construction was started, it was discovered that unusual soil conditions existed on the property and it was necessary to secure services of additional soil engineering firms before construction could continue. As a result of this problem, construction was delayed approximately two months. I am pleased to report to you at this time we presently anticipate that construction will be substantially completed by December, 1979.

The second matter I would like to report to you on is the office of Imperial Recorder. As you know, it was my privilege to appoint Robert Turley to the office of Imperial Recorder to fill the unexpired term of Imperial Sir George Saunders and also Imperial Sir Randolph Thomas to fill the unexpired term of George Saunders as Secretary of the Colorado Corporation.

It is important that I review with you the history of this office, since Imperial Sir George was first elected Imperial Recorder in 1948.

At that time, the office consisted of relatively few employees. Since that time, however, it has grown to more than sixty employees, with a budget of more than \$1,500,000. It was during this period, when it was under the administration of Imperial Sir George, that our present excellent staff was employed.

Some four or five years ago, it became apparent to the Imperial Potentate and members of the Imperial Divan that we had to prepare for the eventual retirement of Imperial Sir George by transferring administrative responsibility to these employees. This was done by creating the office of Executive Secretary, Fraternal Affairs, and Executive Secretary, Shriners Hospitals, in addition to the office of the Assistant General Counsel.

During the past few years, Charles Cumpstone, Executive Secretary Fraternal Affairs, and Lewis Molnar, Executive Secretary, Shriners Hospitals, assumed the total responsibility for the administration of their respective offices and have reported directly to the Imperial Potentate and the duties of the Imperial Recorder have been those that are specifically required by our By-laws. This has proven satisfactory beyond our greatest expectations, even when operating under most difficult conditions.

At the last session of the Imperial Council, the Representatives approved budgets for the 1979 calendar year in both the Iowa and Colorado Corporations. These budgets did not provide any compensation for the office of Recorder in the Iowa Corporation or the Secretary of the Colorado Corporation, both of which offices had previously been filled by the same person. Since January 1, 1979, no compensation has been paid in either of these offices, nor have their duties required them to be present in our Chicago Office. The transition which had been so carefully planned by your officers and their predecessors has been completed without a single problem.

I also want to compliment our Executive Secretary for Fraternal Affairs, Executive Secretary, Shriners Hospitals and the Assistant General Counsel for the extraordinary workload that they have assumed during the past twelve months.

Because of the resignation of almost one-half of our employees during the past year, they and our remaining loyal staff have assumed the responsibility for the continued administration of both the Fraternal and Hospital Corporations under most difficult and adverse conditions. These conditions will continue until our move

to Tampa is completed and our office re-staffed. I am sure that each of you joins me in thanking them for their extraordinary efforts and loyalty.

Now that the administrative duties of our International Office have been re-assigned, it is no longer necessary nor is it contemplated that the Imperial Recorder and the Secretary of the Colorado Corporation be responsible for the daily administration of the corporate offices. This does not mean, however, that the importance of these offices has been diminished. The persons elected to fill these offices will still be Officers and Directors of the Corporations, participate in our Directors' meetings, serve on committees at the discretion of the Imperial Potentate or Chairman of the Board of Trustees and perform the usual duties of the office. It only means that these Officers will not have any daily administrative responsibility at our International Headquarters.

It has been a privilege to serve as your Imperial Potentate this past year and I hope that I have fulfilled the duties of the office in a responsible manner and in accordance with your wishes.

Thank you very much.

I will now recognize the Chairman of the Committee on Transactions of Imperial Officers, Thomas W. Melham, Past Imperial Potentate.

PAST IMPERIAL POTENTATE MELHAM: Imperial Sir, I do not have my report ready as yet.

IMPERIAL POTENTATE WECK: We will then pass that item of business for the time being.

I would now like to refer the various legislative matters to the appropriate committees.

To the Jurisprudence and Laws Committee: All legislation proposed in both the Iowa and Colorado Corporations, and all resolutions.

To the Mileage and Per Diem Committee: The proposal to amend Section 205.1, which is Item 3 in the Call.

To the Finance and Accounts Committee: The proposals to amend Sections 205.1, 214.2, 507.4 and 511.2, which are Items 3, 5, 21 and 23 in the Call.

To the Jurisdictional Lines Committee: The proposals to amend Sections 328.6, 328.9, 449.3, 449.5, 454.1 and 454.7, which are Items 13, 14, 17, 18 and 19 in the Call.

To a special committee composed of Richard B. Olfene (Kora Temple), John A. Rose (Al Bahr Temple), Joseph Peel (Egypt Temple), R. A. Posey (Hamasa Temple), and Mark Sharff (Oleika Temple), of which Richard B. Olfene is Chairman, the proposals to amend Sections 324.1 and 328.7, which are Items 9, 10, 11, 12, 15 and 16 in the Call.

To the Dispensations and Charters Committee: The proposal to move Pyramid Temple; the proposal to move El Bekel Temple; the application for a charter to the South Central Shrine Association and the application for an amendment to the Charter of the Western Shrine Association.

I would now like to call on the Chairman of the Jurisprudence and Laws Committee, Robert J. Turley, to explain the procedures.

IMPERIAL SIR ROBERT TURLEY: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Representatives: Again this year, as in the past, those of you that have been here many times in the past will know, and those of you who are here for the first time might like to know that the Jurisprudence and Laws Committee will report to you on the form of each proposed amendment to the By-laws and upon its consistency with other provisions of the By-laws and the Articles of Incorporation of the Iowa Corporation or the Colorado Corporation, as the case may be.

The reports of the Jurisprudence and Laws Committee are not meant to indicate to you that the Jurisprudence and Laws Committee as such is either in favor of a proposed amendment or against it. In his capacity as a representative, each of the members of the Committee may have strong feelings as to the merits of a particular proposal and any of us, like you, may wish to participate in the debate concerning

one or more of the proposed amendments. In so doing, such member of this Committee will speak as an individual Representative and not for the Jurisprudence and Laws Committee as such.

Finally, we would hope that you will understand that the Jurisprudence and Laws Committee is prepared to answer questions concerning the legal effects of any proposed legislation and we will make every effort to serve this Imperial Council as you see fit.

Are there any questions about the procedure?

Then, as each item in the agenda is called by the Imperial Potentate for presentation by the Jurisprudence and Laws Committee, we ask that the proposer of the amendment come to the stage in order that he may be recognized to explain and argue in behalf of his proposal.

Thank you very much.

IMPERIAL POTENTATE WECK: Thank you, Bob.

Now, let me say that we have about nine items that we must cover this afternoon and the first item we will take up this afternoon is Item 1. Will the proposer, the Potentate of Ainad Temple, come up and while he is coming up here, I would also like to inform you that on Thursday morning, the first thing, we are going to have the installation of Emerti Representatives. This will take about fifteen minutes and then, immediately after that, we will take up the retention of membership amendments. Therefore, if you are interested (and I hope you are), they will be taken up immediately on Thursday morning to give everybody an opportunity to debate all day if you need to, as I say, it will be taken up at that time.

Are you ready to proceed, Bob.

I understand we have to have a report first from the Jurisprudence and Laws Committee and I will call on Mahlon Hessey to report on Item 1 relative to the debate on the motion.

NOBLE MAHLON W. HESSEY [Reading]: To the Representatives of the Imperial Council.

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 101.5 of Article 1 of the By-Laws of the Iowa Corporation, by adding a new subsection (f), which will read as follows:

"Section 101.5 Amendments

(f) No motion, which, if adopted, would have the effect of stopping debate upon a motion to amend these By-Laws, shall be in order until at least 2 opponents, if there be that many, have had at least 5 minutes, if they desire that much time, to speak in opposition to the motion to amend these By-Laws."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

R. J. Turley, Chairman
Edward G. Maag
Robert E. Cooper
Mahlon W. Hessey
Theodore Corsones
Walter S. Jeffries
Robert W. Morrison

NOBLE HESSEY: I move, Imperial Sir, the acceptance of the report.

... The motion was duly seconded. ...

IMPERIAL POTENTATE WECK: The motion before you is to accept the report of the Committee on Jurisprudence and Laws just presented.

All in favor will indicate by saying aye; opposed. The motion is carried.

I will now recognize the Potentate of Ainad Temple.

NOBLE R. H. ERVAY [Potentate and Representative of Ainad Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: I am Dick Ervay, the Potentate of Ainad Temple.

I would move for the adoption of amendment 1 in your Call.

The amendment adds a new sub-section to the By-Laws which would state as follows:

"No motion, which, if adopted, would have the effect of stopping debate upon a motion to amend these By-Laws, shall be in order until at least two (2) opponents, if there be that many, have had at least five (5) minutes, if they desire that much time, to speak in opposition to the motion to amend these By-Laws."

Let me say that the effect of that amendment is to guarantee that debate will not be closed until both sides of a question have had the opportunity to be heard.

Proposition 1 would allow the opponents at least a minimum of five minutes to announce and argue in opposition. It would outlaw any motions to stop debate, for example, a motion to table or a motion for the previous question, until the opponent or opponents have had the floor for at least five minutes.

Now, I am not a lawyer, I have never held a public office. I am a businessman and yet, as a layman, I have gained a great respect as I have observed the parliamentarians here in the Imperial Session, in my own Temple and in other organizations, insure the rule of the majority while, at the same time, preserving the rights of the minority.

However, I was agitated and upset, at last year's Imperial Session to watch the rights of Representatives trampled underfoot by a well meaning but misguided presiding officer.

The opponents of Item 4 of the Call of the 1978 Session were denied their Masonic and parliamentary constitutional rights. Every ruling of the chair was taken direct and yet, in a carefully orchestrated script, he, in his desire to see his own legislation adopted, denied the rights for his opponents to even be heard.

I don't know what the opponents would have said because I don't know whether that would have changed the vote. All I know is that by a series of parliamentary maneuvers that were denied an opportunity—they were denied a chance to speak and I, as a Representative, was not allowed to hear both sides of the question.

Now that the chickens have come home to roost, the proposition to repeal Item 4 of the 1978 Proceedings have been submitted to this session. Perhaps this would not have been necessary had we been allowed to vote in free and open debate in 1978.

To preserve the right of influence of any legislation, I have proposed a proposition 1 as in your Call. It is called the Free Debate Proposition. If you wish to preserve your rights and those of your Temples to be heard now and in the future, I respectfully recommend that you join with me in voting "yes" to adopt this proposition 1.

Thank you.

Imperial Sir, I would move the acceptance of this proposition.

... The motion was duly seconded...

IMPERIAL POTENTATE WECK: Is there any discussion?

I will ask that Microphone 3 be turned on and that the speaker there please identify himself.

NOBLE FRANK SHOWAH [Pyramid Temple]: I would like to make a suggestion that the proposal be corrected to this degree—that to a maximum of five minutes offered to the people who would like to discuss the proposal. I think there should be a limit and I have no objection to people speaking in response to a vote on the floor but I think not putting a definite time limit on there might tend to prolong debate which, in turn, would hinder the opportunity to get proposals passed.

Therefore, I think the motion should be amended to limit it to five or ten minutes but not be open-ended because it might then go on forever.

IMPERIAL POTENTATE WECK: Was that offered as an amendment, Frank?

NOBLE SHOWAH [Pyramid Temple]: If so accepted.

If so accepted by the proposer, I would like to amend that, to limit it to five minutes.

NOBLE R. H. ERVAY [Ainad Temple]: I believe it so states in the proposal—for at least five minutes.

NOBLE FRANK SHOWAH [Pyramid Temple]: My question then is this—does this limit it to five minutes or can it be open-ended to beyond five minutes, to perhaps an hour. You know, we do have a limited amount of time in which we can pass all the resolutions brought before this Imperial Council Session but I think some figure should be stated so it does not carry beyond something that is reasonable.

Of course, I do not want to take away the opportunity for those people to say something which may be counter to the proposals being offered but I would like to recommend that it be limited to not more than five minutes or not more than ten minutes so it does not become open-ended and become a filibuster because I do not think that is what we want to do either.

IMPERIAL POTENTATE WECK: Let me say to you, Frank, if you are going to present an amendment to this, you have to be more specific.

NOBLE SHOWAH [Pyramid Temple]: May I offer an amendment to not more than five minutes as in opposition to a proposal that has been approved?

IMPERIAL POTENTATE WECK: I would like to call on Mahlon Hessey from the Jurisprudence and Laws Committee.

NOBLE MAHLON HESSEY: I think, Imperial Sir, if you would call upon the Parliamentarian, he may be able to shed some light on this subject. I believe, for example, that Roberts Rules of Order limit a proponent to ten minutes and I believe that this, inasmuch as it provides only for five minutes, can be used by a proponent whereby, for example, he would have at least five minutes but not in excess of ten minutes. I do not believe the sub-section as proposed would change that section of Roberts Rules.

I would like to call on the Parliamentarian to confer upon or perhaps modify that.

I see he is indicating his assent and so I think the ten minutes limit would apply.

NOBLE SHOWAH [Pyramid Temple]: In that case, I withdraw the request for an amendment.

IMPERIAL POTENTATE WECK: Is there any further discussion?

If not, all those in favor will say aye; opposed. I declare this passed by the required Constitutional two-thirds majority.

... Business was conducted in the Colorado Corporation at this time. . .

IMPERIAL POTENTATE WECK: We will proceed with our amendments and we will next take up Item 5. Item 5 will be found on page 12 of the Call of the Session.

I will recognize Ed Maag to present the report of the Jurisprudence and Laws Committee concerning this matter.

NOBLE EDWARD MAAG [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 214.2 of Article 14 of the By-Laws of the Iowa Corporation so that it will read as follows:

"Section 214.2 Checks and Payment of Funds. Funds on deposit in banks may be withdrawn only by voucher check, upon the manual counter-signature of the Imperial Treasurer to either the manual signature or the facsimile signature of the Imperial Potentate. The facsimile signature of the Imperial Potentate shall be affixed only by joint direction of the Executive Secretary for Fraternal Affairs and the Controller. In the absence or incapacity of the Imperial Treasurer said voucher checks shall be countersigned by the Deputy Imperial Potentate and the Imperial Recorder. Notwithstanding the foregoing provisions of this section, funds may be transferred to the credit of a like account from one depository to another by written or telegraphic order of any one officer so authorized by the Board of Directors."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

NOBLE EDWARD MAAG: Imperial Sir, I would move that the report of the Jurisprudence and Laws Committee on Item 5 be received.

... The motion was duly seconded...

IMPERIAL POTENTATE WECK: Is there any discussion on the receipt of this report?

If not, all in favor will indicate by saying aye; opposed. It is carried and the report is received.

I will now recognize Bob Vetter.

NOBLE ROBERT W. VETTER: Imperial Sir, Imperial Sirs, Imperial Representatives: Our present By-laws require the signature of three officers on voucher checks. This requirement is felt to be overly restrictive and also results in time delays in the payment of our bills because of having to mail checks for signatures all over the country.

The proposed change would reduce the required signatures to two, and would also allow the use of facsimile signature for the Imperial Potentate. The second signature would have to be a manual signature by the Imperial Treasurer. Except in his absences or incapacity, a manual signature by the Deputy Imperial Potentate and the Imperial Recorder would be required.

We recommend the adoption of this amendment for the following reasons:

1. Our present procedure is outdated and cumbersome.
2. The change fits our organizational setup.
3. Payment of bills would be more prompt and reduce mailing efforts.
4. We are assured that controls over disbursements would be just as good under the amended procedure.

This statement is respectfully submitted by your Finance and Accounts Committee and, Imperial Sir, I move you that this report be received.

... The motion was duly seconded...

IMPERIAL POTENTATE WECK: You have a motion and a second before you to receive this report. Is there any discussion?

There being no discussion, all in favor will say aye; opposed. It is carried and this report will be received.

IMPERIAL SIR BRACEWELL: As Chairman of the Audit Committee, we feel the adoption of this amendment is very necessary. It is an amendment to the By-laws, to Section 214.2 of Article 14 of the Iowa Corporation and I would move its adoption.

... The motion was severally seconded...

IMPERIAL POTENTATE WECK: You have before you a motion and a second to adopt the recommendation. Is there any discussion?

I will recognize our Imperial Treasurer, Tom Melham.

IMPERIAL SIR MELHAM: Imperial Sir and Fellow Representatives, as Treasurer, I am not opposed to this amendment but it causes me to reach back to the days when we had signatures and while not then an Officer of the Shrine, I thought there was some good reason why the Imperial Potentate and the Secretary and the

Treasurer would sign on any Iowa business and also the Chairman of the Board of Trustees and the Treasurer and Secretary sign in connection with the Colorado Corporation.

Now, if I am to continue as Treasurer, I want you folks to know that if there is a question in my mind I would certainly call those responsible by telephone to discuss anything that might be of some question to me, so that I would have either their support or their opinion.

You can be sure I do not oppose this and will carry it out with the understanding that I have the perfect right to discuss with the two Officers whose manual signature will now become facsimile.

IMPERIAL SIR BRACEWELL: Imperial Sir, I would like to make a couple of comments regarding the Imperial Treasurer's remarks.

First of all, as reported out by the Finance and Accounts Committee, there is adequate control and also, as reported out by the Jurisprudence and Laws Committee, to control the facsimile signatures.

This is a procedure to enable us to expedite our acts in a more expeditious manner.

I might also mention to you, the Representatives, that every check written by the Imperial Council, whether it be in Iowa or Colorado, there is a written report given to each of your Officers thereof so that he knows exactly who received what and what it was for.

Therefore, again, I would move for the adoption of this amendment.

... The question was severally called for...

IMPERIAL POTENTATE WECK: The question has been called for.

All in favor of the adoption of this amendment please say aye; opposed. I declare this has been passed by the required two-thirds Constitutional majority.

... Business was conducted in the Colorado Corporation at this time...

IMPERIAL POTENTATE WECK: We will next proceed to Item 18, Jurisdictional Lines and I will recognize Noble Arthur E. Armitage, Jr., Chairman of the Committee.

NOBLE ARTHUR E. ARMITAGE, JR. [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines a proposal identified as Item No. 18 in the Call, by Junior Lewis, Potentate and Representative of El Bekal Temple, to amend Article 49 of the By-Laws which, in essence, gives El Bekal and Al Malaikah Temples concurrent jurisdiction in those areas presently held by both except Al Malaikah will retain exclusive jurisdiction in the City of Los Angeles and El Bekal will have exclusive jurisdiction in the City of Anaheim.

Your Committee was most pleased to receive large delegations from both Temples at the meeting and hear from them in their total support, by agreement of both Temples, to this jurisdictional change. It was truly Shrinedom in action.

Your Committee unanimously recommends the adoption of this proposal.

Respectfully submitted,

... The motion was duly seconded...

IMPERIAL POTENTATE WECK: All in favor will indicate by saying aye; opposed. The motion is carried.

I will now recognize Noble Jeffries of the Jurisprudence and Laws Committee.

NOBLE WALTER JEFFRIES [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Sections 449.3 and 449.5 of Article 49 of the By-Laws of the Iowa Corporation, so that they will read as follows:

"Section 449.3 Al Malaikah Temple

Has:

- (a) Exclusive jurisdiction in the City of Los Angeles.
- (b) Concurrent jurisdiction with El Bekal Temple in the Counties of San Luis Obispo, Santa Barbara, Ventura, San Bernardino, Riverside, Los Angeles, and Orange except the City of Los Angeles, and Orange except the City of Anaheim.
- (c) Concurrent jurisdiction with Tehran Temple in Kern County.

Section 449.5 El Bekal Temple

Has:

- (a) Exclusive jurisdiction in the City of Anaheim, in the County of Orange.
- (b) Concurrent jurisdiction with Al Malaikah Temple in the Counties of San Luis Obispo, Santa Barbara, Ventura, San Bernardino, Riverside, Los Angeles, except the City of Los Angeles, and Orange, except the City of Anaheim."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

IMPERIAL POTENTATE WECK: You have before you a motion to receive the report. All those in favor will indicate by saying aye; opposed. The motion is carried.

I will now recognize the proposer of the amendment, Noble Junior Lewis, Potentate and Representative of El Bekal Temple.

NOBLE JUNIOR LEWIS [Potentate and Representative, El Bekal Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I would move for the adoption of this amendment.

. . . The motion was duly seconded. . . .

IMPERIAL POTENTATE WECK: Is there any discussion?

. . . The question was severally called for. . . .

Will you please turn on Microphone 4.

NOBLE T. K. GRIFFITHS [Representative, Hamasa Temple]: I would like to take this opportunity to present to you and, through you, Imperial Sir, to the Nobles here, one of the most outstanding Shriners in the great State of Mississippi—the Most Worshipful Grand Master of the Grand Lodge of Free and Accepted Masons

of Mississippi, the Honorable James M. Ward, my Grand Master. He is sitting right here (indicating) and I would like to recognize him. I am grateful for his attendance here today. (Applause)

IMPERIAL POTENTATE WECK: Let me say to you, Worshipful Sir, that we do appreciate your presence. Thank you very much.

... Business was conducted in the Colorado Corporation at this time. . .

IMPERIAL POTENTATE WECK: We will next take up Item 2 and, for that purpose, I will now call upon Bob Turley.

IMPERIAL SIR TURLEY: Imperial Sir, I have here a communication from Noble and Illustrious Past Potentate Robert Bailey of Kerbela Temple, in which he states his wish to withdraw proposal 2 which is contained at page 11 of the Call.

He states "I wish to withdraw proposal 2 from consideration at this Imperial Session."

Imperial Sir, I ask for unanimous consent, that proposal 2 be withdrawn and move that the Jurisprudence and Laws Committee be discharged from consideration and report concerning Item 2.

IMPERIAL POTENTATE WECK: Is there a second?

... The motion was duly seconded. . .

IMPERIAL POTENTATE WECK: Let me explain to you that, in order for this to be successful, this must involve a unanimous ballot.

All those in favor will say aye; opposed. I declare this to be unanimously passed.

We next go to item 4 and I will recognize Bob Morrison.

NOBLE ROBERT MORRISON [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 208.7 (g) of Article 8 of the By-Laws of the Iowa Corporation so that it will read as follows:

"Section 208.7 Special Committees and Duties.

(g) The Shrine Rooms Committees

(1) The Shrine Rooms-East Committee shall have charge of the Shrine Rooms at the George Washington Masonic Memorial at Alexandria, Virginia.

(2) The Shrine Rooms-West Committee shall have charge of the Shrine Rooms at 1651 19th Avenue, San Francisco, California."

I will now recognize Noble Raymond W. Haun, Potentate and Representative of Islam Temple.

NOBLE RAYMOND W. HAUN [Potentate and Representative, Islam Temple]: Imperial

Sirs, Illustrious Sirs and Fellow Representatives. With regard to this item, Item 4 as is presently in your 1979 Call, I do not want this to be confused with the 1978 Call, where we had a problem.

I would like to move for the adoption of this amendemnt and I realize, of course, we are just recognizing the existence of Shrine Rooms West which have been in operation for the past nine years. Thank you.

IMPERIAL POTENTATE WECK: Is there a second to the motion to adopt?

... The motion was severally seconded. . .

IMPERIAL POTENTATE WECK: Is there discussion?

NOBLE MAHLON HESSEY [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Article 23 of the By-Laws of the Iowa Corporation by repealing Section 323.12 and renumbering Sections 323.13 and 323.14 so that they will be numbered Sections 323.12 and 323.13, respectively.

NOBLE MAHLON HESSEY: Imperial Sir, I would move the acceptance of this report.

... The motion was duly seconded. . .

IMPERIAL POTENTATE WECK: You have before you the motion and the second to accept the report. Is there discussion? Hearing none, all in favor will indicate by saying aye; opposed. The motion is carried and the report is therefore declared to be accepted.

Now, I am going to turn the gavel over to Imperial Sir Bowers, inasmuch as I want to talk about this matter.

... The gavel was turned over to Imperial Sir Bowers. . .

IMPERIAL SIR BOWERS: I will recognize the Imperial Potentate.

IMPERIAL POTENTATE WECK: During my travels this past year, I have met with a number of Divans and Potentates and the problem which seems to have arisen, not only with Associate Memberships but also where someone demits from one Temple to another—generally speaking, those of us that come from the north and move to the south, some of them are Past Potentates and so when they become a member of a new Temple, they receive a new Fez from whatever Temple it might be and it has the wording on it "Past Potentate".

Now, this is truly a misleading thing because that particular individual is not a Past Potentate of the particular Temple he joined, whatever it may be.

Therefore, this, in turn, raises a number of questions among the Nobility.

They say, for example, "He was never a Potentate of our Temple."

It raises problems insofar as the Divan is concerned relative to their recognition of Past Potentates from within the Temple.

Therefore, I have presented this resolution so that if a Past Potentate from some

Temple becomes an Associate Member or demits to another Temple, he may not wear on his Fez the name of the new Temple with the name or title of "Past Potentate".

With those brief remarks, I would move for the adoption of this amendment.

... The motion was duly seconded. . . .

IMPERIAL SIR BOWERS: You have before you the motion and second, which is to adopt the amendment. Is there further discussion?

... The question was severally called for. . . .

IMPERIAL SIR BOWERS: The question has been called for.

All in favor of the amendment will indicate by saying aye; Contrary-minded by the same sign.

Well, I am not sure exactly as to the count in this particular sense and so I propose that we have a written ballot.

... Cry of "vote over again" . . .

IMPERIAL SIR BOWERS: I will declare we will take a ballot on this, a written ballot.

... At this point, Imperial Potentate Weck resumed the chair. . . .

IMPERIAL POTENTATE WECK: Let me explain to you that if you are voting in favor of this particular amendment, you will vote "yes" or "aye". This means, in turn, that a Past Potentate from another Temple cannot become an Associate Member or demit to your Temple and wear on his Fez, his new Fez from your Temple, the title of "Past Potentate". He is not a Past Potentate of your Temple. He can purchase a new Fez but he cannot put the words "Past Potentate" on there or, of course, he can wear his old Fez.

If you vote "yes", that means he cannot do it. If you vote "no", it means that he may then purchase a new Fez from your Temple and put the wording "Past Potentate" on it.

Is that clear?

IMPERIAL SIR KISSELBURGH: Imperial Sir, because of confusion and the question to be asked for definition or instructions on this, I request that the vote be taken over by a voice vote.

IMPERIAL POTENTATE WECK: I will recognize the Noble at Microphone 3.

NOBLE B. N. HARRIS [Kazim Temple]: I merely wanted to clear the air for the Nobility here.

I have heard some confusion and if I read this properly, this amendment would take out the right to have the "Past Potentate" on there. However, the way it reads, it says he can wear it but you are eliminating that, if you vote "yes", is that right?

... At this point, the gavel was again returned to Imperial Sir Bowers. . . .

IMPERIAL SIR BOWERS: That is correct.

If there is no objection or no further discussion, we will take a voice vote once more.

All those in favor of the adoption of this amendment as presented in Item 8 of the Call, indicate by saying aye; contrary no.

I declare that you have passed the proposed amendment by the necessary Constitutional two-thirds majority.

... The gavel was again returned to Imperial Potentate Weck. . . .

IMPERIAL POTENTATE WECK: Thank you very much.

Now, inasmuch as we still have some additional time this afternoon. . . .

PAST IMPERIAL POTENTATE MORRISON: Imperial Sir, I want to talk.

IMPERIAL POTENTATE WECK: The chair recognizes Past Imperial Sir Morrison on Microphone 4.

PAST IMPERIAL POTENTATE MORRISON: Imperial Sir, you said at the beginning of the session that if we desired a written ballot on anything, we could have it and so I would ask for a written ballot at this time on the resolution that was just passed.

I would also think that you, as the presiding officer, should have said that it passed or did not pass. However, I also still say that we should have a written ballot.

IMPERIAL POTENTATE WECK: Well, I was actually not the presiding officer when the vote was taken at that particular point. However, I will turn your question over to the then presiding officer.

...Whereupon, at this point, Imperial Sir Bowers again resumed the chair...

IMPERIAL SIR BOWERS: With regard to your question, Fred, I will refer this question to the Parliamentarian.

NOBLE SEWELL LAMDIN [Parliamentarian]: Imperial Sir, with regard to the answer to that particular question, the delegate does have a right to ask for a division. If he asks for a division, then we will divide the House. If he wants a written ballot, however, he must make a motion for a written ballot and the House has to then adopt it before it can be taken.

IMPERIAL SIR MORRISON: Mr. Chairman, rather than taking up a lot of time, I will say this—that I myself do not understand this and I don't think others of us understood this at the Board meeting we had last week because I always thought, in the By-laws, it said that a Past Potentate that becomes a member of another Temple is entitled to be classified as a Past Potentate of that Temple.

I believe that is what we said—that he can be a Past Potentate of his particular Temple.

...Cries of "no, no"...

IMPERIAL SIR BOWERS: I would have to say "no".

PAST IMPERIAL POTENTATE MORRISON: Then, really, what does this say? I guess I cannot read so good.

You know, somebody told me once—"I can read it for you but I cannot understand it for you." (Laughter)

IMPERIAL POTENTATE WECK: You are eliminating from the section there that a Past Potentate who becomes a member of another Temple is entitled to be classified as a Past Potentate in that Temple. That is what the law is now. If you vote "yes", you are eliminating that, so he no longer can become a Past Potentate.

PAST IMPERIAL POTENTATE MORRISON: Then I will withdraw any objection I have, Imperial Sir.

...Cheers and applause...

IMPERIAL SIR BOWERS: Thank you, Mr. Morrison.

...The gavel was again returned to Imperial Potentate Weck...

IMPERIAL POTENTATE WECK: Now, I know that there are some engagements this evening that we will all be attending but, again, I would like to have just one or two reports and then we are going to get you out of here in a few moments. However, we want to accomplish as much as we can because I know there will be some debate on other items.

Therefore, at this point, I will recognize the Chairman of the DeMolay Committee, Dr. Anthony, Chairman.

IMPERIAL SIR RUSSELL H. ANTHONY [Chairman, DeMolay Committee]: Imperial Sir, Imperial Sirs and Fellow Representatives: I have been asked by Imperial Sir Warren and members of the DeMolay Committee, to give an in-depth report on DeMolay to this august body of Nobles.

It was felt that the DeMolay Committee has failed to communicate properly with the Imperial Representatives on the current status of the Shrine-DeMolay relationship.

The Forty-Second Psalm says that "Deep calleth unto deep". In essence, this is what I hope this in-depth report will accomplish, by getting us deeper and deeper into the DeMolay-Shrine relationship. I hope I do not put you Nobles into a state of deep sleep during the presentation. However, if you should just happen to fall asleep, you can always use the excuse I use when my wife asks "Are you asleep, Russ?" I reply, "No, I am just resting my eyes."

On August 21, 1978, a covering letter and a questionnaire was sent out to each

of you Potentates, you being Chief Rabbans at the time. A copy of each will appear in the Proceedings.

For those of you that are not Potentates, the response was very, very excellent. In fact there were some 12 Temples out of 181 Temples that responded to this questionnaire and the facts that I am now going to present to you were gleaned from this questionnaire.

The questionnaire revealed that there are 1,550 Chapters of DeMolay, with 94,354 members in the 121 Temple jurisdictions. There are actually 2,119 DeMolay Chapters in the United States and Canada, with a total membership of 122,000, according to figures received from DeMolay Headquarters. This comparison reveals that our Shrine has a very active association with DeMolay all over North America. Had it been otherwise, the figures revealed by our survey would not have coincided so accurately with the actual figures from DeMolay.

The most important conclusion drawn from the questionnaire is that the Shrine is the main benefactor of DeMolay. Now, that may come as a surprise to most of you, and, frankly, I hope it does, for if it does, it will encourage those Temples that are already active in DeMolay to keep up the good work and it will also encourage those Temples that are not active in DeMolay to get off their duffs and get on with the program.

The Shrine certainly is helping DeMolay when it comes to supplying financial help. Of the 121 Temples that responded, seventy-three, or slightly more than one-half gave a total of \$142,770 in cash to the various DeMolay Chapters. To this figure you add \$25,000 that Imperial Sir Warren budgeted for the National DeMolay office use in the United States and \$5,000 in Canada, and you have a pretty tidy sum of money given to the DeMolay by the Shrine each year.

The Shrine outlay of cash for DeMolay is small in comparison to the direct assistance of DeMolay. I refer to DeMolay events that are Shrine sponsored as revealed by the survey. These events are many and varied, way too many for me to even begin to enumerate and, further, since time prohibits, I will give each of you a list of these Shrine sponsored DeMolay events rather than read them all to you. You can, if you so desire, get this list by contacting me either in person or by letter.

Now, while we as Shriners are doing a great job with the DeMolay boys, we certainly cannot sit back and rest on our laurels. We must supply more Dad advisors and/or counselors. It is in this category that the Shrine can be of most help.

Certainly money helps support DeMolay but we would not have DeMolay very long, no matter how much money we supply, if we do not supply adult leadership.

If you do not take back from this report other than the statement I have just made my Committee's mission will have been a tremendous success.

The first step for each Temple should be to form a unit or Shrine Club which is dedicated entirely to DeMolay activities. The CSSA has taken the lead as an association with the formation of the DeMolay Knights Organization. Arab Temple, of Topeka, Kansas, was one of the early leaders in establishing such a unit and I would like to read to you the purpose of the Arab DeMolay Knights as per their By-laws.

Their purpose is—"To assist in promoting the Order of the DeMolay as representatives of Arab Temple and to offer assistance and aid to DeMolay Chapters in Arab Shrine Temple Jurisdiction and assist in other areas when invited or requested to do so and acting on the approval of the Illustrious Potentate." That is Section 1 of their purpose.

Section 2 is as follows—"To take part in Shrine activities and such other activities as the Illustrious Potentate shall direct."

Ad Temple of Duluth, Minnesota, has a very active DeMolay Noble Shrine Club which serves the same purpose as the DeMolay Units in other Temples.

Now, of course, I could name many other Temples that are doing magnificent jobs in promoting DeMolay. It is not my intent, however, to single out Temples for their activities or lack of activities. All I am asking you to do is to go home and supply the DeMolay leadership. I do not care how you do it.

The greatest concern I have in regard to DeMolay is the failure of so many of these boys to become Masons. Each year we have a potential for Raising over 25,000 Masons from the ranks of the DeMolay. Yet a very low percentage ever make it to the ranks of Masonry and the Shrine.

The age requirements for DeMolay are from thirteen to twenty years inclusive. Most boys come in at fourteen years of age and leave at eighteen years of age. Since all but nine Grand Lodge Jurisdictions have a twenty-one year minimum age requirement for membership, you can readily see why more DeMolay's do not join the Masonic and Shrine Fraternities. These boys go off to college and/or out into the world at ages eighteen or nineteen and just lose interest in Masonry and the Shrine by the time they are twenty-one years old.

In closing let me say that I am very optimistic about the future of DeMolay. The total membership may never be what it was thirty years ago but the need for a good DeMolay program is still as important today as it was then. I have no doubt that you Nobles will see that DeMolay stays active by providing adult leadership, sponsoring activities and lending financial assistance. We ask you to support the DeMolay for we believe it is one of the finest organizations that has ever been organized for the boys of North America.

Thank you very much, Imperial Sir.

Imperial Sir, I would move for the receipt of this report.

... The motion was severally seconded...

IMPERIAL POTENTATE WECK: It has been moved and seconded that this report be received.

All in favor will indicate by saying aye; opposed. The motion is carried and the report is received.

We will now recess until tomorrow morning at nine o'clock promptly.

... The One Hundred Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-thirty o'clock, p.m., to reconvene in the Convention Center at nine o'clock the following morning...

MORNING SESSION WEDNESDAY, JULY 11, 1979 NINE O'CLOCK A.M.

The One Hundred Fifth Annual Session of the Imperial Council reconvened at the Minneapolis Convention Center, Minneapolis, Minnesota, at nine o'clock a.m., Imperial Potentate Warren F. Weck presiding.

IMPERIAL POTENTATE WECK: The Representatives will please take their seats. Will you all be seated so that we may proceed with our meeting.

I now declare this session open for business and will everybody please rise and I will call upon Charles Vogt, our Imperial Chaplain, for the invocation.

REVEREND CHARLES VOGT: Let us pray.

O Lord, God, make us instruments of your peace. Where there is anger and a lack of understanding, help us to find harmony. Where there is frustration, help us to find peace.

Bless our pageant this morning and the Imperial Business Session on this day. Keep us always mindful of the great goals of Masonry and Shrinedom.

This we ask in your name. Amen.

IMPERIAL POTENTATE WECK: At this time, I would recognize Roland St. John, for a nomination concerning the office of Imperial Potentate.

NOBLE ROLAND ST. JOHN [Antioch Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives all: I am here for the tenth time at this podium to bring to you a man I think has served us well in the years past in all of the offices coming up the line. I also know he is going to do for you a good job as your new Imperial Potentate.

I present to you none other and nominate Imperial Sir Chuck Claypool for

"Charlie" Claypool, for the office of Imperial Potentate of the Shrine of North America.

Also, Imperial Sir, hearing no other nominations, I move that nominations be closed and that the Potentate of Antioch Temple cast a unanimous ballot for Chuck Claypool for the office of Imperial Potentate for the Shrine of North America.

IMPERIAL POTENTATE WECK: Is there a second?

...The motion was duly seconded...

IMPERIAL POTENTATE WECK: All in favor of this motion will say aye; opposed.

I will declare Chuck Claypool as Imperial Potentate-elect. Will you first cast the ballot.

NOBLE J. DOUGLAS ELLIOTT [Potentate, Antioch Temple]: I have the honor of asking you for the unanimous ballot for Charles J. Claypool for the office of Imperial Potentate of North America. I cast the unanimous ballot in your behalf.

IMPERIAL POTENTATE WECK: Well, all right, I now declare Charles Claypool as the Imperial Potentate-elect of the Shrine of North America.

...Rising applause ensued...

IMPERIAL POTENTATE WECK: Let me ask you, Chuck, do you accept?

IMPERIAL SIR CLAYPOOL: I do accept and I thank all of you from the bottom of my heart.

IMPERIAL POTENTATE WECK: We will now call a recess subject to recall by the chair. Please bring the ladies in.

...A brief pause ensued at this point while those on the outside of the hall desiring to view the forthcoming pageant for the newly elected Potentate entered the hall and assumed their seats, to the musical prelude by the Antioch National Champion Brass Band...

NOBLE DAVID L. DRESSER [Antioch Temple]: Ladies and Nobles, will you please be seated. We are about to start out with our pageant.

Imperial Sir, Imperial Sirs, Illustrious Sirs and my Fellow Nobles, Ladies, Gentlemen and Guests: It is with a great deal of pride and honor that I speak to you this morning and present the Imperial Potentate's pageant in honor of our Imperial Potentate-elect, Imperial Sir Charles J. Claypool.

Noble George Walters, Director of the Antioch Temple Marching Patrol, please form an Honor Guard.

...At this point the Honor Guard formed itself in prescribed fashion, following which there was the presentation of Colors, the Shrine pledge of allegiance, and the playing of the National Anthems of Mexico, Canada and the United States, following which the Colors were posted...

NOBLE DRESSER: At this time, Nobles, ladies and guests, we are pleased to present the Treasurer Emeritus of Antioch Temple, Noble Fred Collins. (Applause)

We are now also proud to present Antioch Temple's Past Potentates.

...Whereupon, Antioch Temple's Past Potentates from the years 1944 through 1978, as their names were called, together with their ladies, formed themselves in a group on the stage... (Applause)

NOBLE DRESSER: And now it is my distinct pleasure to present the Divan of Antioch Temple.

...Whereupon, the members of the Divan of Antioch Temple, as their names were presented, together with their ladies, likewise formed themselves as a group on the stage...

NOBLE DRESSER: Ladies and gentlemen, will you join me in a round of welcome and applause to the Divan of Antioch Temple.

...Applause ensued...

NOBLE DRESSER: At this time, will you please give your reverend attention to our Chaplain, Reverend Noble Edward A. Puff.

REVEREND EDWARD A. PUFF: Let us pray.

Speak to Him for He heareth; nor spirit with spirit can meet. Closer is He than breathing, nearer than hands and feet.

Commit thy way unto the Lord. Trust also in Him and we shall bring it to pass.

Almighty God, our Heavenly Father, Thou hast brought us into this, our finest hour and as we now welcome the Nobility, ladies and friends, to this "our world" we acknowledge that Thou didst first give us this world—a world to enjoy, a world to serve, a world to make better, a world to walk uprightly and to help in healing of the boys and girls in our orthopedic and burns hospitals.

As we now lean upon Thy everlasting arms, be Thou our strength beyond our own; be Thou our love that will never let us go and the peace that passeth all understanding; for may we never forget the power of prayer, the power of faith, the power of peace that passeth all understanding.

Let your spiritual mantle now rest upon Chuck and Becky Claypool as they assume leadership and let divine favor be upon the Imperial Officers and the far flung Nobility who look daily to you for guidance, counsel, wisdom and vision.

May we ever remember our great heritage in Shrinedom and live each day to share Shrinedom and its fruits with all of North America.

Take now our hands and lead us; take our hearts and fill them with love; take our minds that Thy will be done for in Thy will is our peace.

Thanks be unto Thee for this glorious day and for Thy love without end. Amen.

NOBLE DRESSER: And now, Nobles, ladies and gentlemen, welcome please the Imperial Potentate-elect for the Shrine of North America, Imperial Sir Charles J. Claypool.

...Whereupon, Imperial Sir Claypool, escorted by Illustrious Past Potentate David R. Buckley was presented at the podium... (Applause)

NOBLE DRESSER: And now, Noble Director Walters, you may dismiss the Honor Guard.

...Whereupon, the Honor Guard retired...

NOBLE DRESSER: And now, Imperial Sir, we would welcome any comments that you would care to make at this time.

IMPERIAL SIR CLAYPOOL: Let me first ask—what do you think about my Temple family. (Applause ensued)

This has been my family for some twenty-five years and now I would like to show you what these Past Potentates and the Divan has made of Antioch Temple.

At this time I would like to have our Master of Ceremonies bring the units on with the Potentate of Antioch Temple staying up here with me to review them. The balance of the Divan can retire to their seats.

NOBLE DRESSER: Illustrious Sir and Imperial Sir Claypool, we now invite you to review the units of Antioch Temple.

First we have on stage the Motor Escort, those proud men on the 1978 Harley Davidson motorcycles. Their Director is Noble Jerry Tibbs, with Lieutenants, Nobles Bill Cansler and Howard Miller. Their basic duties are to see to the safe conduct of the Divan and units from place to place and other escort duties as directed by the Potentate. They have competed and won the Great Lakes Motor Corps Competition for the last eight years and finished first in the Imperial competition for the past two years. This unit was formed in 1962. (Applause)

In front of the curtain, from the Logan County Shrine Club in beautiful downtown Huntsville, Ohio, we have the Funsters with their Director, Noble Dick Stienmetz. The Funsters are the delight of the young and the young at heart everywhere they appear and have been adjudged among the best in all of Shrinedom. (Applause)

Again, in front of the curtain, we have the Greeters, under the direction of Noble Dick Neibel. Their duties are basically those of being hosts, registrars and good will representatives of the Temple, as well as being a fine parade unit. This unit was formed in 1955. (Applause)

We next have, on the stage, Antioch's Oriental Band, under the direction of Noble

John Ziegler. This unit has sixty members and was formed in 1932. They finished first in their class at Kansas City in 1976.

...The audience applauded following a brief performance of the Oriental Band while on the stage...

NOBLE DRESSER: In front of the curtain we have the Potentate's staff, a most important unit. Their duties are to aid and assist the Potentate, Divan, Nobles and guests as directed by the Potentate and to act as drivers for the Potentate and his Divan in parades. Noble Gene Haerlin is the Chief of Staff. (Applause)

On the stage, the Antioch Chanters, directed by Noble Marvin Dalton. This popular unit sings at all Ceremonials, entertains the Nobility and their families at various times throughout the year and are frequently called upon to give public performances.

...The audience applauded following a brief performance by the Antioch Chanters while on the stage...

NOBLE DRESSER: We next have the Directors Staff, with their Director, Noble Chet Zander. The Directors Staff is basically a Ceremonial Unit, carrying out their duties during the initiation of candidates. This is one of the hardest working units, as well as the oldest in Antioch Temple, having been formed in 1896.

In front of the curtain we have the Ambassadors, the liaison representatives of the Potentate to the sixteen outlying Shrine Clubs. They are largely responsible for the increase of Antioch membership through club activity. Their Chief Ambassador is Noble Ray Womack. (Applause)

We next have the famed Antioch Temple Marching Patrol under the direction of Noble George Walter and led by Captain, Noble Charlie Adams. This unit is ranked among the top three marching patrols in all of Shrinedom.

...The audience applauded following a performance of the Antioch Temple Marching Patrol while on the stage...

NOBLE DRESSER: Next, in front of the curtain, we have the Stewards with their Director, Noble Dave Auten. Their duties include the preparation and serving of those delicious ceremonial feasts. (Applause)

Next we have those magnificent Keystone Cops, the Bobbies on their scat kitties. They are a delight to crowds everywhere they go. Director is Noble Richard Oglesbee. (Applause)

Now, in front of the curtain, we have the Antioch Mounted Patrol. Of course, they do look a little lonesome without their beautiful Palamino Horses. They have performed in the Orange Bowl Parade, the Tournament of Roses Parade and for many years have led the Pegasus Parade in Louisville, Kentucky, prior to the Kentucky Derby. This year they were awarded first place in the Cherry Blossom Festival Parade in Washington, D. C. Their Director is Noble Don Sharrett. (Applause)

We next have, on the stage, our Field Music Band from the Springfield Shrine Club, directed by Noble Kenny Miller.

...The audience applauded following a brief performance by the Field Music Band while on the stage...

NOBLE DRESSER: Next we have the Dune Buggy group of the Motor Corps, with Captain Noble Bill Knopp. They drive those beautiful mini Model T buggies and are a pleasant sight in every parade attended. (Applause)

The National Championship Antioch Motor Corps Motorcycle Group. Noble Don Pummell is the Director and Noble Leroy Curtis is Captain of this group. They proudly ride their new 650 and 100 Kawasakies. This group has become the undisputed perennial team to beat throughout Shrinedom. (Applause)

In front of the curtain, the Medical Unit, with Director Noble Dr. Herman Bearzy. Their duties include the physical examination of all candidates, assist in placement of crippled and burned children into our hospitals and to provide professional medical care when needed at all official Shrine functions. (Applause)

Next is the Antioch Pipers. This popular unit was formed in 1972 and has become one of the most active and sought after units in Antioch Temple. Their

authentic Scottish regalia was tailored especially for them from the finest Scottish material.

... The audience applauded following a brief performance by the Antioch Pipers while on the stage...

NOBLE DRESSER: Next we have the Antioch Temple Guard, which is largely a functional unit for purposes of securing the ceremonial and meeting rooms from outside intrusion. They participate in all parades and ceremonials called by the Potentate. Director Noble Dean A. Girton leads this unit. (Applause)

Always an exciting unit is the four wheeler group of the Motor Corps as they zip around like a swarm of bumble bees along the parade route. Under the direction of Captain Robert Evers, this group is the current national champion in their class. (Applause)

In front of the curtain, we have our newest unit, the Provost Guard, made up of law enforcement officers from the area. Their duties are to provide security and protection for our units and Nobles when on location as well as here at our home Temple and to establish liaison with local agencies while out of town. The Chief Provo is Noble Conrad Munson. (Applause)

On the stage we have the Specialty Group, which is also a part of the Motor Corps. They each have created their own costume based on a popular cartoon character. The delight on the faces of the children as they pass in parade makes all the effort worthwhile. Noble Bob Collins, one of the keyboard artists for the famous Antioch Calliope, is the Captain of this group.

Next we have the Troubadors, under the direction of Noble Ray Shepard, one of the dance bands of Antioch Temple. They are always in demand to provide beautiful music for the many social functions in the Temple. (Applause)

The Mound Rovers are a group of members from the Mound Shrine Club in Miamisburg who built and parade in their beautiful green two-seat dune buggies. The Chief Rover is Noble Jim Patton. (Applause)

I think it would be appropriate at this time to recognize the outstanding job done this morning by our National Champion Brass Band, directed by Noble Don Peiffer. They received that honor in Detroit, Michigan last year at the Imperial Session. Don't you think they have been great? (Applause)

I also want to mention the Photographers Unit who have been on duty this morning and all week recording the events on film. Their director is Noble Don Choppock.

I am also pleased, at this time, to introduce our Pageant Coordinator for this event, Noble Wilbur Stump, who has produced this Imperial Potentate's Pageant. (Applause)

You know, the responsibility of putting a parade together and seeing that it moves smoothly and arrives at the right place at the right time falls upon our Director of Units. Will you join me in a round of appreciation for Noble Joe Wood and his assistants, Nobles Lee Sowders and Jim Rogers. (Applause)

And now, ladies and gentlemen, that concludes the presentation of our units and, Imperial Sir, according to your program and all these programs here, you are to take over at this time. However, we have a surprise for you.

Our dear friends, Glenn Stetson and the Diamonds were to have been here to help you celebrate but by some strange circumstance, Glenn became involved in a contract conflict and his schedule would not permit him to be here. However, he sends his regards.

Glenn has produced for you, in your honor for presentation at this time and to the Shrine of North America, a song. I would ask that each and every one of you clear your thoughts and please listen to this presentation. This is a work put together from a song written by Marty Robbins and a recitation which was written by one of our good Nobles in Atlanta, Georgia several years ago. The combination of the song and recitation, I guarantee you, is going to send you away from here with an even greater thought for Shrinedom and what we are doing. We would like to play this song for you at this time and so, may we have the recording please.

...The playing of the song and recitation ensued... (Applause)

NOBLE DRESSER: You know, Imperial Sir, that was not supposed to get to me.

Imperial Sir, as you know, and I suppose many of your friends perhaps do not know, Glenn Stetson and the Diamonds are very dear friends of Antioch Temple. To put the kind of feeling that Glenn put into that piece and to have the understanding of the functions of the Shrine certainly says a great deal for Mr. Glenn Stetson. He is not even a Shriner but he has been around so much that he has this deep feeling for you, Imperial Sir, and also for the Shrine and the good works we are doing and this piece is his gift to the Shrine of North America.

Now, if I might have our Parade Marshal, Noble Joe Wood, please come out, I think he has a little presentation to make.

NOBLE JOE WOOD: Imperial Sir, you may or may not know it, but the Diamonds, over a period of years, have sold over 100 million records. They are the possessors of sixteen gold records and today they have sent you a gold record, a copy of what you have just heard. Therefore, this is presented to you with the thought that it might make at least a million more smiles for little children.

...Presentation of gold record to Imperial Sir Claypool ensued...

IMPERIAL SIR CLAYPOOL: Well, Joe, I really don't know what to say. Perhaps if they were here I would kiss them. However, what do you think about that? (Applause)

NOBLE WOOD: We also have for you, Imperial Sir, as a memento of this morning, a copy of the poem for you to hang on your wall that you might read it whenever you so desire. This is hand made for you in needlepoint.

...Presentation of needlepoint poem and applause ensued...

IMPERIAL SIR CLAYPOOL: As Warren said last year I did not know a thing about it.

NOBLE DRESSER: I also believe, Imperial Sir, that our Illustrious Potentate has a presentation for you.

NOBLE DOUGLAS ELLIOTT [Potentate, Antioch Temple]: Imperial Sir, knowing you as well as I do, I know you will want to show this and let all of your friends know of this recording. Therefore, for that purpose, we are presenting you with a recorder, a portable recorder and a tape of this so that you can show your friends and help spread the words concerning Shrinedom for us.

...Presentation of the recorder ensued...

IMPERIAL SIR CLAYPOOL: Thank you very kindly. I deeply appreciate it.

NOBLE DRESSER: Again, the tape that is already in that machine it is yours. It is yours to do with as you see fit. There are absolutely no restrictions. It may be used for the promotion of your hospitals, maybe used for distribution to other Temples. It is yours and that of the Imperial Shrine from now on and with highest regards from Glenn.

And now, Imperial Sir, if you have anything to say, I would welcome your comments.

IMPERIAL SIR CLAYPOOL: What do you think about my units and my Temple—how kind they are? (Applause)

Now, this is my Shrine World and I would like to show you a little bit of my own world.

...Whereupon, at this point, a slide presentation entitled "Welcome to My World" was presented by Imperial Sir Claypool... (Applause)

NOBLE DRESSER: Thank you, Imperial Sir, for that insight into your world and I would like to compliment those responsible for the preparation and production of that beautiful work. Wasn't that beautiful? (Applause)

Let me ask you, Imperial Sir, have you any words at this time? We are moving right toward the highlights here.

IMPERIAL SIR CLAYPOOL: If you will give them a minute, I would like to introduce my family.

NOBLE DRESSER: Ladies and Nobles, presenting the First Lady of Shrinedom in

North America, Mrs. Rebecca Claypool, escorted by Illustrious Potentate of Antioch Temple, Illustrious Sir J. Douglas Elliott. (Applause)

I will now ask Noble John W. Shimer, Chief Rabban of Antioch Temple to approach the microphone at this time.

NOBLE JOHN W. SHIMER [Antioch Temple]: Lady Rebecca, First Lady of the Shrine of North America, in behalf of the Divan and the Nobility and the ladies of Antioch Temple, I present to you this bouquet of roses which symbolize our love and affection for you. God bless you this year as you travel with Imperial Sir Chuck on a journey of good will for your great Fraternity.

...Presentation of roses and applause ensued...

NOBLE DRESSER: Thank you, Noble Shimer.

At this time, it gives us a great deal of pleasure and honor to present Chuck and Rebecca's families.

First, Noble Tad Claypool and his wife, Kay and Amy Elizabeth. She is the youngest member of the next generation of Claypools and, I think, the light of Imperial Sir Claypool's life.

Also, if this works, present to you Tad Claypool's son, Matthew Allen, again, the light of Grandpa's life, if you do not already know. (Applause)

Next we have Miss Tammy O'Connor, Becky's daughter. (Applause)

Next Imperial Sir Claypool's nephew, Noble Harry Harrah, with his wife Carol and their children, Dana, Whitney and Jacque. (Applause)

There are two other children who were unable to attend—Becky's sons, Vince O'Connor and John O'Connor, his wife Carol and daughter Farrah.

Now, at this time, Imperial Sir, I understand there are some presentations to be made to you and I would ask for them as they are listed in the program.

First of all, I would recognize the Potentate of Al Malaikah Temple.

...Whereupon, at this time, the Potentate of Al Malaikah Temple, together with his Representatives, made their annual presentation of the Swaggerstick to Imperial Sir Claypool... (Applause)

IMPERIAL SIR CLAYPOOL: Thank you, Illustrious Sir, to you and your Divan. Also please take my appreciation back to all of your units. Thank you very much.

...At this point, Noble Tad Claypool approached the microphone.

NOBLE TAD CLAYPOOL: Dad, on behalf of all the members of Antioch Temple and all the Shriners of North America, I would like to, at this time, present you with your five-star Imperial Fez. Wear it with great honor.

...Presentation of Imperial Potentate's Fez and applause ensued...

NOBLE DRESSER: Are there any other presentations from other Temples? If there are, please come forward at this time.

I see none and, therefore, I would ask our Illustrious Potentate, J. Douglas Elliott, to please step forward.

NOBLE J. DOUGLAS ELLIOTT [Potentate, Antioch Temple]: Imperial Sir Charles J. Claypool, since 1970, Antioch Temple has tried to prepare for this day and though it has not been easy, we have tried. We have budgeted something to give a gift to someone who we are really proud of and we hardly knew what to do. However, at this point, we will do the best we can, Chuck.

Therefore, I present to you this set of keys to number one insofar as Antioch Temple is concerned.

IMPERIAL SIR CLAYPOOL: What are they for?

NOBLE DRESSER: Whatever you want it to be, Chuck, a Cadillac or whatever, but please stay within our budget. (Laughter)

IMPERIAL SIR CLAYPOOL: Thank you very kindly, all of you from Antioch Temple.

NOBLE DRESSER: Now may we have our Emeritus Imperial Recorder, George M. Saunders approach the microphone, please.

IMPERIAL SIR GEORGE M. SAUNDERS: Mr. Chairman, Imperial Sirs, Illustrious

Imperial Potentate-elect, Charles J. Claypool, Representative to this Imperial Session, Nobles, very lovely ladies and visitors: It gives me a great pleasure to present to you, on behalf of the Imperial Council of the Shrine of North America, your Imperial Potentate's Flag, bearing the official title, along with your name.

The official Imperial Potentate's Flag is of royal purple silk, embroidered in gold to depict the flag of great leadership.

May this flag march along, with our three National Flags of the Shrine, at the head of the mighty Phalanx of nearly a million Nobles of the Mystic Shrine in their dedication to Freemasonry and Shrine tenets and principles and our devoted service to mankind in the greatest of all Fraternities and in our work of the world's greatest philanthropy, Shriners Hospitals for Crippled Children.

I know that you, as a Noble, will respect the symbolism of this Fraternal Flag for all that it represents.

Imperial Sir Chuck, it is a personal privilege for me to present to you, in the name of all Shriners, your Imperial Potentate's Flag.

...Presentation of Flag and applause ensued...

IMPERIAL SIR CLAYPOOL: To all of the Shriners of North America, thank you very kindly. (Applause)

NOBLE DRESSER: Now, Imperial Sir, I understand that at this time you have some presentations to make and so I will turn the microphone over to you.

IMPERIAL SIR CLAYPOOL: I would like to have my son, Tad come up here.

Tad, it gives me a great pleasure to appoint you as an Imperial Potentate's Aide and present to you your Fez designating this appointment.

...Presentation of Imperial Potentate's Aide Fez ensued... (Applause)

IMPERIAL SIR CLAYPOOL: Also, let me say that Harry and his family are like my own children. They are always at my house and so, Harry, it likewise gives me a great deal of pleasure to appoint you as an Imperial Potentate's Aide and present to you this Fez.

NOBLE DRESSER: Ladies and gentlemen, I would like to thank all of you in behalf of Antioch Temple for being with us and helping us to celebrate this beautiful day with our Imperial Potentate-elect. ... The drawing of numbers ensued at this point...

IMPERIAL POTENTATE WECK: Well, all right, Jack has drawn number one and so will the nominator for Jack Jones of Egypt Temple, for the office of Imperial Recorder, please make his nominating speech.

NOBLE JOSEPH PEEL [Potentate, Egypt Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters, Distinguished Masons and my Fellow Representatives: My name is Joe Peel and I am the Potentate of Egypt Temple in Tampa, Florida.

It is with a great deal of pleasure and certain pride to come before this Convention to place in nomination, for the office of Imperial Recorder, a Brother and Noble whom I have grown to admire and respect over these past years.

You know, every man reflects outwardly to his fellow man what he believes and has accomplished over the years of his life.

This man is a living example of his reflections.

His name is Jack Jones, the present Recorder of Egypt Temple.

Nobles Jones attended public schools in the State of Georgia. He later attended the University of Southern Mississippi and the University of Tampa, where he majored in business administration.

At the time of this Noble's retirement from the United States Air Force, he was in charge of the highly sophisticated space systems command control located at one of the military Air Force bases in Tampa, Florida.

Noble Jones was raised to the sublime degree of Master Mason in Standish, Michigan. He received his Thirty-Second Degree at Marquette, Michigan and after moving to Tampa, all of his Masonic affiliations were transferred to Tampa and shortly thereafter he received all of the rites and Degrees of the York Rite bodies. He was also invested with the rank and dignity of the Courts of Honor, KCCH.

Noble Jack was created a Noble of the Mystic Shrine at Al Kader Temple in Portland, Oregon. He later demitted to Egypt Temple after having transferred to Tampa, Florida and immediately became very active in all phases of Egypt Shrine activities.

This man has served as an Aide, as the Temple Housing Chairman, as a Colonel of the Uniformed Unit, as Commander of the Legion of Honor, only to mention a few of his accomplishments while being in our Temple.

In 1974 he was appointed Administrative Assistant to our Recorder, Don McKay and served in that position until 1975, at which time Don retired as Recorder and Noble Jones assumed the responsibility of this job and has unanimously been elected to that position each year since.

Fellow Representatives, Jack Jones is a boss who knows how to run a business.

We have been to a number of Shrine Temples in the past few years, seeing the impressive relationship that exist between the Shrine Temples and the communities which they serve. This man Jack Jones sits out front between our Shrine and the community in which we live.

He is also a first-class public relations man, always sitting up front when it comes

to membership in our Shrine Temple, never taking a second seat to any Noble when it becomes the duty of looking for new members.

In 1978, Egypt Temple was third on a percentage basis in gain of membership in the Shrine of North America, with a net gain of 565 Nobles. This man led the pack insofar as Egypt Temple was concerned in relation to that gain.

He also knows how to make the Shrine grow. The combined budgets of Egypt Temple amount to approximately one million dollars. Our monthly reporting and our annual statements are accurate, comprehensive and submitted on a timely basis.

Nobles, without a doubt, this man is a Recorder in the strictest sense of the word and, I might say, a darned good one at that.

He is a young, energetic individual, who is in a position to serve the Imperial Council as Recorder regardless of what might be those requirements.

Nobles, this individual is not a rubber stamp Recorder and I can personally attest to that, because he has served me and this Divan since I have been on it.

Also, there is one other thing you have to take into consideration in electing a man for this position and that is the item of expenses.

This man is domiciled between five and eight minutes of the Imperial Shrine Headquarters, which makes him available upon a moment's notice to answer questions, attend meetings, sign documents without any delays or any added expenses to you people sitting in this audience or to the Imperial Council.

Fellow Representatives, this man is a dedicated husband, a father, a Mason and a Shriner. He has proven himself to be worthy and capable of that position which he seeks.

It is for such a man, Noble Jack Jones, that I ask your vote and support for the office of Imperial Recorder of the Shrine of North America.

Yes, Fellow Representatives, Jack Jones is the right man for Imperial Recorder. Thank you very much.

IMPERIAL POTENTATE WECK: Thank you.

Now, will the nominator for Tom Dooley please come forward.

NOBLE E. H. HERROD [Potentate, Scimitar Temple]: It is a great pleasure for me to place in nomination the name of Illustrious Recorder Tom Dooley for the office of Imperial Recorder.

Much has been said about the Colorado Corporation, with its tremendous budget. We are fortunate that we have outstanding men on the Imperial Divan, on the Board of Trustees that this Corporation is effectively operating.

However, we have another corporation, the Iowa Corporation, which we, too, consider very important. This corporation has a tremendous budget also and it consists of some 181 Temples and almost 942,000 Shriners such as you and I.

Many of these people, day by day, have problems that require solving and from time to time they need the assistance of a man that is worthy of assuming this position. They need and deserve an Imperial Recorder with Temple experience, with Imperial experience, someone whom they have confidence in, some person elected by you as Imperial Representatives.

These people are responsible to you and Tom Dooley, we believe, has that experience.

He, too, has had a long and distinguished Masonic career, serving in all of the outstanding bodies and prerequisite bodies from Grand Master up to his KCCH.

He has been an outstanding Recorder in our Temple for the past eleven years and has also been an Imperial Representative here and served North America for eleven years.

He has likewise served on numerous Imperial committees. The Shrine Recorders Association of North America has expressed their confidence in Tom Dooley by electing him their First Vice President for the coming year.

I ask you, for the good of Masonry and Shrinedom, let us recognize his experience and put it to work and that you express your confidence in him by electing Tom Dooley Imperial Recorder for the ensuing year.

Thank you very much.

IMPERIAL POTENTATE WECK: Are there further nominations? Are there further nominations?

...At this point, it was severally moved, seconded and carried that nominations be closed...

IMPERIAL POTENTATE WECK: I will now ask you to take out your ballot books. I hope all of you brought them along with you.

We are going to use the purple ballot, ballot 4.

NOBLE J. C. HOWELL [Chairman of Tellers]: Imperial Sir and Fellow Representatives: After you place your ballot, we will adjourn for luncheon. Therefore, I would like to have the Tellers to go to the doors on either side and take up the ballot and not try to pass among you out there. The ones on the stage will be taken up as those on the stage go out.

Therefore, I will ask the Tellers to divide up now, some going right and some going left, so that they can take your ballots as you go out.

IMPERIAL POTENTATE WECK: Let me say to you, as your ballots are being collected at the doors, that we will now stand in recess until one o'clock p.m.

...Whereupon, at eleven-fifty-five o'clock a.m., the session was recessed to reconvene at one o'clock p.m. ...

AFTERNOON SESSION WEDNESDAY, JULY 11, 1979 ONE O'CLOCK P.M.

The One Hundred Fifth Annual Session of the Imperial Council, A.A.O.N.M.S. was reconvened at the Minneapolis Convention Center, Minneapolis, Minnesota, at one o'clock p.m., Imperial Potentate Warren F. Weck, presiding.

IMPERIAL POTENTATE WECK: If the Representatives will please take their seats, we will proceed with our business.

I now declare this session open for business. We will first have the report of the Tellers Committee as to the election outcome concerning the office of Imperial Recorder.

NOBLE J. C. HOWELL [Chairman of Tellers]: Imperial Sir and Representatives: It is with pleasure that I give you the results of ballot 4 for the office of Imperial Recorder.

There were a possible 795 votes; 744 actually voting. There were three spoiled ballots. Necessary for choice was 375, of which Noble Dooley received 227 and Noble Jones received 515.

...Cheers and applause ensued...

IMPERIAL POTENTATE WECK: Will Jack Jones please come forward.

Let me ask you, Jack, do you accept the office of Imperial Recorder?

NOBLE JACK JONES: Imperial Sir, Imperial Sirs, Grand Masters and my Fellow Delegates: It is with deep humility that I accept the position of Imperial Recorder for the Shrine of North America and I thank all of you, every one of you, for your support. I pledge to do the very best job that I can in that position. Again, thank you very much.

...Further cheers and applause ensued...

IMPERIAL POTENTATE WECK: I now declare Jack Jones elected to the office of Imperial Recorder.

We will now hear from the nominator for the office of Imperial First Ceremonial Master.

Just a moment, would you turn on microphone 4 please.

NOBLE TOM DOOLEY [Scimitar Temple]: Imperial Sir, Imperial Sirs and Representatives: I would like to move that the vote for Jack Jones as Imperial Recorder be made unanimous. (Applause)

IMPERIAL POTENTATE WECK: Is there a second to that?

...The motion was severally seconded...

IMPERIAL POTENTATE WECK: All those in favor will say aye; any opposed. It is unanimously carried and I will now declare that it was a unanimous ballot.

Again, we will now hear from the nominator for the office of Imperial First Ceremonial Master.

NOBLE E. K. MCMULLIN [Al Malaikah Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: It is my great pleasure to place in nomination, for the office of Imperial First Ceremonial Master, the name of Walker S. Kisselburgh, a Past Potentate of Al Malaikah Temple and, for the past year, Imperial Second Ceremonial Master. We of Al Malaikah Temple wholeheartedly endorse Imperial Sir Kisselburgh for this very important position. Thank you.

IMPERIAL POTENTATE WECK: If there are no further nominations, I declare the nominations closed.

NOBLE MCMULLIN: Imperial Sir, I would like to move that the rules be suspended and that the Imperial Recorder, Robert Turley, be instructed to cast the unanimous ballot of this body for Walker S. Kisselburgh for the office of Imperial First Ceremonial Master for the ensuing Shrine year.

IMPERIAL POTENTATE WECK: All those in favor will signify by saying aye; opposed. It is carried.

IMPERIAL SIR TURLEY: Imperial Sir and Representatives: Walker Kisselburgh and I have played golf a great many times together and I probably should say something insulting about him. However, I certainly would not because of our warm friendship.

It is a special pleasure for me to cast the unanimous ballot of this Convention for the election of Imperial Sir Walker S. Kisselburgh to be the Imperial First Ceremonial Master.

IMPERIAL POTENTATE WECK: Walker, do you accept?

IMPERIAL SIR KISSELBURGH: Imperial Sir, I appreciate those kind remarks that the Imperial Recorder made. May I say to you that he is one of the lousiest golfer's I have ever had the pleasure of playing with. (Laughter)

However, I do accept and I thank all of you very, very much. (Applause)

IMPERIAL POTENTATE WECK: I declare Walker Kisselburgh elected to the office of Imperial First Ceremonial Master.

Nominations are now open for the office of Imperial Second Ceremonial Master.

NOBLE JACK ROLAND [Potentate, El Kahir Temple]: Imperial Sirs and Fellow Representatives, it is my distinct pleasure to place in nomination a good friend and a good Shriner for the office of Imperial Second Ceremonial Master, Russell H. Anthony.

Hearing no further nominations, Imperial Sir, I would move that nominations cease and that the rules be suspended and that the Imperial Recorder be asked to cast the unanimous ballot of this Convention for Russell Anthony for the Imperial Second Ceremonial Master.

...The motion was severally seconded, was voted upon and declared to be carried...

IMPERIAL RECORDER TURLEY: Imperial Sirs and Representatives: Dr. Anthony's service as Imperial Marshal has been exemplary as proven by the fact that he is nominated for higher office by a Deputy Imperial Marshal.

I take great pride in casting the unanimous ballot of this Convention for Dr. Russell H. Anthony for the office of Imperial Second Ceremonial Master.

IMPERIAL POTENTATE WECK: Russ, do you accept this office?

IMPERIAL SIR ANTHONY: Imperial Sir, I most assuredly do and I would like to comment on what was just mentioned.

I will say that there are probably quite a few of my colleagues on the stage that are probably happy to see me go as Imperial Marshal. They want me to move up the ladder, although I am trying real hard, believe me I am. (Laughter)

IMPERIAL POTENTATE WECK: I now declare Dr. Russell Anthony elected to the office of Imperial Second Ceremonial Master.

Now, I will hear from the nominator for the office of Imperial Marshal.

NOBLE ORVILLE GOSS [Potentate, Habibi Temple]: Imperial Sir and Fellow Representatives: It is a great pleasure and honor to present in nomination a man who has served you well for the last two years.

I am happy to place in nomination for the office of Imperial Marshal, Imperial Sir Voris King.

IMPERIAL POTENTATE WECK: Thank you. Hearing no further nominations, I declare the nominations closed.

NOBLE GOSS: Imperial Sir, if there are no other nominations, I move that the rules be suspended and that the Imperial Recorder cast a unanimous ballot for Imperial Sir Voris King.

...The motion was severally seconded, voted upon and was declared to be carried...

IMPERIAL SIR TURLEY: Imperial Sir and Imperial Sirs, it is a pleasure to cast the unanimous ballot of this Convention for Imperial Sir Voris King to serve during the ensuing year as Imperial Marshal for the Shrine of North America.

IMPERIAL POTENTATE WECK: Imperial Sir Voris King is out doing some work for me this afternoon. He is not here but he did give me his proxy to speak for him and say that if he did get elected to this office, I should tell you that he would accept.

...Laughter and applause...

I will next listen to the nominator for the office of Imperial Captain of the Guard.

NOBLE G. H. INGRAM [Past Potentate, Al Azhar Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: My name is George Ingram and I am a Past Potentate of Al Azhar Temple and thrilled I am indeed with the kind appointment of our Potentate, Ernie Fidgeon to allow me to stand before you once again to place in nomination for the office of Captain of the Guard, the name of Alberta's number one Shriner, Imperial Sir Edward G. McMullan.

He has served you well and diligently and, until a few moments ago, I never had any counteraction to that and I am assuming he will continue to do that for several years to come.

Now, hearing no further nominations, Imperial Sir, I would move that nominations cease and the rules be suspended and that the Imperial Recorder be instructed to cast the unanimous ballot in favor of Edward G. McMullan for the office of Imperial Captain of the Guard.

...The motion was severally seconded, voted upon and was declared to be carried...

IMPERIAL SIR TURLEY: Imperial Sir and Representatives, I am pleased to execute your instructions and I hereby cast a unanimous ballot for Imperial Sir Edward G. McMullan to serve during the ensuing year as Imperial Captain of the Guard.

IMPERIAL POTENTATE WECK: Ed, do you accept?

IMPERIAL SIR McMULLAN: Imperial Sir, I am very pleased to accept this nomination for the office of Imperial Captain of the Guard. I did not accept the last year because I was running for so long and being supported for so long I thought I already had it. (Laughter) This year it has been much easier and I appreciate your continued support and, of course, I shall continue to do my best in your behalf.

Thank you all very much. (Applause)

IMPERIAL POTENTATE WECK: I now declare Edward McMullan elected to the office of Imperial Captain of the Guard.

Now, nominations are open for the office of Imperial Outer Guard. Will the candidates please come forward.

The ones we have listed here are George W. Powell from Crescent Temple;

Joseph P. Padgett from Islam Temple; C. Howard Bozeman from Kerbela Temple and M. L. Leahy from Tehran Temple.

If there are any further candidates, will you please come forward.

Again, inasmuch as we have more than one candidate, will draw for nominating position.

... Whereupon, drawing for nominating position ensued...

IMPERIAL POTENTATE WECK: Let me say that number one is George Powell, Joe is number two; Maury is number three and Howard is number four. Therefore, I will ask that you nominators please make your nominations in that order and I would also like to have the candidates take a seat under the spotlight here so that they can see how nice you look.

NOBLE WILLIAM C. VAUGHAN [Past Potentate, Kazim Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Distinguished Guests and Fellow Representatives: Our great heritage challenges us to offer the best we have in these frustrating and demanding days for every position of responsibility.

Just about anywhere we turn today, in one word, the great need is for leadership—dedicated, knowledgeable, experienced, trustworthy and capable leadership—about which there is no question or doubt.

Illustrious George W. Powell, a good Mason, a great Shriner, has all of these qualities and qualifications.

He is a Past Potentate of his Temple, Crescent, endorsed by his Grand Master and every Masonic body in his state—Blue Lodge, York Rite, Scottish Rite, DeMolay and the Shrine.

Nobles, there is no substitute for hard work, experience, wisdom and dedication.

George Powell is a good businessman, a leader with a great record, one who knows how to work with people. George knows how to use prudent judgment with his own and other people's money. He is recognized as a church and civic leader who has the know-how, the enthusiasm and ability to make good things happen.

A family man, who loves and lives his Masonry and Shrinedom everyday. A Noble everyone can talk to, who can and will make right decisions—one who was able and willing to work his way through school and college, having faith and trust in God and determination to work and serve his country and fellow man.

Someone asked the question—"Is the great dream of Shrinedom and Masonry crumbling?" My answer is "No, and it never will, as long as we nominate and put into our Imperial Line Nobles of George Powell's integrity, dedication, enthusiasm and leadership."

Nobles, let us choose and elect the best. Vote to elect Illustrious George M. Powell, a born leader and a true Shriner to the office of Imperial Outer Guard. Help our Imperial Shrine to meet the challenges, the demands and the opportunities facing Shrinedom in today's world, fulfilling the dreams of our Masonic forefathers.

I thank you.

IMPERIAL POTENTATE WECK: We will now have the second nominator.

NOBLE RAYMOND W. HAUN [Potentate, Islam Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives and Nobles: It is my pleasure to yield the floor to Noble W. L. Barrineau, a Past Potentate of Al Sihah Temple of Macon, Georgia, and the Immediate Past Grand Master of the 95,000 Masons of Georgia, who will place in nomination the name of his candidate for Imperial Outer Guard.

NOBLE W. L. BARRINEAU [Past Potentate, Al Sihah Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and my Fellow Representatives: Today it is my great honor to place the name of a Georgia born Noble who now resides in the San Francisco Bay area of California into nomination for the office of Imperial Outer Guard.

Our confidence in the man we elect must be well founded. He must be young enough to withstand the rigors of office; possess enthusiasm, imagination and leadership ability. He must be mature enough to exercise sound judgment and respected by both the civic and business leaders in his community.

My candidate possesses these important qualifications. He is committed to the high standards and dignity of the Shrine and Freemasonry and is working for greater benefits to Shrine Temples through their membership in the Shrine Association.

He has demonstrated that he has ability through his past efforts in behalf of Shriners all across North America. He has been interested in the Shrine and Shriners Hospitals for Crippled Children since he first became a Shriner.

He has been a Representative to this Imperial Council for five years and a member of the Executive Committee of the East-West Football Game for six years.

Each of you know of his many and varied business and civic accomplishments and his Masonic and Fraternal memberships.

He was born in Atlanta, Georgia, fifty-eight years ago and is a graduate of the Georgia Military Academy. He has served our country with honor in World War II as a commissioned officer in the 6th Armored Division in the European Theater. He received the Purple Heart with three oak leaf clusters and several other decorations for gallantry in action.

Following World War II, he formed his own engineering company, where he served first as President and then as Chairman of the Board. He is now retired, having both the time and financial resources to serve Shrinedom whenever and wherever it is needed.

He is a member of the First Congregational Church of San Jose, California, and has served as a member and Chairman of the Board of Trustees of that church.

He is married and the father of four fine children. I can go on but words alone cannot describe the fine qualities that this good man possesses.

It therefore gives me a great deal of pleasure to nominate for the office of Imperial Outer Guard Islam Temple's young and capable Past Potentate, Joseph P. Padgett.

In Joseph Padgett, I assure you, we will have an energetic, successful business executive who will carry forward the high principles and traditions of Shrinedom.

I ask you now to please join me in electing Joseph Padgett our next Imperial Outer Guard. Thank you very much.

IMPERIAL POTENTATE WECK: Thank you. May we have the next nominator please.

NOBLE DON J. BLOSSER [Potentate, Tehran Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters and My Fellow Representatives: It is my pleasure to place in nomination for the office of Imperial Outer Guard the name of M. L. "Maury" Leahy, a Past Potentate of Tehran Temple, a man whom I have known and worked with and respected for many years.

Noble Maury is a young man, personable and vigorous. He has traveled all over this great country of ours meeting and talking with many of you, the Representatives of our Temples.

His devotion to our Shriners Hospitals is second to none and this has been demonstrated through his many actions and accomplishments.

Maury has served as a sponsoring Potentate of the Shrine East-West Game. He has also served as a member of the Board of Governors of the San Francisco Unit, Shriners Hospitals for Crippled Children.

Noble Maury has a distinguished service record as a member of the United States Navy during World War II and during the early part of that war, Maury served in the Marine Corps.

Also, Noble Maury is a successful and hardworking businessman. This is evidenced by his record with Lawson Products, Incorporated. Maury joined Lawson Products as National Sales Training Manager in 1960, when the company was producing less than \$1 million in annual volume, Maury has advanced to the position of Director of Sales for this corporation and due in large part to his efforts, the annual sales of the company now exceed \$18 million each year.

Maury is a highly qualified candidate for Imperial Outer Guard. Both his Shrine and business experience, past and present, prove that Maury would be an asset as an Imperial Officer.

Maury's lovely wife, Vivian and his son and daughter support him one hundred percent. Also, supporting him are the ladies of the Oriental Shrine, as well as his Blue Lodge. Likewise, Tehran Temple's entire membership supports his candidacy for Imperial Outer Guard.

Nobles, it is with a great deal of pride that I place before you the name of M. L. "Maury" Leahy for the office of Imperial Outer Guard. Thank you very much.

IMPERIAL POTENTATE WECK: Now, will the nominator for Howard Bozeman please come forward.

REPRESENTATIVE [Kerbela Temple]: Illustrious Sir, Illustrious Sirs and Fellow Representatives: We are each here today charged with a serious responsibility of selecting leadership to begin that long and arduous climb up the Imperial ladder. In most instances it is an eleven-year job.

All the candidates for this office that have been presented and now are being presented are good men. They are Masons and they are Shriners. We are fortunate to have so many good men aspire to this office today.

Our charge as Representatives of our Temples carries with it the responsibility of weighing very carefully the qualifications of each of these Nobles—his experience, his background, his years of expected future service to the Shrine of North America. In weighing those qualifications, if you will, permit me to call your attention to just a few of the qualifications of Kerbela Temple's candidate for the office of Imperial Outer Guard, Judge C. Howard Bozeman.

Fraternally, he is much like the other candidates, having membership in both the York and the Scottish Rite and having served as a Past Potentate of Kerbela Temple. However, you do need to consider these additional qualifications singular to Judge Bozeman.

In three years, while serving on the elective line of Kerbela Temple and during these years he served under me, was my Chief Rabban, and so I have first-hand knowledge, he was General Chairman of Kerbela's now well-known paper sales. In each of these three years, his leadership brought in more than a quarter of a million dollars in each of those three years. When he became Potentate, that success continued increasing even more, so that under his leadership, more than \$1 million has gone directly to the hospitals that we sponsor through the sale of papers.

In addition, over the past two years, as you well know, those of you who are Representatives for the second and third time, you have elected, from the floor, Judge Bozeman to serve as a Trustee on your Hospital Board for the Colorado Corporation. During that time he has served as Chairman of the Cincinnati Unit Special Purposes Committee, as Chairman of the Evaluation Committee and as a member of the Building and Equipment Committee and also as a member of the Shrine Special Purposes Committee.

Your choice of Judge Bozeman, therefore, as Imperial Outer Guard, would thereby place a man at the foot of the Imperial Line with two advanced years of experience in relation to Imperial business affairs.

Professionally, he is a successful lawyer and is regarded as one of Tennessee's finest, having been specially appointed by the Governor of Tennessee to serve as a Special Justice on the Tennessee Supreme Court.

He has also served and is now serving as the County Judge for Knox County, Tennessee and during his present time has guided the construction of a thirty-three-million dollar city-county office building.

As you know, the Shrine is presently involved in some very expensive construction concerning our new Headquarters in Tampa, Florida. The experiences of Judge Bozeman, it would seem, can be of valuable assistance to the deliberations of the Imperial Officers.

His civic accomplishments are so numerous I could not state them all here. You voting Representatives have had the benefit of this information in a brochure previously mailed out to you. I trust that you have read it. Also, his credentials have been placed on the back of this brochure.

He is a young man by Imperial standards. He is sixty years of age and he is in a hurry and he does invest his time wisely.

That is Howard Bozeman. Once he assumes a responsibility, he sees it through.

Howard has a lovely family. He has a very lovely wife and four sons and is retiring after twenty-three years of public service and so he will be able to devote his total efforts to his responsibilities as your new Imperial Outer Guard.

Kerbela Temple proudly solicits your support of Judge C. Howard Bozeman as your new Imperial Outer Guard. Thank you.

IMPERIAL POTENTATE WECK: Thank you. Are there further nominations? Are there further nominations? Hearing none, I declare the nominations closed and I will have the Chairman of Tellers come forward.

We will use the tan ballot, number 1.

NOBLE J. C. HOWELL: Representatives, you will please remain in your seats and the Tellers will take up the ballots from where you are sitting.

...Whereupon, balloting and collection of ballots ensued...

IMPERIAL POTENTATE WECK: Has everybody voted who desires to vote? If so, I will declare the ballot closed. (Gavel)

...Business was conducted in the Colorado Corporation at this time...

IMPERIAL POTENTATE WECK: We will now have the report from the Chairman of Tellers as to the outcome of the election for the office of Imperial Outer Guard.

NOBLE J. C. HOWELL: Imperial Sir, Imperial Sirs and Representatives: It is with pleasure that I give you the result of ballot 1 for the office of Imperial Outer Guard.

There were a possible 795 votes; 779 actually voting. There were four spoiled ballots. Necessary for choice was 309. The ballots were distributed as follows: Leahy 39; Bozeman 62; Padgett 138; Powell 536. (Applause)

IMPERIAL POTENTATE WECK: Would George Powell please come to the podium.

Let me first recognize Microphone 2.

NOBLE BOZEMAN: Mr. Chairman, representing the hills of East Tennessee and Kerbela Temple, we move that George be elected by acclamation and congratulations to George.

NOBLE PADGETT: Imperial Sir, I would second the motion for George's election by acclamation.

NOBLE LEAHY: I would also endorse the motion and the second. Congratulations, George.

IMPERIAL POTENTATE WECK: It has been moved and seconded that George Powell be declared elected by acclamation. All those in favor will indicate by saying aye; is there any opposition? The motion is unanimously carried.

Now, George, do you accept?

NOBLE GEORGE POWELL: Imperial Sir, how many minutes do I have to make a decision? (Laughter)

Imperial Sir, Imperial Sirs, and Nobles: You have this day charged me with a responsibility of serving you in the years to come and to work with you and to work for you and I pledge myself to do that and should at any time you think that I am faltering on the way and that I do not stop to say hello to you, don't hesitate to kick me in my shins and straighten me out again.

Thank you all very much. (Applause)

IMPERIAL POTENTATE WECK: I am sure we all offer our best wishes to George.

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE WECK: I would like to recognize Jack Streight.

PAST IMPERIAL POTENTATE JACK STREIGHT: Imperial Potentate and Fellow Colleagues and Nobles: The Board of Directors and Board of Trustees have requested that I present to one of the most outstanding Nobles of the Shrine of North America, a plaque in recognition of his services to the Shrine. I want to thank them for this privilege and I only hope I can do it justice.

Nobles, every Shrine magazine, every Temple paper, every Association meeting

has told you what a wonderful fellow George M. Saunders was and is: I don't believe I can add anything to that.

I do have his Masonic record here. It is many pages long and I am not going to read it to you but I do want to list it in the record for you to read after the proceedings have been printed.

...Whereupon, in accordance with the above request made by Past Imperial Potentate Jack Streight, the Masonic background and accomplishments of George M. Saunders are indicated as follows...

"A native of Kansas City, Missouri, who has been active in Masonic and Shrine work all of his adult life. He entered the services of Ararat Temple and served as Assistant Recorder, from 1920 to 1934, at which time he was elected Recorder and ably served his Temple in that capacity until the fall of 1948. He has served as President of the Shrine Recorders Association—he was one of the organizers of the Central States Shrine Association, and served as Secretary of that organization until 1955 when he was made Honorary Past President...an active member of the International Supreme Council of the Order of DeMolay and an ardent worker in that boys' Order since its founding in Kansas City, Missouri, served as Grand Master 1957-1958 and is presently Grand Secretary...member of the Royal Order of Jesters...served with the Allied Forces in France in the first World War and has been a member of Sanford Brown, Jr. American Legion Post since its organization date...Life Member of Sheffield Lodge at Kansas City, Missouri, and holds membership in the following lodges at Kansas City; Westport Council; Kansas City Chapter; East Gate Commandery; Consistory Western Missouri No. 2; a member and Past Secretary of Kilwinning Council No. 18 Allied Masonic Degrees and an Honorary Life Member of the Cabiri and was designated the Cabiri Honor Man of the year 1961. He is a member of El Hajj No. 1, Chicago, a member of the Chicago Athletic Association, and is listed in the Who's Who in America.

"His Masonic affiliations are many...Past Master of Kadosh of the Scottish Rite as well as Past Illustrious Sovereign, Mary Conclave No. 5, Red Cross of Constantine, he is National Line Officer of the Red Cross of Constantine...a member of the Royal Order of Scotland...Coroneted 33 Degree Honorary A.A.S.R. Southern Jurisdiction. He was elected Imperial Recorder of the Shrine, and Secretary of Shriners Hospitals for Crippled Children in 1948. George gives his time, his efforts and his ability for every cause of Masonry and Shrinedom; it is his work and his hobby."

PAST IMPERIAL POTENTATE STREIGHT: You know, we as Masons travel a rough and ready road and the Recorders of our various Temples likewise travel a rough and rugged road. However, your Emeritus Imperial Recorder here, George M. Saunders, has traveled that rough and rugged road for many, many years. He is the world's champion in relation to that.

You know, his devotion and dedication to Masonry and the Shrine is not only known to we here but to people that he has been previously associated with.

You know, George retired down to a suburb in Kansas City and he became an Honorary Fireman of the local fire auxiliary and a debate came up one night as to what to do with the old fire engine.

Some people said, "Let's junk it"; others said "Let's have an auction sale, sell it", and the firemen present said "No, you would not get any thing for it." Somebody else said, "Let's give it away."

Well, the meeting got really heated and so they turned to George and said to him, "George, what would you do?" George replied, "Well, I would keep it for false alarms." (Laughter)

What I used that story for is to illustrate to you that George is perhaps the most diplomatic man in the Shrine today.

He can meet with the President of the United States; he can meet with the Prime Minister of Canada and the President of Mexico on an equal footing and represent the Shrine and he has done this for many, many years, and there hasn't been anyone that could equal him for this purpose.

When I came up through the Shrine, when I was elected in 1966, my biggest personal worry was that when I became Imperial Potentate that perhaps George would not be with me. That, as I say, was my personal worry because he carried the Shrine in his pocket—he carried with him all the information that you ever desire to have.

Let me tell you that he not only gave me that information but likewise gave it to the hospitals and the Temples and, further, he did it with a smile. I am sure nobody has ever seen George raise an angry gesture. He has a wonderful record and, of course, he has also been helped by his very lovely wife, Mabel, who is dedicated to George and to the Shrine.

Also, George, I know of your interest in the DeMolay.

Now, I have here a plaque, a very simple one, but I believe it expresses all of our love, sincerity and devotion to you. Thank you for your many years of untiring service.

In behalf of all of the Shriners and Shrinedom, may I present this plaque to you, George, which reads as follows:

"Few men can say their work is their hobby because that is the way he felt.

"George M. Saunders, Imperial Recorder 1948 to 1978, is honored today for his thirty years of dedicated service and loyalty to the Shrine and its philanthropy. Let it be known he always lived with the satisfaction that many crippled children's lives were improved because he cared."

George, I present to you this plaque in behalf of all of Shrinedom.

...Presentation of plaque and standing applause by the Representatives ensued...

IMPERIAL SIR GEORGE M. SAUNDERS: You know, I did not realize this was going to happen, Imperial Sir, but I did want to be prepared to express a bit of appreciation to the members of this great Representative body as well as the Imperial Divan and so I prepared a few little bits of history and if you will put up with me, I am going to tell you something that you may not know about in relation to the things that concern me.

As I stand before you, many Shrine historical moments come to mind and fond memories of the men who participated in them and I am proud of the knowledge that I am a part of those events and, in many instances, the innovator.

I have devoted my efforts to forwarding the goals and exemplifying the teachings of the Craft.

As Master of Kodash, Scottish Rite Masonry, Grand Sovereign of the Red Cross of Constantine, a Thirty-third Degree Mason, the Royal Order of Scotland, Grand Secretary of the Order of DeMolay, Recorder of Ararat Temple and, in 1948, elected Imperial Recorder of the Shrine and Secretary of the Shrine Hospital Corporations, I have gained new light and inspiration and, in turn, contributed to the furtherance of these organizations by my presence at meetings and by influencing others to join.

Truly the abilities of Masonic men, coupled with the esprit de corps when the teachings of the Masonic principle is the common denominator is awesome. It is a humbling experience to know that you can be dead wrong in a situation and still be respected and cherished by Brother Masons. This, of course, is one of the rewards in human relationships.

At this age, of course, you can understand that I have slowed down a bit but aided by an excellent staff and a dedicated board, as well as more than 800 knowledgeable Representatives, the business of the Imperial Council has not suffered.

At this point I want to pay tribute to my wife, Mabel, who has given me moral support and comfort during the years I have devoted to the Shrine, because she believes in the great good of the organization.

Born in 1898, the year of the Spanish American War, I participated in World War I, serving as a member of the American Expeditionary Forces in France. In World War II, I was classified as 4-F but I did my civilian bit by organizing through the Fraternal organizations war bond sales and have several government awards in recognition of my efforts.

The Korean War was a different sort of military effort for the nation did not require anything of me other than paying taxes and voting.

Family life in the United States is one of its greatest strengths. My son, who is a graduate of the Naval Academy at Annapolis, is a career military man is now a Colonel in the Air Forces, serving in Viet Nam. He has also served our country during peace in both Japan and Germany. Due to my efforts, he is also a Mason and a Shriner. I have always felt it was important to Masonry and to the Shrine to bring along the next generation as it were. This record, I believe, qualifies me as a patriot of my country and a guiding parent.

As I view the past years, I realize I have lived through one of the most dynamic periods of history. This country, with the advent of the automobile and air travel, space shots to the moon, communications and technology, has experienced an industrial and cultural change that boggles the mind and there are more changes to come.

My life span covers more than three generations but the pressures of the last fifteen years have been most traumatic, as this has been a period of international involvement and the evolution of a new culture at home—in fact, throughout the entire world.

I count myself fortunate to have spent more than fifty years serving an organization which is influential, dynamic—an organization which provides, by private funds, treatment for crippled and burned children, the Shriners Hospitals. Perhaps this is why I have survived so long—the very nature of the work is an inspiration.

Here are a few facts to support my contributions as Imperial Recorder of the Shrine and Secretary of the Shrine Hospital Corporations.

At the time I was elected Imperial Recorder and Secretary of the Shrine Hospital Corporations, there were 160 Temples, now there are 181 Temples.

Membership in 1948 was 575,954. Membership now is over 945,000.

Despite two rather severe market recessions, the capital assets have increased from \$40 million in 1948 to over a billion dollars.

There were sixteen Crippled Childrens Hospitals in 1948—today we are operating twenty-one hospitals; eighteen for crippled children, plus three hospitals for the treatment of burns.

In 1948, when I took over the Imperial Recorder's office, there were four employees. At the time I left the office on December 31, 1978, there was a Legal Department, an Accounting Department, an IBM Department, a Publicity Department, a Hospital Administration Department, Medical Records Department, Printing Department, Promotion Department and a Director of Medical Affairs.

Retirement benefits for all hospital employees and the employees in the Headquarters Office have been established by private funding. I leave behind me definite advancement which is documented.

I leave the organization in a promising condition—a new Headquarters building in a new location, with a new building not yet completed to house the high hopes of the future. May the Shrine and its great philanthropy continue to prosper.

My successor will find in order a well maintained set of records and operating procedure in the office, as well as a cooperative office personnel. I pledge cooperation and support to the new Imperial Recorder elected by the Representatives of the Imperial Council and will be pleased to assist him in any way in the transition of assuming the duties of the office.

As I review my tenure of office, I am overwhelmed by evidence of devotion to the Order by many fine, able and noble men too numerous to mention here in the time allotted. It is a comfort to know that the "God spirit" touches us all in the Fraternity and it is this recognition that unites us in the Shrine. Divine thought, coupled with the highest principles of Masonic teaching, will guide the Shrine in the future as it has in the past.

For the benefit of my good and concerned friends, I wish to say that the years spent with them in the organization have been rich in experience and human reward. The Shrine life has become my life pattern and I shall continue to participate and look forward to greeting them and working with them in the future.

To the Representatives of the Imperial Council and to the Officers of the Imperial Council, I express my appreciation for being a part of this organization and wish to thank them for their confidence in me through the years and their support of the Imperial Recorder's office.

I relinquished the office of Imperial Recorder with a sense of accomplishment and a full heart because of the many kindnesses of friends who have given me much in personal support, a retirement and expectation of a pleasant future. I want to express my appreciation to the Imperial Potentate, the Imperial Divan and each and every Representative and Shrine worker for this personal recognition.

And my words to you are—God bless each and every one of you. Thank you.

...Rising applause on the part of the Delegates then ensued...

PAST IMPERIAL POTENTATE STREIGHT: Thank you, George.

Now, Nobles, I move that George M. Saunders be elected an Emeritus Member at this Annual Meeting for life.

...The motion was severally seconded...

IMPERIAL POTENTATE WECK: All of those in favor will indicate by saying aye; opposed. It is unanimous. Thank you very much, George.

Now, may we have Microphone 3 turned on please?

NOBLE WINNER DELP: Imperial Sir, it is my pleasure and honor to present to you our Senior Representative to the Shrine of North America, Illustrious Sir Charles Lembke.

IMPERIAL POTENTATE WECK: It certainly is a real pleasure to have Charlie up here today. He is a Past Potentate of his Temple, was Potentate in 1924. You know, that is the year I was born. (Laughter) Also, he is an Emeritus Member of the Shrine, was elected in 1947. He will be ninety years old this week and has served as a Representative for fifty-seven years. I think we ought to wish him a happy birthday. Will you all please stand and join in singing "happy birthday" to him.

...The Representatives arose and sang "happy birthday" to Noble Lembke...

NOBLE CHARLES LEMBKE: Nobles, there is a time that this could occur for all of you. The only difficulty is that you have to live so damned long. (Laughter)

IMPERIAL POTENTATE WECK: Charlie, I believe you have a good point there.

...Business was transacted in the Colorado Corporation at this time...

(e) Notwithstanding any other provisions of this Article, a petitioner who resides in a city or county in which no Temple is located and when no Temple is located within 50 miles of petitioner's residence in petitioner's state of residence may petition for membership in the nearest Temple located in an adjoining state to his state of residence, if the location of that Temple is within 25 miles of his residence; and no waiver from any Temple is required. NOBLE CORSONES: I move you, Imperial Sir, the receipt of this report.

...The motion was duly seconded and, there being no discussion, was voted upon and declared to be unanimously carried...

IMPERIAL POTENTATE WECK: I will now recognize the proposer of the resolution or the amendment, Dick Ervay, Potentate and Representative of Ainad Temple.

NOBLE R. H. ERVAY [Potentate, Ainad Temple]: Imperial Sir, Imperial Sirs and Representatives: In 1976, the Kansas City Imperial Council adopted an amendment which, in certain circumstances, allows a petitioner for initiation to join a Temple in a state where he does not reside.

One of the conditions in relation to the Temple he joins, is that it must be within 25 miles of his house. Later that year, the then Imperial Potentate ruled that the 25 miles was measured from the city limits of the city in which the Temple is located rather than from the Temple itself.

The purpose of our proposed amendment is, in essence, to overturn that ruling and to have the measurements made from the Temple itself.

That ruling is, very frankly, contrary to the exact language of the section involved, which states "If the location of this Temple is within 25 miles of his residence."

Furthermore, this ruling allows not a 25-mile radius circle but allows an indefinite area subject to constant change in the city by annexation, change in boundaries, a matter over which the Shrine has no control.

Finally, that ruling is contrary to the rules issued with respect to other sections of the Code.

In any event, we who are affected need a precise means of measuring and this proposal gives it.

Therefore, I would respectfully request you vote "yes" on this proposition.

IMPERIAL POTENTATE WECK: Is there a second to the motion to adopt.

... The motion was severally seconded...

IMPERIAL POTENTATE WECK: Is there further discussion?

Hearing none, all in favor of the adoption of this amendment indicate by saying aye; those opposed. I declare it passed by the Constitutional two-thirds majority.

We will next take up Item 14 and I would recognize Glen Nodgaard of the Jurisdictional Lines Committee.

NOBLE GLEN NODGAARD [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines a proposal, identified as Item No. 14 in the Call, by R. H. Ervay, Potentate and Representative of Ainad Temple, to amend Article 28 of the By-Laws.

NOBLE THEODORE CORSONES [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 328.6 of Article 28 of the By-Laws of the Iowa Corporation, by adding a new subsection (f) which will read as follows:

"Section 328.6 Where petitioner must apply.

(f) A Temple which initiates a petitioner under Section 328.6 (e) shall notify the Temple in the Petitioner's State of residence and nearest such residence within 30 days after the initiation."

IMPERIAL POTENTATE WECK: I would now like to recognize the proponent of this amendment.

NOBLE R. H. ERVAY [Potentate, Ainad Temple]: Imperial Sir, Imperial Sirs and Representatives: This is closely related to Item 13, inasmuch that any candidate that would be initiated by a Temple out-of-state, it is the opinion that we would like to know the residence of this candidate within a thirty-day period because, as it stands, we know not if it is 25 miles, 50 miles or whatever. Therefore, by sending our Temple or your Temple the exact location and address of the candidate, we feel we will be much more informed than we are.

Therefore, Imperial Sir, I would move for the adoption of this amendment.

...The motion was duly seconded...

IMPERIAL POTENTATE WECK: Is there further discussion? Microphone 3, please.

NOBLE JAMES DAUGHERTY [Zorah Temple]: This, as has been said, refers back to Item 13.

Very recently I received a letter from Mr. Ervay of Ainad Temple and in substance, it ordered me to stay out of Illinois. This, in turn, disturbs the Officers and Nobility of not only Zorah Temple but the adjoining areas within 25 miles.

Now, Item 13 does not bother me. It is .45 hundredths of a mile and so this is not consequential to me.

However, apparently Ainad Temple trusts nobody.

We are Shriners and we are very sociable with a club of theirs and we have not taken a member. In other words, we do not believe there is any proselyting going on. We have turned members down that have come to us in order to get a demit. We have refused them but we are very sociable with them.

We do have a very good relationship with these people. However, as I say, apparently Ainad Temple trusts nobody.

I am a Shriner—I do not care what they say. I believe we stay within our distance—we do not take their members, do not want their members. We want members within the 25 mile radius for one reason—to increase membership and not to swap membership.

Therefore, I do not truly understand what he is trying to do here.

IMPERIAL POTENTATE WECK: Is there any further discussion on this?

NOBLE ED MAAG [Representative, Ainad Temple]: To the Illustrious Sir from Zorah Temple, it is not a question of who Ainad Temple trusts or whom it does not trust. It is a question of whether or not we are going to abide by the courtesies of the Order and the laws of this Imperial Council.

I would like to remind all of you that when you make a tour and cruise under the General Orders of the Imperial Potentate, as a part of the condition precedent to taking a tour or cruise or visitation into another Temple's jurisdiction, you are admonished, for example, in General Order No. 1 that if you are going into the jurisdiction of another Temple, you contact the Potentate of that Temple and you make known to him your appearance there, the appearance of your Temple in his jurisdiction and to also make sure it meets with his favor. That, as I say, is a part of the Code and the law.

That is the only thing my Potentate said to the Potentate of Zorah Temple—all I want you to do, Sir, is when you bring your Divan to visit our Shrine club and make a public appearance before our Shrine club, one that is in our jurisdiction

that you do us the courtesy of letting us know. That is what the Code provides and that is also what General Order No. 1 says.

In other words, if you are going to visit Honolulu, ask the Potentate of Aloha Temple and get his permission. That is all my Potentate says.

Let it be recorded from this moment on so that there is no misunderstanding that my Temple trusts every Shriner unless and until, of course, he has proven unworthy of this trust and thus far I have never met a Shriner who has proven unworthy of my trust. We trust all of you Brothers. (Applause)

IMPERIAL POTENTATE WECK: Is there further discussion?

NOBLE F. M. NEIL [Recorder, Zorah Temple]: I have a letter here from Ainad Temple dated April 17, 1979 and, before getting into that, let me say that I also remember Kansas City, where Mr. Maag stood up and endorsed that all jurisdictional lines be broken. Bob Hardy stood in the aisle here and he endorsed that. However, let me read this letter. It is to our Potentate and reads as follows:

"I have been advised that the members of your respective Temple are engaged and, for the last several years past have engaged in solicitation in Illinois for various funding projects for your respective Temple. We have in Illinois what is essentially concurrent jurisdiction. Before it is permissible for a Noble to make such a solicitation in Illinois, it is therefore required, by Shrine law, that you must first obtain permission and consent of all the five Illinois Temples. See Section 328.1 and the 1972 proceedings, page 153.

"While I know nothing about what incentive, if any, has been granted to you by any and all of the other four Temples in Illinois, I do know that Ainad Temple has not granted its consent for the 1979 fund-raising solicitations in Illinois by your Temple or its Nobles.

"I also hereby cancel and revoke any consent heretofore granted by any of my predecessors in office. You are therefore requested to immediately stop any and all fund-raising solicitations in Illinois.

"If it is properly and timely presented to me, I will consider approving fund raising activities which results in benefit to members of Ainad Temple.

"I have discussed this letter with the members of our elected Divan and they unanimously approve."

Now, what brings this about, Nobles, is the fact that where we live, the Temple is nine miles away from the state line. These people that they are talking about are the Clark County Shrine Club, which is under the jurisdiction of Ainad Temple. These people came to us, we did not come to them. These people also know that because they have a tape of every darned meeting they have. They have the minutes.

Now, we did not ask for these people to come over there but we did accept their advertising. Further, I sat in a Board Meeting at St. Louis and saw that Shrine club present a check for \$2,000 that they had made from advertising in Zorah Temple's circus program and they made it in the name of the Clark County Shrine Club through Ainad Temple.

That is what brings this all about. That is what they are crying about.

Again, we do not want any of their members.

Further, Ainad Temple has a ten-foot fence around their Temple with a security guard to let you in. (Cheers and applause)

I had a lot of people come into my office and ask me for a demit and I replied, "I will not request a demit for you. If you want to demit from that Temple, you write for the demit."

Some of them said, "I joined one of these Shrine Classes, I think it was in Robinson, Illinois, and I never saw the Temple. One day one of my buddies asked me to go over and visit Ainad Temple with him. Well, when we saw that ten-foot wire fence there and having been involved with all of the prison camps all over the world, I said I would not go in there—that I want out. (Laughter)

IMPERIAL POTENTATE WECK: Is there anyone else who desires to speak?

NOBLE R. H. ERVAY [Potentate, Ainad Temple]: I can only say, Imperial Sir and Nobles, that at our Temple, which has a fence around it, we have also put 281

children in the hospital last year. Further, we contributed over \$200,000 to the St. Louis Unit and we are not being argumentative.

However, I do take a little exception when one of my elected Officers attends a Shrine club where he is the liaison officer, walks into the club on a meeting night and finds sitting at the head table the Potentate of another Temple from out of state, his Officers and, further, the President of this club wearing a Zorah Fez with "Potentate's Aide" on it. (Laughter) That certainly does upset me and my Temple.

Now, not to wash our dirty linen here, at least I would hope not, but then I do not think I have to say anymore in defense of my Temple. Thank you very much.

IMPERIAL POTENTATE WECK: Does anybody else wish to speak? (Laughter)

... The question was severally called for. . .

IMPERIAL POTENTATE WECK: On the question. All those in favor will say aye; opposed. I declare it passed by the necessary Constitutional two-thirds majority. (Applause)

We will now proceed with Item 19 in the Call and I will call upon J. D. Hill.

NOBLE J. D. HILL [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines a proposal, identified as Item No. 19 in the Call, by David H. Brady, Potentate and Imperial Representative from Amara Temple, to amend Article 54 of the By-Laws, which, in essence, would change the Counties of Indian River and Okeechobee from the concurrent jurisdiction of Bahia and Amara Temples to the exclusive jurisdiction of Amara Temple.

Your Committee met with the Temples affected. At the request of the sponsor and with the approval of the Potentate and Recorder of both Temples involved, the proposed legislation should be modified so that Amara Temple would have exclusive jurisdiction of Okeechobee County. Bahia and Amara Temples would retain concurrent jurisdiction of Indian River County.

After careful consideration, your Committee feels that the proposal, as modified, is in the best interest of Shrinedom and therefore recommends its adoption.

Respectfully submitted,

... The motion was duly seconded, voted upon and was declared to be carried. . .

IMPERIAL POTENTATE WECK: I will now recognize Walter Jeffries.

NOBLE WALTER JEFFRIES [Reading]: To the Representatives of the Imperial Council:

Section 454.7 Amara Temple

Has:

Exclusive jurisdiction over the counties of Indian River, Martin, Okeechobee, Palm Beach and St. Lucie."

At the request of the sponsor and in accordance with your approval of the report of the Jurisdictional Lines Committee, the proposal, as modified, will read as follows:

"ARTICLE 54

(a) Exclusive jurisdiction over the counties of Brevard, Lake, Orange, Osceola, Seminole, Sumter and Volusia.

(b) Concurrent jurisdiction with Amara Temple in the County of Indian River.

...

Section 454.7 Amara Temple

Has:

(a) Exclusive jurisdiction over the Counties of Martin, Okeechobee, Palm Beach and St. Lucie.

NOBLE JEFFRIES: Imperial Sir, I would move for the receipt of this report.

...The motion was severally seconded, was voted upon and declared to be carried...

IMPERIAL POTENTATE WECK: I would now recognize the proposer of this amendment.

NOBLE DAVID H. BRADY [Potentate, Amara Temple]: Imperial Sir, Imperial Sirs and Representatives: I am David Brady, Potentate of Amara Temple. I would like to have reread that portion of subsection (a) under 454.1, if you please.

...The above mentioned section was then reread...

NOBLE BRADY: As the maker of the proposal, I accept the amendment and I would so move, that the amendment as modified be adopted.

...The motion was severally seconded...

NOBLE MELVIN L. DUNCAN [Bahia Temple]: We have been close friends with Amara since its inception and I want to insure that we Temples are going to go in there, work together and increase our membership. Thank you very much.

IMPERIAL POTENTATE WECK: Is there further discussion?

If not, all in favor of the adoption of the amendment indicate by saying aye; opposed. It is passed by the necessary two-thirds Constitutional majority.

We will next consider Item 17.

NOBLE DEWEY KUHN [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines a proposal identified as Item 17 in the Call, by Mark Sharff, Potentate and Representative of Oleika Temple, to amend Section 328.9 of Article 28 of the By-Laws of the Iowa Corporation which, in essence, would add a new subsection and grant the exclusive right to a Temple to continue with planned and publicized activities in areas of concurrent jurisdiction.

Your Committee met with the proponent and members of his Divan. It was acknowledged by the proponent that the proposed amendment as written in the Call did not sufficiently state the intention thereof and could lead to the need of later clarifying amendments. Therefore, the proponent informed your Committee that he was going to offer an amendment on the floor by adding the following phrase at the end of the proposed amendment as written in the Call:

...so long as said activities are continued annually thereafter."

After careful consideration, your Committee feels that the proposal as written in the Call is unsatisfactory and does not recommend its adoption. However, your Committee feels that the proposal, after the modification intended by the proponent, is acceptable and recommends its adoption.

IMPERIAL POTENTATE WECK: I will next recognize Theodore Corsones from Jurisprudence and Laws.

NOBLE THEODORE CORSONES [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 328.9 of Article 28 of the By-Laws of the Iowa Corporation so that it will read as follows:

"ARTICLE 28

Temple Jurisdiction and Waivers

Section 328.9 Clubs, Units and Activities in Concurrent Jurisdiction.

(a) In all cases where a Shrine club exists or is hereafter organized in concurrent jurisdiction, only the Temple having control of that club may organize or maintain units composed of Nobles residing in the city, county or other geographic area served by that club and only that Temple may sponsor activities in that area.

(b) This section shall not apply to units in existence or to activities planned and publicized prior to May 1, 1975, or in any case in which the Temples involved may otherwise agree.

(c) The planned and publicized activities referred to in Section 328.9 (b) shall be exclusive for the Temple having planned and publicized said activities annually prior to May 1, 1975."

At the request of the sponsor and in accordance with your approval of the Report of the Jurisdictional Lines Committee, the proposal, as modified, will read as follows:

"ARTICLE 28

Temple Jurisdiction and Waivers

Section 328.9 Clubs, Units and Activities in Concurrent Jurisdiction.

(a) In all cases where a Shrine club exists or is hereafter organized in concurrent jurisdiction, only the Temple having control of that club may organize or maintain units composed of Nobles residing in the city, county or other geographic areas served by that club and only that Temple may sponsor activities in that area.

(c) The planned and publicized activities referred to in Section 328.9 (b) shall be exclusive for the Temple having planned and publicized said activities annually prior to May 1, 1975, so long as said activities are continued annually thereafter."

NOBLE CORSONES: Imperial Sir, I would move for the receipt of this report.

...The motion was severally seconded, was voted upon and declared to be carried...

IMPERIAL POTENTATE WECK: I will now recognize the proponent of the amendment, the Potentate of Oleika Temple.

NOBLE MARK SHARFF [Oleika Temple]: You have heard the proposed amendment, you have seen it in General Order No. 2. I move the adoption of this amendment as modified by the addition of the words "so long as said activities are continued annually thereafter".

IMPERIAL POTENTATE WECK: Is there a second to that?

...The motion was duly seconded...

IMPERIAL POTENTATE WECK: Is there discussion. Microphone 1.

NOBLE JOE HART [Potentate, El Hasa Temple]: Imperial Sir, Imperial Sirs and Representatives: This really affects us because when you say "planned activities", we don't know what these are and what is going to go in this area.

For example, I know they were having a circus. I planned a circus last year and I had to cancel the circus because after I already had scheduled into that area, I found out other factors I did not know about.

Now, that area involves our Shrine Club but the way Section 328.9 is, I have no control over that Shrine Club because in relation to any functions pertaining to it, I don't know whether I can have them or not.

I think that Articles (b) and (c) should be out of 328.9. It is really hurting us as a small Temple and, working for our hospitals, we try to put on Shrine circuses like that.

Now, when you have a Shrine Club and you have another Temple that can have their own circus or planned activities—well, when they say "planned activities", what all does that cover? I am not sure and I would therefore like to have the Representatives take a real close look at this and have a discussion on this.

Again, with regard to Section 328.9, at least the way it now stands, I am completely out of this because I do not have concurrent jurisdiction. I should like to have a ruling on this.

IMPERIAL POTENTATE WECK: I will recognize Bob Turley.

IMPERIAL SIR TURLEY: Imperial Sir, I speak to this matter not as a member or Chairman of the Jurisprudence and Laws Committee but as a Representative of Oleika Temple and I think you should know some background in the context of which you can better understand what the Representative from El Hasa Temple was just telling you.

For many years, Oleika Temple has had a circus at Prestonsburg, Kentucky. Prestonsburg is in concurrent jurisdiction, as is all of Kentucky, save for the counties in which the four Temples are located.

Oleika Temple has had units in Prestonsburg, Kentucky, members of Oleika Temple in their concurrent jurisdiction.

Now, when subsection 328.9 (b) was adopted, Oleika Temple asked the Imperial Potentate for a ruling as to whether it affected the circus that had been carried on by Oleika Temple at Prestonsburg over the past several years. Because I belong to Oleika Temple, I asked that I be excused from consideration of this matter and it was referred to the Jurisprudence Committee, all of whom, save the Chairman, met. They advised the Imperial Potentate and he issued a ruling that it would be proper for Oleika Temple to continue the circus at Prestonsburg.

That ruling was circulated and a copy of it was sent to El Hasa Temple.

Oleika Temple planned its circus in April of 1978 and, in the meantime, El Hasa Temple scheduled a circus at Prestonsburg for the week prior to the Oleika circus. (Laughter)

Now, as you might well expect, there was some concern about that. The Imperial Potentate was asked to intervene and he did intervene and after several discussions with the Potentate of El Hasa Temple, which were fruitless, he was compelled to issue a Special Order, which is before you, is in your envelopes, and that was appealed and went to the Grievance and Appeals Committee and you will hear more about that later.

Now then, I am telling you how this came up.

Further, I want you to know that the Representative is in error when he said to you that El Hasa Temple cannot have activities in this area except for a circus, which would compete with the Oleika circus that has been held there for several years.

Now, because of this situation, it was thought wise to clarify the By-Laws by this provision which says that any activities which have been carried on from year to year in this concurrent jurisdiction are exclusive for the Temple which has carried them on so long as the activities are continued thereafter.

Now, I hope I have explained that so you can understand it. If there are any questions, I will be glad to try to answer the questions.

If not, as a Representative of Oleika Temple, I hope that you will support this amendment.

IMPERIAL POTENTATE WECK: Is there further discussion? Microphone 1.

NOBLE THOMAS COX [El Hasa Temple]: I speak in behalf of El Hasa Temple. This issue has come up before. As a matter of fact, we had it out with them somewhere in New Jersey, when subsection (b) was put in, after we had actually won a battle in New Jersey. This was so that a unit could be put into Prestonsburg.

Now, I live up there and I am the Chief Rabban of El Hasa Temple. I live there, have a business there, own a lot of real estate there, but yet they are saying they want to come up there and do this.

We have issued them permission in the past and have said that if we ever start a circus we would like to come right down the line but now we find we are not allowed to go down to Prestonsburg. To me, this is wrong.

Now, in Kentucky we do have concurrent jurisdiction and we are supposed to

ask permission from each one for a Shrine Club to have ceremonials. There was a Shrine Club that was formed in Maysfield and they asked permission from nobody.

Also, I read in their June paper that they wanted to thank the Prestonsburg Shrine Club for their efforts in relation to the circus. Now, of course, that Shrine Club up there is really a Shrine Club chartered under El Hasa Temple.

Further, we did not know when they were going to put on their circus. They did not ask us and we did not ask them. We just went ahead and tried to put it on and were denied.

That is our Shrine Club and that should be our territory. Thank you, Imperial Sir.

IMPERIAL POTENTATE WECK: Is there further discussion?

NOBLE MARK SHARFF [Oleika Temple]: Imperial Sir, we would like to mention one thing. We are not, in this case, talking about Shrine Clubs.

Secondly, if that statement was made in our paper, it was a misprint because that was not the case.

As to subsection (b) and to permission to have a circus there, I did write a letter asking for that permission but I have never been given an answer.

With regard to this matter of concurrent jurisdiction, it seems to me like there are a whole lot of things happening that should not be or maybe it should be because one has as much right as the other.

On this circus, when the order came out stating that the circus from El Hasa Temple would be cancelled, that circus still played there on the day it was advertised. It played there in the school. Now, I have spent thirty years with the Board of Education and the public schools of Kentucky and never have I found a high school or any other school that was going into the circus business. However, the Gardiner Brothers Circus did appear there on that date.

We are talking to you about something that is of great concern for Shrinedom. We have more than 207 members in that particular county. We had these clubs there long before this item under Section 328.9 was ever issued.

I would challenge El Hasa to say they have more than forty-two to fifty members in that particular county. We never had and will never solicit a member of theirs at any time. We do not ask for them but, on the other hand, let me ask you something else here—shall we be penalized because we have an aggressive group of Shriners in that area—a group of Shriners that want to get out and work? I would say we should not.

We are working for the welfare of Shrinedom and so, with that thought in mind, I think we should pass this subsection, plus the fact tickets were sold for this Shrine circus. We made everyone of them good at our circus. When they came to the door with that ticket, we took the ticket—we did not turn them away and we said "You are invited, you are welcome."

I feel as though this proposition here in no way, shape or form is going to hurt a soul. We are going to help Shrinedom. I still propose that this amendment be passed right now at this Session.

IMPERIAL POTENTATE WECK: Is there further discussion? Microphone 1.

NOBLE O. C. KIBLER [Potentate, Omar Temple]: Imperial Sir, I do not intend to involve myself or my Temple in the argument between these two great Temples insofar as a circus is concerned. However, what does disturb me about this is that we, too have concurrent territory and I say that to you very sincerely—that we normally have a very good relationship with our daughter Temple in our concurrent area. However, the thing that disturbs me most of all is that there is no communication between the Temples, at least as it has been stated by El Hasa, so that the Temple controlling the club knows what the other Temple is going to do in that territory.

Now, with this in mind, perhaps this could be changed in such a way on this floor today so that it would be mandatory by the Imperial By-Laws that the Temple sharing concurrent territory or jurisdiction must inform the Temple having the club of the activities that they plan.

I would possibly accept this but, other than that, I would have to recommend

to this august body to defeat this particular amendment. Also, I have been told it should be by registered mail.

IMPERIAL POTENTATE WECK: Just a moment. I will recognize Mahlon Hessey.

NOBLE MAHLON HESSEY: Imperial Sir, Imperial Sirs and Representatives: I was Chairman of the subcommittee that dealt with the problem of concurrent jurisdiction in Shrine clubs and while I hope I do not get inundated in a tidal wave, I would like to try to add a simple explanation to what occurred.

If you would please turn to Item 17 in the Call, if you will read subsection (a), when that amendment was enacted, what we endeavored to accomplish by its enactment was to grant a certain amount of territorial exclusivity to the operations of a Shrine Club, so that under subsection (a), with respect to the dispute between El Hasa and Oleika, El Hasa has control of the Shrine Club in Prestonsburg.

Now, subsection (b) was the Committee's attempt to grandfather those activities and units which existed prior to May 1, 1975. In other words, subsection (b) was designed to freeze the status quo.

As of May 1, 1975, Oleika Temple had in Prestonsburg units which were in existence and by virtue of the language in subsection (b) they were permitted to remain and to stay under the control of Oleika Temple—namely, they were grandfathered in.

Also, as of May 1, 1975, Oleika Temple had, for a number of years, conducted the circus in Prestonsburg and El Hasa had not so conducted a circus.

A dispute then arose, as was explained to you by Noble Turley, when El Hasa moved into Prestonsburg and for one week prior to the intended schedule of the Oleika circus, El Hasa intended to hold or schedule a circus. As you might expect, that created a certain amount of friction between the two Temples which has resulted in the discussion here today.

Oleika Temple requested a ruling from the Imperial Potentate as to whether or not its circus, which had theretofore been conducted on a regular and continuing basis, was an activity "planned or publicized, prior to May 1, 1975, and the ruling of the Imperial Sir was that it was such an activity and that Oleika Temple could continue to conduct its circus in the future so long as, and I prefer the term that the activities were not abandoned.

Oleika Temple now seeks, by the addition of subsection (c) to codify what already exists as a ruling of the Imperial Potentate and that is that the circus be the exclusive jurisdiction of Oleika Temple in Prestonsburg so long as that activity is continued annually thereafter, which the Imperial Sir's ruling endeavored to accomplish.

There has been, I believe, one incorrect interpretation made by the Representative of El Hasa. Any other activities, other than those activities which were conducted in the Prestonsburg area by Oleika Temple prior to May 1, 1975 cannot be conducted—can continue to be conducted by Oleika Temple, with any other new activities falling under the jurisdiction of El Hasa Temple. In other words, the status quo was frozen.

I would urge the adoption of the amendment.

IMPERIAL POTENTATE WECK: Microphone 1, please.

NOBLE JACK FARMER [Oleika Temple]: For several years, I have been in charge of the publicity of our circus.

Each time, in the last nine years we have had our circus at Prestonsburg, the day after our circus is over, we have run an ad in the paper thanking the merchants and people of this area for coming to our circus and that we will be back again next year with our annual circus.

We held a seminar at Oleika Temple, when El Hasa Temple decided to have a circus. They asked them to teach us how to put it on and we had them in our Temple and did that. Thank you, Imperial Sir.

IMPERIAL POTENTATE WECK: Is there any further discussion?

... The question was called for. . .

IMPERIAL POTENTATE WECK: All in favor of the amendment will say aye; opposed.

I declare it carried by the necessary two-thirds Constitutional requirement.

We will now recess until tomorrow.

Before we do that, we would like to have the Chairman of Tellers give us the result of the ballot 18 for the Board of Trustees.

... Business was conducted in the Colorado Corporation at this time...

IMPERIAL POTENTATE WECK: We will now recess until tomorrow morning at nine o'clock a.m.

... The One Hundred Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-fifty o'clock p.m. to reconvene the following morning at nine o'clock a.m. ...

MORNING SESSION
THURSDAY, JULY 12, 1979
NINE O'CLOCK A.M.

The One Hundred Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened at the Minneapolis Convention Center, Minneapolis, Minnesota at nine o'clock a.m., Imperial Potentate Warren F. Weck, Jr., presiding.

IMPERIAL POTENTATE WECK: Will you all please take your seats. It is now nine o'clock. I will declare this Session open for business.

Will you please stand so that we may have our invocation from our Imperial Chaplain.

REVEREND VOGT: Let us pray.

Direct us, O Lord, in our deliberations here this day.

Keep from us, all rancor and bitterness. Give us a sense of your presence so that we may know what you would have us do.

Furnish us now with your continual help and in all our works begun, continued and ended in you, may we glorify your holy name. Amen.

IMPERIAL POTENTATE WECK: The first order of business today will be the report of the Emeriti Committee, George Klepper.

PAST IMPERIAL POTENTATE KLEPPER: Imperial Sir, Imperial Sirs, Distinguished Guests, Representatives and Nobles all: Before I present the members of my Committee to present the Emeriti nominees, I would like to briefly tell you something about the Emeriti membership in this body.

I have been attending these Sessions for thirty-odd years and I do not think at any time I have ever heard any explanation made as to the Emeriti membership.

We have this year the largest class of Emeriti Members for one single year that we have ever had. We have twelve nominees.

Now, to become an Emeriti Member, it originally took twenty years and there is one Emeriti Member whom you met yesterday that went through the twenty-one-year program in order to become an Emeriti Member and I refer you to our Member, Dean Charles Lembke of Albuquerque, New Mexico. He has been a Representative here for fifty years.

Then they reduced it to eighteen years. There are about fourteen Emeriti Members who come in that classification and then, in 1966, they dropped it to fifteen years. When that drop was made, we had a three-year class. We had those men that had been fifteen, sixteen, seventeen and then it would be eighteen years. In that class we did have nine members.

Bear in mind, this was a three-year class so the class that we have today represents the largest single year class.

You might be interested to know that of the ninety-five Emeriti Members, including the twelve this year, that they represent to this body a sum total of 2,528 years of experience. I think this is valuable to this body to have your Emeriti Members continue their energy, their interests and their influence and experience in all of these things that make our operations of this Annual Meeting so well conducted.

We have always worked on an even keel. Of course, we have had our little

problems but we have never had a real serious problem. I give a lot of credit to that due to the fact that we have had our Emeriti Members with us.

Now then, Nobles, there is another figure you might be interested in.

This year, for example, we have some 190 Emeriti Members here for the second time, 137 for the third time and forty-nine for the fourth time and the other sixty-eight have been here for from five to fourteen years. Therefore, you can see that our Emeriti memberships represent a lot of strength in this body and I think it congeals the effect this body has at these Annual Meetings.

In fact, I don't know of anything that a Temple can do for a member that is more important except elect him their Potentate. The second is to let him be an Emeriti Member from his Temple because it shows he has spent fifteen years working in the Shrine, working for the Temple. If he had not been doing that, the Temple would not return him through this period of time that it takes to become an Emeriti Member.

Now, our program this morning will be presented in this fashion: Each member of this Committee will present two nominees and then the last member of the Committee will make a motion to receive all of these Emeriti Members as Emeriti Members of this group.

Therefore, at this time, I would like to present two nominees.

I would like to ask Robert E. Cooper and Rufus E. Craven to come to the podium.

Now, I have a double pleasure in presenting these two fine Nobles. They both are Tennesseans and I am going to give you a brief, and I will assure you it will be a very brief rundown of each of these candidates.

I could stand here and very likely talk for a long time about either one of these gentlemen but we do not have the time and, further, our Imperial Sir desires us to complete this in twenty minutes and so we will endeavor to do it within that time.

First I want to present to you Noble Robert E. Cooper. He is a member of Alhambra Temple. He has been Secretary of the Supreme Court of our state for the past nine years. He has been a Judge in the Courts in Tennessee for twenty-six years, serving first in the Circuit Court and then on the Court of Appeals and now the Supreme Court. I can tell you in all candor that he is one of the finest judicial representatives in our state.

He is noted for his judicial experience and his assistance to young lawyers.

He also has been very active in his church. Fortunately for me, and maybe some in the audience, he is a Presbyterian and he has served as Chariman of the Board of Deacons, served in the capacity of an Elder in the church for a long time and now is a Trustee for his church.

He is married and has a wonderful wife, has four lovely children, all of them adults, except he has one that is on the border of deciding to become a lawyer and is away from home.

Judge Cooper has also been very active in Masonic Circles. He is a Past Master of his Blue Lodge, been active in the Scottish Rite, is a Thirty-Third Degree Mason, belongs to the Red Cross of Constantine and the Order of Jesters. He also has many other Masonic and civic distinctions. I shall not burden you with them.

He has been a member of this body for fifteen years and he is my first nominee for the Emeritus Award.

Now, my second nominee is a friend of mine of long standing, a member of my Temple, and I can honestly and truthfully say to you that he is one of the, if not the outstanding plastic surgeons in the City of Memphis. His name is Noble Rufus Craven. You may call him "Doc".

He holds three medical degrees, one from Tulane, one from the University of Tennessee and one from the University of Ohio. He is on the staff of and works in all three of our large hospitals in Memphis and he is recognized as one of the top men in his field.

He also belongs to all of the associations connected with his branch of medicine

and in most of the others. He has been active in those bodies and has done committee work for them, written articles that have appeared in their journals and he has been greatly recognized on a professional basis.

He is likewise an active church man. He is married to a lovely wife and has three beautiful children.

He has been very active in the Scottish Rite and has also been made a Thirty-Third Degree Mason. He has been active in the Shrine from the time that he entered it. In fact, he always finds time to work for the Shrine.

My friends and Representatives, these are my two nominees for Emeriti membership.

Now I would like to present to you another member of the Committee who will present to you two nominees. I refer to Noble Harvey B. Leggee of Aleppo Temple.

NOBLE HARVEY LEGGEE: Thank you, Imperial Sir.

Imperial Potentate and Fellow Representatives: It is my pleasure as a member of this Committee to present two nominees for Emeriti membership—Roger E. Murdock, a Past Potentate of Al Malaikah Temple, forty-three years a member of the Los Angeles Police Department and its Chief. Further, he is Chairman of the Board of Governors of the Los Angeles Unit of Shriners Hospitals for Crippled Children.

He is a member of the Scottish Rite.

When we met at Los Angeles a few years ago, he welcomed the Nobility to his city as Chief of Police. One of his highest remarks was to the effect that while he was there and we were visiting, we were to have fun but also behave ourselves, but if anybody got out of line and the Noble was put in jail, he further said that he would come down and endeavor to get him out and if he could not get him out he would go in there with him. It certainly was a great welcome.

The other individual is Illustrious Sir William G. MacKay, who served as Illustrious Potentate of Aahmes Temple, Oakland, California, in the year of 1965. He is a member of his Blue Lodge in Oakland and is an active member of both the Scottish and York Rite bodies.

He is a Past Director of the Royal Order of Jesters, Court No. 6 of Oakland, California.

He is a practicing attorney, with offices at San Francisco.

He has been a member of the Board of Governors of the San Francisco Unit for ten years.

He is married and he and Mrs. MacKay have three children, all married, and nine grandchildren.

His family attends the Episcopal Church in Oakland.

He has been an active officer of the Boy Scouts of America for thirty-five years.

It is therefore my pleasure at this time to nominate Roger E. Murdock and William G. MacKay for Emeriti membership in this Imperial Council and I would make that motion, Imperial Sir.

I would now like to recognize the next member of our Committee, Dewey E. S. Kuhns.

NOBLE DEWEY E. S. KUHN: Imperial Sir, Imperial Sirs and Fellow Representatives: I, too, have the pleasure this morning of making two nominees for this high honor in the Imperial Council.

The first nominee that I shall talk about and who does indeed have a very enviable record is Noble Rufus C. Johnson, Recorder of Hasan Temple.

He is a distinguished, dedicated worker in the vineyards of Masonry and the Shrine.

He was raised to the degree of Master Mason in 1953, was Worshipful Master of his Lodge in 1959; was High Priest of Douglas Chapter No. 52 in 1957; was the Illustrious Master of Fitzgerald Council in 1974; was Eminent Commander, Gethsemane Commandery in 1962-1963; Grand Commander, Grand Commandery of Georgia, 1972-1973; Grand Scribe, Grand Chapter of Georgia, 1979; Royal Order of Scotland, September 1963; Red Cross of Constantine, December, 1966; Member

of the Order of the Silver Trowel, 1975; Member of the High Priesthood, 1958; Scottish Rite, September 28, 1957; KCCH, October 1973; KYCH, 1974; Past Director, Albany Court No. 159, Royal Order of Jesters, 1963; Potentate of Hasan Temple, 1964; Treasurer of Hasan Temple, 1966-1977; Recorder of Hasan Temple, January, 1978.

He is likewise a member of the Downtown Albany Exchange Club; a Past President of the Douglas Rotary Club; a member of the First Methodist Church, Douglas, Georgia; a graduate, Auburn University, with a B. S. degree in civil engineering, 1944; a graduate of the University of Alabama with a Master of Engineering, 1948. He is married to Jean Roberts Johnson and has a daughter, Emily Elise Johnson, twenty-two and a son, Rufus Cliff Johnson, fifteen.

Therefore, I have the pleasure of nominating for this high honor, Noble Rufus C. Johnson. Rufus, please take a bow. (Applause)

My second nominee is likewise a very distinguished and very dedicated worker in the vineyards of Masonry and the Shrine.

He was Potentate of Beni Kedem Temple in 1966; is a Past Master of his Blue Lodge; a Thirty-Third Degree Scottish Rite Mason; President of the Mid-Atlantic Shrine Association, 1972-1973; a Past Venerable Master, Lodge of Perfection; a Past Wise Master, Chapter of Rose Croix; a Past Commander of the Knights of Kadosh and a Past Master of the Consistory.

His other memberships include the York Rite, Royal Order of Scotland, Past President of the International Cabiri and being an active member of the Supreme Council, Order of DeMolay and a Past Executive Officer in West Virginia.

I am happy to be able to nominate Noble Graves H. Trumbo, Past Potentate of Beni Kedem Temple. These are my nominees. Thank you very much. (Applause)

I now have the pleasure of yielding the microphone to Judge Merwyn H. Brown who has some nominations.

NOBLE MERWYN H. BROWN: Imperial Sir, Imperial Sirs and Representatives: It is a great pleasure for me today to have the opportunity to present to you to become Emeriti Members of the Imperial Council, two individuals.

I first wish to present to you the Recorder of Kerak Temple, Monty Barber.

He has been a resident of the Reno area for many years.

He was Assistant Postmaster of the regional post office for eleven years. He has been the Recorder of our Temple for seventeen years. This demonstrates to you how active he has been in Shrinedom.

He also at the present time is Recorder of his Conclave of the Red Cross of Constantine.

As the Recorder of our Temple, I would present him as an example of a perfect Recorder. He is loved by all members of the Temple and is most accommodating in the way of his help.

At this time it gives me pleasure to nominate Monty Barber to become an Emeriti Member of the Imperial Council. (Applause)

My second nomination is that of Aurie J. Thompson, a Past Potentate of Nile Temple.

He is the President of a machine company in Seattle, a member of the Board of Governors of Shriners Hospitals for Crippled Children, Portland Unit, and has been very active on a number of committees in the Imperial Council.

He is also a member of the Royal Order of Jesters, plus other Masonic bodies.

Therefore, at this time, I am likewise proud to nominate Aurie J. Thompson to become an Emeritus Member of the Imperial Council.

PAST IMPERIAL POTENTATE KLEPPER: I would now like to ask another member of our Committee, J. Harry Leggett, Sr. of Scimitar Temple to present his two nominees.

NOBLE J. HARRY LEGGETT: Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles: Once again it is my privilege to nominate two fine, worthy and eligible Nobles for

Emeritus membership. I have a long resume written in connection with each of them but I will condense it to about thirty seconds. (Applause)

On my immediate right is Illustrious Sir Charles P. Mason of Cairo Temple, a former member of the Board of Governors of the Montreal Unit, Shriners Hospitals. He is also a member of the Imperial Tylers Committee, a member of the Jurisdictional Lines Committee and a Past High Priest of his Royal Arch Chapter. He is also a Past Illustrious Master of Davenport Council, a Past Commander of the Commandery and also a member of the Red Cross of Constantine and a Past Director of his Court, Royal Order of Jesters.

My next nominee is Illustrious Sir George Levy, who is a Past Potentate of Mecca Temple. He is presently their Recorder and served for twenty-four years in the capacity.

He is a Past Master of his Blue Lodge, a Past Grand Lodge Sword Bearer; a Past President of the New York-Ontario Shrine Association; a Past President of the Atlantic Cabiri Association and a Thirty-Third Degree Mason. In his own words he is "past" everything but always present. (Applause)

I would now like to turn the podium over to Noble G. Wilbur Bell.

NOBLE G. WILBUR BELL: Imperial Sir, Imperial Sirs, Fellow Representatives: It is my pleasure to present to you this morning a gentleman who has labored long in the vineyards of Masonry.

He came to this great universe from the great State of North Carolina and remained there his entire lifetime.

He has been in the funeral business—one of the last to let you down. (Laughter)

He is a member of the York Rite bodies; a member of the Scottish Rite bodies; been honored with the KCCH, served his Temple, Oasis as Potentate in 1972.

I present to you Noble John M. Hartman of Charlotte, North Carolina. (Applause)

Now, I also have the great honor and privilege to present to you a Noble whose name is a household word among millions.

In the spirit of unity and strength in both the North and South, I present to you for membership as an Emeriti Member, your Imperial Potentate. (Applause)

Now, Deputy Imperial Potentate, I would move you that these twelve Nobles whose names have been presented be elected Emeriti membership in this Imperial Council.

...The motion was severally seconded, was voted upon and declared to be unanimously carried...

IMPERIAL POTENTATE WECK: Now, Representatives, I would like to say something to you at this point.

You know, I was very disappointed last evening when I came to the Convention Center. Someone, and I know you know who it is, although I do not know and I do not care to know, but I hope that whoever did it, knows that it was improper to put signs about the building here concerning Item 7 in the Call.

You know, this same situation happened a few years ago under similar circumstances when scattered about the auditorium in which we were meeting there were a number of brochures advocating passage or opposition to certain things.

At that time, the Representatives voted that this should not be done.

I think we are grown up. I don't think we are a bunch of children. We are here to deliberate.

I have tried to set the tone of this Convention by leaning over backwards in order to be fair.

This morning, because I wish to speak on the matter which is being brought up, I am going to relinquish the gavel completely. I want this to be done in an absolutely fair and impartial manner, and hopefully it will also be settled once and for all.

At this time, I am going to call upon our Parliamentarian to tell you the method by which we are going to proceed.

Also, for those who wish to speak on the matter, I again wish to admonish you that we desire free and open debate and that is the way we are going to operate.

However, just as a matter of respect for your fellow Representatives, if the matter you desire to discuss has already been covered and said and you have nothing new to add, please do not keep repeating it over and over and over again. You can indicate by your ballot that you approve of whatever has been said one way or the other.

I will now recognize our Parliamentarian.

NOBLE SEWELL LAMDIN: Imperial Sir, Imperial Sirs and Fellow Representatives: In order that there can be free and unlimited debate, when the proper situation is on the floor we are then going into a committee of the whole. At that time we will have unlimited debate and I would suggest that if you want to speak on the subject that those who are in favor of the proposition line up in front of Microphone 2 and those who are opposed line up in front of Microphone 3 and then the Chair will go from one to the other so that each side will have equal time and everyone will have an opportunity to speak.

I would also strongly suggest that if your position has already been stated, please do not restate it. We do want to finish this. We do want to go home and if we try to keep it to just bringing up something new or stating a position that has not been stated, I think we can get to it rather quickly.

Now, in relation to the Committee of the Whole, just as in the case of any other committee, there will be an opportunity to amend. There are certain motions that we can and we cannot make and when you have fully debated it, completely, and no one else has anything to say on the matter, we can rise—we can rise without a recommendation or we can rise with a recommendation and with a report, whatever you want to do.

However, just bear in mind that while we are in a Committee of the Whole that we cannot adopt anything—we must go back into regular session to do that in order that the session can actually make the adoption or rejection.

Now, as we go along, if there are any questions, we will do our best to answer them for you.

IMPERIAL POTENTATE WECK: At this time I would like to recognize Charles Emmett.

NOBLE CHARLES EMMETT [Rameses Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and my Fellow Representatives: May I first, as the proponent of one of the pieces of legislation, concur in your observation about advertising-publicity and assure you that anyone working with me has not put anything out and we do not need nor support this type of work.

Now, fellow Representatives, with regard to the material that is outlined in Item 6, page 12 of the Call that I have proposed, and inasmuch as it is covered quite adequately in relation to Item 7 as proposed by Noble Robison, I propose, in the essence of time, to withdraw Item 6.

Thank you, Imperial Sir.

IMPERIAL POTENTATE WECK: I will recognize Robert Turley.

IMPERIAL SIR TURLEY: Imperial Sir, I take it that withdrawal was with unanimous consent and, therefore, I move you that the Jurisprudence and Laws Committee be discharged from further consideration and report on Item 6 as contained in the Call.

IMPERIAL POTENTATE WECK: I believe it has been seconded and, therefore, all in favor of this motion indicate by saying aye; opposed. I declare the motion to be unanimously carried.

NOBLE COOPER [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 323.8 of Article 23 of the By-Laws of the Iowa Corporation so that it will read as follows:

“Section 323.8 Retention of Membership

(a) In order to retain Membership in a Temple, a Noble must maintain the requirements of Section 323.3 (a).

(b) If a Noble holds membership in both prerequisite bodies, his membership in

the Temple is not affected by the loss of his membership in one prerequisite body.

(c) If a Noble holds membership in only one of the prerequisite bodies and for any cause loses that membership he loses his membership in his Temple until restored to good standing by that prerequisite body, whereupon, he is restored to good standing in his Temple without vote of the Temple. He may not be charged with dues to the Temple while deprived of membership.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his Temple does not restore him to good standing in the Temple, but he may be restored by ballot pursuant to Section 323.5.

(e) If a Noble loses his membership in a prerequisite body for any reason other than nonpayment of dues, the loss of membership in his Temple is effective when it becomes final in the prerequisite body.

(f) A Temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the Temple."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE
AND LAWS

R. J. Turley, Chairman

Edward G. Maag

Robert E. Cooper

Mahlon W. Hessey

Theodore Corsones

Walter S. Jeffries

Robert W. Morrison

NOBLE COOPER: Imperial Sir, I would move the receipt of this report.

...The motion was duly seconded...

IMPERIAL POTENTATE WECK: All those in favor of receiving this report will indicate by saying aye; opposed. It is carried and the report is received.

Now, I would like to ask that whoever is going to propose the amendment to please come forward.

NOBLE RAY ROBISON [Suez Temple]: Imperial Sir, Imperial Sirs and Representatives: My name is Ray O. Robison, Potentate and Representative of Suez Temple and I am the proponent of Item 7 in your Call.

I would first like to say that I do agree with the Imperial Potentate—I was also shocked with the advertisements displayed last night. Also, Imperial Sir, I would like to assure you that neither I nor any individuals that I know of had anything to do with this.

I do move the adoption of Item 7 in the Call and due to parliamentary procedure, I will refrain from any comments until it is seconded, Imperial Sir.

...The motion of adoption of Item 7 was then severally seconded...

IMPERIAL POTENTATE WECK: At this time I will entertain a motion for this body going into a Committee of the Whole.

NOBLE SEWELL LAMDIN: Imperial Sir, Imperial Sirs and Fellow Representatives: I move that we go into a Committee of the Whole.

...The motion was duly seconded...

IMPERIAL POTENTATE WECK: All those in favor will say aye; opposed. It is carried.

NOBLE SEWELL LAMDIN: Now the first order of business in relation to the Committee of the Whole is to elect a Chairman.

I move you, Imperial Sir, that Richard Olfene be elected Chairman of the Committee of the Whole.

...The motion was duly seconded...

IMPERIAL POTENTATE WECK: All in favor will say aye; opposed. It is unanimously carried.

... The gavel was tendered to Imperial Sir Richard Olfene...

CHAIRMAN OLFENE: Thank you, Imperial Potentate.

As Chairman of the Committee of the Whole, I will do my very best to see that this important issue is given a fair and above board treatment.

Now, Judge, if you would allow me, as Committee Chairman, to overrule a suggestion you made, I would prefer that all speakers who propose to speak for it or against this issue will speak from the podium to my right rather than from the microphones on the floor. (Applause)

With that in mind, I will ask those of you who are sitting in that area and who are not going to be a speaker, to move over and that all of you who plan to speak on this subject, either for or against, please now come to the stage here and take a seat in that vacant section which we are preparing here for you. This involves both those speaking for and against the proposal.

You know, this is just like Billy Graham—they are coming up here from all sides. (Laughter)

Now, as a matter of procedure, while they are coming up here, let me say that, with regard to calling on the speakers, the first person I shall ask to speak will be the sponsor of the legislation. From that point on, as long as there are speakers on either side, we will alternate the speakers. First, for example, we will have someone who is against, next someone who is for and follow this procedure and, if indeed we run out of alternate situations, we will just allow those remaining to speak.

Is that fair enough?

Now, do we have any others in the audience who plan to speak? We would appreciate it if you would please come to the stage and take a seat up here.

Of course, this will not cut off any further debate from the floor but I am merely talking about those coming up who have already planned to speak on the issue. You, of course, all can speak. Don't worry, you will all receive adequate time and your proper turn.

I will now call to the podium the sponsor of Item 7. Also, each speaker, will you please first give your name and your Temple.

NOBLE ROBISON [Suez Temple]: Imperial Sir, Imperial Sirs, Representatives: Last year at Detroit we passed a piece of legislation that held the axe which might sever the golden thread that unites us in one sacred band or society of Shriners and Brothers.

We say in our own ritual, when we place upon our head the red Fez of a Shriner, we symbolically tie about our waist the white lambskin apron of a Master Mason. Our first duty is now, has been and always will be to the old mother Lodge for there you received the highest degrees you will ever receive this side of paradise.

The obligations which unites us in this great organization that we are, can never be forgotten.

I request that you search your Masonic obligations to see that legislation that has been passed will suffice.

I believe personally that the Shrine now stands where one of the Masters of Masonry stood when he stood at the East Gate of Solomon's Temple and I believe that you as Representatives are being asked, for the third time, to give the secrets of a Master Mason. I hope and pray that you can find the strength to refuse the bone because if you do not, we may suffer worse than any fate that has ever been inflicted upon Masonry since that mortal day.

Thank you, Imperial Sir. (Applause)

CHAIRMAN OLFENE: Thank you.

IMPERIAL POTENTATE WECK: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: Last year, at our Imperial Council Session in Detroit, I did not vote in favor of this proposal but I have learned a lot since that time.

One year ago, in Detroit, the Representatives to the Imperial Council, by a vote

of three to one, amended our Shrine By-Laws to provide for retention of membership in the Shrine under certain conditions in the event a member of the Shrine was suspended from his Blue Lodge. As of this date, no member of the Shrine has been suspended and retained his membership in the Shrine pursuant to this amendment.

In order that you may intelligently vote on the amendments which are being discussed today, I believe that it is important for you to know what has happened during the past twelve months. You have heard a great deal of philosophical rhetoric here today but during the past year the edicts and subtle threats that I have received have been very real.

Before I tell you about some of the things that have happened, I believe it is important to remind you that when the Shrine was organized, it was Representatives such as you who voted to approve our By-Laws which required membership in the prerequisite bodies before a person could join the Shrine. These are Shrine By-Laws and not the By-Laws of any Grand Lodge. At all times, you have retained the right to modify or repeal them without coercion from any individual or organization.

You, the Representatives, have done nothing illegal or improper by modifying them with regard to retention of membership in the Shrine. It should also be remembered that, unlike the Shrine, the Masonic Fraternity has no one national organization or group of officers to administer its affairs. Each Grand Lodge is autonomous and there are fifty-nine of them in the United States, Canada and Mexico. It would be next to impossible to write Shrine By-Laws to deal with problems arising from diverse By-Laws in separate Grand Lodge jurisdictions.

At the time this legislation was passed, we did not say we did not want to be Masons, although we could have. All we said was that we did not want to be treated like a bunch of children by having someone who might not even belong to the Shrine tell us how we must administer our Temple affairs. There was nothing that we proposed to do which was illegal, immoral or could even remotely be unbecoming conduct. Their only purpose was a desire to control the way we conduct our Temple affairs and Shrine functions.

This is the view that the Shrine is incapable of managing its own affairs and it is the responsibility of the Grand Master and the Grand Lodges to control the administration of our Temples.

I believe it is important to review with you exactly what this amendment provided. During my visitations, I have discovered that there is some misconception as to what this amendment actually provided. Some of the Temple officers and the Nobility thought that while the prerequisites of membership in either the York or Scottish Rites were still required of a candidate for membership in the Shrine, they could be dropped after he became a Noble. This is erroneous.

In substance, the amendment provided that if a Noble loses his membership in a prerequisite body for any other reason than nonpayment of dues, he loses his membership in his Temple unless he requests a trial by the Temple on the same charges and if he is acquitted by the Temple, he may retain his membership in the Temple, notwithstanding his loss of membership in the prerequisite body.

During the past year, I have met, talked on the telephone with and corresponded with the Grand Masters and Grand Lodge Officers from many states and a number of them have expressed sympathy for our right to control our own affairs. However, at the Grand Masters Conference in February, not one of them spoke in our defense and, as a matter of fact, they unanimously voted to ask us to repeal this legislation. To me, this is the height of hypocrisy.

After their session was over, I overheard several groups discussing their resolution and the gist of their conversation was "Just wait until we get them under our control again". I truly fear the repressive action they may take should this occur.

During the past twelve months I have tried, on behalf of the Shrine, to maintain a posture of accommodation. This has been difficult because of the arrogant attitude of some of the Grand Masters and Grand Lodges.

Time does not permit me to read the many letters I received from some of the Grand Masters nor the edicts which a number of them have issued. However, I know that many of you are familiar with them, since you received copies of them.

My position has been that we have not sought to do any act that is illegal, immoral or even bordering on unbecoming conduct. I have maintained that in the jurisdictions where we have problems, the Shrine has been the victim of economic and social oppression. I believe it is important that you be informed of a few of the more significant events that have occurred since the 1978 Session.

Shortly after that Session, I wrote to all of the Potentates of our California Temples requesting them to take no action that would precipitate a confrontation with the Grand Lodge of California. I then called a special meeting of the Imperial Divan to determine what our policy should be and what action, if any, should be taken. We decided that we should try to meet with the Grand Master of California and such Grand Lodge Officers as he might wish to be present to see if we could reach an accommodation and try to get the Grand Lodge to repeal what we consider to be their oppressive By-Laws. Time was of the essence as the Grand Lodge was to meet in September.

The Grand Master reluctantly agreed to meet with us. Robert Turley, Chairman of the Jurisprudence and Laws Committee; Imperial Sir Richard Olfene and I traveled to San Francisco and met with the Grand Master, Deputy Grand Master and the Grand Senior Warden. Every proposal that we made was stonewalled and the Grand Master even refused to present any changes to the Grand Lodge Representatives, even though he has the authority to do so.

Needless to say, our meeting was a complete failure and was concluded by a statement of the Grand Master that he did not even think the matter was important enough to discuss with us. We thought it was important enough to travel across the country to try to avoid a confrontation between the Shrine and the Grand Lodge.

Subsequent to our meeting, I wrote to each of the Potentates of the California Temples that they should administer their Temple affairs in a manner which was in the best interest of their Temple and the Shrine and in accordance with Shrine Law.

In my own state, Minnesota, the Grand Master not only issued his edict but he went further and stated in our state Masonic publication that when the Minnesota Temples held a tyled meeting that they had to check to see that each Noble attending the meeting had a current Blue Lodge card in addition to a current Shrine card. I advised the Potentates of the Minnesota Temples that this was in violation of Section 339.1 of the Imperial By-Laws which state—"A Noble may not be admitted to his own or any other Temple unless he exhibits to the Temple to which he desires admittance an official Shrine card for the then current year. They could require no more and no less. You can well imagine what confusion we would have if some external organization could change our By-Laws at will.

Last fall I received a telephone call from a Potentate of a Temple that owns a golf course, informing me that government authorities had advised them that they must get a liquor license. The Temple had four alternatives (1) get a license, (2) be arrested for violating the law, (3) shut the club down and (4) operate the club without selling liquor.

Now, you do not have to have too much in your head to know that you cannot operate a golf club without a bar and it would be an economic disaster to shut the club down. Needless to say, I would not want to see the Potentate and Divan in jail and so I advised him to get a letter from the licensing authorities advising the Temple of their position and then to arrange a meeting with the Grand Master to seek some type of accommodations so they could apply for a license. The matter was held in abeyance until after the Grand Lodge of that state met. Within the last six weeks, that Grand Lodge met and the Representatives voted against repealing their By-Law concerning liquor. I then advised the Potentate that he must get a liquor license immediately.

I want to emphasize the fact that the Shrine has attempted to work within the system to reach an amicable solution to our problems with the Grand Lodges and we have been rebuffed at every turn. Personally, I have tried to govern my actions and maintain a position that was in accordance with what I believe to be your wishes and would not bring discredit to the Shrine. I hope that I have succeeded in this most difficult task.

I urge you not to vote to repeal this amendment. (Applause)

CHAIRMAN OLFENE: Thank you.

The next speaker will be a proponent.

IMPERIAL SIR KISSELBURGH: Mr. Chairman, Imperial Sir, Imperial Sirs, Illustrious Sirs, Fellow Representatives: It is customary that when the Imperial Potentate speaks that nobody speaks after him but I will do so. (Laughter)

Last year at this time, at Detroit, a resolution was passed which, if allowed to stand, will have and has had serious consequences to our great Shrine organization. This resolution was entitled "Retention of Membership" or resolution 4.

Most everyone present at that time did not think that it had a chance of passing but due to a series of clouded circumstances, it did pass and the results have been very serious insofar as our future standing with Masonry is concerned.

Let me say first, so that there can be no misunderstanding about the importance of this amendment which has been brought back, that if we allow this mistake to stand, we are heading on a collision course with the Grand Lodge of North America that could eventually lead to separatism.

Are we Representatives, who are the leaders of our Shrine, prepared to go back to our Nobility and ask them to choose between Masonry and the Shrine because this is exactly what will happen if the Grand Lodges declare the Shrine as a clandestine organization or if they withdraw recognition of our Shrine Fraternity.

I hope and pray that we will never have to ask our members to choose one over the other because both of our great bodies will lose. This is how important the repeal of this amendment is and you can bet your bottom dollar that every Grand Lodge in the United States and Canada, as well as the Southern and Northern Jurisdictions of the Scottish Rite and the York Rite are watching us very closely to see what course of action we will take today.

Last year, because of a parliamentary maneuver, not one voice was allowed to speak in opposition to resolution 4. This alone was a miscarriage of justice and we would be criticized by our Nobility if they ever learned of how we passed this amendment.

Our great organization was founded one hundred seven years ago by Dr. Walter Fleming and Billy Florence and their only requirement insofar as the prerequisites were concerned, was that you either be a Scottish Rite Mason or a York Rite Mason. With these prerequisites, we have grown to almost one million members. We are the finest Fraternal organization in the world because we have taken in the finest men in the world, Freemasons. (Applause) Freemasons who have passed the investigations in the Blue Lodges and both Rites.

Do we want to jeopardize this success story and become just another chowder and marching society? I think not and I hope that everyone of you here representing your Temples and your Nobility feel the same way.

Remember, you are voting for them and the future of the Shrine.

Last year, as an argument to pass resolution 4, California was spotlighted as an example of being browbeaten by the Grand Lodge. Sure, we have a couple of restrictive laws that we have lived with but, fellow Representatives, we have seven very successful Shrine Temples in California and we have been operating with these restrictive laws for quite a few years and, by the way, during the past several years we have been successful in modifying some of these restrictive laws and we will continue to try to change them some more.

Things are not as bad in California as you were led to believe last year. Other states also have restrictive laws concerning liquor and advertising but you do not throw out the baby with the bath water and that is exactly what is happening if we allow this amendment to stand.

In the last forty-eight hours we have been promised by the major leaders of the Scottish and York Rite that they will assist us in every way possible to work out the problems that we have in the troublesome states. This is the way to find the solution to our problems in a peaceful and harmonious way. We welcome their support and if this amendment is passed, we will call upon them immediately to assist us.

We in California promise we will continue in our efforts to change the several Grand Lodge Laws that restrict our Temple activities. We will diligently work toward this end but do not ask us to choose whether we will be Shriners or Masons. I want to be both and I am proud of it. (Applause)

With every ounce of breath in my body, I ask you to join with us, by over a two-thirds majority, to pass this amendment for the repeal and let us return to the path of peace and harmony with our Brethren in the Grand Lodges of both Rites.

Remember, harmony is the strength and support of all societies, especially of ours. (Applause)

CHAIRMAN OLFENE: We will now call for the next opponent, one who wishes to speak against the proposal.

If there are no opponents, I will therefore, at this time, call for the next proponent from the group on the stage up here.

PAST IMPERIAL POTENTATE MORRISON: Imperial Sir, Imperial Sirs and Fellow Representatives: I guess I am losing my voice.

Now as those of you who were present at the Session last year know, I showed you my ballot and I said I did not vote.

Also, the fellow that presented this resolution indicated, in reference to me, "a well meaning but confused presiding officer". Well, I was not confused but what I was doing was merely following what was provided for in Robert's Rules of Order.

Also, the last gentleman who talked, my Imperial Colleague, said this was a parliamentary movement. Well, I don't know what he meant by that but I don't think he meant it was one on my part.

Gentlemen, we did not have any people talk against this last year and I was the most amazed individual in the world.

CHAIRMAN OLFENE: Excuse me, Fred, but would you confine your remarks to the issue if you would? (Applause)

PAST IMPERIAL POTENTATE MORRISON: Well, all right. However, I still think I have a right, in this presentation, to defend what happened last year.

You overruled the Jurisprudence and Laws Committee and I will take my shots at it here.

Gentlemen, so that you will know that I have no axe to grind, that I love Masonry, I love the Scottish Rite, I urge you to vote for the resolution. Thank you. (Applause)

CHAIRMAN OLFENE: Thank you. I will recognize the next speaker for the same, please.

NOBLE CHARLES R. GLASSMIRE [Kora Temple]: I am Charles Glassmire, the Potentate of Kora Temple and a Past Grand Master of Masons in the State of Maine.

We are a proud Temple. We have had two Past Imperial Potentates and we now have an Imperial Officer.

We are proud of the fact that this great organization of ours was the brainchild of a Portland, Maine physician who was an ardent Mason and when they decided to form this organization, they felt they should have the best and so not only did they require Blue Lodge membership but one had to be a Knights Templar and, before the organization was started, Dr. Fleming not being either, joined the Commandery and only then was this great organization born.

We have had growing pains. We have had a very smooth course following that but no organization runs entirely smoothly.

A year ago we made a mistake and, as the old saying goes—"Marry in haste and repent in leisure". However, perhaps it may have been "Divorce in haste and repent at leisure". However, I do believe that the people have had a year to think about this situation and most of you would agree that changes should be made by evolution and not by revolution as took place before.

In a dispute of this nature, there are no winners, there are only losers.

If we take action which will divorce these organizations, what will we tell our

candidates? We will have to change the ritual completely, as has been pointed out.

It is no mistake that the initials A.A.O.N.M.S., when rearranged, spell "A Mason". I am sure this was intentional and not accidental.

We hear sometimes that the Shrine is the only active and growing body in Freemasonry. This is not true, although I am delighted to say that we in Kora Temple have had an increase every year for a number of years. However, let us not get carried up into the paranoia of the numbers game.

Freemasonry, if you look at it over the years, like any other organization, has had its ups and downs. We are in a position now wherein we are bottoming out and this is the same as after World War I—we are now losing that great number that we took in following World War II.

Also, it should not be necessary to point out to you that Freemasonry is not simply another club, service organization. Masonry, my Brothers, is a way of life.

You know, we say that we take good men and make them better. We do, and each and everyone of us has been considered a good man and we hope that through your exposure to the Scottish and the York Rites and through the principles of Shrinedom that you have also become a better man here.

This morning, as you will remember, we took in twelve Emeriti Members. You may probably have noticed that six of these men were Thirty-Third Degree Masons and two have received the KCCH. It is not at all unusual to have the leaders of Freemasonry and the leaders of Shrinedom be one and the same.

My Brethren, I recall the story of a man who took his young boy to a great cathedral. As they stood in the middle of that cathedral, the little boy looked up and he said "Dad, who is the man in that stained glass picture?" His father replied, "That is St. John, son." The boy then looked to the left and saw another figure in another stained glass window and again asked the same question, to which his dad replied, "Son, that is St. Paul". Then, again, on the right there was a third stained glass window and the son again asked and was informed that this was St. Peter.

When they returned home, the boy related this incident to his young brother only to have his young brother ask "What is a saint?" Well, the first young man thought for a while and then it struck him and his reply was—"A saint is a person whom the light shines through."

My Brethren, may that beautiful light of Freemasonry and Shrinedom shine through each and every one of you today, not only in your lives as you go forth but in particular as you vote on proposition 7.

Thank you very much. (Applause)

CHAIRMAN OLFENE: I will recognize the next speaker from the stage, please.

NOBLE CHARLES EMMETT [Rameses Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and my Fellow Representatives: I believe that my qualifications of being a Mason for thirty-seven years, a Noble for twenty-five years, a Representative for over eight years and attending my seventeenth Imperial Council Session should qualify me to stand up just for a moment to make an observation in support of this resolution. I am fully cognizant of the importance of time and so you can be comfortable in knowing that I am going to be the last speaker although there are many outstanding speakers who have volunteered to speak in support of this resolution.

However, permit me to summarize by saying that, as a Noble and sitting in the auditorium through seventeen Imperial Council Sessions, I have opened the buttons of my shirt with pride on more than one occasion listening to dynamic reports of the work we have accomplished. For example, as recently as yesterday, we as Masons and Shriners gave to the crippled children over \$2 million.

We have been taught in relation to all of our promotional material that a man is never so tall as when he stoops to help a crippled child.

In the last fifty-seven years of operating our Hospitals, we have built for ourselves a pinnacle of perfection and envy around the world that is going to be the salvation of free men and Masonry and, as such, the ball is in our court today to maintain the future of Freemasonry for the free men in the world.

By God, it is a good man that makes a mistake and a better man that can rectify it. We have heard that there are problems but a divided house never settles any problem. However, a united house is like a family, one that prays together stays together.

I want to go back to my Grand Lodge next week and say to my Grand Master, especially as a Shriner walking ten feet tall. "The ball is in your court now."

I come here as a free man, not under any pressure. I want to show the free world and all the Masons of North America that there are no finer men than the Nobles of the Mystic Shrine, men who recognize a mistake and can correct it.

Therefore, I would plead with you and ask you today to prove to the world conclusively that the Temple of Shrinedom which, in all of its efforts, practices the Masonic Principles of faith, hope and charity, brotherly love relief and truth, that you will repeal this legislation and, in turn, all of us will be men walking ten feet tall so that every Grand Master, whether he likes it or not, is going to have to say "That is a body full of principle, full of men of dignity and reputation, men who know right from wrong."

Therefore, Imperial Sir, I move that the Committee rise and report the recommendation and adoption of Item 7 in the Call. (Applause)

...The motion was duly seconded...

CHAIRMAN OLFENE: Gentlemen, just to be absolutely fair with everyone, is there anyone on the floor who wishes to speak on this issue?

If not, the motion just made is in order.

I see a man coming down the aisle and perhaps in the essence of time, he might like to speak on Microphone 1.

NOBLE WARREN T. RICKARD [Hadi Temple]: My name is Warren Rickard and I am the Potentate of Hadi Temple at Evansville, Indiana.

I also think that it would be a sad day when a man can join the Shrine and not be a Master Mason, even a Scottish or York Rite Mason but, gentlemen, I do not believe that Masonry is on trial here today because in no way would I give up my Blue Lodge membership. I think that much of it.

However, I think what is on trial here today is Shrinedom, our great philanthropy that has been so successful over the years in the amount of children we have helped to make whole again.

Now, although I am not well versed in this, I believe the problems in California revolve around the various bars. Well, on the other hand, I don't know of any hotel or bar that forces us to take a drink or the gamblers in Las Vegas to come out and point a gun at our heads and say "You have to put money on the tables."

However, suppose one of these Grand Masters was to come along, down in Tennessee, for instance, which presented us with over \$400,000 yesterday in connection with a paper sale—suppose the Grand Master in Tennessee decided that if you have a paper sale in Tennessee, he will suspend you from your Blue Lodge. Also, suppose another Grand Master were to come along and be against our circuses. God forbid, of course, and I hope it never comes to pass but suppose one does come along and says to you "If you have a circus in my state, I will suspend you from your Blue Lodge." This would be a sad day for Masons, the Scottish Rite and the York Rite and the Shrine.

Gentlemen, these are the efforts we use to raise our funds and, further, there is nothing that upsets me any more than a man who has absolute control over my membership in the Shrine and I have no recourse as to what to do. Of course, I do not want to give up my Blue Lodge, my Scottish Rite. I am proud to be a member.

Also, there is nothing in here, in this resolution we passed in Detroit last year, that says you can become a Shriner without becoming a member of the prerequisite bodies. You still have to belong to the Blue Lodge, the Scottish Rite and York Rite. We have not taken this provision out of our By-Laws and I hope we never do because it would be a sad day for all of us if just anyone could join the Shrine.

I have been proud of my membership in the Blue Lodge, the York Rite and the

Shrine for many years and I hope that the day they lay me in my coffin that I will still be able to wear the white lambskin apron.

However, gentlemen, I think what is on trial here today is our great philanthropy. Gentlemen, I think we need to leave that door ajar. Also, in connection with this problem involving California jurisdictional lines, they sat down as men and gentlemen and discussed this and they came back this year with a resolution. I think in less than five minutes it was passed.

Now, I think this is what we have to do in relation to our Grand Masters across the country. I do think that our Imperial Sir made the effort in California but you heard him say that the Grand Master did not think it was important enough.

Gentlemen, if our Shrine is not important, then what is. I firmly urge you to keep the door ajar so that the Shrine can still have control and the Imperial Officers of our Shrine and not someone perhaps that may not even be a member of our great organization tell us what we can do.

Thank you very much. (Applause)

CHAIRMAN OLFENE: I will next recognize Noble Ed Maag.

NOBLE ED MAAG [Ainad Temple]: Imperial Sir, Imperial Sirs and Representatives: I am a Mason. I was a Mason before I was a Shriner. Every man in this room who wears a red Fez who became a Shriner before he became a Mason, please stand up. We have two men up here who became Shriners before they came Masons. (Laughter) Well, there are not any of us, as you know, in that category.

The first step we ever took in relation to our Fraternal trail was as a Master Mason and, you know something about being a Master Mason? Well, somebody said it here the other day—it is the sublime degree.

Now, why did I become a Shriner? How do you get there?

Well, first I have to figure out where this Fez came from. George Levy, for example, is sitting right down in the front here. He is from Mecca Temple. Now, if anybody in this room ever read the book "Parade to Glory" or the History of the Shrine, you will know we became a Fraternity in the first place more than one hundred years ago and, really, not for fun, not for tours and cruises, not for cocktail parties, but the sole goal and intention of the founders of this organization was to support and enhance, by public means, the Masonic Fraternity. That is why the Shrine was formed—to help the Symbolic Lodge and to help the Scottish Rite in the State of New York.

If you do not believe me, ask George Levy—ask any member of Mecca Temple. They know the history. They were there first and any step we take to breach that bond that we have with Masonry is a bad step—it is a step backward.

For more than one hundred years we have prospered in amity with the Grand Lodges of our several jurisdictions.

Now, last year we adopted a piece of legislation here. Now, there are some lawyers here, I counted them, I think there are about twenty-five to thirty lawyers at this Session and if you have a lawyer in your Temple and if he is sitting next to you, ask him what the words "full faith and credit" mean. I have reference to the "full faith and credit" laws.

It merely means that one state must give full faith and credit to the judgments of the court of another state and that is a part of the Constitution of these United States.

Now, all that our Shrine laws said, before Detroit last year, was this—that we as Shriners would give full faith and credit to the judgments of the leaders of our prerequisite bodies in matters within their jurisdiction. This is not one bit different than the full faith and credit clause of our Constitution.

Now, nobody has tried, insofar as I know, to control the Shrine. My Grand Master does not try to control the Shrine in Illinois. I have no quarrel with him, he has no quarrel with me and we live in peace and harmony in Illinois, or did so until most recently post-Detroit.

We have no problems such as they do in California and I say that if the seven

Temples in California have a problem there, that is where it should be solved, rather than in Maine. (Applause)

Further, I do not wish to solve this problem in Illinois, Maine or Vermont.

Now, let me say that our Imperial Potentate, Warren Weck, has been a friend of mine for many, many years. I like this man and respect him but I think he is asking too much and I think his emotions have overcome his better judgment in this regard. Now, it is a strange thing to say but I have known him as a calm, deliberate and cool lawyer but do you know that Warren, for example, stood before you today and he said to you—"I have been offended because I thought the Grand Lodges in the fifty-some jurisdictions are trying to tell the Shrine how we ought to govern our affairs and what our laws ought to be". Then, two paragraphs later, in his speech, he then said, "I went to California and sat with the Grand Master of California and told him he ought to change the Grand Lodge laws in California at the next Session and he would not do it."

Now, Warren, I respectfully submit that is just a bit inconsistent and I say so respectfully, sir.

I do not believe that the leaders of Masonry are out to cram anything down anybody's throat. I think we ought to sit in the spirit of harmony, good Masonic relations and discuss things as gentlemen and solve the problems of California later. (Applause)

Now, if there is a Scottish Rite Mason from the Northern Masonic Jurisdiction on this floor, I want him to remember the oath and Obligation he took. Now, there is one paragraph in the Obligation of every Scottish Rite Mason in the Northern Jurisdiction that is pertinent to this and if you fellows from the Northern Jurisdiction remember your oath and if you are true to it, you are going to vote in favor of Item 7 and you are going to repeal what we did at Detroit, and if you do not do it, you are not true to your oath.

That part of your obligation says this, and I will close with it—"I furthermore promise and vow that I will cordially and sincerely join with sublime Princes of the Royal Secret in their noble and glorious project of uniting all Freemasons over all rights and degrees, all over the earth, for the purpose of promoting peace, harmony, and concert of action within the Order."

That is the oath I took and that is why I am going to vote in favor of Item 7 and I am going to vote to repeal what we did last year.

Thank you. (Applause)

CHAIRMAN OLFENE: The Chair recognizes the Imperial Potentate.

IMPERIAL POTENTATE WECK: Imperial Sir, Imperial Sirs and Fellow Representatives: I wish to correct one mistake made by Representative Maag.

I took with me two other individuals so that they would be witnesses as to the conversation that took place with the Grand Lodge Officers of California. It is not that I do not trust them but the fact is I wanted somebody else to know what was said there.

We did not tell them to repeal it—we went to them with an olive branch in hand to ask them if they would help us to reach some type of accommodation, one of which means could have been by putting legislation before the Grand Lodge to repeal their oppressive laws.

We even asked them, and Bob Turley was there and asked them if it was possible that they would not consider the Shrine as a part of the California Masonic group. This would have alleviated our problem but they would not.

IMPERIAL SIR WALKER: California once again is being spotlighted as the prime example for this argument and I resent that California is being presented as the prime target.

We are presenting legislation in the California Grand Lodge and that is where the law can be changed and it will be changed if we work at it and put our money where our mouth is. However, the men who spoke last year have not made any effort to present any legislation in San Francisco to change our laws. I have been trying and I will continue to try to present legislation in California and it can be

passed and with the support of the major Masonic leaders that I informed you about, who have communicated with me for the last forty-eight hours, we are going to the Grand Lodge Officers of California and ask them to please give us their support in our legislation that we will be interested in because if we do get their support, it is tantamount to passing it. I hope to report back to you next year or the following year that we have been successful. (Applause)

CHAIRMAN OLFENE: I will next recognize George Powell.

NOBLE GEORGE POWELL [Crescent Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: A little less than twenty-four hours ago you instilled in me a responsibility—a responsibility to serve and to do what we all believe is best for all of us.

As I have traveled through our great countries, I was asked many questions and these were no doubt put forth as a means of testing me. I answered them all truthfully and to the best of my ability because there is no substitute for the truth.

One of the questions asked of me was as to how I felt about Item 4. Well, without going into great detail, I told them then, and I tell you now, that I voted against it and there were many reasons why I voted against it but basically I know one thing—there may be problems, including those we have with our own children, our own brothers and sisters. Sometimes we always do not agree with our mother and father but they are yet our mother and father. We have always tried to work it out.

I have never known of any instance in any companies where they have not had problems and no doubt, when I get back home on Monday, there will be some problems facing me. However, we have always solved them—we have always resolved them and we have always moved forward.

I know that there are very, very few companies or corporations in this country of ours and Canada that are over a hundred years old and when you go back home, if you would just get in touch with the Chamber of Commerce or the State Commerce Departments and ask them to give you a list of all the corporations that have been formed in your states and then see how many are left that are still a hundred years old, it may surprise you.

Well, as I say, the Shrine is over a hundred years old and through the years we have managed to solve our problems.

Now, also, I do not know what the Imperial Potentate has in mind for George Powell. I have no idea as to what any of the Imperial Officers have in mind for George Powell but if you will vote “yes” to repeal this, I want to offer my services to the Imperial Potentate, to the Imperial Divan and to work during the remainder of my term and, I hope, for many years to come, to try and help resolve this problem.

I will dedicate myself—I will work in connection with whatever problems befall us.

If you will vote “yes”, and if the Imperial Officers will give me an opportunity to try to do my part, it would be my pleasure to report back to you at our Annual Sessions the progress I am making, whatever it may be. Please vote “yes”. Thank you. (Applause)

CHAIRMAN OLFENE: I will recognize Microphone 3.

NOBLE L. H. WILSON [Amara Temple]: This great body saw fit to grant dispensation to our Temple in 1974. In 1975, they granted our permanent charter. We have known and grown to love each and every member of the Imperial Divan and the Past Imperial Officers and have likewise grown to respect the opinions of everyone in this body.

We won the membership trophy for three years in a row in the Southeastern. We did that by hard work and by studying what all of the other successful Temples in Shrinedom did.

Further, each Temple is independent and runs in a different way but we found that every Temple that is healthy, alive and well and growing has two distinct characteristics that are common among them.

First of all, they have a strong crippled children's program and, secondly, they have a strong Masonic relation program. Other than that, we do not find any

common denominators but those two are the common denominators that we often see.

I know that we are all anxious to vote on the issue.

Further, I think that one thing that came up very clearly from our Imperial Potentate's remarks was that last year we at Detroit put a loaded gun in the hands of the Imperial Potentate and we all know what good faith and bargaining means. When we put a loaded gun into the hands of the Imperial Potentate, he is not free to have good faith bargaining with the Grand Masters and the Grand Lodges with whom he deals.

Let us put this back the way it was for some one hundred-off years. Let us allow the Imperial Potentate, when he goes out to meet with the Grand Masters, to meet with them in good faith and under circumstances where they can get into a good, meaningful discussion in relation to our problems.

Thank you very much. (Applause)

CHAIRMAN OLFENE: Are there any others who wish to speak while we are assembled in a Committee of the Whole?

If not, and I see nobody at the microphone let me ask you if you are satisfied that we have been fair with all of you?

IMPERIAL SIR TURLEY: Imperial Sir, I would just like to say one thing in response to what was said in relation to the California visit.

I went to California with the Imperial Potentate. He in no sense, in no way approached the Grand Master or other Grand Officers of the Grand Lodge of California as if he had a loaded gun in his hand. His attitude toward them was wholly conciliatory and I think that the inference left by the statement made by the last speaker is unfair to him, to the Imperial Potentate.

I have not taken a position on this legislation. I have simply said to you that this inference was unfair. (Applause)

CHAIRMAN OLFENE: Well, all right, does anybody else desire to make any comments?

If not, there is a motion and a second on the floor that the Committee of the Whole rise to report.

Now, when you vote upon this motion, it only requires a majority vote. You are not voting upon acceptance or rejection of the Item—you are only voting to go out of the Committee of the Whole and then the Committee, in turn, reports. You go back into regular session and then, after that is done, we will have to take the legal and proper procedures for voting on the issue.

IMPERIAL SIR KISSELBURGH: Mr. Chairman, am I not correct in that the motion provided that the Committee rise with recommendation and was seconded?

CHAIRMAN OLFENE: That is correct.

IMPERIAL SIR KISSELBURGH: However, you did not say "with recommendation".

CHAIRMAN OLFENE: I am sorry—rises with recommendation. The motion is that the Committee, with its recommendation, will be recommending to support so-called Item 7 as indicated in the Call.

Now, I am going to call for the question for the Committee to rise.

All in favor will say aye; those opposed. The ayes have it. I declare that the ayes have it and the Committee has arisen to make its report, Imperial Sir, and I will turn it back to you.

I have been asked to continue. All right, gentlemen, we will vote by written ballot.

...At this point, a division of the House was called for...

CHAIRMAN OLFENE: Let me say that I will rule the call for a division out of order.

Now, gentlemen, Item 7 in your Call, starting on page 13 and continuing on to page 14 is the Item that you will now be voting upon—to either accept or reject that Item. In order for the Item to be accepted, it will require a two-thirds vote for this is a change in the Imperial Iowa Corporation By-Laws.

Now, we are going to select a ballot and we will select the brown ballot, number 8.

Now, by way of further explanation, let me say that if you are in favor of Item 7, you will mark your ballot with a "yes"; if you are opposed to Item 7, you mark your ballot with a "no". Also, please tear off the little stub that is on the corner because we do not need that.

I will now ask you to vote and the Tellers to collect the ballots.

...Whereupon, voting and collection of ballots ensued...

CHAIRMAN OLFENE: Have you all voted? Hearing nothing to the contrary, I will at this point declare the ballot closed. (gavel)

...The gavel was returned to Imperial Potentate Weck at this point...

IMPERIAL POTENTATE WECK: Will everybody please be settled so that we can proceed with our business. We still have a lot of business to attend to. I know that a lot of you will be anxious to leave early this afternoon so that we can get our Potentates in order to head up the parade.

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE WECK: I believe we now have a report from the Tellers Committee.

NOBLE J. C. HOWELL: It is with pleasure that I give you the results of ballot 8 on Item 7 in the Call.

There were a possible 795 votes, with 779 actually voting. There were no spoiled ballots. Necessary for choice was 520.

The votes were distributed as follows: "Yes", 566; "No", 213.

IMPERIAL POTENTATE WECK: I declare the amendment has passed by the necessary Constitutional majority.

I will recognize the Representative at Microphone 2.

NOBLE R. O. ROBISON [Suez Temple]: In behalf of all of the Master Masons of the North American Continent, I thank you for your support. (Applause)

IMPERIAL SIR KISSELBURGH: When we witnessed the Pageant of the newly elected Imperial Potentate yesterday, we were all thrilled to hear a most beautiful tape recording which said "God Bless the Shrine". At this time I would also like to say "God Bless the Shrine". (Applause)

NOBLE W. C. VAUGHAN [Kazim Temple]: Thanks to all of you, we have just voted ourselves a great challenge and a great responsibility. That challenge and responsibility is to go home and be better Masons and better Shriners and become involved in our Blue Lodges.

You know, in connection with our Blue Lodges, there is really nothing wrong with Masonry that just the men sitting here going home and becoming involved in their Blue Lodges cannot help. We need to get off our bottoms as good Shriners and also be good Masons and take parts in the activities of our various Blue Lodges and change our present trend.

Thank you all for your vote. Please go home and go to work. (Applause)

IMPERIAL POTENTATE WECK: I will now recognize Tom Melham for his report on Transactions of Imperial Officers.

PAST IMPERIAL POTENTATE MELHAM: Imperial Sir, Imperial Sirs and Representatives: This is a report that was called for on the first day of our business session but I could not present it because it was not signed by the necessary members, by all the members of the Committee. This is the report of transactions of the Imperial Officers and it is as follows:

REPORT ON TRANSACTIONS OF IMPERIAL OFFICERS

Imperial Potentate and Nobles, your Committee on Transactions of Imperial Officers, to whom the more detailed report of the Imperial Potentate, Warren F. Weck, Jr., was referred, submits the following recommendations.

1. That all matters relating to finance, revenue, budgets, expenditures and bonds be referred to the Committee on Finance and Accounts.

2. That all matters relative to edicts, orders, decisions and recommendations as to statutes and laws be referred to the Committee on Jurisprudence and Laws.

3. That all matters pertaining to grievances and appeals be referred to the Committee on Grievances and Appeals.

4. That all matters pertaining to dispensations and charters be referred to the Committee on Dispensations and Charters.

5. That all matters pertaining to jurisdictional lines be referred to the Committee on Jurisdictional Lines.

It is a pleasure for this Committee to express gratitude and appreciation to our Imperial Potentate, Warren F. Weck, Jr., for his dedicated efforts expended throughout the year past in the work of our great Fraternity and the world's greatest philanthropy, Shriners Hospitals for Crippled Children.

He and his lovely wife, Gen., have never hesitated a moment in giving of their utmost in their visitations to our Shrine Temples, Hospitals and other Masonic organizations. They each deserve the sincere thanks and appreciation of all Nobles for their dedication to Shrine work and ideals. They have endeared themselves to the hearts of all with whom they have come in contact.

Their year of service will long be remembered as one in which the image of our Order grew in not only the minds of all of our Nobles, but also the public as well.

We, the members of your Committee, are pleased to have had the opportunity to serve under such a fine Imperial Potentate and are delighted to make this report to the Representatives of this, the One Hundred Fifth Session of the Imperial Council and move for its adoption.

Respectfully submitted,

... The motion to adopt the report was severally seconded at this point. . .

IMPERIAL POTENTATE WECK: We have the motion and the second that the report be adopted. All in favor will say aye; opposed. The motion is carried and the report is declared to be adopted.

I will now recognize George Saunders for his report.

IMPERIAL SIR SAUNDERS: Imperial Sir, Imperial Sirs and Representatives: This report is the report of both the Fraternal Corporation and the several charitable corporations. You are meeting jointly in all corporations.

It is in the book of reports. It has been printed and mailed to each of the Representatives and the books are separate, one for the Iowa Corporation and one for the charitable corporations, Shriners Hospitals.

The report of the Recorder for 1978 and report for the Secretary of the Colorado Corporation and other corporations for 1978 is printed in these two books.

I move that they be received and that they be printed in the book of Proceedings of this Session for the actions of the fiscal year 1978.

...The motion was severally seconded...

IMPERIAL POTENTATE WECK: You have the motion and the second before you. Is there discussion? If not, all in favor indicate by saying aye; opposed. It is unanimously carried.

...Business was transacted in the Colorado Corporation at this time...

...The gavel was handed to Imperial Sir Bowers at this time...

IMPERIAL SIR BOWERS: I would now like to call on Bob Turley for the presentation of the next item.

IMPERIAL SIR TURLEY: A copy of this proposal was in the envelope given to the Representatives at the time of your registration. It is a proposal by the Imperial Potentate pursuant to Section 101.5(a) of the Imperial By-Laws.

I shall present to you the report of the Jurisprudence and Laws Committee concerning this matter.

IMPERIAL SIR TURLEY [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by the Imperial Potentate, Warren F. Weck, a proposal to amend Section 209.3 of the By-Laws of the Iowa Corporation, so that said section will read as follows:

"Section 209.3 Association of Units.

(g) No Association of Units shall endorse, by resolution or otherwise, any candidate for elective office in any Temple or the Imperial Council, or adopt any resolution or take any actions, suggesting, advocating, proposing, endorsing, or opposing any legislation or action by the Imperial Council."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

R. J. Turley, Chairman
Edward G. Maag
Robert E. Cooper
Mahlon W. Hessey
Theodore Corsones
Walter S. Jeffries
Robert W. Morrison

IMPERIAL SIR TURLEY: I would move for the acceptance of this report.

...The motion was duly seconded...

IMPERIAL SIR BOWERS: You have heard the motion and the second, which is to accept the report. All in favor will indicate by saying aye; contrary. The motion is carried and it is accepted.

I will now recognize the Imperial Potentate.

IMPERIAL POTENTATE WECK: You have heard the reading of this proposed amendment and I would move for its adoption.

...The motion was duly seconded...

IMPERIAL SIR BOWERS: It has been moved and seconded that this proposed amendment be adopted. I will again recognize the Imperial Potentate.

IMPERIAL POTENTATE WECK: Let me say, Representatives, that the reason I have proposed this is that in the last month or so I have received correspondence from various Associations of Units endorsing and proposing the legislation and I felt that we were getting into a real problem situation.

If you will refer to Article 9 of the By-laws regarding Associations of Temples, it involves practically the same language.

Now, it seems only fitting if we do not permit Associations of Temples, which

are your Officers, really, to propose and oppose legislation and endorse candidates, we should not have it for our Units either, the Motorcycle Corps or whatever they might be—having them take part in this. Therefore, I think we ought to pass this.

I don't know that it is in all of the By-Laws of the Associations of Units but it is in a number of them. However, I thought we ought to reinforce this with legislation. We just do not want a lot of people going around and campaigning in relation to these things.

IMPERIAL SIR BOWERS: Is there further discussion on the adoption of this amendment?

NOBLE DAVID BRADY [Amara Temple]: I was wondering if the Temple was left out of the latter part of this proposal by design or otherwise. It is in the first part but is not spoken of in the last part.

IMPERIAL SIR BOWERS: I will refer that question to Mr. Turley for reply.

IMPERIAL SIR TURLEY: Imperial Sir, the answer to the question is that the text of this proposal is the same as the text relating to Association of Temples. It does not deal with the Temples, Temple Units as such—it deals with Associations of Temple Units. For example, the National Association of Shrine Motor Corps or the Southeastern Association of Oriental Bands, and organizations of that type and so it was felt not to be needed in either place.

NOBLE BRADY [Amara Temple]: It states in the first part they cannot endorse any candidate to elective office in a Temple but it does not say that they cannot endorse or suggest, advocate or propose anybody else involved in the Temple. Therefore, I wonder if maybe the word "Temple" should not also be added, together with the Imperial Council in the latter part of it?

IMPERIAL POTENTATE WECK: I really do not think that would be necessary because I cannot imagine, for example, the National Association of Oriental Bands being interested in your Temple, as an example. In any event, they cannot endorse a candidate for office in the Temple. That is prohibited by other By-Laws and so I don't think that is a problem. They are not involved in Temple affairs. It is the national affairs.

NOBLE BRADY [Amara Temple]: However, it would also involve a state Association, would it not?

IMPERIAL POTENTATE WECK: Well, a state Association is not likely to endorse something that involves an individual Temple.

IMPERIAL SIR BOWERS: Is there further discussion?

... The question was called for. . .

IMPERIAL SIR BOWERS: The question has been called for. All in favor of the adoption of this amendment will say aye; oppose. I declare it passed by the necessary two-thirds Constitutional majority.

... The gavel was returned to Imperial Potentate Weck. . .

IMPERIAL POTENTATE WECK: The hour is getting late and I think we have accomplished a great deal this morning. I appreciate your diligence. Therefore, why don't we recess at this time and let us be back here again at one-fifteen p.m.

... The One Hundred Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at twelve o'clock noon to reconvene at one-fifteen o'clock p.m. . . .

AFTERNOON SESSION THURSDAY, JULY 12, 1979 ONE-FIFTEEN O'CLOCK P.M.

The One Hundred Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened at the Minneapolis Convention Center, Minneapolis, Minnesota, at one-fifteen o'clock p.m., Imperial Potentate Warren F. Weck, Jr., presiding.

IMPERIAL POTENTATE WECK: Gentlemen, it is one-fifteen. Will the Representatives please take their seats.

At this time I would like to call on Past Imperial Potentate O. Carlyle Brock for the Necrology Report.

IN MEMORIAM

GEORGE A. MATTISON, JR.
Past Imperial Potentate
1960-1961

November 5, 1898

February 22, 1979

Office of the Imperial Potentate
Chicago, Illinois

*To the Representatives of the Imperial Council, Potentates of Subordinate Temples,
and the Nobility of the Order:*

*"Now the laborer's task is o'er;
Now the battle day is past;
Now upon the farther shore
Lands the voyager at last.
Father, in Thy gracious keeping,
Leave we now Thy servant sleeping."*

Past Imperial Potentate George A. Mattison, Jr. of Zamora Temple passed away Thursday morning, February 22, 1979. He was a prominent Birmingham businessman and had received distinction as an outstanding industrialist and philanthropist.

A native of the deep South, Imperial Sir Mattison was born November 5, 1898 in Talladega, Alabama. He was a graduate of the Class of 1919 of Auburn University. After graduating from college, he organized the Woodstock Slag Corporation with his father, and progressed within the company to the office of President and Chairman of the Board in 1937. He recently held the position of President of Mathoff, Inc., Birmingham; Hurock, Inc., Houston, Texas and was a partner in Houston Slag Materials Company, Houston, Texas.

Imperial Sir Mattison was an active Mason for more than 50 years and dedicated his life to helping crippled children. A Shriner since 1921, he served as chairman of the Shrine-sponsored Thanksgiving Day football game for over 20 years. His dedication to this event spurred his interest and involvement in the Birmingham Crippled Children's Hospital and Clinic and his subsequent appointment to the hospital's board of directors in 1943 and board presidency in 1952.

He continued his devotion to aiding crippled children in 1960-61 when, as Imperial Potentate for the Mystic Shrine of North America, he oversaw the operations of the then 19 Shriners Hospitals for Crippled Children. Until his recent death, he pursued his contribution-to-mankind as a Trustee Emeritus of the Board of Trustees, Shriners Hospitals for Crippled Children.

Imperial Sir Mattison was a member of Anniston Fraternal Lodge No. 700, A.F.&A.M. since 1922; a member of the Scottish Rite, Birmingham, and was a K.C.C.H. He was also a member of Anniston Chapter No. 105 and Anniston Commandery No. 23, Knights Templar; a member of Zamora Temple, A.A.O.N.M.S., Potentate in 1947; a member and Past Sovereign St. Dunstan Conclave, Red Cross of Constantine; and a member and Past Director of Court No. 127, Royal Order of Jesters, member of Cabiri.

In 1976 he was installed in the prestigious Alabama Academy of Honor and held such civic position as Past President of the Birmingham Kiwanis Club; Director of the Birmingham Chamber of Commerce for three years; Past Chairman of Birmingham's Committee of 100; directed the Community Chest Appeal in Birmingham over the state of Alabama and the March of Dimes organization for several years, and was chairman of the original USO Appeal in Birmingham. He also held mem-

berships in the Birmingham Traffic & Transportation Club; the Auburn Educational Foundation; Auburn Research Foundation; the "A" Club at Auburn; the Auburn Alumni Association; the National Slag Association; the Southern Advisory Board of American Mutual Liability Insurance Company; the Board of Directors of NO & NE Railroad Company; the O.D.K. Honorary Fraternity; and was a member of the Newcomen Society and was presented the Algernon Sydney Sullivan Medallion Award for humanitarian traits.

Imperial Sir Mattison married Ernestine C. Carriger, of Decatur, Alabama in 1923, who preceded him in death. He is survived by two children; Mary Mattison of Birmingham, Alabama and William E. Mattison of Houston, Texas. William E. Mattison is Past Potentate of Arabia Temple and currently serves as a member of the Board of Trustees, Shriners Hospitals for Crippled Children.

He was an Episcopalian, Past Senior Warden and a vestryman at the Church of the Advent, Birmingham. Funeral Services were held at the Church of the Advent, 11:00 a.m., Tuesday, February 27, 1979.

His many friends in the Imperial Council and in all Shrinedom join with the Imperial Potentate in expressing sincere condolences to his loved ones at his parting.

"Last Night I had a Dream,
About a world that cared,
Where each and every scene,
Concerned a life we shared.
Their little limbs did heal,
You made them walk again,
They run, and play, and feel,
Anew, their life begin.
So, for each life you touch
A crown of glory wear,
For you deserve so much,
For this, the life you share."
ES SELAMU ALEIKUM

Let this memorial be read at the next Session of your Temple following its receipt and let the same be made a matter of record in your Temple's minutes.

Given under our hands and seal of the Imperial Council, this 20th day of March, 1979, A.D., and of the Order A.H. 1399.

Warren F. Weck, Jr.
Imperial Potentate

Robert J. Turley
Imperial Recorder

PAST IMPERIAL POTENTATE BROCK: Imperial Sir, Imperial Sirs, Illustrious Sirs and my Fellow Representatives: We pause in our Convention schedule to follow in the footsteps of our deceased Illustrious predecessors who will not pass this way again—those who have fabricated this great Fraternity and the world's most noble charity.

REVEREND VOGT: Let us pray.

Oh God, in whose loving hand is all life, we remember before you this day our departed friends, Nobles of the Mystic Shrine and we pray you that having opened to them the gates of a larger life, you will receive them more and more into your faithful service.

Keep us now here in this place, O Lord God, and keep them also in your loving hands. Amen.

PAST IMPERIAL POTENTATE BROCK: Carl Shures has said—"Ideals are like the stars. You cannot reach out and touch them with your hands but, like the seafaring man on a desert of waters, having accepted them as their guide and following their ideals lofty ever inspiring, they will lead us to our destiny. Truly the dedication

of our Brethren are the dedications which are ours. We face now a more glorious tomorrow built upon the foundations which they themselves have created.

It is a glorious history and we go back to the thirteen men, faithful and true in the beginning, and to marvel at the growth and the accomplishments through the God-inspired and God-ordained.

So it is with our departed Brethren as we pause today to remember the proud history of this great Fraternity and the meaning it has upon civilization in general and to say in our hearts—"Well done, well done good and faithful servants."

... At this time, a vocal selection was rendered by the Zuhrah Temple Choir...

PAST IMPERIAL POTENTATE BROCK: "I am the resurrection and the life" saith the Lord, "He that believeth in me, though he were dead, yet shall he live and he who liveth and believeth in me shall never die."

"The Lord is my shepherd, I shall not want. He maketh me to lie down in green pastures; he leadeth me beside the still waters. He restoreth my soul. He leadeth me in the paths of righteousness for His name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil for Thou art with me. Thy rod and Thy staff, they comfort me. Thou preparest the table before me in the presence of mine enemies. Thou annointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life and I will dwell in the house of the Lord forever."

As we pause this day to think and remember, to reflect, if you will, upon these fine Nobles who have no longer come to our convention cities, we will miss their cheery greetings, their hearty handshakes and their bursts of laughter. We remember them upon the floor of this Convention in heated debate and rejoicing for victory and sometimes experiencing the agony of defeat.

But they, like the ships on the Pacific, have not gone. Their ideals still remain and, like the ship as it moves across the ocean, they are headed for other lands and other shores.

There are those who sometimes question religion and its principles. We have a world divided into the Free World, founded upon the principles of freedom and the belief in Almighty God and the world of tyranny and darkness with no hope.

We say, God lives—he lives, he sleeps, he moves in the rocks of the earth, in the earth beneath your feet, in the streams as they come from the hillsides and the rain as it falls from the heavens.

He sleeps in the mighty oceans, in the grasses that carpet the earth, in the flowers that adorn the countryside, the trees as they raise their branches to the noonday sun and in which the birds come to build their nests and rear their young.

He moves in the beasts of the field, the fowl of the earth, the insects of the air and all living things.

He walks in man—man created in his image and likeness; man endowed with a heritage of freedom; man endowed with thinking and immortality which sets us apart. In every living human being, be he humble or exalted, we find the sole spark of the Creator in which we recognize him.

"I will lift mine eyes to the hills from whence cometh my strength. My help cometh from Thee, O Lord, who has made heaven and earth."

"He will not suffer Thy foot to be moved. He that keepeth Thee will not slumber."

"Behold, he that keepeth Israel shall neither slumber nor sleep."

"The Lord is thy keeper. The Lord is thy share upon thy right hand."

"The sun shall not smite thee by day nor the moon by night."

"The Lord shall preserve thee from all evil. He shall preserve thy going out and thy coming in from this time forth and even forever more."

... A further musical selection by the Zuhrah Temple Choir then ensued...

PAST IMPERIAL POTENTATE BROCK: I regret that time does not permit us to list all of these individuals in a proper manner but in passing I should like to add, let us not forget, Nobles, Karl Wallenda, who entertained so many people on the high wires and was so proud of his membership in the Shrine.

Also, let us not forget that inimitable actor, the Duke, John Wayne, proud of his Masonic record and Shrine membership. He entertained so many, many people and was an institution unto himself—"saddle up, ride 'em out, carry on, shoot them up."

And last but not least, Imperial Sir George A. Mattison, Jr., a truly great Imperial Potentate, who saw the fruition of his hopes and dreams and ambitions in being able to serve on your Board of Trustees for so many years and, in addition thereto, having been Chairman of the Building and Equipment Committee. A true builder, he saw the dreams become fabrications and become realities before his eyes.

The finest compliment I can pay to any man is to say that he is a builder, but all Masons are builders—builders in the hearts of men, builders of the broad highways, the mythical highways across the chasms with great bridges that span them into a greater and finer tomorrow.

George Mattison served well and I am sure there is a place for him for, after all, there are 200 million universes like our own, each separated by a million light years, each peopled with a hundred million suns and across that divide I am sure there are other challenges to meet him and, as he emerges out of the darkness into power and light, with his hand in the hand of Almighty God, he will move then to a brighter tomorrow.

Such were the men who lie here and such the country which inspired them.

We survivors who pray to be spared their bitter hour, but must disdain to meet our foes with a spirit less triumphant, let us draw strength not merely from twofold arguments—how fair and noble a thing it is to show courage in battle—but from the busy spectacle of our great country's life as we have before us day by day, falling in love with her and remembering that all this greatness she owes to men who knew their duty and had the courage to do it; many who, in the hour of conflict, had the fear of dishonor ever present to them; men who freely gave their lives to her as the fairest offering they could make.

They gave their bodies to the Commonwealth but received, each one, man by man, for his memory, praise that will live on the lips, that will blossom in the deeds of their countrymen from sea to sea.

For the whole earth is the sepulchre of heroes. Monuments may rise and tablets be set up to them in their own lands, but on far-off shores there is an abiding memorial that no pen or chisel can trace. It is graven not on stone or brass but in the living hearts of humanity.

Take these men for your example. Like them, remember that happiness can be only for the free; that freedom is the sure possession of those alone who have the courage to defend it.

Like the fallen heroes of who the philosophers spoke, we, too, one by one, live and fall with the philosophy and embracing the right, worth, dignity and infinite value of the individual, his birthright of freedom and his heritage of eternity.

...A musical selection was again rendered by the Zuhrah Temple Choir at this point...

PAST IMPERIAL POTENTATE BROCK: As we see the miracle of life before us, in life itself and all the surroundings about us, our faith should be adequate without the voice from the burning bush which was not consumed. We hear Almighty God, I am sure, speaking in the wind and the waves, in the roar of thunder and the flash of lightning as it blazes across the dark sky; in the tides and the seasons as they come and then, in endless profusion year after year we know that we are the children of that God, we know that we are destined for eternity.

The Shrine itself is God-willed and God-conceived and I am sure that Almighty God decreed that we were to be his instruments in Shriners Hospitals for Crippled Children.

REVEREND VOGT: And now, unto God's greatness, mercy and protection, we commit you this day. May the Lord bless you and keep you; may the Lord make his face to shine upon you; may the Lord lift up the light of his countenance and be always with each of you; and until we meet again, may God hold us always in the palm of his hand. Amen.

...At this point, the Necrology Ceremony was concluded with the sounding of taps...

PAST IMPERIAL POTENTATE BROCK: Imperial Sir, I would move that this report be accepted.

...The motion was seconded, was voted upon and declared to be unanimously carried...

IMPERIAL POTENTATE WECK: I want to thank Carlyle and also the Zuhrah Chanters for participating today. Thank you so much for your help. (Applause)

I will now call upon the Chairman of the Grievances and Appeals Committee, Sewell Lamdin, for their report.

NOBLE SEWELL LAMDIN [Reading]: To the Representatives of the Imperial Council:

There was submitted to your Committee on Grievances and Appeals an Appeal filed on behalf of Noble Walter H. Vartan, Past Potentate, Medinah Temple, charging that the actions of the Potentate of Medinah Temple, Noble Larry W. Stranquist, in the handling of a resolution sponsored by said, Noble Vartan, to amend the By-Laws of Medinah Temple, were arbitrary and capricious.

Your Committee on Grievances and Appeals reviewed the entire file which was submitted to it as well as the By-Laws of the Imperial Council and of Medinah Temple, and is of the opinion that the actions of the Temple Potentate were not arbitrary or capricious. The Temple By-Laws, Article IX, Section 1, sets forth the manner in which such amendments shall be handled. The Temple Potentate referred the proposed amendment to a special committee appointed by him, due written notice of the proposed amendment was given to the membership of the Temple; and the agenda for the meeting was prepared and published in advance by the Temple Potentate. It is the feeling of your Committee that such action by the Temple Potentate was in substantial compliance with the By-Laws.

Further, your Committee on Grievances and Appeals has no authority to stay any proceedings except those of a disciplinary nature. See Article 8, Section 208.9(f) of the Imperial Council By-Laws; and, 1977 Imperial Council proceedings, pages 97 through 105, Appeal of Raymond E. Geisel, Past Potentate, Medinah Temple.

NOBLE LAMDIN: Imperial Sir, I would move for the adoption of this report.

...The motion was severally seconded...

IMPERIAL POTENTATE WECK: Is there any discussion? If not, all in favor will please say aye; opposed. I declare it to be unanimously adopted.

NOBLE SEWELL LAMDIN [Reading]: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals an Appeal filed by Noble J. Allan Prescott of Jamil Temple from the action of the Imperial Potentate, Warren F. Weck, Jr., in ruling that the assessment which was passed at a meeting of Jamil Temple held on December 6th, 1977, was passed in accordance with Imperial Council Law and is in full force and effect.

Your Committee on Grievances and Appeals reviewed the entire file which was submitted to it as well as the applicable Imperial Council By-Law provisions and is of the opinion that such actions by the Imperial Potentate are in the normal course of his Administrative duties as the Chief Administrative Officer of the Shrine of North America under Article 6, Section 206.5(a)(1); 206.5(a)(13); and, 206.5(a)(14), and should be sustained.

Such decisions shall be submitted at the next session of the Imperial Council for the approval of said Council after reference to and reports by appropriate committees. Your Committee on Grievances and Appeals is of the opinion that any complaints regarding the actions of the Imperial Potentate in the handling of his Administrative duties can be made at that time to the Imperial Council. See 1977 proceedings, pages 97 through 105. Appeal of Noble Raymond E. Giesel, Past Potentate, Medinah Temple.

In view of the above, your Committee on Grievances and Appeals recommends that the Appeal of Noble J. Allen Prescott be dismissed, and that Noble Prescott be instructed to appear before the Imperial Council at its next session to be held in Minneapolis, Minnesota, and make his objections to the Imperial Potentate's ruling before the proper Committee.

Respectfully submitted and signed by all members of the Committee on Grievances and Appeals.

NOBLE SEWELL LAMDIN [Reading]: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals an Appeal from Noble Jerry A. Divisek of Medinah Temple, from the decision of the Temple Trial Committee in finding him Guilty of Conduct Unbecoming a Noble for which he was expelled from membership in Medinah Temple.

Thereafter, the Appellant, Noble Jerry A. Divisek, was informed by the Chairman of the Imperial Council Committee on Grievances and Appeals on the procedure to be followed in order to perfect his Appeal by letter dated October 17, 1978, together with a photocopy of the Imperial Council By-Laws provisions pertaining thereto.

Subsequently, on April 19, 1979, a follow-up letter was addressed to the Appellant, Noble Jerry A. Divisek, advising him that he had not complied with the provisions of the Imperial Council By-Laws necessary to perfect his Appeal.

In view of the fact that the Appellant, Noble Jerry A. Divisek, has not complied with the provisions of the Imperial Council By-Laws regarding his Appeal,

THE IMPERIAL COUNCIL

your Committee on Grievances and Appeals recommends that the Appeal be dismissed.

Respectfully submitted by the Committee on Grievances and Appeals.

IMPERIAL POTENTATE WECK: There is a motion to likewise adopt this report, which has been seconded. Is there any discussion?

There being no discussion, all in favor will indicate by saying aye; opposed. I declare the report to be unanimously adopted.

NOBLE SEWELL LAMDIN [Reading]: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals an Appeal filed by Noble Joe A. Hart, Potentate of El Hasa Temple, from the action of the Imperial Potentate, Warren F. Weck, Jr., in issuing Special Order No. 2, Series 1978-1979, dated February 27, 1979 which Special Order directed the Potentate of El Hasa Temple to immediately cancel a circus which it had scheduled for the City of Prestonsburg, Kentucky, the holding of said circus at that time being deemed by the Imperial Potentate to be detrimental to the best interests of the Order.

The Appeal and all pertinent papers filed in the Appeal were disseminated to all members of your Committee, and after a thorough discussion of the same as well as the applicable Imperial By-Law provisions, your Committee on Grievances and Appeals is of the opinion that the issuance of Special Orders by the Imperial Potentate are in the normal course of his duties as the Chief Administrative Officer of the Shrine of North America under Article 6, Section 206.5(a)(1), and Section 206.5(a)(5), and should be sustained. Such orders expire when their stated purpose is effected and, in any event, at the end of his term of office.

Further, such orders shall be submitted at the next session for the approval of the Imperial Council after reference to and reports by appropriate committees. (See Article 6, Section 206.5(a)(14). The Committee on Grievances and Appeals feels that any complaints about the actions of the Imperial Potentate in his issuance of Special Orders can and should be made at this time to the Imperial Council. (See Imperial Council proceedings, 1977, pages 97 through 105, Appeal of Noble Raymond E. Giesel, Past Potentate, Medinah Temple.)

In view of the above, your Committee on Grievances and Appeals recommends that the Appeal be denied.

Respectfully submitted by the Committee on Grievances and Appeals.

NOBLE SEWELL LAMDIN [Reading]: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals an Appeal filed by Noble Morris E. Rubin of Mahi Temple from the decision of the Mahi Temple Grievance Committee in finding no probable cause existed in the charges filed by Noble Rubin against Noble Louis C. Menefee, Potentate of Mahi Temple.

The matter was submitted to your Committee on the basis of the written evidence provided along with the minutes of the meeting of the Mahi Temple Grievance Committee.

After a thorough discussion and consideration of the material submitted, your Committee on Grievances and Appeals is of the unanimous opinion that the Mahi Temple Grievance Committee did not comply with Section 330.2(a)(2) of Article 30 of the Imperial Council By-Laws.

In view of the above, your Committee on Grievances and Appeals recommends to the Imperial Council that based on the non-compliance with Section 330.2(a)(2) of Article 30 of the Imperial Council By-Laws, the Appeal should be sustained.

Further, it is recommended that the matter be remanded to the Chief Rabban of Mahi Temple with instructions to have the Temple Grievance Committee comply with the aforesaid By-Law provision by conducting a thorough investigation into the complaint, receive oral and written evidence, make a record (electronically or manually) of the same and report fully to the Chief Rabban of Mahi Temple as to their decision.

Respectfully submitted by the Committee on Grievances and Appeals.

There being no discussion, all in favor of the adoption of this report will indicate by saying 'aye; opposed. I declare it to be unanimously adopted.

NOBLE SEWELL LAMDIN [Reading]: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals an Appeal filed by Noble Louis Shapiro, Jr., of El Bekal Temple from the action of the Imperial Potentate, Warren F. Weck, Jr., in ruling that "Section 335.6(a) of the Imperial By-Laws relates to circularization of members of a Temple for business purposes, and it does not forbid the use of Temple mailing lists for promotional purposes by the Scottish Rite."

Your Committee on Grievances and Appeals reviewed the entire file which was submitted to it as well as the applicable Imperial Council By-Law provisions and is of the opinion that such actions by the Imperial Potentate are in the normal

course of his Administrative duties as the Chief Administrative Officer of the Shrine of North America under Article 6, 206.5(a)(1); 206.5(a)(13); and, 206.5(a)(14), and should be sustained.

In view of the above, your Committee on Grievances and Appeals recommends that the Appeal of Noble Louis Shapiro be dismissed and that Noble Shapiro be advised to appear before the Imperial Council at its session to be held in Minneapolis, Minnesota, and make his objections to the Imperial Potentate's ruling before the proper committee.

NOBLE SEWELL LAMDIN [Reading]: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals an Appeal filed by Noble Fred A. Keng of Al Amin Temple from the action of the Temple Grievance Committee in finding no probable cause for believing an offense had been committed by several Nobles of Al Amin Temple as alleged in the original complaint filed by him. Said Appeal was timely filed.

In accordance with the Imperial Council By-Laws your Committee on Grievances and Appeals scheduled a Hearing on the aforesaid Appeal for Sunday, July 8, 1979, at 10:30 a.m., in the Marquette Inn. Due notice of said Hearing was given to all parties concerned.

The Hearing was held as scheduled with the Appellant and Temple present. The Committee received evidence in the form of documents and oral testimony, heard arguments from both parties present and the matter was submitted for determination.

NOBLE SEWELL LAMDIN [Reading]: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals an Appeal filed by Noble Ross G. Blodgett of Syria Temple from the decision of the Temple Trial Committee in dismissing charges filed against Noble Eugene F. Connelly, Past Potentate of Syria Temple. Said Appeal was timely filed.

In accordance with the Imperial Council By-Laws, your Committee on Grievances and Appeals scheduled a Hearing on the aforesaid Appeal for Sunday, July 8, 1979 at 11:00 a.m. in the Marquette Inn, Minneapolis, Minnesota. Due notice of said Hearing was given to all parties concerned.

Attention is called to the amendments to the By-Laws of the Imperial Council (Iowa Corporation), that were adopted at the Detroit Session.

ARTICLE I

General Provisions

§ 101.5 Amendments.

(d) Modification. A proposed amendment may be modified by the Imperial Council while it is under consideration, but such modification must be germane to the subject matter of the proposed amendment and it may not go beyond the scope of the proposal submitted under § 101.5(a).

ARTICLE 5

Mileage and Per Diem

§ 205.1 Mileage.

(a) Each Representative who attends a Session of the Imperial Council shall be paid mileage at the rate of 40 cents per mile one way by the shortest available commercial route from the location of his Temple to the place of the Session, computed by using the routes of regularly scheduled railroad, bus lines, or airlines, but not using charter routes.

ARTICLE 8

Committees

§ 208.7 Special Committees and Duties.

(e) The Time and Place Committee shall consider and report to the Imperial Council concerning invitations from Temples desiring to be hosts for the first through the fifth next succeeding annual sessions. The Committee shall consist of the 11 Imperial Officers listed in § 206.1, except the Imperial Treasurer and the Imperial Recorder.

ARTICLE 14

Fiscal and Legal

§ 214.3 Imprest Accounts. The Board of Directors may establish separate special accounts employing the imprest system, not exceeding:

- (a) \$10,000.00, for the prompt payment of budgeted expenses; and
- (b) A further sum determined to be necessary by the Board of Directors, from time to time and as needed to pay the mileage and per diem as authorized and provided under Article 5 of these By-Laws.

The Board of Directors may authorize checks to be drawn thereon upon the facsimile or manual signature of any one officer or the signatures of any two of such other persons as may be designated by the Board.

ARTICLE 23

Temple Membership

§ 323.8 RETENTION OF MEMBERSHIP.

- (a) In order to retain membership in a Temple, a Noble must maintain the requirements of § 323.3(a), except as otherwise provided in this section.
- (b) If a Noble holds membership in both prerequisite bodies, his membership in the Temple is not affected by the loss of his membership in one prerequisite body.
- (c) If a Noble holds membership in only one of the prerequisite bodies and loses that membership for non-payment of dues, he loses his membership in his Temple until restored to good standing by that prerequisite body, whereupon he is restored to good standing in his Temple without vote of the Temple. He may not be charged with dues to the Temple while deprived of membership.
- (d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his Temple does not restore him to good standing in the Temple, but he may be restored by ballot pursuant to § 323.5.
- (e) If a Noble loses his membership in a prerequisite body for any reason other than nonpayment of dues either to that prerequisite body or its prerequisite body, he thereby loses his membership in his Temple until restored in good standing by that prerequisite body, unless within 30 days after the loss of his membership in the prerequisite body he shall file with the Recorder of his Temple a written request for a trial by the Temple. If such request be filed, the Recorder shall forthwith sign a complaint against such Noble based upon the same charges as those for which his membership in the prerequisite body was lost and he shall be subject to the disciplinary procedures of Article 30. During the pendency of the proceedings under Article 30, such Noble may retain his membership in the Temple unless he is otherwise disciplined in accordance with Shrine law; and, if he is acquitted by the Temple, he may retain his membership in the Temple notwithstanding his loss of membership in the prerequisite body.
- (f) A Temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the Temple.
- (g) The demit by a Noble from the only prerequisite body in which he holds membership shall be treated the same as suspension for nonpayment of dues unless he applies for affiliation or reaffiliation, as the case may be, within 60 days after issuance of the demit.

ARTICLE 25

Officers; Their Election or Appointment

§ 325.5 Ballot.

- (a) Election of officers shall be by separate written ballot and by a majority vote of those present and voting. A blanket ballot is prohibited.
- (b) The ballots cast in any contested election for Temple office shall be retained in the custody of the Recorder for a period of 90 days following the election, after which they may be destroyed unless the Imperial Potentate otherwise orders.

RESOLUTION

WHEREAS, Aleppo Temple has requested that its location be changed from Boston, Massachusetts, to Wilmington, Massachusetts; and

WHEREAS, Aleppo Temple has acquired a Mosque in Wilmington, Massachusetts; and

WHEREAS, it appears that Aleppo Temple has complied with Article 322.5 of the Imperial By-laws; and

WHEREAS, it appears to the Imperial Council that the move would be in the best interests of the Order;

NOW, THEREFORE, BE IT RESOLVED that the proposal to move Aleppo Temple from Boston, Massachusetts, to Wilmington, Massachusetts, is hereby approved, and that the Charter of Aleppo Temple be accordingly amended.

REPRESENTATIVES ELECTED TO EMERITUS MEMBERSHIP

Representatives for 15 years: Johnson C. Moss, Acca Temple; Thomas E. Lucas, Al Chymia Temple; Charles V. Snapp, Jr., Bahia Temple and Willard Mobley, Zamora Temple.

NEW TEMPLE

A Charter was granted to JOPPA TEMPLE of Gulfport, Mississippi.

SOLICITATION OF DEMITS

It appearing to the Imperial Potentate that the interests of the Order would be well served by the issuance and observance of the following, IT IS ORDERED:

That the proselytization of members of other Temples by soliciting them to demit from the Temples to which they belong and affiliate with Temples across state lines pursuant to § 328.6(e) is prohibited; and

It shall be the responsibility of the Potentate and the Recorder of any Temple to which such a petition for affiliation is presented to ascertain that the petitioner was not solicited.

CORPORATIONS

The Recorder of each Temple shall send to the Imperial Recorder at the close of each calendar year a copy of the audit report (preferably by a C.P.A.) and a copy of the budget report of the succeeding administration of the Temple. This also should be supplied for each and every Corporation under the Temple's control. This includes all the following types of corporations.

1. Temple Corporation and/or Temple Holding Corporation;
2. Shrine Club Corporations and/or Shrine Club Holding Corporations;
3. Any other appendant or affiliated Corporation of his Temple.

ENDOWMENTS—WILLS AND GIFTS

It appearing that the interests of all Temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital bequests and gifts, it is ORDERED:

Potentates and Recorders of Temples are directed to immediately notify and send full particulars to the General Counsel's Office in Chicago of all bequests and gifts of which they may obtain knowledge and which have been made to or for the benefit of Shriners Hospitals for Crippled Children, or designate in some manner crippled children or similar charitable purpose.

Potentates of Temples are further directed to inform all Shrine Clubs to follow this same procedure should the Shrine Club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children. Such information is necessary in order that full and complete records may be maintained and so that the General Counsel may take proper steps to protect the interests of our philanthropy.

All Temples and Shrine Clubs should be aware that the only persons with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a Court Receipt by a representative of the Temple or Shrine Club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes

a written release to the executor or trustee. Such Court Receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Records of Temples are further directed to see that their Temple counsel reviews for accuracy the subject matter of all articles scheduled to appear in Temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

1979 IMPERIAL COUNCIL SESSION

The 1979 Session of the Imperial Council will be held in the City of Minneapolis, Minnesota, the week of July 8, 1979. The Director General is Rollin S. Chapple, 2540 Park Avenue, Minneapolis, Minnesota 55404. Telephone, Area Code 612, 871-3555.

Chief Rabbans of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in the Minneapolis area with the Housing Chairman as well as making contracts for transportation facilities incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's by-laws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in Minneapolis, Minnesota in accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, and instructing all Potentates and Records to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee—**CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY**—and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith, the following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1979 Session in Minneapolis, Minnesota.

Potentates, Records, and all other Nobles, are reminded that an Imperial Session must house (1) Official Imperial Representatives (2) Uniformed Units, (3) the General Nobility and (4) the general public—in that order of precedence. The official Representatives are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present, at the expense of their respective Temples, to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade.

Hotel room assignments at Minneapolis are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in Minneapolis is Robert Thomas, Minneapolis Convention & Tourism Commission, 15 South 5th Street, Minneapolis, Minnesota 55402. Telephone Area Code 612, 348-4313.

The Executive Secretary-Fraternal Affairs will handle the room assignments for the Representatives and other Temple Officers who are not Representatives, and the distinguished guests.

The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate or any Temple violating either the spirit or the letter of this order.

RESPONSIBILITY OF POTENTATES

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the By-Laws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. The Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of your Temple and Shrinedom. He would like to have a short meeting with the Temple Divan and Representatives who are not members of the Divan.

It is suggested that if convenient time is available that a press conference of newspaper, radio and TV representatives be arranged for the Imperial Potentate during his official visitation.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resume of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Executive Secretary-Fraternal Affairs) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have, that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR SPECIAL MEETINGS YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE EXECUTIVE SECRETARY-FRATERNAL AFFAIRS, AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED BE SENT TO THE EXECUTIVE SECRETARY-FRATERNAL AFFAIRS.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples, chartered by the Imperial Council operate, i.e., United States, Canada and Mexico.

These three National flags should also be properly displayed at all Shrine meetings.

NATIONAL FLAGS SHOULD NEVER BE DIPPED AT ANY TIME.

Information concerning the proper display of these national flags may be obtained from the Office of the Executive Secretary-Fraternal Affairs.

A SPECIAL NOTE FOR COLOR SQUADS

IMPORTANT

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. **THIS IS NOT PROPER.** No National flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

SHRINE PROTOCOL

All Temples are urged to use the provisions of this section of Shrine Law which will be found in the forward eight pages of your Imperial Council Directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any Shrine activity, be it parade—meeting—banquet—seating arrangement, or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by the Imperial Council. If you have any questions, please write

the General Offices. At Shrine activities, Masonic dignitaries are guests. Therefore, protocol requires that the highest ranking Shrine Officer speak last.

IMPORTANT

In order to eliminate problems it is suggested that Chief Rabbans submit their plans and information on their proposed fund-raising activities for their administration to the Temple membership at a meeting and proceed in accordance with the vote of the membership.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Secretary-Fraternal Affairs of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property.

5. All pilgrimages tours and cruises when sponsored by a temple or otherwise identified with the Order are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) requiring a performance bond of the tour agent, or (2) making provision for the deposit of tour receipts in an escrow account of which he himself has at least partial control.

8. No tour or cruise may be sponsored by any Temple unless the proposal therefor has been first approved by the members of the Temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the Temple. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain.

9. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his Temple no later than its second stated session next following the conclusion of the

tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Secretary-Fraternal Affairs.

10. Tours and cruises sponsored by Shrine Clubs, Units or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by Associations of Temples, Associations of Units, and other organizations not affiliated with or appendant to any Temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were Temples; and the President or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibilities as those of the Potentate of a Temple which intends to sponsor a tour or cruise.

INSURANCE

In order to assure compliance by all Temples with the provisions of Section 334.2 of Article 34 of the By-laws of the Iowa Corporation, and it appearing that the interests of the ORDER and the Nobility would be well served by the issuance and observance of the following, it is ORDERED:

I. Insurance Advisory Committee

That each Temple shall appoint an "Insurance Advisory Committee" which shall consist of at least four members, three of whom shall be skilled and knowledgeable in property and casualty matters relating to insurance and the fourth member shall be the Temple Legal Counsel.

II. Duties and Responsibilities

The Insurance Advisory Committee shall have the following duties and responsibilities:

a. Review all Temple, Shrine Club and Unit Operations and activities, including fund-raising events of any kind or nature.

b. Review, analyze and where appropriate, appraise all Temple properties, whether real, personal or mixed, (including properties held by any holding corporations and affiliated corporations operated in conjunction with the Temple) as well as Shrine Club or Unit properties.

c. Review and analyze the current Temple insurance program and all insurance policies owned by the Temple, its Clubs or Units, or any holding or affiliated corporations, to determine the adequacy and the extent of the coverage afforded by those policies in light of the guidelines established by this General Order.

d. Prepare a written report to the officers of the Temple setting forth their findings with regard to the sufficiency and adequacy of the present insurance program and their recommendations with regard to additional insurance coverage or policies necessary to assure adequate protection. This report shall include the Committee's estimate of the annual cost of the insurance program proposed and recommended. A copy of this report shall be sent to the Executive Secretary-Fraternal Affairs at the time it is filed with the Temple. The report of the Insurance Advisory Committee shall be completed and submitted to the Temple officers in sufficient time for it to be available to the Chief Rabbah for his use in preparation of the proposed Temple budget for the following year.

III. Guidelines for Insurance Coverage

The Insurance Advisory Committee shall in their review and analysis of the current and proposed insurance program for the Temple (including Shrine Clubs, Units, holding corporations, appendant and affiliated corporations) consider all Temple and affiliated bodies, operations, activities and fund-raising events. The Committee shall evaluate the Temple insurance program under the following *minimum* insurance guidelines:

a. Policy Considerations

Determine the advisability of securing fire and extended coverage; theft; surety bond coverage for all persons holding funds of the Temple and its collateral activities; boiler and machinery; auto comprehensive liability for both owned, non-owned, leased or hired automobiles (including bodily injury, property damage and medical payments); host liquor liability or "dram shop" insurance covering potential liability relating to the sale, consumption, use or dispensing of alcoholic beverages; fire legal liability, including explosions, for real and personal property, for premises, whether owned or leased; products liability and completed operations coverage; premises medical payments for guests or members; workmen's compensation as required by state laws, including coverage for both paid employees and "volunteer" workers; blanket contractual liability coverage for all written (oral if available) agreements; owned and non-owned watercraft and aircraft liability; parade; spectator's liability; carnival liability; and any other additional insurance coverages warranted by the operations and activities of the Temple under the circumstances.

b. Minimum Limits on Liability

Comprehensive liability insurance for the Temple, Shrine Club, Units, holding corporations, appendant or affiliated corporations should have minimum primary limits of \$500,000 for each occurrence—NOTE: these primary limits may be increased depending on the operations and activities of the Temple and its appendant bodies, and the locale thereof. Great reliance should be placed upon the advice and recommendations of the Insurance Advisory Committee and Temple legal counsel in establishing policy limits. It should also be noted in establishing the limits of the basic primary Temple insurance program that the availability to the Temple of excess liability coverage which is recommended (commonly referred to as "Umbrella" liability coverage) may be governed by an underwriting requirement that the basic primary coverage shall be a minimum of \$500,000.

c. Named Insureds

In all Casualty or Liability insurance policies written for the Temple and its appendant bodies, the following SHALL be included as an additional named insureds, only as respect to the operations and activities covered under the policies: "The Imperial Council A.A.O.N.M.S., an Iowa Corporation, Shriners Hospitals for Crippled Children, a Colorado Corporation and all its affiliated Corporations."

IT IS FURTHER ORDERED that the Potentate of each Temple is charged with the duty and responsibility of personally seeing to compliance with this General Order; and he shall cause to be sent to the Executive Secretary-Fraternal Affairs Certificates of Insurance on all Casualty and Liability coverage evidencing compliance with this General Order, each time such policies are changed.

SPECIAL PURPOSE FUNDS

Inasmuch as Shriners Hospitals for Crippled Children are the primary charitable concern of the Order, it is necessary that the Imperial Council exert every effort to insure that Shriners Hospitals for Crippled Children are financially stable and have adequate funding for operational needs. The reports of the Special Funds and Entities Committee have indicated to the Imperial Potentate and the Board of Directors that some Temples, either directly or through special purpose funds, have accumulated funds and assets which are in excess of amounts reasonably needed for local purposes such as transportation of patients and could be better utilized for our orthopedic hospitals and burns institutes if they were administered together with the other endowment funds and accounts of Shriners Hospitals for Crippled Children.

It therefore appearing that the interests of the Order would be well served by the issuance and observance of the following, IT IS ORDERED:

1. Neither the Temples nor their Shrine Clubs, nor their Units, nor their members shall solicit charitable gifts or bequests for any purposes, organizations, or charities other than Shriners Hospitals for Crippled Children; except only that, with the prior written consent of the Board of Directors of the Iowa

Corporation, a Temple may maintain a fund for transportation of patients, purchase of braces and prostheses, or like purposes, subject to the following provisions of this General Order.

2. All receipts, disbursements, funds and assets related to charitable activities shall be clearly designated and classified as such in the books of account of all Temples, Temple-affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards, or other entities subject to the supervision or control of any Temple; and such books of account shall be audited annually in a manner consistent with the requirements of Section 334.5 of the By-Laws of the Imperial Council.
3. The custody and administration of all charitable funds and assets under the control of any Temple, including those of Temple-affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards and other entities subject to the supervision or control of any Temple, shall be the responsibility of the same Temple Officers, committees, or boards who are charged with the custody and administration of the general funds of the Temple.
4. Any Temple may be required by the Imperial Potentate to show cause why any part of its charitable funds or assets not reasonably needed for purposes permitted under Paragraph 1 hereof should not be transferred to Shriners Hospitals for Crippled Children; and the Board of Directors of the Iowa Corporation shall have the power to require the transfer to Shriners Hospitals for Crippled Children of any such charitable funds or assets not reasonably needed for the purposes permitted under Paragraph 1 hereof after the Temple has been given a reasonable opportunity to be heard by the Board of Directors or by a committee thereof with respect to the matter.

LOTTERIES AND RAFFLES

It has come to the attention of the Imperial Potentate that one or more Temples and several Shrine clubs have recently promoted lotteries or raffles. Federal law in the United States prohibits the use of the mails for lotteries or raffles and the practice is also contrary to state law in most states. Attention is invited to § 335.1 of the Imperial By-laws which makes such a practice contrary to Shrine law as well.

ADORNMENT OF FEZZES

Your attention is called to § 213.1 of the Imperial By-laws, which deals with the fez and which reads as follows, viz:

§ 213.1 FEZ.

The exclusive head covering of the Order shall be the red Moroccan fez with a black tassel.

(a) Jewel and Name of Temple. The name of the Temple of which the Noble is an active member, together with a facsimile of a scimitar and that portion of the jewel of the Order consisting of the crescent, sphinx head and star may be embroidered on the fez with gold or silver bullion or silk.

(b) Titles. The Imperial Chaplain, Potentates, Past Potentates, Recorders and Divan members may have their titles embroidered in small letters in gold or silver bullion or silk beneath the emblem on the fez. Active members of official uniformed units of a Temple may likewise have the names of their units beneath the emblem on the fez.

(c) Imperial Officers. The Imperial Potentate shall have a row of 5 gold stars beneath the emblem on his fez. Each Past Imperial Potentate shall have a row of 5 stars, the 2 outermost of silver and the other 3 of gold. Each of the other Imperial Officers, past or current, shall have a row of 3 gold stars beneath the emblem on his fez.

(d) Adornment. The embroidery on the fez may be adorned with rhinestone jewels of a size no larger than the those officially recognized by the Imperial Council as number 12. One pin may be used to hold the tassel in place.

(e) Fez, how and when worn. The fez shall be worn in its proper shape without crushing, creasing or alteration; and no device, ornament, title, wording or adornment other than that permitted by this section may be used on the fez. The fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order. It may not be worn when or where prohibited by the Imperial Potentate.

The Potentate of each Temple is hereby requested to notify the members of his Temple of the provisions of § 213.1 and to encourage strict compliance therewith.

There are penalties for failure to file returns; and the penalties are assessed by the government against the person or persons in the Temple who are responsible.

The following General Orders shall be implemented immediately by the Potentate of each United States Shrine Temple and thereafter read to the Nobility of each Temple in accordance with the last paragraph hereof.

It appearing that the interests of the Order would be well served by the issuance and observance of the following, it is ORDERED:

1. That each Temple shall appoint Legal Counsel and an independent Auditor whose names and addresses shall be immediately furnished to the Imperial Recorder.
2. That all U. S. Temple Potentates shall see that their Temple independent Auditor and Legal Counsel are immediately furnished with a copy of this General Order.
3. That all Potentates shall see that all title-holding corporations, Units, Shrine Clubs, Shrine Club Holding Companies, and other appendant and affiliated organizations of the Temple maintain adequate accounting records of all financial transactions.

4. That all U. S. Temple Potentates shall ascertain the need for and, *where necessary*, secure a separate Employer identification number of the Temple, its title-holding corporations, Units, Shrine Clubs and other affiliated and appendant organizations.
5. That each U. S. Shrine Temple shall secure timely and descriptive information on the financial transactions of their Units and Shrine Clubs for the year 1978 regardless of the amount of their annual gross receipts. For the year 1978, *two* informational tax returns will be required from each U. S. Shrine Temple, one of which would cover the financial transactions of the Temple and all of its Units with the second return to be labeled a "group return" being a consolidated return covering all the financial transactions of its Shrine Clubs, separately scheduled. See Recorder's Office Manual for sample suggested 990 I.R.S. forms. The informational tax return filed would include those Shrine *Clubs* which are separately incorporated and/or previously had their own federal tax-exempt status before being included under the modified group tax exemption ruling of The Imperial Council, A.A.O.N.M.S. The return shall not, however, include those Shrine *Units* which are now separately incorporated and/or have their own federal separate tax-exempt status. For informational tax return purposes, each Temple constitutes a "central organization" for purposes of Section 6033 of the Internal Revenue Code and *shall be required to file a group informational return* described in Regulation Section 1.6033-2(d).
6. That by reason of a Treasury Department Revenue Ruling dated October 12, 1973, which had modified the group ruling letter to The Imperial Council, A.A.O.N.M.S., dated April 29, 1971 (copies of which rulings have been previously furnished to all U. S. Temples and can be found in the Recorder's office manual) it has the effect of recognizing the exemption of your Shrine Clubs under The Imperial Council's group ruling exemption letter, *effective January 1, 1970*, provided a complete listing of your Shrine Clubs was heretofore timely furnished to The Imperial Council for appropriate filing with the Internal Revenue Service.
7. That all Temple title-holding corporations, all Shrine Club Holding Companies, and all other appendant and affiliated organizations which are required by law to file tax returns or informational returns do so timely and with the advice and assistance of the Legal Counsel or independent Auditor who prepares the Temple informational tax return.
8. That if a subordinate Shrine Club covered by group exemption letter fails to comply with Section 6001 or 6033 of the Code and the regulations thereunder (for example, by failing to have its financial statements included in the Temple's group 990 tax return, as required) and the Internal Revenue Service terminates its recognition of exempt status by notice to the Temple as the "central organization", such Temple shall immediately advise the Executive Secretary-Fraternal Affairs and enclose a copy of the termination letter.
9. That copies of all Temple returns and returns of all Temple-related organizations shall be sent to the Executive Secretary-Fraternal Affairs at the same time they are filed with the Internal Revenue Service; and they shall be accompanied by a certification of the Potentate and either the Temple's Legal Counsel or independent Auditor that they are true and complete to the best of their knowledge and belief.
10. That the Potentate of each Temple is charged with the duty and responsibility of personally seeing to compliance with this General Order.

Individuals required to pay U.S. income taxes are entitled to list certain charitable contributions or gifts as deductions on their income tax returns. Under the former circumstances, contributions or gifts made to Shrine Temples may be included in the list of deductible charitable contributions. By the terms of § 170 (c) (4) of the Internal Revenue Code, deductibility is recognized for a contribution to "a anestic fraternal society. Order, or association, operating under the lodge system, *only if such contribution or gift is to be used exclusively for religious, charitable,*

scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals."

In the Internal Revenue Code Regulations as to the annual informational return Form 990) required to be filed by all United States Shrine Temples, the following statement appears:

Organizations described in section 501 (c) (8) or (10) that receive contributions or bequests to be used exclusively for purposes described in section 170 (c) (4), 2055 (a) (3), or 2522 (a) (3), must attach a schedule with respect to all gifts which aggregate more than \$1,000 from any one person showing the name of the donor, the amount of the contribution or bequest, the specific purpose for which such amount was received, and the specific use to which such amount was put. In the case of an amount set aside for such purposes, the organizations shall indicate the manner in which such amount is held (for instance, whether such amount is commingled with amounts held for other purposes). If the contribution or bequest was transferred to another organization, the schedule must include the name of the transferee organization, a description of the nature of such organization, and a description of the relationship between the transferee and the transferor organization.

It appearing that the interests of the Order would be well served by the issuance and observance of the following, it is ORDERED:

1. That each United States Temple shall comply with the specific reporting instructions and requirements referred to above in filing their annual (Form 990) return.
2. That each United States Temple shall keep and maintain a separate set of financial records and a separate bank account for the receipt and disbursement of all contributions to the Temple which qualify as deductible contributions under § 170 (c) (4), 2055 (a) (3) or 2522 (a) (3), of the Internal Revenue Code.
3. That, notwithstanding the provisions of paragraph 2, the annual levy for the support of Shriners Hospitals for Crippled Children remains subject to the provisions of § 332.3 of the Imperial by-laws and shall still be treated as a segregated trust fund.

IT IS DIRECTED that this General Order No. 2 be read to the Nobility of each Temple at the first session following its receipt, that a record of its receipt and reading be made upon the minutes of the session at which it is read, and that a copy be furnished by the Recorder of each Temple to the head of each uniformed unit and club of his Temple.

Given under our hands and the seal of the Imperial Council this 15th day of February, A.D., 1979 and of the Order, A. H. 1399.

POTENTATES PLEASE NOTE

The following instructions are to be given to your Temple Marshal, Parade Marshal and Unit heads:

The Day Parade will start promptly at 8:30 A.M. on Tuesday, July 10. The route of march will be—

East on Wayzata Boulevard to Hennepin Avenue; Northeast on Hennepin Avenue to Twelfth Street; Southeast on Twelfth Street to Marquette Avenue; Northeast on Marquette Avenue to Fifth Street; East on Fifth Street to the dispersal area at Chicago Avenue.

The reviewing stand will be on the south side of Fifth Street at Third Avenue which will have units executing the standard "eyes right".

The Night Parade will start promptly at 6:30 P.M. on Thursday, July 12, and utilize the same route as the Day Parade.

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by Rollin S. Chapple, Director General of the Convention, whose office is located at Zuhrah Temple, 2540 Park Avenue, Minneapolis, Minn. 55404. The attention of all Potentates and heads of Uniformed Units is again specifically directed to the previous General Orders, with reference to explicit parade regulations quoted below:

3. Except with express permission of the Imperial Potentate, no Temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.
4. No Temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.
5. No Temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in the parade.
6. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the parade route, but simply wave to spectators.

If your Uniformed Units attend the Imperial Council Session in Minneapolis it is desirable that you supply one member of your Temple to act as Provost Guard during the Imperial Council Session. Provost Marshal is Noble Tony Zahhos. Provost Headquarters during the Convention will be in the LaSalle Suite C on the Mezzanine Floor of the Radisson Hotel Downtown. Each Potentate will kindly advise Noble Tony Zahhos the name of the Noble who will serve on the Provost Guard. Correspondence with Noble Zahhos prior to July 1 should be addressed to him in care of the Director General, Rollin S. Chapple at Zuhrah Temple, 2540 Park Avenue, Minneapolis, Minn. 55404.

UNAUTHORIZED EQUIPMENT ON MOTORIZED VEHICLES

NO CYCLES, CARS, SCOOTERS OR OTHER MOTORIZED VEHICLES SHALL AT ANY TIME BE EQUIPPED WITH ANY SIRENS, FLASHING OR COLORED LIGHTS (EXCEPT TURN INDICATORS AUTHORIZED BY LAW).

LOTTERIES AND RAFFLES

It has come to the attention of the Imperial Potentate that one or more Temples and several Shrine clubs have recently promoted lotteries or raffles. Federal law in the United States prohibits the use of the mails for lotteries or raffles and the practice is also contrary to state law in most states. Attention is invited to § 335.1 of the Imperial By-laws which makes such a practice contrary to Shrine law as well.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Secretary-Fraternal Affairs of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.
2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises.
3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.
4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property.
5. All pilgrimages, tours and cruises when sponsored by a Temple or otherwise identified with the Order are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance

is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see to the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) requiring a performance bond of the tour agent, or (2) making provision for the deposit of tour receipts in an escrow account of which he himself has at least partial control.

8. No tour or cruise may be sponsored by any Temple unless the proposal therefor has been first approved by the members of the Temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the Temple. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain.

9. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his Temple no later than its second stated session next following the conclusion of the tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Secretary-Fraternal Affairs.

10. Tours and cruises sponsored by Shrine Clubs, Units or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by Association of Temples, Associations of Units, and other organizations not affiliated with or appendant to any Temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were Temples; and the President or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibilities as those of the Potentate of a Temple which intends to sponsor a tour or cruise.

BOARD AND COMMITTEE MEETINGS

A Meeting of the BOARD OF DIRECTORS, IOWA CORPORATION, a Meeting of the BOARD OF DIRECTORS, COLORADO CORPORATION, and a meeting of the BOARD OF TRUSTEES, SHRINERS HOSPITALS FOR CRIPPLED CHILDREN, will be held in the GOLD ROOM of the RADISSON HOTEL DOWNTOWN, Wednesday, July 4, 1979 through Friday, July 13, 1979.

The JURISPRUDENCE AND LAWS COMMITTEE will meet in the GOLD ROOM FOYER of the RADISSON HOTEL DOWNTOWN, starting at 2:00 P.M., Friday, July 6, 1979.

SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamour of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but **which retard the forward movement of the parade as a whole.**

As a result, many of our newer Temples, located far back in the line of march, have unquestionably taken punishment. (1) The forward movement of the parading column has been repeatedly halted, (2) There have been exasperating delays, (3) Units have been required to stand in line,—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units "marching" near the head of the line, (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall "march" at the end of the column.

Most recently, direct orders forbidding any but "forward marching movements," although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in Minneapolis may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in Minneapolis will be parades throughout, and in no part a pageant. Only so-called "forward marching movement" will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parades.** The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles. There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable; not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, add unnecessary confusion and danger in the initial parade formation and spoils the

pageantry from the spectator's viewpoint. In Minneapolis, only **ONE CAR** for the officers of each Temple with uniformed units in the parades of 50 or more will be permitted. Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than **ONE CAR** in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. At the Reviewing Stand, Temple Divans will give hand salute, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for hand salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directives of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with reference to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial By-Laws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violation of the above rule at an official reviewing stand.

PARADE REGULATIONS

It appearing that the interests of the Order would be well-served by the issuance and observance of the following regulations with respect to all Shrine parades, it is **ORDERED**:

1. The parade reviewing stand shall be at the right of the parade movement.
2. **No national Flag shall be lowered or dipped when passing the reviewing stand or elsewhere.**
3. Neither candy nor other objects shall be thrown to spectators along the parade route.
4. No vehicle shall be equipped with either flashing lights or sirens.
5. Motorcycle and scooter units shall obey local laws regarding use of hard helmets instead of the Fez.
6. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as not to give the impression that they are drinking intoxicants.
7. Parade marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his Temple. Failure on the part of the Potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.

Furthermore, with respect to parades at Sessions of the Imperial Council, it is **ORDERED**:

1. The Potentate of each participating Temple shall designate an officer of his Temple to meet with the Parade Marshal prior to the day parade.
2. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.

The FINANCE AND ACCOUNTS COMMITTEE will meet in ROOM 655 of THE MARQUETTE INN, on call of the Chairman.

The DISPENSATIONS AND CHARTERS COMMITTEE will meet in ROOM 755 of THE MARQUETTE INN, on call of the Chairman.

The GRIEVANCES AND APPEALS COMMITTEE will meet in ROOM 855 of THE MARQUETTE INN, on call of the Chairman.

The JURISDICTIONAL LINES COMMITTEE will meet in ROOM 955 of THE MARQUETTE INN, on call of the Chairman.

Other committees will meet on call as the occasion arises.

It is directed that a summary of this General Orders No. 3 be read to the Nobility of each Temple at the first Session following its receipt, and record of the entire General Orders be made upon the minutes of the Session at which the Summary is read.

Given under our hands and the seal of the Imperial Council this 4th day of June, A.D., 1979 and of the Order A.H. 1399.

GRAND LODGE OF MICHIGAN

August 17, 1978

The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the By-Laws of the Imperial Council.

KOREIN

August 29, 1978

A proposed amendment to Temple By-Laws may be properly considered at the meeting with respect to which notice was given, notwithstanding that some of the Nobility were hindered from attending such meeting by inclement weather.

In view of Section 329.6 (a), a Temple may count its anniversaries from the date of its dispensation.

EL BEKAL AND

AL MALAIKAH

August 30, 1978

The terms of Section 328.3 (c) do not preclude consideration at the next Imperial Council Session of an Agreement between Temples with respect to their jurisdictional lines, at least where the jurisdictions involved are manifestly different from that of a defeated proposal.

JOPPA TEMPLE

October 2, 1978

By the provisions of Section 329.4 (b), a Noble who signs an application for a dispensation for a new Temple becomes a member of that Temple when its dispensation is granted; and he need not apply for affiliation to that Temple.

MEDINAH

October 2, 1978

Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as Section 332.7 (a) makes no provision for the exclusion of Associate Members from an assessment, Associate Members are subject thereto in the same fashion as Regular Members.

PHILAE

October 30, 1978

A Temple By-Law provision which requires appointment of Temple committees by an Executive Committee is contrary to Section 327.1 (c) and void.

ARABA

October 30, 1978

Reference in political campaign literature to membership in the Order is not a violation of Section 335.2 (a); but it may be conduct unbecoming a Noble of the Mystic Shrine.

JAMIL

October 30, 1978

Section 332.7 does not require that an assessment resolution lay over from one meeting until another but simply requires publication of a notice that it will be proposed at the meeting at which action is to be taken.

OLEIKA

December 5, 1978

Activities regularly carried on on a continuing basis before and after May 1, 1975, constitute "activities planned and publicized prior to May 1, 1975" within the meaning of that language in Section 328.9 (b); so that such activities may be continued on an annual basis after the adoption of Section 328.9 (b).

MOOLAH

Aside from the requirement that all members must be Nobles, Section 336.1 leaves qualifications for membership in a Temple Unit to the discretion of the Potentate.

ZAMORA

January 10, 1979

A Shrine Club which provides a meeting place for a ladies' auxiliary, sends out notices of its meetings, and permits its uniformed members to work in concession stands sponsored by the Shrine Club, thereby violates Section 335.10 (b) by sponsoring a women's organization.

HEIAZ

January 23, 1979

Regardless of a "not guilty" finding in a trial by his Symbolic Lodge, a Shriner who was convicted of a felony is not eligible for office in his Temple until pardoned by proper State or Federal authority.

CAHABA

February 1, 1979

Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the Temple, is a violation of Section 335.2 (a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Board of Directors and Trustees is a violation of Section 503.6.

JAMIL

February 2, 1979

Without specific reference to Life Members in an assessment resolution, Section 332.7 (a) precludes its application to them.

SESOSTRIS

February 6, 1979

While there is no authority for appointment by the Potentate of an "acting Oriental Guide", an announcement in the Temple magazine of such an appointment is not a violation of Section 325.10 (a).

SESOSTRIS

All Temple funds, including those of its circus, are subject to the control of the Temple through either Section 334.4 or Section 327.5 or both.

JERUSALEM

February 12, 1979

A "Trustees Fund" created by resolution of the Temple is subject to the terms of the resolution by which it was created even though, for failure to submit it to the Imperial Potentate for approval, the resolution did not become a part of the Temple By-Laws as intended.

ABBA

March 12, 1979

In playing private engagements for compensation, a musical group composed of Shriners may not use a name which identifies them with their Temple.

ABBA

March 12, 1979

The Potentate has no authority to order the confiscation of a Noble's Fez, even for alleged misconduct, without a trial under Article 30. Only the Imperial Potentate has the power to suspend a Noble without a trial.

EL HASA

April 18, 1979

In the absence of Temple By-Law provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and Section 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

ZENOBIA

May 15, 1979

While Section 335.2 forbids commercial advertising, notices of incidental private sales of personal property may be posted on the Temple bulletin board unless the Temple itself forbids such notices.

MEDINAH

May 15, 1979

Use of a Temple mailing list to solicit its members to purchase life insurance as a part of a program promoted by a commercial agency or insurance company is prohibited by Section 335.6 (a); but Section 335.8 (b) would permit paid advertising in Temple magazines, if such advertising does not otherwise violate Shrine law.

EL BEKAL

June 11, 1979

Section 335.6 (a) relates to circularization of members of a Temple for business purposes, and it does not forbid the use of Temple mailing lists for promotional purposes by the Scottish Rite.

The "inspired charge" of the ritual of initiation may not be used except in a tyled session of the Temple.

ARARAT

IMPERIAL SIR TURLEY: Imperial Sir, I would move for the adoption of this report and approval of the Imperial Potentate's Rulings and Decisions.

... The motion was duly seconded ...

IMPERIAL POTENTATE WECK: The motion and second before you is for the adoption of the report as just presented and approval of the Imperial Potentate's Rulings and Decisions. Is there discussion?

There being none, all in favor will indicate by saying aye; opposed. I declare the motion for the adoption of this report and approval of the Imperial Potentate's Rulings and Decisions to be unanimously adopted.

Is the report of the Shrine Rooms East Committee ready to be presented at this time?

NOBLE W. C. VAUGHAN [Reading]: To the Imperial Potentate, Imperial Divan and Representatives of the One Hundred Fifth Imperial Council Session:

Your Committee is honored and pleased to report on its administration and activities of the Shrine Rooms-East, located in the George Washington Masonic National Memorial, Alexandria, Virginia, for the year June 1, 1978 through May 31, 1979.

The Committee met twice, October 16, 1978 and March 5, 1979, in the Board Room of the George Washington Masonic National Memorial Building. All business was discussed and disposed of.

Memorabilia and displays are reported to be in excellent condition. An inventory as of June 1, 1979, was made and forwarded to our Shrine Headquarters along with the Chief Custodian, Frank L. Dority's Annual Report.

All equipment has been checked by the maintenance contractor and found to be in good condition, central air conditioning installed a few years back has proven to be a tremendous asset.

Your Shrine Rooms-East Committee will continue to endeavor to obtain all jeweled Fezzes from all Temples. Unfortunately, one of the matched scimitars on the altar in the Imperial Room was pilfered. As we could not find a duplicate, Medinah Temple who had presented the original set, was gracious enough to present a new matched set.

Progress is being made to up-date the dioramas of our Hospitals and Burns Units as they are rebuilt or remodeled.

Regretfully, we have to report that the promise of a portrait of Noble Gerald Ford by Saladin Temple has not materialized.

Our staff at Shrine Rooms-East are all good, capable, courteous, and dependable Shriners. They do an excellent job of exhibiting Shrinedom, our history, heritage, and valuable displays and relics at their best. We can all take pride in the way they represent us every day to the public.

The expenditures of the Shrine Rooms-East, total \$35,033.65 for the year, June 1, 1978 through May 31, 1979. We anticipate no unusual or unexpected expenditures for our 1979-80 year.

A total of 46,654 people signed our visitors' register during the year. Extreme winter weather and gas shortages reduced our attendance during the year. We hope it will improve when the energy situation changes.

Respectfully submitted,

NOBLE VAUGHAN: Imperial Sir, I would move for the adoption of the report.

...The motion was severally seconded...

IMPERIAL POTENTATE WECK: You have the motion and the second before you for the adoption of the report. Is there any discussion?

Hearing none, all in favor will indicate by saying aye; opposed. The report is declared to be unanimously adopted.

NOBLE VAUGHAN: Imperial Sir, may I just say one word?

Nobles, in these challenging times when we really should be proud of our heritage, our Shrine Rooms-East at the George Washington National Memorial in Washington is a great display of things that would make all of us proud to be Masons and Shriners. I want to invite each of you to come and visit these Rooms and view some of the historical things that will make you proud of our Shrine.

Also, please bring your sons or your grandsons with you. Also, there is much in the Capitol city to see, for those of you that have not been there, in relation to the George Washington Memorial and the Scottish Rite Temple.

I think we have there the greatest display of items that I know of, other than in London and viewing these items will make all of us better Masons, especially when we realize our proud heritage. Thank you, Imperial Sir.

INTERNATIONAL SHRINE ROOMS WEST

The International Shrine Rooms West Committee is pleased to submit this report for the years 1978-1979. Although the Committee did not have a formal meeting during the year, each of the members has been in close contact with the Museum and have made many good suggestions for further development.

We have not made any major changes in the operation of the Museum, but have expanded our space for display of pictures. Pictures of standard size are framed, but on the off size pictures we are able to make the frames, for better displays. We are continuing to request various temples for fezzes to complete our display. At the present time only five temples have failed to respond to our request for a fez from their temple.

We continue to have tour groups from the various temples and we have visits from individual Nobles and their families when on a visit to San Francisco. The Museum is still manned by the same three Nobles who serve voluntarily. These are Nobles Lee L. Aslanian, Nat A. Cohn and Thomas A. Davis. Each of them is on duty from 9:30 A.M. to 4:00 P.M. and on Saturdays and Sundays for groups of 25 or more.

We are happy to serve. We think that we are preserving Shrine history—by receiving Shrine artifacts from individuals or Shrine Temples and by properly displaying and labeling them, gives pleasure to our visiting Nobility. We would be pleased to get cooperation from the various temples, because, after all, this Museum is International Shrine Rooms West.

Respectfully submitted,
Thomas A. Davis, Chairman
International Shrine Rooms West

NOBLE ROLAND ST. JOHN [Reading]: To the Representatives of the Imperial Council:

At this session, two matters were referred to your Committee on Dispensations and Charters involving Shrine Associations. One was the granting of a new Charter to the South Central Shrine Association and the other involved an addition to the States of Colorado and Oregon to the list of member states of the Western Shrine Association. In the course of the Committee's deliberations, it became evident that the proliferation of Unit and Shrine Associations and realignment of member states of the various Shrine Associations might result in areas of friction between Temples. Your Committee on Dispensations and Charters was of the opinion that it needed more definite guidelines to deal effectively with these problems on a national level.

Therefore, your Committee recommends that a Special Committee be formed by the Imperial Potentate, to consist of five members; one member from each of the following three standing committees: Jurisprudence and Laws, Dispensations and Charters and Jurisdictional Lines; and two other members to be selected by the Imperial Potentate with a chairman as selected by the Imperial Potentate. Such Committee should investigate these matters and make appropriate recommendations to the next Session of the Imperial Council.

NOBLE ST. JOHN: Imperial Sir, I would move the adoption of this report.

...The motion was duly seconded...

IMPERIAL POTENTATE WECK: You have before you the motion and the second to adopt the report as just presented which involves the appointment of a Special Committee by the Imperial Potentate. Is there discussion?

If not, all in favor of the adoption of this report will indicate by saying aye; opposed. The motion is unanimously carried.

NOBLE ST. JOHN: That completes the reports of the Committee on Dispensations and Charters, Imperial Sir.

IMPERIAL POTENTATE WECK: Thank you.

The Chair will now recognize the Potentate of Crescent Temple.

NOBLE J. D. PEPPER [Crescent Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: I would like to read to you excerpts from congratulatory messages received concerning the election of Imperial Sir Powell for the office of Imperial Outer Guard.

The first of these is from Arthur J. Holland, Mayor, City of Trenton, New Jersey, reading as follows:

"Your selection by your fellow Shriners to the office of Imperial Outer Guard is one which not only does you great honor but reflects credit on Crescent Temple and our city."

The second is from Chester J. Wimberg, Mayor of Ocean City, New Jersey, reading as follows:

"On behalf of myself and the Council of the City of Ocean City, please accept my heartiest congratulations upon your election to the office of Imperial Outer Guard of the Shrine of North America. Your contribution to Masonry has not gone unrecognized."

The next is from William Hughes, a member of Congress from the Second Congressional District in New Jersey:

"My sincere congratulations on your election to the office of Imperial Outer Guard of the Nobles of the Mystic Shrine for North America. This is indeed an honor of which you can well be proud. My wish for you is continued good health and success in the years ahead."

The next is from Bill Bradley, United States Senator from New Jersey:

"I would like to take this opportunity to extend my sincere congratulations on your election to the office of Imperial Outer Guard of the Nobles of the Mystic Shrine for North America. Your long record of service and dedication makes you an excellent choice for this honored office."

The next one is from Harrison "Pete" Williams, United States Senator from New Jersey:

"Your election to the office of Imperial Outer Guard is a reflection of the confidence and appreciation in which your fellow Shriners hold you. I wish you continued success in the years ahead and extend my congratulations."

And last from the Honorable Brendan T. Byrne of New Jersey:

"I would like to take this opportunity to congratulate you on your election as Imperial Outer Guard. This is a distinct and honorable position that I am sure you will serve with dignity."

The Shrine is a valuable organization which deserves much commendation for its endeavors. I am proud that New Jersey is the home of two Shrine Temples.

Best of luck to you in your office and may you receive much reward from your worthwhile work."

IMPERIAL POTENTATE WECK: Thank you very much.

The Chair will next recognize the Chairman of the Membership Committee, Imperial Sir Dan Bowers.

IMPERIAL SIR BOWERS: Imperial Sir, Imperial Sirs and Fellow Representatives: The Chairman of the National Membership Committee gives you the following report:

As of December 31, 1978, there were 941,799 members of the A.A.O.N.M.S., with a net gain in membership of 2,091. This was a slight gain over the previous year. With all the adversities of our times, this gain reflects the dedication and hard work of Nobles from many Shrine Temples willing to give the extra effort needed to produce successful membership results, small as they were.

An area of grave concern is the continued decrease in Grand Lodge Membership, which has been declining about 55,000 per year. The base for Shrine and other appended bodies of Masonry for membership lies in the Masonic Lodge. Hence, it is imperative that Shrine leadership take immediate steps to reduce these annual losses and return the Masonic Lodge to a revitalized, growing Order. Such steps are being taken at the Grand Lodge level to reverse this loss by lessening the proficiency requirements, shortening the time and inducement for good men to join the Masonic Lodge.

I might say that if nothing else comes out of this Council today with the discussion of Item 7 this morning, which refers to the autonomy of the Grand Lodge, if nothing else, that may bring about a cohesive effort on the part of all bodies to solve the stumbling blocks that have existed between us for some time. I hope, by so doing, that this will give to us increasing membership of all the bodies in the years ahead.

The Imperial Council Membership Committee presented new ideas, a membership manual and other materials needed to assist in formulating a productive membership program in every Temple. This Committee has worked diligently to improve Masonic relations and through the combined efforts of us all, the Shrine of North America will continue to grow through a united effort of the entire Masonic Fraternity.

I wish to give special thanks to this large Committee and I wish it well and, of course, I hope that our membership will increase a little more next year.

With that, Imperial Sir, I would move for the receipt of this report.

... The motion was duly seconded. ...

IMPERIAL POTENTATE WECK: It has been moved and seconded that the report be received. Is there discussion? If not, all in favor will indicate by saying aye; opposed. I declare the report to be received.

I will next recognize Past Imperial Potentate Jack Streight for a report of the Resolutions Committee.

PAST IMPERIAL POTENTATE STREIGHT: Imperial Sir, I would move for the adoption of this resolution.

... The motion was duly seconded...

IMPERIAL POTENTATE WECK: We have a motion and a second to adopt this resolution of thanks and appreciation. All in favor please say aye; opposed. I declare it to be unanimously adopted.

Now, I will recognize Bob Turley for items that he must present at this time.

IMPERIAL SIR TURLEY: I would like to first inform you that the following Emeritus Members were not able to attend this Imperial Council Session. They are George Fullman, Abou Saad Temple; E. J. IMPERIAL POTENTATE WECK: We will recess until tomorrow morning at nine o'clock. I want to thank you all for expediting this meeting.

... The One Hundred Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at three o'clock p.m. to reconvene the following morning at nine o'clock a.m. ...

MORNING SESSION FRIDAY, JULY 13, 1979 NINE O'CLOCK A.M.

The One Hundred Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened at the Minneapolis Convention Center, Minneapolis, Minnesota at nine o'clock a.m., Imperial Potentate Warren F. Weck, Jr., presiding.

IMPERIAL POTENTATE WECK: We do still have some business left to handle this morning. Therefore, will you please take your seats because I am sure you are all anxious to get this Session over with.

I will first recognize Reverend Vogt, our Imperial Chaplain.

REVEREND VOGT: O God, Creator, Redeemer and sustainer of all that is true and good, we thank you for this One Hundred Fifth Imperial Session of Shrinedom.

Help each of us to go on our way filled with your presence and to do your will in behalf of our great Fraternity. Cause the work of our Hospitals and Burns Centers to be a healing light in the midst of brokenness of human life.

Bless our Imperial Officers and Trustees as they seek your will for our Fraternity. Grant us wisdom, grant us courage in the coming year. Amen.

IMPERIAL POTENTATE WECK: Our first business this morning is going to be Item 3 and at this time the Chair will recognize Russell Anthony.

IMPERIAL SIR ANTHONY: Imperial Sir, Imperial Sirs and Fellow Representatives: On Item 3 of the Call, page 11, you will see a proposal to amend Section 205.1 of the By-Laws under Article 5.

This, as you can see, is that mileage be paid at the rate of 45 cents per mile instead of the present 40 cents per mile.

I am the maker of this proposal and I would like to discuss it if I may.

IMPERIAL POTENTATE WECK: Just a moment, Russ, I would first like to call on the Jurisprudence and Laws Committee for its report concerning this particular Item.

I will recognize the Jurisprudence and Laws Committee.

NOBLE JEFFRIES [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 205.1 of Article 5 of the By-Laws of the Iowa Corporation so that it will read as follows:

"Section 205.1 Mileage.

(a) Each Representative who attends a Session of the Imperial Council shall be paid mileage at the rate of 45 cents per mile one way by the shortest available commercial route from the location of his Temple to the place of the Session, computed by using the routes of regularly scheduled railroad, bus lines, or airlines, but not using charter routes."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE
AND LAWS

NOBLE JEFFRIES: Imperial Sir, I would move for the acceptance of this report.

... The motion was severally seconded...

IMPERIAL POTENTATE WECK: You have before you the motion and the second to accept this report. Is there any discussion? If not, all in favor will indicate by saying aye; opposed. I declare the report to be accepted.

At this time, I would like to recognize the Chairman of the Finance and Accounts Committee.

NOBLE ROBERT VETTER: Imperial Sir, Imperial Sirs and Imperial Representatives: This report concerns the Report of the Mileage and Per Diem Committee of the Iowa Corporation, A.A.O.N.M.S.

The expense increase regarding the mileage being raised from 40 cents to 45 cents will be approximately \$39,500 in the year 1979. This expense will create an estimated deficit for the year of approximately \$201,433. However, the Iowa Corporation has a fund balance, as of January 1, 1979, of \$4,973,262. Therefore, the funds are available.

This is respectfully submitted by your Finance and Accounts Committee and, Imperial Sir, I would move that this report be received.

...The motion was duly seconded...

IMPERIAL POTENTATE WECK: You have before you the motion to receive the report as just presented. All in favor will indicate by saying aye; opposed no. I declare the report to be received.

I will recognize Dr. Russ Anthony.

IMPERIAL SIR ANTHONY: Imperial Sir, Imperial Sirs and Fellow Representatives: As Bob Vetter just explained to you, the increase that this would amount to will be some \$37,500, which is not a great amount and I am also sure all of you could use that extra amount in your check.

As was mentioned, the checks are ready to go and so you will be able to receive them at this Session.

The other thing is, and I will talk on this later, is that you will be passed out a proposal, if this amendment passes, and, therefore, be prepared for it because we will have a recommendation for you to vote on here today that will be much fairer, more equitable than what is here for us at the present time.

With that, I will move for the adoption of this amendment.

...The motion was severally seconded...

IMPERIAL POTENTATE WECK: You have before you the motion and the second in relation to the adoption of this particular amendment. Is there any discussion?

If not, all in favor indicate by saying aye; opposed. I declare it carried by the required two-thirds Constitutional majority.

Now, in relation to the saving of time, I would like to explain something to you.

There is presently being passed out to you another amendment dealing with the same problem which I am going to propose at this time. It will not affect this Session. However, the reason I want to bring this to you is because what I think you are trying to accomplish is to pay two fares so that you can actually bring your wives and, of course, I think this is perfectly proper and very appropriate because we invite our wives to the banquets, the luncheons and other activities that we have.

Now, the present resolution which you have and which we have been using in the past is very, very unfair. It does not accomplish, I believe, what you are trying to have done.

I would just like to give you a few examples which I have taken from across the country as to what the effect of the resolution which you have just passed would have.

As an example, Aad Temple, under the resolution you passed, under the 45 cents coming down here, loses \$17.20 per Representative.

Now, Afifi Temple, out on the West Coast, makes \$393.55 per Representative.

Also, in connection with Aloha Temple, each Representative receives \$1359.85, which is more than the airfare. The actual airfare is only \$482.

Also, Jerusalem Temple would receive \$236 in excess.

Rameses gets \$127.55 in excess. Now, before proceeding, let me ask if there is anyone present that does not have one of these new proposals.

At this time, I would like to turn the gavel over to Dan.

...Imperial Sir Bowers assumed the Chair...

IMPERIAL SIR BOWERS: Have you all read what has been circulated to you?

IMPERIAL POTENTATE WECK: Perhaps I should comment on this right now.

As you can see from Item 25 as circulated to you, the first paragraph up there in relation to amending Section 205.1 is just exactly what you passed.

Now, what I proposed is down at the bottom of that page namely, to amend Section 205.1 (a) and (c) of Article V of the By-Laws of the Iowa Corporation, to take effect at the next Session of the Imperial Council, so that the subsections as amended will read as you see them there.

Let me add it will not be effective this year because the checks have already been drawn. However, I would like to substitute it in connection with future years.

With that, Mr. Chairman, I would like to move for the acceptance of that report. Of course, we still have to have the report of the Jurisprudence and Laws Committee concerning this issue.

...The motion to accept the above report was then duly seconded...

REPRESENTATIVE [Al Chymia Temple]: Mr. Chairman, I rise to a point of order.

IMPERIAL SIR BOWERS: What is your point of order?

REPRESENTATIVE [Al Chymia Temple]: I believe the action before us is with regard to Item 3 of the Call—to act on it.

IMPERIAL POTENTATE WECK: No, that has already been acted upon.

REPRESENTATIVE [Al Chymia Temple]: No, it has not. I thought the motion or action was to report back. We never acted on Item 3 as yet.

IMPERIAL POTENTATE WECK: Yes, we did move it and I believe it was voted upon and carried.

IMPERIAL SIR BOWERS: Let me say that Item 3 has already been adopted.

I will now call upon the Chairman of Mileage and Per Diem.

IMPERIAL SIR ANTHONY: Mr. Chairman, I move that this report be received.

...The motion was duly seconded...

IMPERIAL SIR BOWERS: You have heard the motion and the second, that it be received.

All in favor will say aye; opposed. It is received.

I will now call upon Bob Vetter.

NOBLE ROBERT VETTER: Imperial Sir, Imperial Sirs and Imperial Representatives: This report concerns the substituted Item 3 in the Call of the Session amending Section 205.1 Mileage.

Since the financial effects of the substituted proposal cannot be determined without consultation with the airlines for the exact cost for the 181 Temples, the Finance and Accounts Committee cannot report the effect at this time.

In addition, mileage and per diem checks for this Session have been prepared for issuance at the close of this Session based upon the present By-Laws. It would take a minimum of several weeks to prepare and mail corrected checks.

Therefore, your Committee on Finance and Accounts recommends that if the substitute proposal is adopted, that it be effective for the 1980 Imperial Council Session.

This is respectfully submitted by your Finance and Accounts Committee.

Imperial Sir, I would move that the report be received.

...The motion was duly seconded...

IMPERIAL SIR BOWERS: The motion is to receive the report and it has been seconded. All in favor will indicate by saying aye; opposed. It is accepted.

I will now recognize Jurisprudence and Laws, Ted Corsones.

NOBLE THEODORE CORSONES: Representatives, may I take one second of your time.

As a matter of clarification, let me say that what you did earlier, and I know there is a bit of confusion on it, is that earlier we got into talking about Item 3 which was to increase your mileage from 40 to 45 cents for this particular Session. You voted by the required two-thirds to amend the By-Laws so that before you leave today you will be receiving 45 cents rather than 40 cents per mile. Do you all understand what you did there?

Now, in connection with what is presently before you, this is not a substitute—this is actually a new proposal. This is a new proposal that has been handed out to you and it has been marked as Item 25 at the top. It is a new proposal by the Imperial Potentate to become effective at the next Session for future years unless you modify it.

This is what actually is taking place. Does everybody understand?

Now, in turn, this proposal has been referred by the Imperial Potentate to the Committee on Jurisprudence and Laws and our report concerning this matter is as follows:

NOBLE THEODORE CORSONES [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, a proposal submitted by Imperial Potentate Warren F. Weck, Jr., as authorized by Section 101.5(a) of the By-Laws of the Iowa Corporation, to amend Sections 205.1(a) and (c) of Article 5 of the By-Laws of the Iowa Corporation, to take effect at the next Session of the Imperial Council, so that said subsections as amended will read as follows:

“Section 205.1 Mileage Allowance

(a) Each Representative who attends a Session of the Imperial Council shall be paid a mileage allowance. It shall be equal to twice the daytime roundtrip coach, standard or most comparable class airline fare from the departure airport to the destination airport. The departure airport, except as provided in subsection (c), is the airport served by a regularly scheduled airline which is nearest to his Temple. The destination airport is the airport served by a regularly scheduled airline which is nearest to the city of the Session. Rates shall be obtained as of the first day of May of the year the Session will be held.

...

(c) If a Representative lives outside the state in which his Temple is located and nearer the place of the Session, the departure airport shall be that airport nearest his place of residence which is served by a regularly scheduled airline.”

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE
AND LAWS

R. J. Turley, Chairman

Robert E. Cooper
Mahlon W. Hessey

Robert W. Morrison

NOBLE CORSONES: I move you, Imperial Sir, the receipt of this report.

...The motion was duly seconded...

IMPERIAL SIR BOWERS: You have heard the motion and the second, to receive the report.

All in favor indicate by saying aye; opposed. The report is received.

I will now call upon Imperial Sir Warren Weck.

IMPERIAL POTENTATE WECK: We all have the amendment and I hope you understand that I think this was much fairer. I want to be absolutely fair with everybody. You are going to get paid all of your expenses, whatever they are, for you and your wife, or whoever you bring. (Laughter)

If I understand correctly, I think this is what you are trying to accomplish and I want to do what I think you Representatives want, as long as it is proper, and

I think it is a very appropriate thing. The Shrine has grown up over the years and all of our wives seem to accompany us and I think this is of great help to us.

Therefore, I would, at this time, move for the adoption of the substitute amendment to take effect as of the Imperial Council Session in 1980 and be effective in subsequent years.

... The motion was duly seconded. . .

IMPERIAL SIR BOWERS: The question is on Warren's motion to adopt the substitute amendment, Item 25 as presented to you, to become effective with the next Session. It has been seconded. Is there any discussion?

NOBLE ROBERT BAILEY [Orak Temple]: I think you have done an excellent job on preparing the new amendment. However, I have a question.

In the case of, for example, the Kansas City, Kansas and Kansas City, Missouri Temples; in the case of Zuhrah and Osman Temples; in the case of our Temple having to go to Chicago and we are only thirty-five miles from the airport—I don't know what you do about the home Temples but then this would eliminate any Temple adjacent to a larger city from receiving compensation because we have to go to that city in order to catch an airplane.

IMPERIAL POTENTATE WECK: As a matter of fact, this is in effect right now. For example, Zuhrah Temple Representatives received no mileage this time, nor would Osman, because they are here, and so this does not change that.

NOBLE BAILEY [Orak Temple]: I understand that but I was thinking that perhaps there might be some form of minimum for the home Temple and within a certain range from that Temple.

IMPERIAL POTENTATE WECK: Well, I do not know why the home Temple should receive expenses. Maybe you can get sixty cents and come down on the bus.

NOBLE BAILEY: However, you have the same expense that someone that comes from Texas or Indiana has, or whatever it might be.

IMPERIAL POTENTATE WECK: We have the same expense if they have a hotel room, but then they get paid for that. That is separate and that is not involved. You still receive your per diem. This only covers the mileage.

NOBLE BAILEY: I see, mileage only. Thank you.

IMPERIAL POTENTATE WECKS If they are there, then they are there.

... The question on the motion was severally called for. . .

IMPERIAL SIR BOWERS: Are you ready for the question?

Microphone 2.

NOBLE ITSUKU MURAKAMI [Aloha Temple]: Let me say, Imperial Sir, we certainly do not intend to make any money by attending these Sessions. We feel that this is the most equitable way of solving the problem. However, we will make it back from you when you come to Hawaii because you will keep Hawaii green.

... Laughter and applause. . .

IMPERIAL SIR BOWERS: Aloha.

Are you ready for the question?

All those in favor of the motion indicate by saying aye; contrary no. I declare this to be passed by the necessary two-thirds Constitutional majority.

... Imperial Potentate Weck resumed the Chair. . .

IMPERIAL POTENTATE WECK: Let me say, for the record, this has been moved, seconded and carried by unanimous consent.

Now, I do have to leave for a moment to go to a City Council Meeting but there is one thing I forgot to announce to you and that is that the checks that you will be receiving today are for the amount of 40 cents per mile. In about a week, you will receive through the mail, depending on how fast Uncle Sam is, the second check covering the extra five cents. That will come to you in the mail. (Applause)

... At this point, Imperial Potentate-elect Claypool assumed the Chair. . .

To the Imperial Potentate and Officers and Members of the Imperial Council:

As provided in Article #5, Sections 205.1 and 205.5 of the Bylaws and Code for the Imperial Council, your Committee on Mileage and Per Diem, in keeping with the law, recommends for those entitled to receive pay, forty-five (45¢) per mile one way by the shortest route available from the location of their Temples to Minneapolis, Minnesota and per diem expense at the rate of sixty-five dollars (\$65) for each day's attendance at the 105th Annual Session of the Imperial Council. If a Representative lives outside the state in which his Temple is located and nearer the place of the Session, he shall be paid mileage only from the place of his residence.

All members of the Committee on Jurisprudence and Laws shall receive sixty-five dollars (\$65) per day for four extra days. All members of the Committee on Finance and Accounts shall receive sixty-five dollars (\$65) for two extra days. All members of the Committee on Dispensations and Charters shall receive sixty-five dollars (\$65) for two extra days. All members of the Committee on Jurisdictional Lines shall receive sixty-five dollars (\$65) for two extra days. All members of the Committee on Grievances and Appeals shall receive sixty-five dollars (\$65) for two extra days.

Your committee recommends the adoption of this report.

IMPERIAL SIR CLAYPOOL: At this time we will have the report of the Imperial Treasurer.

IMPERIAL SIR MELHAM: Imperial Sir, Imperial Sirs and Representatives: I trust I can read my writing.

What with all the information contained in the book of reports sent on to you prior to your coming to this Session, plus the various Committee reports presented to you while here, together with the rush toward adjournment, I am sure you will expect me to be brief.

...Cheers and applause...

I would remind you that both corporations are solvent as of now. Both have temporary investment accounts to call upon for unforeseen or previously unappropriated items.

Also, the Endowment Fund, of approximately \$800 million, has an interest return yield of about seven percent, maybe a fraction above, which produces \$48 million, at least it did in 1978. This compares with total operating expenses of \$43 million in 1978.

However, what lies ahead?

There will definitely be higher operational costs in the future, especially in relation to staffing and personnel, some of which command, in today's market, tremendously high salaries compared to former years. Also, there is the matter of continuing inflation and who has the answer to that and, further, what rate of increase can be expected, let us say, even in the next three years.

However, assuming an eight percent compounded rate of increase, we will need, as some of us estimate, another \$200 million added to our Endowment Fund, which will then total approximately \$1 billion, which, at a six percent average yield, would just about cover the anticipated expenses during these next three years. This in itself is food for thought, I think, for those who continue to say that the Shrine has enough money, more money than it ever needs. However, I am sure you will realize, as I know I do, that there will be greater need for additional funds, especially as we strive to continue our excellence in our philanthropic operations, plus those additional things that may come to us for action by virtue of research programs that are now ongoing.

Imperial Sir, I would move for the acceptance of this report and that it be contained in the proceedings of this Session.

... The motion was severally seconded...

IMPERIAL SIR CLAYPOOL: We have a motion and a second that the report of the Imperial Treasurer be accepted. Are there any comments?

If not, all in favor will indicate by saying aye; opposed. The report is accepted.

Now, you heard my report in connection with Cleveland and some of you have met with me and so I am not going to cover anything insofar as the Convention in Cleveland is concerned, except to tell you that we have beautiful facilities up there—have a Convention Center of about fourteen acres under one roof and we intend to show you a great time in Cleveland.

We would like to have all of you bring your Units but we know that is impossible.

Now, I am going to have the other Imperial Officers, at this time, tell you what their plans are in relation to their Conventions. I will first recognize Dr. H'Doubler.

IMPERIAL SIR H'DOUBLER: Thank you, Imperial Sir Chuck.

I am going to call on my Director General, Noble Vita, to tell you about it. This will also give you all an opportunity to see what he looks like and to talk to him before you leave the Convention.

NOBLE GERALTO J. VITA [Jerusalem Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Past Grand Masters, my Fellow Representatives and Nobles all: First of all, I would like to introduce myself.

My name is (he then recited his name in Italian) and they call me "Joe". (Laughter)

Fellows, I bring you a welcome from our State of Louisiana and New Orleans. We are a fun city and we are going to put a shot into the arm of the Imperial Council Session in 1981.

Now, our state bird is the pelican and I would like to say, to our new Captain of the Guard, Ed McMullan, that the pelican is a big bird that sits in the center of our state with its right wing extended over to the warm waters of the Pacific Ocean, its left wing extended over into the cold waters of the Atlantic Ocean, its feet set in the cool warm waters of the Gulf of Mexico and its tail resting over Canada and the only thing I can say here is "beware, Canada, beware". (Laughter)

However, all joking aside, I would like to thank Imperial Sir H'Doubler for selecting our city and appointing me as his Director General for the 1981 Imperial Session.

The last time we had the pleasure of having the Imperial Session in New Orleans was in 1910 and so now we are going to work hard to make this a big Convention so that we can get you back to our beautiful City of New Orleans.

New Orleans is a delight to the senses. You just do not see this city—you feel it. There is music in the air, everything from jazz to opera to the excursion boats on the Mississippi River and streetcar that clangs down the streets. These are images that you will capture forever.

New Orleans and its rich history is remembered in its many Antebellum homes, parks and monuments and its hundreds of fine restaurants throughout the city and state.

Jazz provides the flair that makes New Orleans the good time place that it is. You cannot be in New Orleans and not hear jazz played and you cannot hear jazz played without becoming a part of the excitement and fun that is New Orleans. This is the city that care forgot. You can hear Dixieland jazz, progressive jazz, funeral jazz, religious music, street music and even the blues. It is all in New Orleans. New Orleans is alive and swinging twenty-four hours a day.

Housing will be no problem. I can tell you that much. This Session, I believe, we can put into five hotels in the downtown New Orleans area. We have over 12,000 hotel accommodations within the central business area of New Orleans and if we have to step out of a one-mile area, we can accommodate you with over 18,000 rooms. Further, if we have to go five miles out into the area, we have some 22,000 rooms available. Therefore, please have no fear about housing because we have it.

We want you to come to New Orleans.

It will be a guaranteed five-night Convention and I am sure you are going to be staying a little longer than five nights because there are a hell of a lot of things to do in New Orleans. Again, we want you to come to the city that care forgot and really enjoy yourselves there.

Also, I want to say that Imperial Sir H'Doubler and I hope to see all of you fellows next year at Cleveland and, further, while I am at the microphone, I think we should give our Director General of this Convention a rising hand of applause. How about it, fellows?

... Rising applause ensued...

IMPERIAL SIR CLAYPOOL: Thank you very much.

We come now to the new Imperial Chief Rabban, Randy Thomas.

IMPERIAL SIR THOMAS: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives all: It is a pleasure for me to come before you again today and tell you that we have selected Orlando, Disneyworld for the 1982 Convention.

Disneyworld itself has committed 1500 rooms on the grounds for headquarters. Now, to give you further details, I am going to present and introduce to you, so that you can see what he looks like, my Director General, Merve Henning.

NOBLE MERVE HENNING: Thank you, Imperial Sir Randy.

Imperial Sir, Imperial Sirs and my Fellow Representatives: You have had a little orange envelope on your chairs this morning and if you will open it up you will see that we want to invite you to Orlando in 1982.

This is going to be a fun-filled family type of vacation. We have in excess of 30,000 rooms in the immediate Central Florida area and we have over 21,000 rooms committed by the Hotel-Motel Association for this Convention.

In addition to Seaworld, if you have never been to Central Florida, we have the Circusworld, the Kennedy Space Center, Cypress Gardens and the beautiful beaches of both the Gulf and the Atlantic Coast.

Also, Imperial Sir Randy has decided to shorten his term of office because he can accomplish much more in eleven months than most of them need in twelve or

thirteen months. Therefore, the Convention dates will be, and you may desire to mark this down, June 13-19, 1982. This time has been picked because the weather at that time is very nice and comfortable. It should not be very hot, just be a nice, relaxing vacation type of Convention for all of you.

Therefore, with that, let me urge you to mark your calendars early and plan to come to Florida in 1982. Thank you very much.

IMPERIAL SIR CLAYPOOL: Next is Dan Bowers.

IMPERIAL SIR BOWERS: Imperial Sir, Imperial Sirs and Fellow Representatives: Last year this august body elected to hold the 1983 Session in the City of Denver and the foothills of the Rocky Mountains in Colorado, the vacationland of the United States.

I look forward to having you gentlemen there.

My Director General will be a Past Potentate of El Jebel Temple, Robert Pond.

We have, within six miles of downtown Denver, some 10,000-plus rooms, Class A rooms. The last Session there was held in 1960.

I hope that you will make plans to come to this great vacationland of Colorado, for two weeks or more if you so desire. Therefore, make your plans and join us in the great State of Colorado for 1983.

The Hilton will be the headquarters hotel and, as you may know, the Brown Palace and the Fairmont are being finished almost at this moment. We will hold everything under one roof, other than the banquet, which will probably be at the Regency, where we can easily feed 3,000 people.

I look forward to seeing all of you at the Session in 1983. Thank you.

IMPERIAL SIR CLAYPOOL: Now, Dick, are you ready for your report?

IMPERIAL SIR OLFENE: Imperial Sir, Imperial Sirs and my Fellow Representatives: Under the present schedule, and if you will continue to support me, I hope to be elected the Imperial Potentate at Dan Bower's Convention in Denver in 1983.

We are going to have you at what I think is a wonderful city to hold the 1984 Convention and Imperial Council Session. I now give you, to explain this to you, the Potentate of Aleppo Temple.

Henry L. Thuotte.

NOBLE HENRY L. THUOTTE [Aleppo Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: In accordance with the By-Laws, Article 24, Section 324.3 of the By-Laws of the Imperial Council, a special meeting of Aleppo Temple was held on Wednesday, May 18, 1977, for the purpose of acting on a resolution indicating that the Officers and Nobles of Aleppo Temple do hereby express their wish and desire that the Imperial Council be invited to meet at Boston on some agreeable date in the next few years. The Aleppo Temple Officers and membership will be delighted to host an Imperial Session in Boston within the next ten years. This is, should it be the desire of the Time and Place Committee to consider Boston.

Imperial Sir Richard Olfene, in view of this resolution, I, as Potentate of Aleppo Temple, am most pleased and honored to extend an invitation to this Imperial Council to hold the Imperial Session the week of July 1, 1984, in Boston, Massachusetts.

I would move for the acceptance of this report.

IMPERIAL SIR CLAYPOOL: All in favor will indicate by saying aye; opposed. It is unanimously carried.

IMPERIAL SIR OLFENE: I know you are going to enjoy a city of great history and you are just going to have a great time in 1984, the first week of July. Now, just to introduce him and so you will know this man by sight when you see him around during the next few years, the man who will be the Director General of this Convention, I present to you a Past Potentate and Vice Chairman of the Boston Burns Unit and just a terrific fellow, Fred Spencer.

Fred, will you please come up here so they will know you?

NOBLE FRED SPENCER: Imperial Sir, Imperial Sirs and Nobles all: It is a great deal of pleasure for me to stand before you and I know I will work my darndest to give you the best Imperial Session in Boston in 1984. We hope to see you there. (Applause)

IMPERIAL SIR CLAYPOOL: Now, Nobles, this is not on the agenda but I know it has been four years since we have had a seminar, the last one being in Dayton, Ohio.

All of the men on the Elective Divan this time will be Past Potentates next year.

Some of the things that are important to the Temples and to the Imperial Shrine have been slipping a little bit and I think it is time we should hold another seminar in conjunction with the SDA. A lot of you people will attend anyway and it would be in Columbus, Ohio. Of course, you are not forced to come but if you want to come I think we could have a great seminar, with a lot of programs in there that would be beneficial to your Temples.

At this time I would like to have a vote. I don't say that it is really going to be but how many of you would like to have a seminar next year? Would you just say "aye". How many opposed. Well, I hear no opposition and so we will have a seminar at Columbus, Ohio.

At this time I would like to have the Assistant Rabban of Midian Temple and also the Grand Master of Kansas, approach the podium, W. Nolan Artz.

NOBLE W. NOLAN ARTZ [Midian Temple]: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Representatives, Most Worshipful Grand Master and Nobles all: You know, it is a real pleasure to have this opportunity of being the Grand Master of Kansas and also a Representative to this Imperial Session from Midian Temple at Wichita. I would like to just share with you a moment as to what I observed yesterday at this Imperial Session.

You know, Nobles and Brothers, yesterday, we as Shriners, were put to the test. We passed that test as Master Masons and Shriners and so, this morning, as a Grand Master, I can say, being a Grand Master, I think it is now the time for the Grand Masters and the Grand Lodges to put themselves to a test and let us bring Masonry into the twentieth century. (Applause)

As I have come up the line in the Grand Lodge I have traveled the world over and I have studied Masonry, the documented history of Masonry and not a lot of heresay and tradition.

I am concerned about the continuation and the growth of Masonry and all appendant bodies, and this includes the Shrine.

I want to share with you for just a moment, some statistics concerning the Grand Lodge of Kansas and this can also apply to your Grand Lodges because most of all Grand Lodges have had a continuous loss of membership in the past many, many years.

There are only four Grand Jurisdictions that had a gain of membership during this past year. This only amounted to 1200 Master Masons.

In Kansas, some twenty-three years ago, we had 101,000 Masons. In the past twenty-three years, we have suffered a steady decline of membership, having lost some 29,000 Masons, and today we have 72,000 Masons in Kansas.

If we continue with the same decline of membership in the next fifteen years as we have had in the past twenty-three years, the membership from Kansas and the Grand Lodge will be down to 25,000 Masons.

We have a problem—all Grand Lodges have a problem—the Shrine has a problem.

Here is an institution, which we heard yesterday, has \$800 million in endowments and over a billion dollars in total assets and yet here we are involved in a declining membership cycle and, of course, it is tragic. We must turn that around and do something about it.

Just look around here this morning—each one of you look at the person next to you and add fifteen years to his age and see where we are going to be in

fifteen years. Just look at these individuals about you because we are not going to have anybody new because we are not gaining membership. It is just that important.

We have to go to work. Now, each one of you here are leading business people in your communities. You do not run your businesses without working at it. I'll bet, for example, that each one of you have called home this week several times to see what your business is doing. This is especially true if you are growing and being successful. However, on the other hand, I will bet you that not one of you called your Grand Lodge office or your own Lodge in your community and asked them how many new petitions had been taken in this week. No wonder we are not growing, because we are not working.

Let us work and just not give lip service.

I will tell you what I have done this year in Kansas as Grand Master to see if we cannot do something to reverse our declining membership and still maintain Masonry as we know it and maintain the landmarks of Masonry which we cannot change.

I have issued blanket waivers in the State of Kansas. I have allowed waivers of proficiency in the First and Second Degrees. I have allowed waivers of the waiting period between the conferral of Degrees and also have allowed a group conferral of Degrees. I have done this to see if in these changing times it might not be a little easier for our Lodge Officers to work and give people interested in Masonry, make them a Master Mason and then continue to work with them but in no way to cheapen Masonry at all. We still have the same balloting and investigation we have always had in connection with members. We want to maintain that.

We want Masonry to be a vital part of our community as it always has been and also a vital part of Shrinedom. However, it cannot be this unless we all work at it.

What we are witnessing today is just tragic. For example, sitting in my position as Grand Master, one hates to see these reports come in from Lodges that are just dying because they are not working.

I would urge all of you to go home from this Imperial Session and work in your Blue Lodges and in your Grand Lodges and bring them up to the twentieth century.

I would say, when you get home to your various jurisdictions, you should never step away from your house without a Blue Lodge petition in your pocket. Without a Blue Lodge petition in your pocket, you are like a salesman without an order book. How many of you would keep salesmen in your organization if they did not carry an order book with them? You would fire them on the first day you saw them without their order book.

You need to be fired up about Masonry if you are going to work for it. It is just that simple.

Fellows, I know it is going to work because I am an optimistic person. I love Masonry and I am sure we all love Masonry and it is going to survive and the Shrine is likewise going to survive and we are all going to grow.

I hope that within two years I will be the Potentate of my Temple and that in two years I will just see the Grand Lodges having reversed their declining membership and that we will all really be working together in a great happy Masonic family.

Thank you very much. (Applause)

IMPERIAL SIR CLAYPOOL: Thank you very much for those comments. Now, I will recognize Imperial Sir Thomas for a comment that he has to make at this time.

IMPERIAL SIR THOMAS: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Grand Masters and my Fellow Representatives: I rise at this moment to share with you and to present to you a grand individual that I have worked with for many years. This individual, when I came into the Shrine, was working in ceremonial casts. He still works in these ceremonial casts. When

I was the Master of my Lodge, he was a Past Master and he is still working with that unit in Morocco Temple. He has come to my Lodge on many, many occasions and put on Degree work.

Likewise, when I was a District Deputy, this gentleman helped me immensely. He is now serving as the Grand Master of the State of Florida and he has re-appointed me to the Investment Committee of the Grand Lodge.

Therefore, I would like to have you Representatives recognize and give a rising round of applause to Franklin Smith, Grand Master of Florida. (Applause)

...Imperial Potentate Weck resumed the Chair at this point...

IMPERIAL POTENTATE WECK: The next item of business concerns the report of the Finance and Accounts Committee, Bob Vetter.

...Business was conducted in the Colorado Corporation at this time...

...Noble Vetter presented the reports of the Finance and Accounts Committee as contained on the following pages with respect to the income and expenditures for the Imperial Council, Iowa Corporation, with the Representatives, by unanimous action, approving the adoption of the Report for the Year 1978 as submitted, adoption of the Report of the Revised Budget for the Year 1979 as submitted and adoption of the Tentative Budget for the Year 1980 as submitted...

Imperial Sir, I move the approval and adoption of the Revised Budget for the Year 1979 as submitted.

TENTATIVE BUDGET FOR THE YEAR 1980

It is necessary that funds be appropriated for the incoming Imperial Potentate for the Year 1980. Your Finance and Accounts Committee, therefore, proposes a Tentative Budget for the Year 1980 based entirely upon the Revised Budget for the Year 1979, and recommends that appropriations be made for the Year 1980 to cover the items as listed in the 1979 Revised Budget above set out.

Imperial Sir, I move that the Tentative Budget for the Year 1980 be approved and adopted, as submitted.

The three Reports set out above are respectfully submitted.

H. Richard Hansen
Mervin D. Henning
George W. Powell
C. James Litton
Charles Emmett
Robert G. Evans, Sr.

IMPERIAL POTENTATE WECK: I will now recognize Sewell Lamdin.

NOBLE SEWELL LAMDIN: Imperial Sir, Imperial Sirs and Fellow Representatives: The Grievances and Appeals Committee worked the entire year. When you go home, we go to work.

I do think that at this time I would like to take this opportunity to thank the other members of the Committee and I would like to introduce them for you.

First, from Afifi Temple, Judge John D. Cochran. If he is in the room, would you please stand. There he is. (Applause)

The Potentate of El Mina Temple, Gordon R. Pate. He is an attorney down in Beaumont. (Applause)

From Hamaša Temple, James T. Singley, Meridian, Mississippi.

From Irem Temple in Pennsylvania, Charles D. Lemmond, Jr. He is an attorney. (Applause)

John M. Rennell of Kalurah Temple, an attorney up in Binghamton, New York. (Applause)

Also, we had a little disappointment this year. Bob Hinds of Mecca Temple could not be with us and he was replaced by Gerald Groat of Moslem Temple, a prosecuting attorney at Detroit, Michigan.

Thank you, gentlemen, for your help.

IMPERIAL POTENTATE WECK: We have just about completed our items of business. I would ask that you remain in your seats after the installation of Officers because at that time, Imperial Potentate Claypool will announce appointments of his committees. Therefore, we will not be adjourning until after those committees have been appointed.

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs and Representatives: Some of you who have been coming to these Sessions year after year, I think, have observed that the Jurisprudence and Laws Committee, of which I have been honored to serve as Chairman, work and work hard. I would like to tell those of you who are here for the first time that you will see them do that year after year after year.

I would like to thank them, commend them for the work they have done night and day before the Session started to get all of these reports ready for you and help you deal with the business of this Session. I would like for you to know that I thoroughly appreciate the magnificent job they do and would you thank them with me. (Applause)

IMPERIAL POTENTATE WECK: I understand that while I was absent for a short period of time that some thanks were expressed.

At this time I would like to thank Rollie Chapple personally, my Director General for all the work he had done over these many years and for getting the session

ready. To me it has worked out just perfectly and I hope you have enjoyed every minute of it.

I also want to thank my Potentate, Don Hoglund and the Divan and the hundreds and thousands of Zuhrah Temple members who made all of this possible.

It was not my job—it was all the things they did and please give them all a round of applause.

... Rising applause ensued...

I also want to thank all of the committees who have worked so hard this year performing all of the tasks and the many tasks that were necessary to keep the Shrine going.

I want to thank all of you Representatives for your cooperating in making these business Sessions what I considered to be a great success. We have accomplished a great deal.

We are just about ready to wind it up here at this time and so I am giving you my hand for the great work that you have done. I wish you a safe journey back to each of your homes.

NOBLE J. C. NICHOLS [Ainad Temple]: Imperial Sir, you are giving out a lot of plaudits and I do want to thank you also. This is my thirtieth year as Representative. I want to thank you, Imperial Sir, for the fine businesslike, fair and impartial manner in which you have conducted this 1979 Imperial Session. I think you have done a very marvelous job. How about it, fellows?

... Rising applause ensued...

IMPERIAL POTENTATE WECK: Thank you, thank you very much. I appreciate those kind words and I want to assure you that I have tried to do the best job that I could.

I will now recognize Imperial Sir George Saunders.

IMPERIAL SIR SAUNDERS: I would move, Imperial Sir, that all of the acts and transactions of those who have acted as Officers and Directors of the Imperial Council, Iowa Corporation, for the past year, as well as those actions taken at this Session, be ratified and approved.

... The motion was severally seconded, was voted upon and declared to be unanimously carried...

... Business was transacted in the Colorado Corporation at this time...

PAST IMPERIAL POTENTATE BROCK: Imperial Potentate, Imperial Sirs, Illustrious Sirs, my Fellow Representatives: We are now about to install the newly elected Officers for the ensuing year.

The old Order changeth, yielding place to the new.

I will ask the Imperial Marshal, Imperial Sir Klepper, to present the newly elected Officers for installation.

... Whereupon, the Imperial Officers to be installed were placed in proper position by Imperial Sir Klepper...

PAST IMPERIAL POTENTATE BROCK: Imperial Sirs, if you will say "aye", pronounce your name in full and repeat after me the Obligation.

... The Imperial Officers repeated their Obligation of office...

PAST IMPERIAL POTENTATE BROCK: And now, Imperial Sir, if you will step forward.

I present to you your newly elected Imperial Potentate. Nobles, behold him and salute him in a manner which is appropriate to his great office.

... Rising applause ensued...

... At this time, Imperial Sir Claypool repeated his Obligation of office as Imperial Potentate...

PAST IMPERIAL POTENTATE BROCK: And now I would like to have the Immediate Past Imperial Potentate step forward.

Imperial Sir, you have had a great year. It has gone all too quickly but I am sure you have enjoyed it to the fullest and so has your fine family.

It was my privilege to stand on this podium a year ago, which has gone by all too quickly, and to install you as the Imperial Potentate. It was a real honor.

I wish you Godspeed, you and yours, and may the future be bright for you for many, many years to come. (Applause)

And now to the new Imperial Chaplain, the Imperial Recorder, the Imperial Outer Guard and the new Trustee, Mahlon Hessey, I am fully aware that each of you Nobles are cognizant of the fact that you have been elected to the most outstanding family in all this world, the greatest Fraternity conceived and God ordained.

You will be a member of this great family and each year you will find friendships beyond your fondest hopes, dreams and aspirations. I am sure that these years will be fruitful and happy to you and I welcome you each to this Imperial Family. (Applause)

And now the Imperial Chaplain will present the new Imperial Chaplain with his Fez.

REVEREND VOGT: It is my great privilege and honor to present the Fez and Jewel to the Reverend Edward Puff, the Chaplain of Antioch Temple, Dayton, Ohio.

Before I do so, Ed, I want to thank Warren Weck and all of the Imperial Officers for an absolutely magnificent year, one of which I shall remember all of my life and I shall keep Shrinedom and Masonry in my heart forever and will keep you all in my prayers and I pray God I shall also remain active to the end of my days in Masonry and Shrinedom.

...At this point, the presentation of the Fez and Jewel of office to Reverend Puff ensued... (Applause)

REVEREND EDWARD PUFF: And now, may I have the honor as I accept the Imperial Chaplaincy, both to give my blessing to the Imperial as well as now to present to our Past Imperial Chaplain, Chuck Vogt, a Brother with me in the ministry of our Lord Jesus Christ and a fellow worker throughout the years in the ministry of the church, with the Jewel of his office, congratulating him upon the splendid record of faithfulness in leadership and the ideals of Shrinedom and the commitment of his heart to our great Order, the greatest philanthropy in the world.

...Presentation of Past Imperial Chaplain's jewel to Reverend Vogt and applause ensued...

PAST IMPERIAL POTENTATE BROCK: And now I will recognize Imperial Sir Bob Turley, who has a presentation to make.

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs, Representatives: Because of the magnificent manner in which he has served you as Imperial Potentate, as attested to by your applause most recently given him, it is a great honor for me to present to Past Imperial Potentate Warren Weck his Past Imperial Potentate's Jewel. It is inscribed on the reverse side—"Warren F. Weck, Jr., Imperial Potentate. Elected, Detroit, Michigan, July 12, 1978; retired, Minneapolis, Minnesota, July 13, 1979."

I know you join me in saying to him that we fervently hope his retirement from this office is not his retirement from future service to the Shrine, its Hospitals and this Imperial Council.

...The Representatives arose and applauded as Imperial Sir Warren F. Weck, Jr. received his Past Imperial Potentate's Jewel...

IMPERIAL SIR TURLEY: I also have been accorded the privilege of placing on his head the Past Imperial Potentate's Fez, bearing three golden stars and two silver stars, as our tribute to him and to his years of service.

...Presentation of the Past Imperial Potentate's Fez then likewise ensued...

PAST IMPERIAL POTENTATE WARREN F. WECK: Thank you, Bob, and thank you, all of you. If I may serve in any capacity at any time, I am most willing to help. This is my fervent desire. (Applause)

PAST IMPERIAL POTENTATE BROCK: I will now recognize Imperial Sir George Stringfellow.

PAST IMPERIAL POTENTATE STRINGFELLOW: Imperial Sir, George Washington

Powell, it is a great pleasure to me to present to you this Imperial Fez, which I know you have sought and you have been overwhelmingly approved to wear.

...Presentation of three-star Fez to Imperial Sir Powell ensued...

I extend to you my sincere congratulations and I would also present you with the Jewel of your office.

...Jewel presentation likewise ensued...(Applause)

IMPERIAL SIR POWELL: Thank you so very much.

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs and Representatives: No one could seek or enjoy more the privilege of serving you than have I during the ten years that I have served as Chairman of your Jurisprudence and Laws Committee and, to me, this year accorded the special privilege of serving as Imperial Recorder between the grand old man of the Shrine, George M. Saunders, and a bright new star shining in Shrinedom, Jack L. Jones. It is a privilege that I neither sought nor even dreamed of having. I appreciate it much more than I can ever tell you.

It is because of that now that I have the honor of presenting to the new Imperial Recorder, Jack Jones, his Jewel of office and the Seal of the Imperial Council of the Shrine of North America.

...The presentation of the jewel and Seal ensued...

Jack, my congratulations to you, Imperial Sir. Wear that Jewel and use this Seal with honor to both yourself and to this great Fraternity.

IMPERIAL SIR JONES: Thank you very much, Imperial Sir.

PAST IMPERIAL POTENTATE MORRISON: Imperial Sir, Imperial Sirs and Fellow Representatives: Naturally, it is pretty tough to follow a man like Bob Turley, who is a trial lawyer and faces everybody every day. However, in my case, I am retired from business. However, Jack, it is my pleasure to place upon your head the Fez of a new Imperial Recorder and I certainly hope you will wear it for many, many years to come. I have known you for quite a while now and a lot of the Representatives evidently have also. I know you will be a wonderful replacement for what we have had in the past, which has just been tremendous.

Therefore, it is now my pleasure to place this Fez upon your head, the Fez of Imperial Recorder.

...The Representatives applauded as the Fez of the Imperial Recorder was placed upon the head of Imperial Sir Jones...

IMPERIAL SIR JONES: Thank you all, thank you, each and every one of you. I shall promise you that I will do the very best job that I can. (Applause)

PAST IMPERIAL POTENTATE BROCK: And now, Imperial Sir Warren Weck, do you have a presentation to make?

PAST IMPERIAL POTENTATE WARREN WECK: Imperial Sir, Imperial Sirs and Representatives: It is a privilege for me to deliver this Imperial Council Imperial Potentate's Jewel to Chuck Claypool. Chuck and I have known each other for many, many years. We have traveled together as candidates. It has been a real honor to have him as my Deputy Imperial Potentate.

He has served you well these past years and I know he is going to have a most outstanding year.

...Presentation of Imperial Potentate's Jewel to Imperial Sir Claypool ensued...(Applause)

PAST IMPERIAL POTENTATE BROCK: And now, Illustrious Sir, Mahlon Hessey, will you come forward.

I do not know whether you have a Fez to be presented. However, we all nevertheless welcome you aboard as a Trustee and perhaps at this point you may wish to say something to the Representatives.

ILLUSTRIOUS SIR MAHLON HESSEY: I have had the opportunity of having a very distinguished father and I have always been brought up to feel that service to humanity is the best work of life. It is a rare privilege to be elected as a Trustee of Shriners Hospitals and I hope that I will be able to contribute to this effort.

Thank you all for your confidence in me. (Applause)

PAST IMPERIAL POTENTATE BROCK: I will now recognize Imperial Sir Peter Val Preda.

PAST IMPERIAL POTENTATE PETER VAL PREDa: Thank you very much, Carlyle.

Imperial Sir Charles Claypool, and to all of you Representatives here today, I have the extreme pleasure of placing the five-star Fez of the Shrine of North America on the head of my friend, Mason, Shriner and leader of the Shrine of North America, Imperial Sir Charles J. Claypool.

...The Representatives arose as the Fez of Imperial Potentate was placed upon the head of Imperial Sir Claypool...

PAST IMPERIAL POTENTATE BROCK: Now, Imperial Sir, you have received the badge of your authority as the Imperial Potentate of the Shrine of North America and likewise the official Fez with its five stars emblazoned thereon.

I am now thinking of the words—"the shouting and tumults cease; the captains and the kings depart" and to you, Imperial Sir, as I present this gavel to you, you will wield it, I am sure, with justice and equity and honor to this Imperial Council.

I wish for you a joyous year, the grandest of your life, for I am sure it is well deserved and for your Grand Family, Godspeed and carry on, Imperial Potentate Chuck Claypool.

...The Representatives again applauded as the gavel was presented to Imperial Potentate Claypool...

PAST IMPERIAL POTENTATE KLEPPER: Imperial Sir, may I, as Marshal, declare them regularly installed so that I can have this in the record. I now declare the Imperial Officers duly and regularly installed. Thank you.

IMPERIAL POTENTATE CLAYPOOL: Imperial Sirs and Representatives: At this time I would like to appoint the standing committees for 1979 and 1980.

...Whereupon, Imperial Potentate Claypool read his appointments to the various standing committees for the year 1979-1980...

IMPERIAL POTENTATE CLAYPOOL: Gentlemen, let me say to you that the only appointments I am making today are those concerning the standing committees. I am looking forward this year to working with all of you.

I think my program is "team work".

With regard to some of these appointments, I have set down and discussed them with the Deputy Imperial Potentate and the Imperial Chief Rabban so that we may have some continuity.

In relation to everything I do this year, I am going to work with my Imperial Divan. I will not be a one-man show. Further, I hope to work with all of you and with your help and the help of my Imperial Divan, I hope we can have a great year.

Now, I again thank all of you very much and, at this time, I will declare this Session closed.

...Whereupon, at ten-thirty o'clock a.m., the Session was adjourned...

GREETINGS:

The following detailed statements of transactions of the General Offices for the fiscal period January 1, 1978 to December 31, 1978, both dates inclusive, are submitted by your Imperial Recorder.

The report of the Imperial Auditor showing complete information on all receipts in the General Offices and all remittances made to the Imperial Treasurer together with the record of payment of all bills, checks for which are prepared in the General Offices, has been submitted and your attention is directed thereto.

The election returns for 1979 of the 181 subordinate Temples reflect that there are Representatives to the Imperial Council for 1979 as follows:

	*Total Number	Total Votes
At Large	12	12
Ad Vitam	16	15
Emeritus	83	68
Elected	720	720
Appointed	1	1
Total		816

*Includes duplications

At the end of our last calendar year, the Temples Annual Reports showed a total of 941,799 Nobles plus 3,469 Associate Members on the active rolls of membership, and Permanent Contribution Member certificates were held by 90,046 Nobles, which relieved them of paying the Annual Shriners Hospitals Assessment.

The net gain in total Shrine membership for the year 1978 was 2,091 Nobles. The membership details reflected in Annual Temple Reports are printed as part of this report. It will be noted that 82 Temples report a loss in membership, with 99 Temples reporting gains over the previous year, some of which are extremely small.

The Associate Membership total of 3,469 must be added to the total membership figure of 941,799 for the year to make a total overall in all Temples of 945,268 members since Temples profit financially from Associate Memberships.

I want to urge all Temple Officers to give more of their time to working on the many facets of Temple Membership. While the Shrine continues to show some gain in membership each year, it is not as much as it must be to

keep ahead as we should. Your greater effort personally will do the job. It is true that many of the other Bodies continue to show a loss each year and that in itself requires the Shrine to work harder and devote more thought to the membership problem. Give more thought to holding in active membership those now on the rolls. Currently, we barely hold even by only adding enough to replace the Deaths. Watch your suspension list very carefully and organize your membership committee to call on all Nobles that are delinquent in payment of dues. In most instances you can collect this item if you work at it. If they really cannot afford to pay, the Temple should remit the dues. As Shriners we must do our very best to keep our membership well on the increase each year. Lending help to DeMolay and grass roots Masonry may well be our method of salvation for the prosperous future of our Order.

Imperial Potentate, Warren F. Weck, Jr., and his lovely lady, Gen, have done their best throughout the year in promoting the best interests of the fraternity. They have given every waking hour of their time to the work they love so much, and they have made a wealth of staunch friendships throughout the continent by their unselfish service. I want to extend my personal and sincere compliments to them for a big job so eminently well done.

Again we have many new faces in the ranks of the Temple Recorders and I want to welcome them to our service and extend to all Recorders and their staff members, my sincere thanks for their splendid cooperation and dedication to Shrine service.

Membership is a subject that is uppermost in our minds as we close the year's work. Each Temple is urged to devote more time and effort on developing a gain in membership. We are now working in our second hundred years as a fraternal organization and we must apply more effort if we are to reach the million Nobles goal we have so fervently worked to attain.

"EACH ONE BRING ONE"

is not at all impossible if all Temples will "organize, delegate, and supervise" the work of their Nobles. Every Noble can either bring in at least two new members by taking the petitions of his friends into a Lodge and following them through to the Shrine—

OR get the petition of those who are now eligible for the Shrine—

OR secure Nobles by affiliation who live in the area and are carrying a demit from their former Temple—

OR secure Nobles by reinstatement who have been suspended by their Temple.

GET at least TWO before you are through. One to replace you when you are gone, and one for the Temple to grow on. REMEMBER GET TWO BEFORE YOU ARE THROUGH.

Let's all make the year ahead, Membership year, and a real drive for more Nobles. See that all Nobles are given something to do in Shrine work because busy Nobles are happy Nobles.

SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

Our great charity work, Shriners Hospitals for Crippled Children, celebrated 57 years of service this year with our first hospital opening September 16, 1922. We now operate a chain of 21 such Units located at strategic points throughout North America, 18 orthopedic units and 3 burns units, with one in Mexico, one in Canada, one in Honolulu, and 18 in the continental United States.

Since our beginning in this great work we have treated without charge, more than a quarter of a million underprivileged crippled children, as in-patients, and as out-patients and this regardless of race or creed. We as Nobles of the Mystic Shrine can take great personal pride in these accomplishments.

Yet this is only a very small part of the work done by the Shrine in its program to make a great contribution to humanity throughout the entire world of today. Any place in this whole wide world you will find medical men who have either received a part of their professional training in our Units themselves or they have profited by the research done in our Units of Shriners Hospitals for Crippled Children or by the papers presented by the doctors in our hospitals in seminar sessions.

The Shrine is the one organization operating today that operates its great charity work without the benefit of financial help from taxes or government. The funds to operate these charitable hospitals come from the Nobles and their friends who contribute their own time and effort without remuneration.

Shrine work is our work and we take great pride in the dedication of our staff to all the details of helping Temples with their problems. We are happy to lend our help in improving our image with the public as well as with our Masonic Fathers.

The Shrine is the organization that provides the greatest help in promoting membership in all prerequisites as well as the Shrine itself. This, of course, includes the work of the Order of DeMolay for young men.

The Order of DeMolay is a character building organization of young men from thirteen to twenty-one years of age, who are seeking to prepare themselves as better leaders and citizens for tomorrow by developing those traits and strengths of character of all good men.

The organization has carried out the aforementioned goals for well over 59 years through educational programs, programs of athletic competitions, social activities, civic service, and charitable projects.

We call upon all our Nobles to join in saluting the young men of the Order of DeMolay and in expressing our grateful appreciation of the fine examples set by these young leaders in contributing to the welfare and character of the other young men in their community, thus aiding in the development and leadership of tomorrow. We owe it to our sons and their friends to advise, council, and direct them in their formative years to manhood. They are our leaders of tomorrow.

Following, you will find statistics that have been compiled for your use; study them and compare the history of membership of the principle Bodies of Masonry. We owe them our help.

May Allah guide us as we proceed on into the second hundred years of the work of the Ancient Arabic Order of the Nobles of the Mystic Shrine.

Since I am retiring at year's end, it seems natural that I reflect on the years I have served as Imperial Recorder. In 1948, I was elected Imperial Recorder with an overwhelming vote—the largest vote received by a candidate in Imperial Council history. My Shrine record was a good meaningful, contribution to Shrine work. As Recorder of Ararat Temple, I had been active in the founding of the Central States Shrine Association in 1938, and was elected its Secretary; I served in that office until 1954, and was pleased that the Association elected me an Honorary Past President; I have continued to attend, and contribute, and enjoy the meetings of the Association. Enduring friendships is a balm to the spirit, a friendly fraternal greeting means much in today's busy, competitive, and cynical world. The courtesy and consideration extended to me all these years by my Shrine Association is valued for its true worth.

While Recorder of Ararat Temple, I concentrated on "membership" and "fund raising" as money was scarce. The Nation was recovering from the great depression. We organized Shrine Clubs so that Shriners living in the outlying jurisdiction, could meet in the fellowship of the Shrine without the time and expense involved in attending a meeting in the city of the Temple. During the war years, many of Ararat's young men served in the armed forces. This created a demand on all of Ararat Temple Officers to serve in the Prerequisite Bodies. As Recorder, I attended most meetings of the Prerequisite Bodies with Shrine petitions in my pocket. It was my honor and pleasure to serve as Master of Kodash of Consistory. I was honored with the 33 degree.

At the time, I was elected Imperial Recorder, I was actively engaged in all Shrine work at administrative level in the Temple. I served as President of the Shrine Recorders Association in 1947. The Shrine Recorders Association in an effective, clearing house for ideas, to promote membership, fund raising, ceremonials, and activities in Temples. Much good is accomplished by the discussions of Shrine Temple activities.

In 1948, at the time I was elected Imperial Recorder, the Representatives of the Imperial Council voted to move the office, and a staff of four, to Chicago, from Richmond, Virginia. At that time, Chicago was a rail passenger center as well as an airline center, and passenger ships operated on the Great Lakes. Chicago today, is an airline, trucking, and passenger bus center. The Imperial Council Office, with a staff of four, plus myself, was established in what was known as the Pure Oil Building, located at Wacker Drive and Wabash. Later, it was the vote of the Representatives that a building be purchased to house the offices of the Imperial Council. Past Imperial Potentate Tom Law headed the committee that bought the ground first, and then the building, purchased for a total of \$484,250. It is located at 323 North Michigan. There are five floors in the building, and it houses a staff of nearly a hundred workers.

By a special session during the tenure of office of Fred Morrison, Imperial Potentate, it was voted to move the Imperial council office to Tampa, Florida, and the plans for the building have been approved for occupancy in the fall of 1979.

As Imperial Recorder, I have stressed membership, and I am pleased to report that each year shows an increase. Fund raising, or "earnings", have been satisfactory to maintain balanced budgets. We are able to attract sufficient funds for the operation of the hospitals, and the Fraternal Corporations despite recent major stock market declines.

As the years progressed, we saw the completion of the fund raising of the retirement program for the hospitals, and the Imperial Council office employees. With a Legal Department, an Accounting Department, a Public Relations Department, and a Computer Department, we have been able to be a service office to the 181 Temples, and the Hospitals.

In reflecting on the 30 years I have worked for the Imperial Council, I believe the record to be good, and I feel a sense of accomplishment. Certainly, it has been a joy to work with skilled and dedicated people, to promote the interest of this gigantic, complex organization. The Shrine has become a way of life, and I shall be around in the future to advise or help in any way I can.

Needless to say, I shall be looking forward to a more relaxed way of life. Mabel joins me in expressing our respect, and affection for the people who comprise this great organization. We both value the association with you good people over the years. The organization has grown, and so have we; it has been a privileged experience. We both thank you for your long friendship.

The reports of all Imperial Officers I have served with through the past years reflect commendation and compliments for the dedicated, detailed, and experienced personal support, and cooperation rendered them in their Administration of Shrine Affairs. I extend my very best wishes to all for a growing and prosperous Shrine Organization.

May Allah guide us as we proceed on into the second hundred years of the work of the Ancient Arabic Order of the Nobles of the Mystic Shrine.

Respectfully Submitted,

GEORGE M. SAUNDERS
Imperial Recorder

WARREN F. WECK, JR., IMPERIAL POTENTATE
AND BOARD OF DIRECTORS OF
THE IMPERIAL COUNCIL OF THE ANCIENT
ARABIC ORDER OF THE NOBLES OF THE
MYSTIC SHRINE FOR NORTH AMERICA

We have examined the balance sheet of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America (an Iowa Corporation) as of December 31, 1978 and 1977 and the related statements of income and expense and fund balance and changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, such financial statements present fairly the financial position of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America at December 31, 1978 and 1977 and the results of its operations and the changes in its financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1978 AND 1977

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization—The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America (Imperial Council) is a non-stock, non-profit corporation incorporated under the laws of the State of Iowa. The organization is the representative and supreme authority of the Shrine Temples of North America. The organization is exempt from federal income tax under Section 501(c)(10) of the U. S. Internal Revenue Code.

Reclassifications—Certain reclassifications in the 1977 Statement of Income and Expense have been made to conform to the 1978 presentation.

Dues and fees—The Imperial Council's principal source of income consists of dues and fees received from its subordinate temples. Dues are assessed effective December 31 of each year and are transmitted by the temples to the Imperial Council during the subsequent twelve month period. A portion of the annual dues is designated for the annual Imperial Council session and is credited as a liability to the sessions.

Marketable securities—Investments in corporate bonds are carried at cost, adjusted for amortization of premiums and discounts.

Expenses billed to Convention Corporations—The Imperial Council bills each Convention Corporation principally for Central office staff travel costs to the annual conventions and associated board meetings. The collection of these billings is dependent upon the financial results of the convention operations and other factors. Because of the uncertainty of the collection of these billings, the Imperial Council does not recognize these reimbursements until actual collection.

Land, building and equipment—These assets are carried at cost. Depreciation is computed using the straight-line method. When significant assets are retired, or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is reflected in income for the period. The cost of maintenance and repairs is charged to income as incurred, whereas significant renewals and betterments are capitalized and deduction is made for significant retirements resulting from the renewals or betterments. The present National Headquarters building, which was sold under contract with right to occupancy retained for a limited period, has not been depreciated in 1978.

TRANSACTIONS WITH SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

Shriners Hospitals for Crippled Children, ("SHCC"), a separate charitable organization(s) was established by the Imperial Council. Hospital assessments, donations and other receipts are collected and remitted to SHCC by the Imperial Council. SHCC pays rent for the use of the National Headquarters building owned by the Imperial Council in the amount of \$50,000 annually. In addition SHCC bears a substantial portion of the operating expenses of the building. The two organizations also prorate salaries and other costs based on the estimated value received by each organization. The amounts of \$554,809 and \$618,636 included as current liabilities at December 31, 1978 and 1977, respectively, represent the net amount due SHCC.

LAND, BUILDING AND EQUIPMENT

Land and building have been reclassified in the accompanying financial statements pending the close of their sale (see LAND AND BUILDING UNDER CONTRACT FOR SALE). No depreciation was provided for on the building in 1978. Depreciation in the amounts of \$3,127 and \$28,586 have been charged to operations for 1978 and 1977, respectively.

Land, building and equipment are summarized as follows:

DECEMBER 31, 1978 AND 1977

LAND AND BUILDING UNDER CONTRACT FOR SALE

The Imperial Council entered into a contract for sale of its National Headquarters land and building, which has a carrying value of \$434,840, during 1978 for \$920,000. Cash in the amount of \$230,000 will be paid at closing and the Imperial Council will receive a \$690,000 note payable in 15 years with interest at 8.5%. Closing will be at such time as the Imperial Council can deliver possession to the purchaser and is anticipated to occur during 1979. The note will be collateralized by the property. The purchaser has deposited \$75,000 in earnest money. The earnest money is forfeitable if the contract is terminated by the purchaser.

EMPLOYEE RELOCATION ADVANCES

Certain national headquarters' employees have executed noninterest bearing promissory notes payable to the Imperial Council in connection with their move to Tampa, Florida (see NATIONAL HEADQUARTERS RELOCATION). These notes will be repaid when the employees sell their homes in Chicago and have their equity available.

DUE TO IMPERIAL COUNCIL SESSIONS

Included in the annual dues of \$1.25 per capita is \$.20 designated for the annual Imperial Council Session. These designated amounts of \$490 and \$88,563 (net of advances of \$188,563 and \$100,000) are included in the accompanying financial statements as a current liability.

RETIREMENT PLAN

The employees of the Imperial Council are included under the Shriners Hospitals for Crippled Children Revised Retirement Plan. The cost of this non-contributory retirement plan allocated to the Imperial Council for both 1978 and 1977 amounted to \$12,500.

LAND HELD FOR POSSIBLE HEADQUARTERS SITE

The Imperial Council purchased approximately 3 acres of land in 1977 in Chicago, Illinois as a possible site for construction of a building. The land was sold during 1978, for a net gain of \$261,033 (see NATIONAL HEADQUARTERS RELOCATION).

NATIONAL HEADQUARTERS RELOCATION

At a special meeting in April 1978, the representatives of the Imperial Council voted to relocate the national headquarters from Chicago, Illinois to Tampa, Florida. The Imperial Council will be provided space for its national headquarters on a rental basis in facilities to be built by Shriners Hospitals for Crippled Children.

ACCOUNTANTS' OPINION ON SUPPLEMENTARY INFORMATION

Our examinations of the basic financial statements presented in the preceding section of this report were made primarily to form an opinion on such financial statements taken as a whole. Supplementary information, contained in the following pages, is not considered essential for the fair presentation of the financial position of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America or the results of its operations and the changes in its financial position in conformity with generally accepted accounting principles. However, the following data were subjected to the audit procedures applied in the examinations of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

SHRINE PROTOCOL

*For the Use and Guidance of Illustrious
Potentates and Divan Members of
the Subordinate Temples,
Shrine Clubs and Shrine
Associations*

VISITATION OF IMPERIAL POTENTATE

Reception Committee at airport:—

A Reception Committee appointed by the Potentate should be present at the airport to greet the Imperial Potentate upon his arrival. Appropriate and ready transportation should be available to transport him and his party to the hotel. Arrangements for handling of baggage should be pre-arranged so as to insure delivery of same to Imperial Potentate when he reaches hotel.

Hotel quarters:—

It is suggested that a suite of rooms be assigned for the use of the Imperial Potentate. Certain rooms of same should be kept strictly private for the Imperial Potentate as his personal quarters. Such quarters should be separate and removed from a general parlor or reception room for visitors. The Potentate should assign to the Imperial Potentate, an Aide, who should be in constant attendance and at his disposal during the entire time of his visitation. The arduous duties of the Imperial Potentate are many, and he is apt to be travel-weary. It is suggested that the Potentate arrange personally for the Imperial Potentate's comfort. The Potentate upon arrival at the hotel should immediately acquaint the Imperial Potentate, in writing, with the program of events planned and permit him to express his wishes as to his personal participation. Any program planned should give the Imperial Potentate ample time for whatever privacy he desires. A proffer of stenographic and clerical aid would prove helpful. Long automobile rides should be eliminated in any program of events unless previously planned and approved by the Imperial Potentate. Should the Imperial Potentate's lady accompany him on a visitation, the Potentate should make such arrangements for her comfort and entertainment as deemed necessary.

(Note: When an Imperial Officer is assigned by the Imperial Potentate as his official representative at a meeting and another Imperial Officer of higher rank is also in attendance at the same meeting, the Imperial Potentate's representative is permitted to speak any appropriate remarks he cares to make. Banquet seating, parade order, etc., will follow usual protocol pattern.)

PARADES

Colors:

Singly, or massed Colors should precede the first uniformed marching unit.

(Since our organization has Temples under three National Flags, these three National Flags should head the Color Squad. The National Flag of the Unit itself takes the honor spot at the right and the other two National Flags are to the left.)

TEMPLES PARADES

Order of Automobiles:—

Following the designated Parade Marshal and his Aides, the following order of automobiles is to be observed:

1. Imperial Potentate, or other ranking Imperial Officer present.
The Imperial Potentate will ride alone—or may invite any

distinguished male guest who may be in attendance at the function, to be a guest passenger. ONLY THE IMPERIAL POTENTATE WILL RIDE ON THE BACK OF THE SEAT OF HIS CAR; ALL OTHERS MUST REMAIN ON THE SEATS OF THEIR CARS.

2. Imperial Officers other than the Imperial Potentate (by rank).
(One officer to a car—no guests.)
3. Past Imperial Potentates (by seniority in rank).
4. Host Temple Potentate and his Divan.
5. Distinguished Guests other than those in groups 1, 2, 3, or 4.
6. Visiting Potentates, Divans, and Past Potentates.

Women, girls, school bands and school drill corps or marching units of any organization not identified with the Shrine are not permitted in Shrine Parades.

IMPERIAL SESSION PARADES

Order of Parade Formation (Day Parade):—

1. Police escort.
2. Parade Marshal and his aides.
3. Colors singly or massed.
4. Director General.
5. Uniformed Units of Host Temple.
(Uniformed Units of other Temples in the State or Shrine Association will take their place elsewhere in the parade formation according to charter date only.)
6. Automobiles of Imperial Officers.
7. Uniformed Units of Imperial Potentate's Temple.
8. Uniformed Units of all Temples, except Host Temple, will form in order of charter date—oldest date first. Night Parade will follow the same formation except that the Uniformed Units of the Temple of the Imperial Potentate-Elect will immediately follow (7) Uniformed Units of the Imperial Potentate's Temple.

RECEPTIONS

Ceremonial or Reception:—

The Potentate should provide suitable transportation from the hotel to the place of the meeting. Upon arrival at the Mosque or building wherein the Ceremonial or Reception is to be held, quarters should be provided for the Imperial Potentate. These quarters if possible should be separate from the general Reception area where it is quiet and away from undue disturbances that the Imperial Potentate may enjoy privacy for discussions, interviews, etc. An aide designated by the Potentate should be constantly at hand. In the event other Imperial Officers or Past Imperial Potentates are present, a similar room should be set aside for their use.

Reception for Ladies:—

At receptions or other functions where only Ladies are present,

the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line:—

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present they should stand with their escorts.

Introduction and Reception of Guests:—

The Imperial Potentate should be made as comfortable as possible and not subjected to a long standing wait for his turn to be received and introduced. The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than the Most Worshipful Grand Master).
3. Past Imperial Potentates (in reverse order of their seniority rank).
4. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
5. Imperial Potentate.

The first order of business shall be the reception of the Grand Master of Masons of the State or Province. In the absence of the Imperial Potentate, the Grand Master shall be received by the ranking Imperial Officer present; if none be present, he will be received by the Potentate of the Host Temple.

Introduction of Imperial Potentate:—

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir.....of.....
Temple, (City), (State or Province)."

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir.....of.....Temple, of.....(City),.....(State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of introducing Imperial Sir....., Imperial Potentate."

The Gavel should be presented to the Imperial Potentate who, upon receiving same, returns Gavel to the Potentate.

The only address should be made by the Imperial Potentate.

There should be no other talks unless approved by the Imperial Potentate.

Ceremonial or program then proceeds as arranged.

Seating at Banquet:—

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When Ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's Lady at the left of the Potentate; the Potentate's Lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Potentates and their Ladies seated alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place Cards should be provided to expedite seating.

Seating at Ceremonials and Receptions:—

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Potentates are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands:—

In instances requiring a Reviewing Stand same should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Potentates and such other guests as invited by the Imperial Potentate.

The Imperial Potentate receives the Salute of all Temples.

When Temples from an Imperial Officer's state or province pass in review, he receives the Salute of these Temples with the Imperial Potentate.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

In accordance with the above, Shrine Association Officers will occupy position No. 5 in "Order of Automobiles," and position No. 2 in "Introduction and Reception of Guests."

DRESS

The Fez:—

The Imperial Council has adopted the Fez as the exclusive type of head covering to be worn by all Nobles of the Mystic Shrine when appearing as such.

It is a Red Moroccan Fez with Black Tassel, bearing only the name of the Temple of which the Noble is an active member, with a facsimile of a scimitar, and that portion of the Jewel of the Order consisting of the crescent, sphinx head, and star combined, embroidered thereon with gold and silver bullion or silk. The Fez is to be worn in its proper shape and without creasing or alteration. It is permissible for Potentates, Past Potentates, Recorders and Divan members, as well as official uniformed organizations, to have their titles embroidered in small letters in gold or silver bullion or silk or jewels on the front of the Fez beneath the emblem.

It is permissible to adorn the name of the Temple and the emblem with rhinestone jewels of a size no larger than that known as #12 by the fez makers. It is permissible to use one pin to hold the tassel in place, said pin to be either plain or jeweled.

The use of any other wording or devices than those mentioned above is prohibited.

The Imperial Potentate wears the regulation Fez with five gold stars on the front near the bottom. Past Imperial Potentates wear five stars on the front of their Fez near the bottom, the outside stars being of silver, the three center ones of gold. Other Imperial Officers wear three gold stars on the front near the bottom.

Shrine Pins:—

The design of Shrine Pins worn by Imperial Officers may incorporate small stars as specified above.

Dress:—

Formal attire for a Shriner is Fez and Tuxedo. Tuxedo should not be worn before five o'clock in the afternoon unless continuous program for earlier hours makes same necessary or advisable.

ACCEPTED SALUTATIONS, ETC.***The Salaam:—***

A Noble addressing the Potentate while he is presiding in the East should always give the Salaam.

The Salaam is always given by the Potentate and members of his Divan when receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates. The Imperial Potentate as well as the Imperial Officers and Past Imperial Potentates do not Salaam in return but give the sign of the Order.

Salutations:—

An Imperial Officer as well as a Past Imperial Potentate is always addressed as "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir."

Salute:—

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

Pledge of Allegiance:—

"I pledge allegiance to my Flag and to the country for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

Salute to the Flag:—

A Noble who is wearing his Fez will execute a righthand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed he should drop his right hand. In case the same Colors pass the same point again, as frequently happens in a Ceremonial procession or in display drills, the Colors need not be saluted a second time. The same rule applies to street parades.

Prayer:—

During the offering of a prayer, the Fez should be removed and held in the right hand over the heart.

Departure of Imperial Potentate:—

The Potentate of the Host Temple should be present at the hotel and at the airport when the Imperial Potentate departs. Such other Nobles as he designates should also be in attendance. Aid in securing transportation to the next destination should be proffered to the Imperial Potentate previous to departure. Arrangements should be made beforehand for the handling of all baggage from the hotel to the airport.

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Potentates.
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical Sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

§ 323.3 Prerequisite for membership.

(a) A Temple may not accept a petition from a candidate unless he is in good standing as:

(1) A Knight Templar in a Commandery or Preceptory of Knights Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A 32° Mason in a Consistory of the Ancient and Accepted Scottish Rite of Freemasonry of the obedience of either the Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States or of a Supreme Council in amity with and recognized by either of them.

(b) A Temple may not add to or take from the qualifications for membership in Temples as fixed by these By-laws. A Temple may not require that a candidate must be both a 32° Mason and a Knight Templar.

§ 323.4 Residence.

(a) A petitioner must be an actual resident for at least 6 months in the jurisdiction of the Temple to which he applies.

(b) Actual residence is defined as the place where the applicant in good faith makes his home.

(c) Any Temple may receive and act upon the petition of one whose residence is not within the jurisdiction of another Temple.

(d) Any member of the armed forces or diplomatic service of the United States, Canada or Mexico, may petition any Temple within the jurisdiction of which he may at the time be stationed without reference to his actual place of residence, and thereupon, after election as provided in § 323.5 may be initiated by and become a member of the Temple.

(a) Subsequent to a report on a candidate's petition, the ballot

is passed, and if less than 3 black balls appear, he is elected.

(b) If the ballot reveals 4 or more black balls, the candidate is rejected. If the ballot reveals 3 black balls, another ballot is passed immediately. If 3 black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by at least 3 members of the Temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) In Temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in subsection (c) must be received by the Potentate or the Recorder at least 48 hours before the time specified in the notice for balloting.

(e) If a Noble loses his membership in a prerequisite body for any reason other than nonpayment of dues, the loss of membership in his Temple is effective when it becomes final in the prerequisite body.

(b) If he resides in concurrent jurisdiction, he cannot demit from one Temple and affiliate with another Temple holding the same jurisdiction without the consent of the Temple granting the demit.

(c) He may affiliate with any Temple if the Temple, within whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the Temple which issued his demit, and with which he desires to réaffiliate, he must submit his written application with the original demit attached, and may be restored to membership without a vote of the Temple. The application must be accompanied by written evidence that he is in good standing in his

PREFACE

These annotations are not "Shrine law". See §101.3(j). They are simply references to rulings, decisions, and interpretations of the Imperial By-Laws made by various Imperial Potentates in the past. As such, however, they are precedents which will probably influence future rulings, decisions, and interpretations under like or similar circumstances.

ANNOTATIONS TO BY-LAWS (Iowa)

§ 101.3

1972 Proceedings, p. 155. *Obedience to Shrine law, as defined in § 101.3(j), is not optional but is required of all Shriners and of every Temple.*

1973 Proceedings, p. 99. *According to § 206.5(a)(4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (j), General Orders which have expired are no longer Shrine law.*

§ 101.4

1972 Proceedings, p. 153. *According to Robert's Rules of Order, which apply by virtue of § 101.4, an amendment which is germane and which does not enlarge the scope of a resolution at the time being considered by the Temple may be offered without prior notice.*

Unless appropriate points of order and appeals from rulings thereon are made at the meeting at which violations of parliamentary procedure are claimed to have occurred, the objectors waive any right to question the procedure by which action by the Temple was taken.

1975 Proceedings, p. 20. *By the provisions of § 101.4, Robert's Rules of Order governs parliamentary procedure at Temple meetings; and the Potentate must permit a full discussion of any pending matter before putting it to a vote unless the Nobility adopts a motion calling for the previous question.*

§ 101.7

1966 Proceedings, p. 208. *Independent organizations are not subject to supervision or control of Temple Potentate simply because they are composed wholly of Shriners.*

§ 101.9

1966 Proceedings, p. 208. *Individual Nobles are subject to discipline for violation of Shrine law in connection with activities not directly related to membership in the Shrine.*

§ 203.1

1976 Proceedings, p. 177. *An ad vitam and emeritus Representative who demits and affiliates with another Temple becomes an ad vitam and emeritus Representative of the Temple with which he affiliates.*

§ 206.5

1966 Proceedings, p. 211. *General Orders of an Imperial Potentate are not amendments to By-laws of Imperial Council.*

1970 Proceedings, p. 95. *General Orders expire at the conclusion of the term of office of the Imperial Potentate who issued them.*

1970 Proceedings, p. 96. *The Imperial Potentate may suspend from office a Representative to the Imperial Council.*

1973 Proceedings, p. 99. *According to § 206.5(a)(4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (j), General Orders which have expired are no longer Shrine law.*

§ 207.3

1976 Proceedings, p. 176. *While the minutes of the Boards of Directors*

ANNOTATIONS TO BY-LAWS (IOWA)

and Trustees must be produced and read to the Imperial Council upon its order, a Representative does not have the right to demand that copies of such minutes be routinely sent to him for his inspection.

§ 208.6

1971 Proceedings, p. 97. Nobles who believe the Potentate's exercise of his discretionary powers to have been arbitrary and capricious may file a grievance for consideration by the Grievances and Appeals Committee under §208.6(e).

1972 Proceedings, p. 153. An appeal from a decision of the Imperial Potentate made pursuant to § 206.5(a)(13) is made to the Imperial Council and should be referred to the Grievances and Appeals Committee in accordance with § 208.6(e).

§ 209.1

1966 Proceedings, p. 211. Shrine Club not eligible for membership in Shrine Association.

§ 210.1

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

§ 211.4

1965 Proceedings, p. 39, 43. Annual per capita tax not passed on to life members. Also, 1966 Proceedings, p. 208.

§ 213.1

1967 Proceedings, p. 83. The use of straw fezzes is prohibited.

1976 Proceedings, see p. 175. The use of the title "Ambassador at Large" on a fez is forbidden by §§ 213.1(b) and 213.1(e).

1978 Proceedings, p. 88. Section 213.1(e) states that the fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order; and this does not include meetings of ladies' organizations, because they are not a part of the Order.

§ 213.2

1972 Proceedings, p. 154. None but the Imperial Council itself should have exclusive rights to Shrine emblems described in § 213.2 and registration by an association of units of a trademark which includes such emblems is forbidden.

§ 322.5

1967 Proceedings, p. 83. Construction of a Mosque within the urban area of the seat of the Temple but beyond its corporate limits does not work a change in the location of the Temple.

1970 Proceedings, p. 93. Removal of a Temple from one municipality to another, even within the same urban area, may be effected only after compliance with this section.

1973 Proceedings, p. 99. A temple may not be moved to a city which is located in territory over which it holds only concurrent jurisdiction.

1975 Proceedings, p. 19. The removal of a Temple from one address to another within the corporate limits of the city named in its charter is not a change of location within the meaning of § 322.5.

1976 Proceedings, see p. 176. Approval by the Imperial Council for the change of location of a Temple may be given only by the Imperial Council itself at an annual session in accord with § 322.5(f).

§ 323.2

1967 Proceedings, p. 84. A petition for membership should not be signed by those who recommend the petitioner until the petition has been completed and signed by the petitioner.

§ 323.3

1967 Proceedings, p. 83. Expulsion of a member of his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

1973 Proceedings, p. 98. Under § 323.8 a Noble is required to maintain membership in a prerequisite body in order to retain membership in the Shrine; but according to § 323.3(b) no temple may add to that a requirement that its members provide certification of membership in symbolic lodges.

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the By-Laws of the Imperial Council.

§ 323.5

1975 Proceedings, p. 20, § 323.5 requires that petitioners for initiation be elected by ballot, which by its very nature is secret; and a voice vote on petitions for initiation is contrary to Shrine law.

§ 323.7

1973 Proceedings, p. 96. A Noble holding associate membership under § 323.7 must pay the hospital assessment in each temple in which he holds membership and from which he does not have a Permanent Contributing Membership certificate issued pursuant to § 324.4.

1973 Proceedings, p. 97. Under § 323.7(b), the jurisdictional requirements for associate membership are the same as those relating to affiliation by demit under § 328.8. A Noble who lives in the jurisdiction of one temple may not petition another temple for associate membership without a waiver from the first.

1973 Proceedings, p. 97. Under § 323.7(b) a Noble who resides within the jurisdiction of one temple may apply for associate membership in another temple upon receiving a waiver from the temple in the jurisdiction of which he resides.

1973 Proceedings, p. 97. Under § 323.7(g) an associate member may hold office in a Shrine club of a temple which otherwise disqualifies members of other temples from office in its Shrine clubs.

1974 Proceedings, p. 26. Inasmuch as § 323.7(g) vests in an associate member all of the rights and privileges of membership in the Temple of which he is an associate member, except the right to hold elective office, he is entitled to a demit from that Temple if he qualifies under § 323.10(a).

1975 Proceedings, p. 19. § 323.7 does not prohibit the holding of associate membership in more than one Temple.

1976 Proceedings, p. 177. Under § 323.7(g) associate members have all of the rights and privileges of regular membership except that of holding elective office in the Temple itself, so a Potentate may not forbid their holding office in Shrine Clubs or Units on the basis of their associate membership alone.

1976 Proceedings, see p. 177. One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.8.

1977 Proceedings, p. 162. By virtue of § 323.7(b), the 1976 amendments to §§ 328.2(b) and 328.6(e) apply to Associate Members.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assess-

ANNOTATIONS TO BY-LAWS (IOWA)

ment, associate members are subject thereto in the same fashion as are regular members.

§ 323.8

1967 Proceedings, p. 82. A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.

1973 Proceedings, p. 98. Upon receipt of official written notice from a prerequisite body that a demit has been granted to one of its members who does not hold membership in the other prerequisite body, a temple must treat the member as suspended in accordance with § 323.8(c) for having failed to maintain the requirements of § 323.3(a).

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the By-Laws of the Imperial Council.

§ 323.9

1967 Proceedings, p. 83. Conviction of a crime, in the absence of Temple disciplinary proceedings or termination of prerequisite memberships, does not result in a loss of Shrine membership.

1972 Proceedings, p. 154. By the provisions of § 323.9(b) membership is terminated by expulsion, and one who has been expelled must apply again for membership under § 330.2(d) (2).

1975 Proceedings, p. 21. The issuance of a demit does not terminate one's membership in the Order, but under § 323.9 simply suspends his rights of membership in the Temple which issues the demit; so, under § 330.1, a demitted Noble is subject to discipline by the Temple in the jurisdiction of which he resides.

1978 Proceedings, p. 87. A Noble against whom a complaint has been lodged but as to whom the formal written charges described in § 330.2(a)(3) have not been filed, is "free from charges" within the meaning of § 323.9(b) and may resign his Temple membership.

§ 323.10

1971 Proceedings, p. 97. After adoption by the temple of an assessment pursuant to § 332.7, a demit may be granted under 323.10(a) only if the assessment is paid.

1972 Proceedings, p. 155. A Noble who requested a demit before the levy of an assessment is not required by § 323.10(a) to pay the assessment before issuance of his demit, even though issuance be delayed until after the assessment has been levied.

1973 Proceedings, p. 97. To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10 (b).

§ 323.11

1978 Proceedings, p. 88. Under § 323.11(d) a Noble who has been suspended for nonpayment of dues may be restored upon terms authorized by the Temple, and such terms may be expressed either by the Temple By-laws or otherwise in accordance with § 324.8.

§ 323.13

1967 Proceedings, p. 84. A life member of a Temple who took a demit is entitled to be restored to life membership status upon reaffiliation.

1973 Proceedings, p. 97. Imperial By-law §§ 323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.

1973 Proceedings, p. 97. So long as the minimum requirements expressed

ANNOTATIONS TO BY-LAWS (IOWA)

in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 324.1

1971 Proceedings, p. 97. Stated meetings of a temple must be held at the city named in its charter; and, at ceremonial sessions held elsewhere, §328.7(a) prohibits the transaction of any business other than the election and initiation of candidates.

1972 Proceedings, p. 152. So long as the Temple holds at least one stated meeting during each calendar quarter, as required by § 324.1, Temple By-laws may include a provision which permits the Potentate to dispense with other stated meetings.

1972 Proceedings, p. 153. All business meetings of a Temple must be held at the city named in its charter and, even at ceremonial sessions held elsewhere pursuant to § 328.7, the transaction of any business other than the election of candidates is prohibited.

1973 Proceedings, p. 97. The stated meeting of a temple is not the appropriate forum for debate of either a suspension Order issued by the Imperial Potentate or Masonic charges pending against a member of the Order.

1975 Proceedings, p. 20. A Temple may take action only at a stated or specially called business meeting, and cannot be bound by a mail referendum.

§ 324.3

1978 Proceedings, p. 87. Inasmuch as §324.3 proscribes the transaction at a special meeting of business other than that specified in the notice, an election to fill a vacancy created by the promotion of an officer at a special election may not be conducted unless the notice of the special meeting so provides, notwithstanding the discretionary provisions of §325.13(b) which permit the filling of such a vacancy if notice is given.

§ 324.7

1972 Proceedings, p. 154. § 324.7 does not authorize the Potentate to select a Past Potentate to preside when the former is absent from a meeting or session of his Temple.

§ 324.8

1966 Proceedings, p. 211. The use of proxies or voting by mail is prohibited.

1970 Proceedings, p. 93. Any action of Temple officers or committees, unless pursuant to powers and duties expressly delegated to them, is subject to review and rescission by the Temple.

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1975 Proceedings, p. 20. In the absence of a Temple By-law delegating to some officer or committee the authority to dispose of Temple assets, § 324.8 requires specific authorization by the Temple itself to sell an asset belonging to the Temple.

1979 Proceedings, p. 171. In the absence of Temple By-Law provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

§ 324.14

1965 Proceedings, p. 43. Honorary membership to Nobles only. Majority vote of Temple.

ANNOTATIONS TO BY-LAWS (IOWA)

§ 325.1

1971 Proceedings, p. 95. A noble may not at the same time hold both the offices of Potentate and Recorder of his temple.

§ 325.3

1975 Proceedings, p. 20. The offices of Director and Outer Guard are incompatible, and one person may not be appointed to both offices.

§ 325.5

1967 Proceedings, p. 84. There is no objection to a waiver of rules and the adoption of a motion for casting a unanimous ballot for an unopposed candidate for Temple office.

1975 Proceedings, p. 20. Under § 325.5 Temple officers must be elected as individuals and the Nobility may not be required to vote for one or the other of two "slates" of candidates.

§ 325.7

1967 Proceedings, p. 83. A Temple may create, by appropriate by-law, the office of Recorder Emeritus or Treasurer Emeritus.

1974 Proceedings, p. 26. Unless pursuant to § 325.7 a Temple has made provision in its By-laws for such officers, it may not elect an Assistant Treasurer or an Assistant Recorder.

1974 Proceedings, p. 27. Neither the Potentate nor the Board of Directors of a Temple may create additional Temple offices, for which provision may be made only by the Temple By-laws pursuant to § 325.7.

§ 325.8

1978 Proceedings, p. 88. Because §325.8 requires that nominations for Temple office be made from the floor, the practice of suspending the rules in order that unopposed nominees may be elected by the casting of one ballot comes within the exception expressed in §101.4 and Section 44 of Roberts Rules of Order, Newly Revised, does not apply, because it contemplates the situation described in Section 45 of Roberts, which says that nominations for office are not necessary.

§ 325.10

1965 Proceedings, p. 40. Use of written devices prohibited.

1968 Proceedings, p. 121. Shrine Club Meeting Notice cannot recommend candidates for Temple office.

1971 Proceedings, p. 97. The distribution among members of the temple of an "information sheet" containing the name of a proposed candidate for temple office and listing his Masonic history, military service record, and civilian work record is a violation of §325.10(a) even though the office to which he aspires is not mentioned.

1972 Proceedings, p. 154. The editors of unit and Shrine Club newsletters are responsible for violations of § 325.10(a) in publishing solicitations for support of candidates for Temple office.

1972 Proceedings, p. 153. A Temple By-law provision which prohibits the expenditure of money for gifts, favors or entertainment on behalf of candidates for Temple office is not inconsistent with Article 25.

1975 Proceedings, p. 19. A Temple is free to regulate campaigns for Temple office so long as the regulations are consistent with Article 25 of the Imperial By-laws; but without a trial under Article 30, only the Imperial Potentate may suspend one who violates such regulations or declare the election void.

1976 Proceedings, p. 175. An oral announcement by a prospective candidate for Temple office of his intention to become a candidate is not a violation of Shrine law, but the publication in a Temple newspaper of the fact that such announcement was made is contrary to § 325.10(a).

ANNOTATIONS TO BY-LAWS (IOWA)

§ 325.12

1977 Proceedings, p. 162. A Temple officer who lives in an area which becomes a part of the jurisdiction of a newly organized Temple does not lose his office thereby, because § 325.12 requires only that he live within the jurisdiction of the Imperial Council.

1977 Proceedings, p. 163. A Temple By-law which restricts eligibility for Temple office to certain counties of residence is inconsistent with § 325.12 and void.

1979 Proceedings, p. 170. Regardless of a "not guilty" finding in a trial by his Symbolic Lodge, a Shriner who was convicted of a felony is not eligible for office in his Temple until pardoned by proper State or Federal authority.

§ 325.13

1967 Proceedings, p. 83. Shrine law does not permit the election and installation of a Potentate, accepting his resignation from office, and the election and installation of his successor at the same meeting.

1970 Proceedings, p. 96. A special election should be held to fill a vacancy created by the suspension of a Representative to the Imperial Council.

1972 Proceedings, p. 152. The Oriental Guide is not required to resign from his office in order to be a candidate for the office of High Priest and Prophet at a special election held pursuant to § 325.13; and, if he is elected, the vacancy in his office thus created may be filled at the same meeting.

1973 Proceedings, p. 96. A special election under § 325.13(a) is not mandatory; but the temple itself may direct that a special election be called, in which event a special election must be held at the time and place directed.

1978 Proceedings, p. 87. Inasmuch as §324.3 proscribes the transaction at a special meeting of business other than that specified in the notice, an election to fill a vacancy created by the promotion of an officer at a special election may not be conducted unless the notice of the special meeting so provides, notwithstanding the discretionary provisions of §325.13(b) which permit the filling of such a vacancy if notice is given.

§ 325.14

1976 Proceedings, p. 176. A vacancy in the office of Representative to the Imperial Council may be filled only by election, except in the special circumstances mentioned in § 325.14(a).

§ 326.1

1968 Proceedings, p. 121. The obligation of a Temple officer cannot be taken by proxy.

§ 326.3

1966 Proceedings, p. 211. Elected Temple officer continues to hold office until his successor is both elected and installed.

§ 327.1

1966 Proceedings, p. 212. Failure of officers having custody of Temple books and records to make them available for inspection or audit by authorized persons is contrary to Shrine Law.

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceedings under Article 30.

1975 Proceedings, p. 19. Neither § 327.1 nor any other provision of the Imperial By-laws empowers the Potentate of a Temple to suspend a member of his Temple without a trial under Article 30.

ANNOTATIONS TO BY-LAWS (IOWA)

1979 Proceedings, p. 171. The Potentate has no authority to order the confiscation of a Noble's fez, even for alleged misconduct, without a trial under Article 30. Only the Imperial Potentate has the power to suspend a Noble without a trial.

1979 Proceedings, p. 169. A Temple By-Law provision which requires appointment of Temple committees by an Executive Committee is contrary to § 327.1(c) and void.

§ 327.3

1966 Proceedings, p. 208 and 209. Temple Recorder has custody and control of Records, subject to provisions of Temple By-laws or direct action of the Temple.

1967 Proceedings, p. 83. The duties of the Recorder cannot be delegated by a Temple By-law to a "Scribe" appointed by the Potentate.

1972 Proceedings, p. 155. The Imperial By-Laws do not prohibit the employment by a Temple of a business manager, but none of the Recorder's responsibilities may be transferred to him, even by specific provision of the Temple By-laws under § 327.3(b), because he is not an officer of the Temple.

1973 Proceedings, p. 97. The duties which would otherwise be those of the Recorder under § 327.3(b) may not be assigned to a "business manager" employed by the Executive Committee of the temple.

1974 Proceedings, p. 26. The Recorder must submit the documents or reports referred to § 327.3(a) with his own signature affixed, and such documents or reports signed by an "Executive Secretary" are not acceptable.

1975 Proceedings, p. 19. Unless there is some provision in the Temple By-laws to the contrary, employees of the Temple are to be hired by the Recorder, with the consent of the elective Divan, under § 327.3(a)(7).

1975 Proceedings, p. 21. While under § 327.1(a) the Potentate has the right to appoint officers and committees of his Temple, under § 327.3(a)(7) the Recorder, with the consent of the Divan, has the power to hire employees, unless by the Temple By-laws that power is vested elsewhere.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple By-laws in a manner consistent with the Imperial By-laws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

§ 327.4

1965 Proceedings, p. 42. Temple By-laws valid which provide for both Potentate and Treasurer to sign checks.

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).

1977 Proceedings, p. 163. Where Temple By-laws do not specifically assign the duties listed under § 327.4 to another officer, the Treasurer must sign all checks drawn on Temple funds; and, where the Temple By-laws make him a member of the Finance Committee, he may not be excluded from its meetings.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple By-laws in a manner consistent with the Imperial By-laws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

§ 327.5

1966 Proceedings, p. 209. By-laws may not disqualify any Noble in good standing.

ANNOTATIONS TO BY-LAWS (IOWA)

1970 Proceedings, p. 93. *Temple Boards of Trustees do not have arbitrary control over Temple funds.*

1972 Proceedings, p. 152. *In the absence of a Temple By-law otherwise providing, the Potentate as an ex-officio member of the Temple Board of Trustees has the same rights and voting privileges as other members of the Board.*

1973 Proceedings, p. 99. *Under § 327.5, temple by-laws may delegate specific powers to boards or committees subject to review by the temple at stated meetings; and the Potentate has no authority to countermand any lawful decisions properly within the scope of the responsibilities of such boards or committees.*

1975 Proceedings, p. 20. *Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).*

1979 Proceedings, p. 171. *In the absence of Temple By-Law provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.*

1979 Proceedings, p. 170. *All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.*

§ 328.1

1972 Proceedings, p. 153. *By virtue of § 328.1, the Potentate of one Temple has the power to prohibit the solicitation of advertisements within the jurisdiction of his Temple by or for the benefit of another Temple.*

§ 328.2

1970 Proceedings, p. 93. *Measurement of distance is by direct line, rather than by either rail or highway mileage.*

1972 Proceedings, p. 152. *Agreements made pursuant to § 328.2(a) may be rescinded by any of the Temples involved unless an amendment to the appropriate sections of Part IV has been adopted by the Imperial Council.*

1977 Proceedings, p. 161. *Measurements of distances involved in the application of § 328.6(e) are made from the city limits of the city named in the Temple's charter to the street address of the place where the petitioner in good faith makes his home, and in a direct line. § 328.6(e) applies to petitions for affiliation as well as to petitions for initiation.*

§ 328.7

1972 Proceedings, p. 154. *By virtue of § 328.1 a Temple is sovereign in its own territorial jurisdiction and, accordingly, it may attach conditions to any consent given under § 328.7(d) that another Temple may hold a ceremonial within its jurisdiction.*

1974 Proceedings, p. 25. *A special dispensation from the Imperial Potentate may be issued under § 328.7(c) for a ceremonial to be held aboard ship in the Caribbean during a Temple cruise.*

ANNOTATIONS TO BY-LAWS (IOWA)

§ 328.8

1967 Proceedings, p. 83. A Temple may not waive jurisdiction over a demitting member so as to permit his affiliation with a Temple in whose jurisdiction he has resided for less than six months.

1975 Proceedings, p. 20. A vote of the Temple is not required for the re-affiliation of one who meets the requirements of § 328.8(d).

1976 Proceedings, p. 177. According to § 328.8(b) one who lives in concurrent jurisdiction may not demit and affiliate with another Temple holding the same concurrent jurisdiction without the consent of the Temple of which he was first a member.

1976 Proceedings, p. 177. One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.8.

1977 Proceedings, p. 161. While a Noble who lives in concurrent jurisdiction is entitled to a demit if he meets the requirements of § 323.10(a), he may not affiliate with another Temple holding the same concurrent jurisdiction without consent of the Temple from which he demits in accordance with § 328.8(b).

§ 328.9

1979 Proceedings, p. 170. Activities regularly carried on on a continuing basis before and after May 1, 1975, constitute "activities planned and publicized prior to May 1, 1975" within the meaning of that language in § 328.9(b); so that such activities may be continued on an annual basis after the adoption of § 328.9(b).

§ 329.1

1975 Proceedings, p. 21. § 329.1(b) requires only that the signers of a petition for a dispensation be in good standing with their dues paid in full at the time that the petition is signed, not necessarily at the time the petition is presented.

§ 329.4

1971 Proceedings, p. 94. One who belonged to Al Sihah Temple when he signed an application for a dispensation for Cahaba Temple became a member of Cahaba Temple under § 329.4(b) notwithstanding his affiliation with Zamora Temple before the dispensation to Cahaba Temple was granted.

1979 Proceedings, p. ... By the provisions of § 329.4(b), a Noble who signs an application for a dispensation for a new Temple becomes a member of that Temple when its dispensation is granted; and he need not apply for affiliation to that Temple.

§ 329.6

1971 Proceedings, p. 94. Pursuant to §§ 337.4 and 329.6 (a), a Shrine club located within the exclusive jurisdiction of a temple under dispensation is under the control of that temple.

§ 330.1

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceeding under Article 30.

§ 331.1

1977 Proceedings, p. 162. Notwithstanding an inconsistent Temple By-law, § 331.1 requires the affirmative vote of 2/3rds or more of the members present and voting to adopt an amendment to Temple By-laws.

§ 331.2

1966 Proceedings, p. 210. Proposed amendment may be circulated among members.

ANNOTATIONS TO BY-LAWS (IOWA)

1974 Proceedings, p. 26. A revision of Temple By-laws having been disapproved pursuant to § 331.2(e), the Temple continues to operate under the By-laws in effect prior to the adoption of the revision.

1977 Proceedings, p. 162. Inasmuch as § 331.2(e) requires approval by the Imperial Potentate of any Temple By-laws, which become effective only upon his approval, a Board of Trustees constituted by Temple By-laws may not act prior to such approval.

§ 332.1

1972 Proceedings, p. 152. A tour, the price of which is the same to all participants but which for candidates includes their initiation fees, violates § 332.1.

1972 Proceedings, p. 153. Payment of transportation expenses for candidates initiated at a ceremonial held outside the Temple's jurisdiction is contrary to § 332.1(e).

1973 Proceedings, p. 96. Offering candidates for membership reduced fare to an out-of-state ceremonial violates § 332.1.

1973 Proceedings, p. 99. § 332.1(d) requires payment of initiation fees before initiation, so that the acceptance of credit cards or other credit transactions to which the temple is a party for the purpose of financing the initiation of candidates is prohibited.

1975 Proceedings, p. 19. The payment of transportation expenses for candidates initiated at a ceremonial within the jurisdiction of a Temple is a proper expense of the ceremonial itself and not prohibited by § 332.1(e).

1976 Proceedings, see p. 176. The fee for conferring the order having been established by the By-laws of a Temple, it may be changed only by an amendment to the By-laws pursuant to §§ 331.1 and 331.2 and not by simply adopting a Resolution at a stated meeting.

1976 Proceedings, p. 176. Offering candidates for initiation reduced fares to an out-of-state ceremonial at which they are to be initiated is a violation of § 332.1(e).

1977 Proceedings, p. 163. The offer by a Temple to prospective candidates of jeweled fezzes, pins, bolo ties, or credits on ceremonial trips outside the Temple's jurisdiction is a violation of § 332.1(e).

1978 Proceedings, p. 87. Section 332.1 does not permit different rates of initiation fees dependent upon the age of prospective candidates.

§ 332.6

1973 Proceedings, p. 97. Imperial By-law §§323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 332.7

1972 Proceedings, p. 152. An assessment levied pursuant to § 332.7 must apply to all members of the Temple except life members, who are exempt unless specifically included under § 332.7(a).

1976 Proceedings, p. 177. All revenues derived from an assessment, the Resolution for which provided that it be used solely for the reduction of an outstanding mortgage, must be used for that purpose only; and any revenues collected by such assessment beyond those needed to retire the mortgage must be ratably refunded to the members of the Temple, and may not be transferred to the general funds of the Temple.

1977 Proceedings, p. 162. A Noble who joins a Temple after its adoption of an assessment resolution must pay the assessment in accordance with the terms of the resolution.

ANNOTATIONS TO BY-LAWS (IOWA)

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

1979 Proceedings, p. 170. § 332.7 does not require that an assessment resolution lay over from one meeting until another but simply requires publication of a notice that it will be proposed at the meeting at which action is to be taken.

1979 Proceedings, p. 170. Without specific reference to life members in an assessment resolution, § 332.7(a) precludes its application to them.

§ 334.4

1967 Proceedings, p. 83. A Temple By-law provision that the Potentate and Finance Committee can depart from the Temple budget provided the overall total is not exceeded, will not be approved.

1967 Proceedings, p. 83. By-laws of a Temple cannot authorize departures from the budget adopted by the Temple membership.

1966 Proceedings, p. 212. If done at a special meeting, timely notice required pursuant to § 324.3.

1970 Proceedings, p. 96. A Temple budget may be amended only by action of the Temple.

1972 Proceedings, p. 155. Under § 334.4(c)(2) any member of the Temple may insist that he be given an opportunity to review the budget in written form before the Temple is called upon to adopt it.

1973 Proceedings, p. 97. Expenditure of funds for uniformed units must be from appropriations made in the temple budget adopted under § 334.4.

1973 Proceedings, p. 98. Inasmuch as the Uniform Chart of Accounts does not provide for "contingency" appropriations, a temple budget which does so is violative of § 334.4(a).

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1976 Proceedings, p. 175. A Temple budget may be amended only by action of the Temple itself under § 334.4(e), and Temple officers may not transfer appropriations from one budget classification to another.

1976 Proceedings, p. 176. Capital expenditures as well as operating expenses must be included in the Temple budget in order that appropriations may be made therefor in accordance with § 334.4.

1977 Proceedings, p. 161. Notwithstanding a provision of the Temple By-laws vesting control of all Temple funds other than those budgeted for operating expenses in the Temple Trustees, under § 334.4(e) the Temple may amend its budget at any meeting of the Temple and may increase the amount budgeted for operating expenses without consent of the Temple Trustees.

1977 Proceedings, p. 163. By § 334.4(d) the adoption of a budget by the Temple constitutes the appropriation of funds for the purposes indicated in the budget; but some officer, committee or other agent of the Temple must make judgments as to specific expenditures and determine whether such expenditures are within the scope of the appropriations. That power may be delegated to a Finance Committee by the Temple By-laws, and if such be done, the Potentate may not interfere with the Finance Committee in carrying out its responsibilities.

1977 Proceedings, p. 163. Neither the Potentate nor the Finance Committee may transfer funds from one budget classification to another, because the budget may be amended only by the Temple at a meeting thereof in accordance with § 334.4(e).

ANNOTATIONS TO BY-LAWS (IOWA)

1979 Proceedings, p. 170. All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.

1972 Proceedings, p. 155. The members of the Temple are entitled to copies of the fiscal reports required of Temple officers by § 334.6.

1973 Proceedings, p. 97. Any member of the temple is entitled to examine an audit of the temple's accounts, which should be made available routinely to the members at the annual or budget meeting under § 334.6; and he may likewise examine audit reports concerning the accounts of temple-affiliated corporations.

§ 334.7

1967 Proceedings, p. 83. Construction by a Temple of a Mosque, without financing, does not require approval at the Imperial level.

1970 Proceedings, p. 94. Fund raising plans for a building program do not require approval by the Imperial Potentate, unless secured or long term obligations are involved.

1970 Proceedings, p. 94. An unauthorized corporation may not be used as the vehicle for a building project or attendant obligation.

1970 Proceedings, p. 95. A Temple proposing to form a corporation for the purpose of holding a Shrine association meeting must obtain approval under this sub-section.

1976 Proceedings, p. 176. The Board of Directors of a Temple affiliated corporation may not take action which is inconsistent with a Resolution adopted at a meeting of the members of the corporation.

§ 335.1

1976 Proceedings, p. 176. Use of the United States mails for the promotion of a lottery or raffle being unlawful under Postal Regulations, it is also contrary to § 335.1.

§ 335.2

1966 Proceedings, p. 209. Noble using emblem on article or material for commercial or business purposes subject to discipline. 1966 Proceedings, p. 211. Identification of photograph in commercial advertisement as a former Temple Potentate violates Shrine Law.

1968 Proceedings, p. 121. Ownership name or address on vehicles or equipment in a Shrine parade is commercialism and not permitted under Shrine law.

1975 Proceedings, p. 20. The use of a business card showing a photograph of a Noble in his Fez is a violation of § 335.2(a).

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the Temple, is a violation of § 335.2 (a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

ANNOTATIONS TO BY-LAWS (IOWA)

§ 335.3

1971 Proceedings, p. 94. Although §335.1 does not prohibit lotteries in states or provinces in which lotteries are licensed by the government, a "Shriners Hospitals Sweepstakes" may not be conducted without the written consent of the Chairman of the Board of Trustees under §335.3.

1976 Proceedings, see p. 177. Use of the term "unfortunate children" in connection with a Temple fund raising activity would violate § 335.3 unless the activity has the approval of the Chairman of the Board of Trustees.

§ 335.4

1974 Proceedings, p. 26. Unless permission is first obtained under Section 335.4(a), the formation of a foundation for the purpose of maintaining a burns treatment ward in a local hospital is forbidden.

1975 Proceedings, p. 20. Shrine Club By-laws which provide for fund raising programs in support of "exceptional children" as well as Shriners Hospitals for Crippled Children are inconsistent with § 335.4 of the Imperial By-laws and in direct conflict with General Order No. 1 (Series of 1974-1975).

§ 335.6

1965 Proceedings, p. 42. Permission to print Temple roster denied.

1966 Proceedings, p. 208. Lists for social use not prohibited. Business or advertising purposes prohibited.

1967 Proceedings, p. 83. Promotion of a Shrine circus is not such a business purpose as precludes the use of a list of a Temple membership in such activity.

1967 Proceedings, p. 84. Publication of a roster of the units of a Temple is not prohibited provided there is imprinted in block letters and contrasting colors a legend prohibiting its use for business purposes.

1977 Proceedings, p. 162. The use of a Temple mailing list by the Building Fund Committee of a Masonic Temple Association, which owns the building in which the Temple is housed, to solicit funds to remodel the building is not proscribed by § 335.6(a) because the use is not for a business purpose.

1979 Proceedings, p. 171. § 335.6(a) relates to circulation of members of a Temple for business purposes, and it does not forbid the use of Temple mailing lists for promotional purposes by the Scottish Rite.

1979 Proceedings, p. 171. Use of a Temple mailing list to solicit its members to purchase life insurance as a part of a program promoted by a commercial agency or insurance company is prohibited by § 335.6(a); but § 335.8(b) would permit paid advertising in Temple magazines, if such advertising does not otherwise violate Shrine law.

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the Temple, is a violation of § 335.2(a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

§ 335.9

1975 Proceedings, p. 19. A Temple By-law setting aside a certain part of annual dues to a sinking fund for the retirement of an indebtedness related to Temple real estate is not prohibited by § 335.9.

§ 335.10

1970 Proceedings, p. 95. Articles concerning ladies' organizations in Temple publications are no longer forbidden.

1979 Proceedings, p. 170. A Shrine Club which provides a meeting

ANNOTATIONS TO BY-LAWS (IOWA)

place for a ladies' auxiliary, sends out notices of its meetings, and permits its uniformed members to work in concession stands sponsored by the Shrine Club, thereby violates § 335.10(b) by sponsoring a women's organization.

§ 335.15

1968 Proceedings, p. 121. Use of plaques memorializing gifts of equipment or other property by Shrine Clubs or units are not prohibited.

§ 335.17

1972 Proceedings, p. 153. Application to Congress for a federal charter of a proposed corporation, the purpose of which is related to Shrine activities, may not be made without permission of the Imperial Potentate in accordance with § 335.17.

1972 Proceedings, p. 153. Formation of a corporation for the purpose of operating a Shrine circus must have the prior written consent of the Imperial Potentate under § 335.17.

1976 Proceedings, see p. 175. § 335.17 is not to be applied retroactively to corporations formed before its adoption in 1970.

§ 336.1

1967 Proceedings, p. 84. The formation of a holding company to acquire and hold property for a Temple unit is not permitted under Shrine law.

1970 Proceedings, p. 93. Control of uniformed units, including unit money and property is vested in the Potentate by this section.

1971 Proceedings, p. 95. Money raised in the name of the Order by uniformed units of a temple must be turned over to the temple to be handled in the same manner as all other temple funds.

1973 Proceedings, p. 98. By reason of § 336.1 uniformed units are under the direct control of the Potentate and by reason of § 337.3 Shrine clubs are likewise under his direct control, so Shrine clubs may not themselves organize or control uniformed units.

1973 Proceedings, p. 98. In view of § 336.1 all funds raised by uniformed units are income to the temple. That section taken together with §§ 334.4 and 327.5 requires that the expenditure of funds for or by uniformed units be consistent with the budget adopted by the temple.

1975 Proceedings, p. 19. Any funds held by a Unit which is disbanded by the Potentate under § 336.1 must be turned over to the Temple.

1975 Proceedings, p. 21. Under § 336.1 the Potentate has the power to suspend members of Units and, indeed, to disband the Units themselves.

1977 Proceedings, p. 163. A Shrine Club may not itself organize or control uniformed units, which are integral parts of the Temple under § 336.1 and directly controlled by the Potentate.

1979 Proceedings, p. 170. Aside from the requirement that all members must be Nobles, § 336.1 leaves qualifications for membership in a Temple Unit to the discretion of the Potentate.

§ 336.2

1971 Proceedings, p. 96. A band manager who had repeatedly violated § 336.2(a) was publicly reprimanded and ordered to cease and desist.

1972 Proceedings, p. 155. The Southeast Clown Association has no authority to exclude from any parade a non-member clown unit which has permission to participate in such parade from the Potentate of its own Temple under § 336.2(b) and from the Potentate of the Temple in the jurisdiction of which the parade is held under § 336.2(c).

1973 Proceedings, p. 98. § 336.2(d) does not prohibit the reimbursement of direct expenses of a parade or exhibition, but it forbids the recovery of expenses which would have been incurred even without such parade or exhibition.

ANNOTATIONS TO BY-LAWS (IOWA)

1976 Proceedings, p. 175. While under § 336.2(d) a unit may be reimbursed for direct expenses of a parade or exhibition, it may not accept compensation or other remuneration in the guise of "expense money".

1977 Proceedings, p. 162. A Temple uniformed unit is prohibited by § 336.2(c) from making a public appearance within the jurisdiction of another Temple without the consent of the Potentate of the Temple within the jurisdiction of which such public appearance is made.

1979 Proceedings, p. 171. In playing private engagements for compensation, a musical group composed of Shriners may not use a name which identifies them with their Temple.

§ 337.1

1967 Proceedings, p. 84. Oriental and Arabic names are reserved for Temples, and should not be a part of the names of Shrine clubs or holding companies.

1974 Proceedings, p. 26. The formation of a "social club" composed of members of various Shrine Temples living within the exclusive jurisdiction of another Temple is in violation of § 337.1 unless authority is obtained from the Potentate of the Temple in the jurisdiction of which the club is formed.

1977 Proceedings, p. 163. A so-called "alliance" of members of a single Temple constitutes a Shrine Club under § 337.1 and may not be organized within the exclusive jurisdiction of another Temple without the permission of the Potentate of such Temple in accordance with §§ 337.4 and 337.5.

1978 Proceedings, p. 87. Inasmuch as § 337.2 reserves to the authorizing Temple control over its Shrine clubs, the Temple By-laws may properly contain provisions related to the ownership of real estate by such Shrine clubs.

§ 337.3

1966 Proceedings, p. 212. Shrine Club has no independent existence. It is under complete control of the Temple, acting through its Potentate, having jurisdiction over it.

1967 Proceedings, p. 84. The formation of a Shrine Club Council by and under the control of the Potentate is not prohibited.

1967 Proceedings, p. 83. A Shrine club is not removed from the control of the Potentate by a provision in its By-laws that one-half of one percent of its members shall not be Shriners.

1978 Proceedings, p. 87. The Potentate has control of the Shrine clubs of his Temple pursuant to § 337.3, and he may require changes in the By-laws of such Shrine clubs even though such By-laws were approved by his predecessors in office.

§ 337.4

1967 Proceedings, p. 83. A Shrine club at the seat of the Temple with a membership including all members of the Temple is not authorized by Shrine law.

§ 337.5

1972 Proceedings, p. 152. Section 337.5(c) applies to an existing Shrine club in jurisdiction which becomes concurrent by the issuance of a dispensation to a new Temple.

1974 Proceedings, p. 25. Pursuant to § 337.5(c) a Shrine club located in concurrent jurisdiction remains subject to the jurisdiction of the Temple by the authority of which it was formed, even though it is closer to a new Temple thereafter created.

1974 Proceedings, p. 25. An agreement with respect to the formation of Shrine clubs in concurrent jurisdiction must be authorized by the membership of both Temples under §§ 337.5 and 324.8.

1976 Proceedings, p. 175. The burden of establishing the existence of an agreement such as is contemplated by § 337.5(c) with respect to control of Shrine clubs is on the Temple which claims such agreement to exist.

ANNOTATIONS TO BY-LAWS (IOWA)

§ 337.6

1967 Proceedings, p. 82-83. All members, directors and officers of a Shrine club holding company must be Nobles and members of the Shrine club.

1966 Proceedings, p. 211. Incorporating without complying with § 337.6 is violation of Shrine Law. Execution of long term debt without complying with §334.7 is violation of Shrine Law.

1967 Proceedings, p. 83. The incorporation of a Shrine club to procure a liquor license and otherwise function as a club is prohibited.

1968 Proceedings, p. 121. Shrine Club Holding Corporations are required to submit operating statements and balance sheets annually to the Imperial Recorder.

1970 Proceedings, p. 93. The Potentate may require dissolution of a Shrine Club holding company.

1974 Proceedings, p. 26. If the Trustees of a Shrine club holding corporation refuse to dissolve the corporation upon the Potentate's direction, he may remove them from office under § 337.6(c) (3) and appoint others who will comply with his order.

1975 Proceedings, p. 20. If membership in a proposed corporation is conditioned upon membership in a Shrine Club, the proposed corporation is related to the activities of the Order and may be organized only under § 337.6 or § 335.17.

EXPENSE — DETAIL

The following subsidiary breakdown of the Expense Accounts is not necessary unless the Temple desires to keep such a breakdown. Many Temples will want to divide these accounts in a different manner than is shown in the Chart of Accounts. There is no objection to that if they maintain the general captions. For example—600 Imperial Council, 601 Administrative, etc.

Breaking down the expenses as follows is very desirable in having readily available the actual costs of a specific item.

This includes the cost of purchase, construction, or other carrying value of all other buildings owned by the Temple, including Shrine Club buildings, if paid for by the Temple, or acquired by gift.

ACCOUNT 132: FURNITURE & EQUIPMENT

ACCOUNT 200: ACCOUNTS PAYABLE—IMPERIAL COUNCIL HOSPITAL LEVY

On January 1st of each year, every Temple pays to the Imperial Council \$5.00 for members on the roll December 31st, preceding, who are not permanent members of the hospital. This account is charged at the time the payment is made to the Imperial Recorder. If the cash basis of accounting is followed, then dues are collected. The \$5.00 for the hospital is credited to this account, and the account is charged when payment is made to the Imperial Recorder. As new members are created during the year the same procedure as is used at the beginning of the year should be followed, that is, charge dues receivable and credit Account 200 for the hospital levy, and credit Account 200-A for per capita due the Imperial Council. Accounts 200 and 200-A are charged as remittances are made to the Imperial Recorder. If the member purchases a P.C.M., no credit is set up for the hospital levy.

ACCOUNT 200-A: ACCOUNTS PAYABLE—IMPERIAL COUNCIL

On January 1st, each Temple owes \$1.10 per capita dues to the Imperial Council for all members on the roll at December 31st, preceding. This account is charged at the time of the payment to the Imperial Recorder. Under the cash receipts basis of accounting, the dues are collected and one dollar and ten cents thereof credited to this account. For Temple Life Members, past Potentates, and delinquent members, a charge is made to Account 600, and a credit is made to this account at the end of the year to clear up the charges set up at the beginning of the year. All amounts due the Imperial Council are to be carried in this account. Unpaid balances of the installment option on Hospital Levy and the per capita dues would be carried here until paid. The same procedure as outlined under Account 110 and under the caption just preceding should be followed under 200-A.

ACCOUNT 201: ACCOUNTS PAYABLE—OTHER

ACCOUNT 207: DEFERRED REVENUE

This account will be credited for income received before it is due, from sources other than dues or initiation fees. The credits thus received will be closed out to the appropriate income account at the beginning of the next year. Items which might fall into this account are Temple Magazine advertising and rental income.

ACCOUNT 208: P.C.M. AND V.P.S.

All permanent contributing memberships and voluntary permanent subscriptions purchased should be credited to this account, and the account charged as payments are made to the Imperial Recorder.

Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated by a star), when the twelfth month has thirty days. The small numbers (printed in red) from 1 to 366 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 13th day of the 12th month, Dhu-l-Hijjah, 1399 (marked 36 in red) is the 5th day of November, 1979 (also marked 46 in red).

What day in the Mohammedan year is June 3, 1980?

Finding June 3, 1980 in the Gregorian calendar it is found to be marked 247 in the red figures. The corresponding figure in red on the Mohammedan calendar is found to be the 18th day of the 7th month, Rajab, 1400.

OF THE
NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA

Colorado Corporation

105th Annual Session

July 8-13, 1979
Auditorium and Convention Center
Minneapolis, Minnesota

AFTERNOON SESSION
TUESDAY, JULY 10, 1979
THREE O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was convened in the Minneapolis Auditorium and Convention Hall, Minneapolis, Minnesota, on Tuesday, July 10, 1979, at three o'clock p.m., Imperial Potentate Warren F. Weck, Jr., presiding pursuant to notice of Annual Meeting.

IMPERIAL POTENTATE WECK: I now proclaim this Session to be open for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and the Session will remain open until adjourned.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE WECK: I will now recognize Imperial Sir George M. Saunders for a motion to elect Representatives as members of the Colorado Corporation.

IMPERIAL SIR SAUNDERS: Imperial Sir, in accordance with the provisions of Shrine law, Section 504.1, I move that all Representatives of the Iowa Corporation who have registered at this meeting be elected as Representatives of the Colorado Corporation.

...The motion was severally seconded...

IMPERIAL POTENTATE WECK: You have heard the motion and the second, is there any discussion?

There being no discussion, all in favor will indicate by saying aye; contrary by the same sign. The motion is carried and it is so ordered.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE WECK: The next item is Item 22.

NOBLE MAHLON HESSEY [Reading]: To the Members of the Colorado Corporation:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 508.8 (a) of Article 8 of the By-Laws of the Colorado Corporation, so that it will read as follows:

"Section 508.8 Trustee Emeritus

(a) Except as to those serving as a Trustee on July 1, 1964, a member shall not be eligible for election who has passed his 72nd birthday. A Noble shall not be eligible for appointment to fill a vacancy in the Board of Trustees, resulting from death, resignation or otherwise, who has passed his 72nd birthday. A Trustee who is retired by reason of his age, or who after having passed his 72nd birthday voluntarily retires, shall be elevated to the position of Trustee Emeritus if he has served as Trustee for not less than nine years. A Trustee Emeritus receives all notices of meetings and may participate in discussions but he may not vote. This section shall not apply to those officers listed in Section 508.2(a)."

SHRINERS HOSPITALS

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

NOBLE MAHLON HESSEY: Imperial Sir, I would move for the acceptance of this report.

IMPERIAL POTENTATE WECK: Is there a second to the motion?

... The motion was severally seconded...

IMPERIAL POTENTATE WECK: All those in favor will say aye; opposed. It is carried.

Now will the proposer of the amendment please come forward.

NOBLE EVERETT M. EVANS [Past Potentate and Representative of Sharon Temple]: Imperial Sir, Imperial Sirs, Grand Masters, Distinguished Guests and Representatives all: My name is Everett M. Evans and I am a Past Potentate of Sharon Temple, Tyler, Texas.

In your Call, on page 30, under Item 22, I am proposing an amendment that will change Article 8, Section 508.8. All I am attempting to change is the age limit here. I am asking that we change it from age 68 to age 72 everywhere it appears in that Section.

From past experience of serving on local Shrine Hospital Boards, which allow the 72-year-age limit, I have found some of the men in this age bracket to be valuable assets. The contributions, both past and present, that they make are greatly needed.

I believe that the National Board of Trustees should at least have the same age limit. Below, we have already taken action that will now allow men to serve more than three terms anyway and, in my opinion, age really has nothing to do with the position we are talking about.

You as Representatives should take action and not neglect anyone regardless of age, if he is doing the job.

This amendment will give you more of a choice, not less of a choice, to keep a good man on the job.

Now, the opposition will probably tell me that when a man reaches this age, he gets old and senile and sleeps a lot. If that is the case, from my seventeen years of experience as a Representative, maybe we ought to close the whole deal down because I have sat out here and taken a nap and I am sure that before this Session is over there will others of you be doing likewise.

Imperial Sir, I would move for the passage of this amendment.

IMPERIAL POTENTATE WECK: Is there a second?

... The motion was duly seconded...

IMPERIAL POTENTATE WECK: Is there any discussion?

... The question was severally called for...

IMPERIAL POTENTATE WECK: There has been a call for the question.

All those in favor of the passage of this amendment will indicate by saying aye; opposed.

Now, I think a head count would be rather difficult in this auditorium and so, under the circumstances, we will call for a ballot.

I will now call on the Chairman of Tellers to explain to you the balloting procedure.

NOBLE J. C. HOWELL [Chairman of Tellers]: Imperial Sir, Imperial Sirs, Grand Masters and Fellow Representatives: When you registered, you received a packet of ballots. I hope everyone has these ballots with you.

As we ballot, the Imperial Potentate will announce to you the ballot number to be used and also the color of the particular ballot.

The election Tellers will pass by you, while you are in your seat, and take up your ballots. Please do not get up and wander around. We would like to give you the results of the ballot right away so, therefore, if you will keep your seats, we will be able to collect them without difficulty.

Now, in the event, should there be a ballot taken just before a recess of the Session, we would stand at the doors. However, this particular ballot will be taken up at your seats.

IMPERIAL POTENTATE WECK: We will use the dark gray ballot, number 21.

Now, just as a reminder—if you want to leave the age the way it is, you vote “no”. If you want to change the age, you vote in the affirmative, “yes”.

Further, when you vote, tear off the stub. You only deposit the portion that says either “yes” or “no”. The reason that we put these stubs on there is because at the time we were going to check and see who is present. We do want to be sure you are all present and earning your salaries. Therefore, please take off the stub when you vote because we do not want to know who voted in what fashion.

... At this point, voting and collection of ballots ensued...

IMPERIAL POTENTATE WECK: Has everybody voted who desires to vote? I understand there are a few who have not yet balloted and so I will hold it open for a little bit.

... Further voting and collection of ballots ensued...

IMPERIAL POTENTATE WECK: Now, have we completed our ballot at this point? Has everybody balloted who desires to ballot? Hearing no comment, I will at this point declare the ballot closed. (Gavel)

While we are waiting for the results of the ballot, we will continue other business.

... Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE WECK: We will next proceed to a consideration of Items 21 and 23 in the Call.

I will recognize Ed Maag.

NOBLE EDWARD MAAG: Imperial Sir and Representatives: There are two Items here that are to be presented.

Item 21, which I shall read first, is to be found on page 29 and 30 of the Call.

Item 23, the second of these Items, is at page 30 and 31: These are matters in the Colorado Corporation.

Now, with regard to Item 21, which I shall read first, it is necessary to adopt Item 21 before Item 23 to be adopted later. Do you follow what I say? In other words, two go together, one with another.

IMPERIAL SIR TURLEY: However, it will not make any difference if it were adopted as to Item 23 and so it will be all right either way.

NOBLE EDWARD MAAG: As Bob just observed to me, it really will not make a difference if you adopt Item 21 and then Item 23 fails. However, Item 21 concerns enabling legislation to permit the passage of Item 23.

Now, I will proceed to Item 21 first. This Item from the Call has been proposed by members of the Board of Directors of the Colorado Corporation.

To the Members of the Colorado Corporation:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 507.4(d)(2) of Article 7 of the By-Laws of the Colorado Corporation, so that it will read as follows:

“Section 507.4 Duties of Officers.

SHRINERS HOSPITALS

(d) Treasurer. The Treasurer has the following duties: . . .

(2) To arrange at the General Offices of this Corporation for the payment of its obligations by voucher checks in a manner consistent with Section 511.2."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

NOBLE EDWARD MAAG: Imperial Sir, I would move that the report be received. . . . The motion was duly seconded. . . .

IMPERIAL POTENTATE WECK: Is there any discussion?

If not, all those in favor indicate by saying aye; opposed. It is carried.

NOBLE ROBERT ADAMS [Past Potentate, Tigris Temple]: Imperial Sir, Illustrious Sirs and Representatives all: Item 23, which will be recommended to you, will require two signatures rather than three, as you have just passed in connection with the Iowa Corporation.

This resolution simply paves the way for Item 23, but whether or not 23 is passed, this involves simply a housekeeping change.

I would move the adoption of this amendment.

. . . The motion was severally seconded. . . .

IMPERIAL POTENTATE WECK: We are now on the consideration of Item 21. I will recognize Imperial Sir Bracewell.

IMPERIAL SIR BRACEWELL: Thank you, Imperial Sir.

Fellow Delegates, I feel that Item 21 in the Call is self-explanatory. I would move for the adoption of amendment 21.

IMPERIAL POTENTATE WECK: I believe we already have that motion before us. However, I will again acknowledge it. Is there a second?

. . . The motion was severally seconded. . . .

IMPERIAL POTENTATE WECK: Is there further discussion as to this Item?

If not, all in favor will indicate by saying aye; opposed. I declare it passed by the necessary two-thirds Constitutional majority.

We will now take Item 23 and I will go back to Ed Maag.

NOBLE EDWARD MAAG: Imperial Sir, Imperial Sirs and Representatives: I now address myself to Item 23 found on pages 30 and 31 of your Call to this Session.

To the Members of the Colorado Corporation:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 511.2 of Article 11 of the By-Laws of the Colorado Corporation, so that it will read as follows:

"Section 511.2. Checks and Payment or Transfer of Funds. Funds on deposit in banks shall be withdrawn by voucher check, upon the manual countersignature of the Treasurer to either the manual signature or the facsimile signature of the President. The facsimile signature of the President shall be affixed only by joint direction of the Executive Secretary for Shriners Hospitals for Crippled Children and the Controller. In the absence or incapacity of the Treasurer, said voucher checks shall be countersigned by the Chairman of the Board of Directors and the Secretary. Notwithstanding the foregoing provisions of this section, funds may be transferred from one depository to another by written or telegraphic order of any officer so authorized by the Board of Directors."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

NOBLE EDWARD MAAG: Imperial Sir, I would move the report be received.

...The motion was duly seconded...

IMPERIAL POTENTATE WECK: There is before you a motion to receive the report. Is there any discussion? If not, all in favor will indicate by saying aye; opposed. The motion is carried and the report is hereby received.

I will now recognize Charles Emmett of Rameses Temple, a member of the Finance and Accounts Committee.

NOBLE CHARLES EMMETT [Rameses Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: The present By-Laws of the Colorado Corporation also require the signatures of three officers on voucher checks.

The proposed change would reduce the required signatures to two, and would also allow the use of a facsimile signature of the President. The second signature would have to be a manual signature by the Treasurer, except in his absence or incapacity, a manual signature by the Chairman of the Board of Directors and Secretary would be required.

For the same reasons as were set out in support of the change in relation to the Iowa Corporation, we recommend the adoption of this amendment in the Colorado Corporation.

I move you, Imperial Sir, that this report be received.

...The motion was duly seconded...

IMPERIAL POTENTATE WECK: All in favor of receiving the report indicate by saying aye; opposed. The motion is carried and the report is hereby received.

I will now recognize Imperial Sir Bracewell.

IMPERIAL SIR BRACEWELL: Fellow Representatives, I am happy to report that I have consulted with the Imperial Potentate and the Finance and Accounts Chairman and also the Chairman of J and L and I now have the correct number of the amendment. It is 23 and, at this point, I would move for its adoption.

...The motion was duly seconded...

IMPERIAL POTENTATE WECK: Is there any discussion concerning the adoption of this particular amendment?

If not, all in favor of the adoption of this amendment indicate by saying aye; opposed. The amendment is adopted by the necessary Constitutional two-thirds majority.

...Business was conducted in the Iowa Corporation at this time...

IMPERIAL POTENTATE WECK: I believe we have the results on our last ballot. I will recognize the Chairman of Tellers.

NOBLE J. C. HOWELL [Chairman of Tellers]: Imperial Sir, Imperial Sirs and Representatives: It is a pleasure to give you the results of ballot 21.

There were a possible 799 votes and 723 actually voted. There were two spoiled ballots. Necessary for choice were 482.

The votes were distributed as follows: Yes, 450; No, 271.

IMPERIAL POTENTATE WECK: I declare that the amendment did not pass.

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Minneapolis Convention Center, Minneapolis, Minnesota, at one o'clock p.m., Imperial Potentate Warren F. Weck, Jr., presiding.

... Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE WECK: We are now going to have the report of the Chairman of the Board of Trustees as to the Hospitals.

PAST POTENTATE C. VICTOR THORNTON [Chairman, Board of Trustees]: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Fellow Representatives: If one of you Representatives had had the foresight to propose eliminating Section 507.4(b)(3) of the Colorado Corporation By-Laws, you would not have had to listen to this report because that's the section which states that it is the duty of the President to make it. Since you did not, I will tell you generally what I perceive to see the state of our operation.

Progress and improvement describe the 1978-1979 Shrine Hospital year. As with any organization with twenty-one separate operating units, problems exist, but many have been resolved and others will be,

Last year, we had a surprisingly large increase in new applications received, in the waiting list and in the number of active patients. The number of patients discharged and the number of operations performed also increased over the previous year. We now have a record number on the active patient list of over 46,000.

Among them, I am sure, is this precocious patient who was very anxious to go home to show his friends how he could manage his new braces. The nurse had just taken his temperature and told him it was 102 degrees, which made it impossible for him to leave as yet. However, he said, "But, nurse, you did not take into account the wind chill factor. With that it would only be 98.6."

Recently, I have been reading the semi-annual report prepared by the Administrators and here are some typical quotations from some of them which I think testify as to the good health of our system.

From the Twin Cities Unit: "Total admissions to the Hospital were 114, during the first four months, an increase of eighty-three percent from 1978."

From Greenville: "With the increased number of applications which we received last year, we have increased our patient lists. Our workload has grown throughout the Hospital."

From the Erie, Pennsylvania Unit: "The past six months have been the busiest in the history of the Hospital but I am pleased to report that statistics show a steady increase in the demand for our services."

From Portland: "There were sixty-three applications received for consideration. This is the largest number of applications received for one month, double any previous monthly average."

From Mexico City: "The Mexico City Unit has had an intensive six-month's work since last November. Our final figure on the surgical operations for the year was 1,070."

Early last December I had the privilege of viewing, by closed circuit television, the one thousandth of those operations performed during the year up to that time. I was impressed with the numbers but also with the remarkable skill of Dr. Polo, the Chief of Staff, whose skill is typical of the excellent surgeons who serve our children.

Since coming to Minneapolis, I have received other good words.

In our Montreal Unit, where we have been concerned somewhat about census, we now have a census of forty patients. This is approximately three times what we had a year ago.

So I would say, yes, overall, Shriners Hospitals are thriving. There are probably several reasons for the increase in our activity.

In some of our Units there is renewed activity on the part of Shriners to locate children who need our help.

A number of the Units are holding outside clinics.

The "800" number, for use only by the public in reporting possible patients has resulted in 1,325 referrals from last October through June 29th of this year.

The increase in the age limits without specific approval has brought in a few.

Possibly one of the largest factors and one which could affect the demand for our services on an increasing basis for some time to come is the rate of inflation. Many parents are being forced into the position of being unable to pay for treatment they could have handled were it not for the economic pressures prevailing. For these reasons, I see no let-up in the demand and need for Shriners Hospitals.

Despite the increased activity, you will be pleased to know that the work was accomplished within the budget you approved, barely, but within it. This was made possible only by the close cooperation of the Boards of Governors, the Administrators, Chiefs of Staff and employees of the Units. You read, I am sure, of the government's Hospital Cost Containment Proposal. We have consistently remained well within recommended government guidelines, despite our increased activity.

You have been reading also of the proposed National Health Insurance schemes. Two of these have been grabbing the headlines lately—one proposed by Jimmy Carter and one by the Chappaquidick Charger.

The idea of National Health Insurance has been pushed by a section of our society for a long time, and for about fifteen years there have been dire predictions by some that a National Health Insurance system would eliminate the need for our services. As I reported last year, many of the people pushing National Health Insurance have also sought to do away with all charity hospitals such as ours. The thirty-year-old National Health Service of Britain has been cited by proponents as an example of utopia in medical care delivery. It has proven to be anything but that.

A Heritage Foundation report states it this way: "Any resident of Britain knows well that the National Health System does not function according to plan. Shortages, waiting lists, poor pay, industrial disputes and falling standards of care are now fundamental characteristics of the system. The fact that the price to the consumer is zero, or at least well below a market price, means demand continuously outstrips supply. Spending decisions reflect the policy goals of government rather than the wishes of the patients."

As a result, doctors do not like it, hospital workers do not like it and patients, who often must wait years for some types of treatment, do not like it. The only

ones who do are the socialist reformers, who believe every facet of our lives should be controlled by a huge central bureaucracy with the resulting astronomical costs.

Hopefully, in the United States, National Health Insurance is no closer than it was fifteen years ago. In any event, it seems to pose little or no threat to the continuance of our Hospital system.

Even under a National Health Insurance environment, there would be a need for our Hospitals, since we are fast becoming centers of excellence which can and would provide services of a type and quality which would not be available otherwise under NHI. Our research program alone, which is being expanded and improved yearly, would justify our existence.

There are many facts and figures which tell the story of our progress but most of them are published in the Book of Reports or in the printed Annual Report, and so I will not burden you with them here.

One change with which you are familiar is the increase in admittance age limit from the sixteenth birthday to the eighteenth birthday. This was announced for all Units but we may have to backtrack some in the case of the Burns Units because of some difficult problems caused by the acceptance of the older patients.

There have been a number of changes in personnel this year including new Chiefs of Staff at Greenville, Honolulu and Twin Cities.

We have a new Acting Chief of Staff at Galveston and one at Lexington due to the tragic death of Dr. Harry Bailey, former Chief of Staff, in an airplane accident.

There are new Administrators at St. Louis, Spokane, Springfield and Twin Cities, and new Chairmen of Boards of Governors at Honolulu, Montreal, San Francisco, Shreveport and Spokane.

We have a new Director of Medical Affairs, Dr. Frank H. Stelling, formerly Chief of Staff at Greenville, who replaced Dr. Carroll Larson, deceased.

The changes came about through retirement, resignation and, in the case of the Chairman of the Boards of Governors, through application of the two three-year term rule.

Through the Shrine publication, "Between Sessions", you have been informed of progress in our Hospital building program. The addition to the Greenville Unit is virtually complete. Ground has been broken for the new building at Chicago and the architectural contract has been let for the new Portland Hospital building on the campus of the University of Oregon Health Sciences Center and the small addition to the Mexico City Unit should be commenced shortly after wading through a maze of governmental procedures.

That maze of legal gobbledygook is not unique to Mexico either, especially when you realize that it has taken three years to get the Chicago building started and almost two years to get the Portland building into the hands of the architects. In the meantime, costs have risen substantially and the amounts you voted for construction of these projects will very likely not be adequate to complete the jobs. In the opinion of the members of the Board of Directors and the Board of Trustees, we should vote the additional funds required since there appears to be no end in sight to the inflationary spiral and building costs are not likely to decrease in the future.

The success of our Hospital system is made possible by many people working together and I know you join me in thanking some of them now:

Imperial Potentate Warren F. Weck, for his excellent leadership.

The members of the Board of Directors and the Board of Trustees, who have shouldered a large workload this year in carrying out numerous committee assignments.

Executive Secretary Lew Molnar, who is indispensable to our operation.

General Counsel Ed Maag and Assistant General Counsel Paul Ibach, whose load of work continues to be heavy.

Our new Medical Director, Dr. Frank H. Stelling; Executive Administrator, Ann McGrath; Director of Medical Records, Mary Katherine Achorn and employees

in both Chicago and Tampa, whose cooperation under difficult circumstances has been excellent.

And let me also mention Charlie Cumpstone, who, while involved primarily in Fraternal affairs, certainly helps all of us in a variety of ways.

The members of the three Medical Advisory Boards, headed by Drs. Donald B. Lucas, Robert Ray and Charles R. Baxter, highly talented physicians, who give much needed professional guidance to our Boards.

And particularly to the Chairmen and members of the Boards of Governors, the Chiefs and members of the Medical Staff and Administrators and employees of the Units who serve the patients with ability and devotion.

To the general public for its financial support.

And, finally, to you Representatives and the Nobles and families you represent for millions of man hours of fund raising, finding patients and telling our story.

Let me conclude by reading a letter we recently received from the mother of one of our patients:

"Dear Shriners: My son, Bobby, has been a patient at the Springfield Hospital where he was operated on. He has osteogenesis imperfecta. He also has been operated on at a local hospital for the past fourteen years. I have seen Bob lay in an awful lot of pain, seen him crying into and coming out of the hospital. I have counted quietly to myself, along with Bob, the months before he would be due to go back in again.

"Then a guy I never even knew sent me a paper to see if Bob could be seen in Springfield. He had talked to someone who knew us. I sent it in and Bob was seen.

"He went in on December 26 and three weeks ago in the Hospital, started walking with the aid of a walker. I was there, as usual, to see him come out of surgery. No crying, no sickness, but smiles and joking. Everything was different. The staff became family. Doctors became friends and each new youngster met became a pen pal.

"If I tried, I could not thank you people enough. I could not even begin. I work and support five of my six children. As much as I wanted to, I could not repay in dollars but maybe there is something else I could do—mailing, typing, calling, anything at all. Please find a way that I could help.

"Also, the Shriners have a newspaper that is due to come out soon. If you could send me a bundle, I should like to distribute them in our local drugstore. Maybe there is someone who has not heard about or doesn't know about what you are able to do.

"I will be very anxious to hear from you. All of my best wishes and earnest prayers go to everyone involved at the Shriners."

Nobles, that tells better than any other way I know why it has been a pleasure to serve you during this past year.

Thank you very much. (Applause)

Imperial Sir, I would move that the report be received.

...The motion was duly seconded, was voted upon and was declared to be unanimously carried...

IMPERIAL POTENTATE WECK: Thank you, Vic.

Now, I know that many of you have asked for an opportunity to make a presentation to the Chairman of the Board of Trustees in connection with your fund raising activities. Inasmuch as we do have to wait until the Tellers come back before we can carry on with further business, I am going to ask if Vic would take the seat over here at the table and those of you who have a presentation which you would like to make, if you would come forward and make it to Vic at that time, please do so.

Now, at this time the microphone is open over there but I would ask you in the interest of conserving time, and we are running behind schedule, that you please make your presentation as expeditiously as possible.

...At this point, monetary contributions were presented to Imperial Sir Thornton

from various Temple Representatives in behalf of Shriners Hospitals for Crippled Children...

PAST IMPERIAL POTENTATE THORNTON: I would like to take this opportunity to express to all of you my deep appreciation for your contributions.

As each of you know, money is the fuel on which we run our Hospitals. It is absolutely necessary and, again, let me thank each of you and those whom you represent for the magnificent job you do in providing this fuel. It gives me a sense of great pleasure to know that there are tens of thousands of you working so diligently in the support of our kids. In behalf of the Trustees and Directors, thank you all so very, very much. (Applause)

IMPERIAL POTENTATE WECK: Thank you so very much, Vic, for that fine report and thanks to all of you for your substantial contributions. Believe me, it is certainly something you see when you go out and visit all these Temples, how active they are in raising these funds.

... Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE WECK: I believe there is somebody at Microphone 3.

NOBLE WALTER PETTIT [Abou Ben Adhem Temple]: Imperial Sir, I think it is appropriate at this time, following the excellent report relative to our Hospitals, that I make this presentation to you.

During the Session on Tuesday, July 10, this body voted in opposition to the passage of Item 22 of the Call relating to Section 508.8(a) of the By-Laws of the Colorado Corporation and at that time I cast my ballot in opposition to the motion and the motion was defeated.

In the interest of continuity of the Board of Trustees of the Colorado Corporation and with apologies to any Noble who may feel inconvenienced, but in the hope and the belief that further discussion on that motion may be for the good of the Fraternity, I move that Item 22 be reconsidered.

... The motion was severally seconded...

IMPERIAL POTENTATE WECK: Is there any discussion?

PAST IMPERIAL POTENTATE HAROLD CLOSE: Imperial Sir and Representatives, I do not want to object to any reconsideration of this motion.

Most of you are Representatives from your own Temples and I am sure you know the Imperial Code that your Temple operates under.

You operate on the proposal that once your election starts in your Temple, no business can be conducted or considered until the election is over.

Now, it seems to me that we should operate in the same manner and I want you to be sure to understand me—that I am not objecting to reconsideration—I will be happy to discuss reconsideration with you at the proper time—but it seems to me that we should postpone reconsideration of this motion until the elections of the Colorado Corporation are out of the way.

For that purpose, Imperial Sir and Nobles, I move that we table this proposal at this time.

IMPERIAL POTENTATE WECK: I will have to rule that this is out of order, the tabling motion, because you adopted a resolution yesterday saying that you must have two speakers if they want to speak in opposition before it can be tabled. That was the first thing we did yesterday.

NOBLE DEWEY E. S. KUHN [Beni Kedem Temple]: Imperial Potentate, Imperial Officers and Representatives all: I rise in support of the motion for reconsideration.

My name is Dewey Kuhns and I am an Emeritus Representative and I have come to these meetings for forty years, have been a Representative since 1952. Yesterday I voted against the motion and I worried about it all night long. I talked to some of my colleagues about it, particularly after I heard what my vote had accomplished.

At the Pageant this morning we listened to a record which further impressed me with the importance of our Hospitals and how important it is that these Hospitals be operated by people that are fully cognizant of the responsibility of their respective offices.

I was much concerned this morning when I realized I had cast a wrong vote.

I think this is a matter that needs to be further explored and so I ask you as Representatives to search your hearts.

There is nothing wrong with a motion for reconsideration in a matter of this importance, especially when we think of the need as to the efficient operation of our Hospitals.

Therefore, let us give it a chance—let us reconsider it and hear the merits of the situation.

Therefore, fellow Representatives, I would ask you to support me in this motion for reconsideration.

IMPERIAL POTENTATE WECK: Does anyone else wish to speak?

...The question was severally called for...

IMPERIAL POTENTATE WECK: All those in favor of reconsideration please say aye; opposed. I will declare that the motion to reconsider has been passed by the necessary majority.

The question before us at this moment is Item 22, which is now again before the Representatives for debate. Is there somebody that wishes to speak?

PAST IMPERIAL POTENTATE HAROLD CLOSE: Well, Imperial Sir, I will speak and I want to tell you Representatives my position in this.

It is only taken after having served some twelve years as a member of the Board of Trustees. I certainly have no personalities and no axe to grind.

Now, it seems to me that any man who is a member of any Board, whether a Board of Directors or a Board of Trustees, as a member of this Board, that if he observes something that has not been official to the organization, he has an obligation to that organization to do something about it. That is the only reason I am so strongly opposed to changing the age limit.

Now, Nobles, this is the fourth consecutive year that this matter has been before you. Yesterday and for four consecutive years you Nobles have revoted to retain the age limit we have today. Why is it now being brought up twice a year instead of once a year? (Laughter) As to why it is being brought up, I have no idea. I personally know of nothing that has changed since your vote of last year that would warrant any change in the age limit this year.

You know, we talk about the fact that we need younger men in this organization and, we do, and so gradually we have to open up space for them where once in a while somebody can serve.

I have seen members, and you have, too, running for the Board of Trustees under our present By-Laws the way they exist today and when they are elected, they are so happy and glad they won an election with the By-Laws the way they are. However, after a few years on the Board, when the By-Laws start catching up with them, then they want to move to change the By-Laws.

Now, Nobles, we spend a lot of money coming to these Sessions and it has been my opinion for many years that we come here to change laws or do business for the benefit of the organization and not for the benefit of an individual. (Applause)

And if we change that age limit, Nobles, by any amount, it is not going to benefit the Shrine Hospitals or the Colorado Corporation in any manner. It is only in here to benefit one or two individuals.

I have never believed in changing By-Laws to accommodate individuals. There is always a time to go and a time to stay and most people recognize when it is time to go and they do so voluntarily.

One of these individuals was the late Owen D. Young, who was the Chairman of the Board of the General Electric Corporation. He insisted on retiring at the age of sixty-five and he said, "I firmly believe there is more harm done by old men trying to cling to their influence than by young men who anticipate theirs."

Now, Nobles, we are a Fraternal organization. We are not a business such as the General Motors Corporation but we have a budget in the Colorado Corporation exceeding \$40 million a year. That is a considerable sum of money.

The proposer of this resolution yesterday, and I did not want to contradict him, but he did say that people would have to go off the Board at the age of sixty-eight.

Now, Nobles, our By-Laws do not provide that you retire at sixty-five—they do not provide that you retire at sixty-eight. Our By-Laws provide that a member is not eligible for election to the Board after his sixty-eighth birthday.

This means, for example, Nobles, that a man who is going to be sixty-eight years old tomorrow can be elected today for a three-year term on the Board of Trustees and serve until he is seventy-one.

I say to you, Nobles, that if you retain this as you have done in the last four consecutive times it has been before you, you will not do an injustice to your Hospitals and you will not do an injustice to any Noble. (Applause)

IMPERIAL POTENTATE WECK: Let me ask the next speaker if he is either an opponent or proponent. I wish to keep the discussion balanced.

IMPERIAL SIR OLFENE: Imperial Sir, I rise to speak as a proponent.

Imperial Potentate and my Fellow Representatives: I am a great believer that if given the background and the facts that you always make a decision which is best for the Shrine and for our Hospitals.

Now, most of you have been to this Convention on several occasions but there are a number of you who are here for the first time and, if I may, I would like to give a brief explanation within the next few moments leading up to what I hope will assist you in making the proper decision on this particular piece of legislation.

You have heard today the words used "Iowa Corporation" and "Colorado Corporation". I, like many of you, when I sat in that audience years ago, really did not know what the two corporation system was all about.

Now, gentlemen, I would like to tell you this—that in brevity of the explanation, when you hear the words "Iowa Corporation" used, we are referring to the Fraternal end or Fraternal aspects of the Shrine—strictly the running of the Shrine. Also, if you will notice in the Call that you have before you, most of the legislation this year concerns the Iowa Corporation and it all pertains to the Shrine—the Shrine Fez and all of the Fraternal aspects.

Now, who manages that Corporation when you are not in Session? The Imperial Divan who is also, by the Iowa By-Laws, the Board of Directors, plus the Junior Past Imperial Potentate sitting on that Board. They run the Corporation between Sessions, the business aspects of the Fraternal Corporation.

Now, when you hear the words "Colorado Corporation" mentioned, you can put your mind toward our Hospital operations. It is the Hospital Corporation that raises funds, manages and operates our total Hospital program and, indeed, when Past Imperial Potentate Close said that our annual budget was in excess of \$40 million, indeed, to inform you of the magnitude of this Corporation, let me say to you that our Endowment Fund is now in the neighborhood of \$800 million. It is the income from this Fund which is a big contributor for the money used to run our Hospitals.

Now, who manages this Corporation when we are not in Session?

It is a Board of Directors—the members of the Imperial Divan who are elected by you, plus the Junior Past Imperial Potentate and the President of the Colorado Corporation, who likewise is elected annually by you gentlemen and he, between the President of the Corporation, he likewise, by the By-Laws, is the Chairman of the Board of Trustees.

Now, what are the duties of these people, these Directors? Well, they are spelled out in the By-Laws and I do not plan to take the time to read all of them to you but to tell you in general. (Applause) Thank you, I will do my best. I am sorry if I am a little lengthy on this but I still maintain that if you know the facts and get the education, you will make the right decision. Therefore, please bear with me for a moment.

The Board of Directors are responsible for all of the management and the fiscal aspects of the Colorado Corporation.

Then you have another group of men spelled out in your By-Laws called the Board of Trustees. They are a twelve-member Board. Five of them, by the By-Laws, are spelled out in relation to their office held on the Imperial Divan. They are the Imperial Potentate, Deputy Imperial Potentate, Imperial Chief Rabban, Imperial Treasurer and the Junior Past Imperial Potentate, leaving the remaining seven who, in turn, are elected by you gentlemen from the floor.

They are elected for three year terms, two running each of two consecutive years and three on the third year—just seven. These gentlemen are sitting on the Board today, elected by you and having a three-year term.

Now, in relation to our operations, we have twenty-one Hospitals and each of those Hospitals has its own Board of Governors. There are certain rules and regulations guiding them as to their age structure and it says they can serve and be elected to a local Board to the age of seventy-two. It also says they shall not serve more than two consecutive three-year terms. Again that is at the local Board level.

Now, at the National Board level, and the gentleman who spoke before me just failed to recognize this, in 1977 I sponsored legislation at the New York Convention which you unanimously endorsed to put limited terms on the National Board of Trustee members. They can serve only three consecutive three-year terms and then must get off. Now, someone is going to give the argument, well, they can come back after they wait for a year. Well, yes, they could if they were under the age structure but it also says at the end of the nine-year term, they are Emeritus Members and I cannot conceive of anybody making a pitch to come back.

Gentlemen, what we need is no more than what we have always needed—the best talent we can get, the best minds we can get, the best educated men we can get to sit on the Board of Directors and the Board of Trustees, with the responsibility of running a multimillion dollar Corporation.

I would like to think that you would agree with me as to the limited term structure that is there, meaning, of course, it is not a lifetime job, it is a three-term maximum.

I would hope you would agree with me in voting in favor of raising the eligibility age to be equal to the Board of Governors back in your own communities. Because you make the man eligible does not say that you have to support the candidate. Further, when I heard it said today that this was being done for one individual, I take exception to that. It is not being done for one individual—it is being done for those of us who believe it is in the best interests to get the most qualified, capable, experienced people on this Board of Trustees to run this large organization.

Gentlemen, with that, I hope you would now approve reconsideration, that you will indeed support to raise that age. Thank you very much.

IMPERIAL POTENTATE WECK: Are there any other speakers on the subject?

PAST IMPERIAL POTENTATE MORRISON: I would like to say that last year your Robert's Rules of Order got me into a lot of hot water. Now, I don't want Robert's Rules of Order to get you into trouble here today and I also know by looking at them, that if we ask for a written ballot, as you said before, I would ask at this time that if you do vote on this, that we can have a written ballot because Robert's Rules of Order says that the Imperial Potentate, the presiding officer, cannot gavel a motion through. That is the way I got myself into trouble last year. (Laughter)

Now, all I say is this—please, no matter what you do, “yes” or “no” or whatever, let us please have a written ballot. Thank you.

IMPERIAL POTENTATE WECK: I believe that Tom is next. However, I think I had better ask him which side he is on.

PAST IMPERIAL POTENTATE TOM SEAY: On the side of the Shrine. (Applause)

I am for Shrinedom and the Nobility of Shrinedom, for our Hospitals.

You know, it disturbs me to stand here before these Nobles that have been elected by their Temples and to make a statement that there are not enough men under sixty-eight years of age to run our Hospitals. (Applause) I think there are many men sitting in this audience today that have the qualifications to run our Hospitals.

You know, I had an experience of late, a problem with one of my men. I elected a President twenty-nine years old. He is doing a better job than anybody else ever did.

Now, gentlemen, let us be honest with each other. There are all kinds of men out there in this audience that have the ability to run a business and, I am sure, they can run the Shrine as well.

Thank you very much. (Applause)

IMPERIAL POTENTATE WECK: Are there any other speakers?

All right, are you ready for the question?

You will be now voting on Item 22 regarding the age limit of Board of Trustee members for the National Board of Trustees.

If you vote in favor of this amendment, it means that you are increasing the age limit from sixty-eight to seventy-two, providing, of course, those serving as Trustees on June 1, 1964, a member shall not be eligible for election who is past his sixty-eighth birthday.

However, if you vote in favor of this amendment, it will change that to the seventy-second birthday and then this carries on through changing the age limit.

If you vote against it, then it means that you cannot be elected to these offices after you have attained the age of sixty-eight years. Do you understand? Are there any questions?

PAST IMPERIAL POTENTATE CLOSE: Imperial Sir, if I am in order, I would like to move this vote be taken by paper ballot.

... The motion was duly seconded...

IMPERIAL POTENTATE WECK: There is a second to that and it is in order. I do not imagine anybody desires to debate it.

Therefore, if you vote "yes", it will involve a paper ballot. If you vote "no", we do not take a paper ballot and it only takes a majority vote.

All those in favor will say aye; opposed. The ayes have it and we will take a paper ballot.

This will be in the back of your book, the apricot color. That looks pretty good—number 24.

We will have our Chief Teller give you an explanation again.

NOBLE JOE C. HOWELL: This will be handled the same as the last time. We will take them up from you at your seats and so please stay in your seats for this ballot. There will not be anybody at the door.

... Whereupon, balloting and collection of ballots ensued...

IMPERIAL POTENTATE WECK: Has everybody balloted? If so, I will declare the ballot closed. (gavel).

... Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE WECK: I believe we have the report of the Tellers Committee.

NOBLE J. C. HOWELL: Imperial Sir and Representatives: It is my pleasure to give you the results of ballot 24 in relation to Item 22 of the Call.

There were a possible 795 votes; 780 actually voted. There were no spoiled ballots. Necessary for choice was 520.

The votes were distributed as follows: "Yes", 270; "No", 510.

IMPERIAL POTENTATE WECK: I declare that the amendment has lost.

The next item of business here is the election of Trustees as members of the Imperial Divan and the Immediate Past Imperial Potentate to the office of Trustee.

At this time, I will recognize our Imperial Recorder, Robert Turley.

IMPERIAL SIR TURLEY: Imperial Sir, pursuant to Section 508.2(a) of the By-Laws of the Colorado Corporation, I nominate the Imperial Potentate-elect, Charles Claypool; the Deputy Imperial Potentate-elect, Dr. H'Doubler; the Imperial Chief Rabban-elect, Randolph Thomas; the Imperial Treasurer-elect, Thomas Melharn and the Junior Past Imperial Potentate to be, Warren F. Weck, Jr., to serve as Trustees during the ensuing Shrine year.

...The nominations were severally seconded...

IMPERIAL POTENTATE WECK: Are there further nominations? If not, I will declare the nominations closed.

All those in favor of these nominations will indicate by saying aye; opposed. The motion is carried.

Now, the next item concerns the election of Trustees. There are two three-year terms to which we will elect Trustees at this time.

Those desiring to be candidates, I will ask if they would come forward here and bring their nominators with them.

We have five candidates and so, again, we will draw numbers.

...Whereupon, numbers were drawn for the order of presentation of nominations...

IMPERIAL POTENTATE WECK: Again, there are two offices to be filled in relation to the election of Trustees.

NOBLE GERALD W. GROAT [Past Potentate, Moslem Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Grand Masters and Past Grand Masters and Fellow Representatives: My name is Gerald Groat. I am a Past Potentate of Moslem Temple and a fellow Delegate of yours of this Convention.

I propose to you, for reelection to the office of Trustee of the Colorado Corporation, Shriners Hospitals for Crippled Children, an exceptional man who is extremely well qualified by ability, experience, tremendous vitality, wisdom, and endowed with an untiring zeal to further our great cause—Imperial Sir Fred R. Morrison.

Obviously, in these days of ever increasing complexities in the operation of our philanthropy, this office demands a man of superior knowledge and experience. Fred Morrison is that man.

Fred is a young sixty-four years of age and without a doubt most of you Representatives have witnessed and have been inspired by his vitality and enthusiasm.

Fred is a self made and extremely successful businessman, being the founder and owner of the Morrison Carbonic Company and its subsidiaries and, through his use of his keen, innate shrewed business capabilities, has built that company into the largest solely owned company of its kind.

He is now retiring and, as such, can and will devote all of his efforts to carrying out the duties of Trustee of the Colorado Corporation.

Fred served Moslem Temple for many years as a member of its Finance Committee and was instrumental in innovating many money conserving concepts.

He has served for four years on the Imperial Investment Committee and was its Chairman one of those years.

He has served on the Boards of the Chicago Unit, Erie Unit and Cincinnati Unit, as well as on special committees for the construction of the new Chicago and Portland Hospitals, and also served as the Chairman of the Board of Directors in 1978.

Fred served his Order not only with vision, but with a full heart and eager dedication. He is truly the embodiment of experience and know-how, ability and success—a true Mason and Shriner in every sense of the word. He is a man in whom you, with true confidence, can place the responsibility of the office of Trustee of the Colorado Corporation.

Imperial Sir, I now offer in nomination for office of Trustee, Imperial Sir Fred R. Morrison.

IMPERIAL POTENTATE WECK: Thank you very much. We will now hear from the next nominator.

NOBLE SEWELL LAMBIN: Imperial Sir, Imperial Sirs and Nobles and Representatives all: I rise to place in nomination the name of Noble Mahlon W. Hessey for Trustee of the Colorado Corporation.

The candidate I offer to you is a young man. He is fifty years of age. He is an intelligent man, a well educated man.

He is a graduate of Princeton University, a graduate of the University of Maryland School of Law.

He has been a lecturer on the difficult subject of corporation law for many, many years.

He comes from a Masonic family. His father is a Past Master of Doric Lodge No. 124. His brother is a Past Master of Doric Lodge No. 124. He is a Past Master of Doric Lodge No. 124.

His father is a Past Worshipful Grand Master of Masons in Maryland. His father was a Past Potentate of Boumi Temple. Mahlon is a Past Potentate of Boumi Temple.

Again, I had the privilege of following him in line and watching him work and in working with him.

We have both been Representatives to this Imperial Council for twelve years and you have seen the work that he has done before this Council.

He served on the Special Committee to Study Shrine Clubs Concurrent Jurisdiction. He has served on the Special Committee on Pictures of Patients and he has also served as a member of the Tax Act Committee.

One of his specialties in the practice of law is taxation and not being a man who is going to sit still and rest on his laurels, he is almost to the point where he has completed his studies for a Master's Degree in taxation, quite a difficult subject but a subject in connection with which we need a man with these talents on the Board of Trustees.

I have had the privilege of seeing him come to the Bar in the State of Maryland and have had the privilege of having cases with and against him and, for the past twenty years, I have had the privilege of seeing him on the other side of the bench. I have never known him to walk into a courtroom when he was not thoroughly and completely prepared and he presented his case in a fashion that would make anyone proud to know and to have him representing them.

He is a good father, a good husband.

He is the Chairman of the Committee on Grievances and Appeals for the Grand Lodge of the State of Maryland.

He has held many committee appointments in the Grand Lodge. He has been a Trustee and a Treasurer of Boumi Temple.

Yet, he is a young man, steeped in the knowledge of Masonry and Shrinedom and he is a man that I can, without hesitation, urge and solicit your support for because I know, if elected, he will make us all proud that he is a member of our Board of Trustees.

Imperial Sir, I place in nomination the name of Mahlon Hessey for a member of the Colorado Corporation Board of Trustees.

IMPERIAL POTENTATE WECK: Thank you. Nominator number three.

NOBLE NELSON BANKS [Sudan Temple]: Imperial Sir, Imperial Sirs and Representatives: It gives me a great deal of pleasure to stand here and to present to you one whom we feel is well qualified to serve on the Board of Trustees of our great organization. It is a real pleasure for me to present to you the name of Illustrious Sir Thomas E. Lucas, a Past Potentate of Al Chymia Temple.

Noble Lucas is an active member of all of the bodies of Freemasonry, the Blue Lodge, the York Rite and the Scottish Rite.

He has been honored by the Southern Jurisdiction in receiving the Thirty-Third Degree, honorary, of the Scottish Rite.

He is, as I indicated, a Past Potentate of Al Chymia Temple and an Emeritus Representative to this Imperial Council, being elected to this great honor in the year of 1978.

During the years he has been attending and serving as a Imperial Representative, he has served on numerous committees. To name a few—Finance and Accounts, Jurisdictional Lines, Emeritus Representatives and also on a subcommittee considering the new location of our Imperial Headquarters in the State of Florida.

He is in receipt of a Bachelor of Law Degree and has been honored by receiving the Legion of Honor and the Cross of Honor in the Order of DeMolay,

our youth organization, the organization that we need so desperately.

A very successful businessman for over twenty years in the building materials business and the construction field, he has been active in all of our Fraternities. He is now retired and wants to continue that activity. He has the time and talent. He is an active person and he is a person who is willing and wants to serve because he believes in service to his fellow man. He believes in being able to serve one and all.

He is a lover of the Shrine and we need men with that type of dedication today—these men with the same type of experience that he has to fill these great, responsible positions as we elect someone to serve on the Board of Trustees.

He is respected by those who know him and he has counseled many times, in behalf of the Fraternity and of our beloved Shrine.

We who are pleased to place his name in nomination will say to you that we surely are interested in him being elected and I would hope you would understand our reasons for making this statement. We are most interested in him being elected as the number two man because we sincerely feel that the person who is retiring from this responsible position, Imperial Sir Victor Thornton, should be reelected.

Imperial Sir, Representatives one and all, it is with great pleasure that I move the nomination of Noble Thomas E. Lucas, a Past Potentate of Al Chymia Temple, to the position for your consideration as a member of the Board of Trustees and I know, fellow Representatives, that should you accord him this great opportunity, that you will be pleased with his service.

IMPERIAL POTENTATE WECK: Thank you. May we now have the next nominator.

NOBLE JAMES T. SINGLEY [Past Potentate, Hamasa Temple]: Imperial Sir, Imperial Sirs and Representatives: I rise today, for the third time in my service to this organization, to nominate a gentleman who has demonstrated to us his leadership ability, his dedication and his willingness to work in your behalf.

I have the pleasure and honor to nominate as a Trustee of our great Hospital Corporation, the Honorable C. Victor Thornton.

You saw his performance here a little while ago. You saw how he can lead and how he can perform.

Further, I want to make it clear that Vic is now sixty-four years of age. He is not a part of the controversy which we had a little earlier because he will still be under sixty-eight years of age when this three-year term expired.

It is with great honor that I again say to you that you have two people to elect and I trust and hope that you will replace your confidence in the kind of leadership and the faith in your Board of Trustees that was exhibited here when these many dollars passed by.

Again, I desire to formally place his name in nomination.

Also, as a personal type of thing, I hope that I will also have the privilege of nominating him for President of the Colorado Corporation a little later on so that he can continue on as Chairman of our Board of Trustees.

IMPERIAL POTENTATE WECK: Thank you. We will hear from the next nominator.

NOBLE L. W. STRANDQUIST [Past Potentate, Medinah Temple]: Imperial Sir, Imperial Sirs and Representatives: It is my pleasure and extreme honor to stand before you this afternoon and point out a few of the highlights that you might know as a part of the life of a man you all know, Earl P. Brown.

Earl Brown was born in Newcastle, Pennsylvania in 1929, just fifty years ago. He grew up in Newcastle and, in keeping with a long-standing family tradition, in 1955 he was raised to the sublime degree of Master Mason in Newcastle, Pennsylvania.

Earl's employment with United Airlines took him to numerous cities throughout our beautiful country he finally settling in Chicago, where he has risen through the ranks of United Airlines into an executive capacity.

Earl is a member of both the York and the Scottish Rites and, of course, Medinah Temple.

In 1967, Imperial Sir Tom Seay appointed Earl an Imperial Aide and he was continuously honored to hold this appointment with the succeeding seven Imperial Potentates.

He has a most thorough and complete knowledge of the workings of the Shrine that I have ever seen. Earl was elected to the Divan of our Temple, and served as Potentate in 1975.

Earl has always maintained his symbolic lodge affiliations back home in New-castle, Pennsylvania. However, at about the time that Earl was finishing his term as Potentate, the Grand Lodge of Illinois voted him dual membership and Earl is now a member of Cottage Hill Lodge No. 1160 in Elmhurst, Illinois, where he is presently going through the chairs.

Cottage Hill Lodge is an active, progressive lodge. It is growing by leaps and bounds. In fact, they have raised some twenty candidates just on the Saturday before last. This made for a long day.

Now, I know that Earl is also an active member of many fraternal and civic organizations but I know of none that he is more dedicated to or active in than our own Shriners Hospitals for Crippled Children.

The Chicago Unit, where he served as Vice Chairman of the Board of Governors, last year the fourteen Temples of our Chicago Unit sponsored over a thousand new patients. Thirty-four of them were sponsored by the Nobles of Medinah Temple. We have an active roster of over thirty-five hundred youngsters at our Chicago Unit. We have our new Hospital under construction and thanks to your foresight for planning for the future, our skilled doctors will be able not only to continue to treat our patients but will be able to carry out the much needed research in relation to training for the future.

All of these Hospital activities require much decision-making and coordination and this, of course, requires a complete and thorough knowledge of the Hospital, its organization, its administration and, of course, its operations.

Earl has contributed much in this most vital role. He will make an excellent member of the Board of Trustees.

Therefore, it is with great pride that I place in nomination the name of Earl Brown for Trustee of the Board of Trustees of our great philanthropy, our beloved Shriners Hospitals for Crippled Children.

Thank you, Imperial Sir, and thank you, Representatives all.

IMPERIAL POTENTATE WECK: Are there any further nominations? Are there any further nominations? Hearing none, I declare the nominations closed.

Before we ballot, however, I would like to have the candidates come up and line up so that you can see who they are. We will again identify them for you just in case you do not know who they are.

They are Fred Morrison, Tom Lucas, Earl Brown, Victor Thornton and Mahlon Hessey.

Now, we will ask you to vote. First let me say that you must vote for only two candidates. If you only vote for one, it becomes a spoiled ballot. If you vote for more than two it is likewise a spoiled ballot.

The question has come up as to whether or not we can have a write-in candidate on the ballot. No, you may not. If you have a write-in candidate, it automatically becomes a spoiled ballot. You must vote for two of those that you see up here.

We will use the dark green ballot, number 18. Will you please now mark your ballots and we will take them up just as far as possible.

... Whereupon, voting and collection of ballots ensued...

IMPERIAL POTENTATE WECK: Has everybody voted who desires to vote? I now declare the ballot closed. (gavel)

Now, will you all please sit down because the sooner we can get some of these items of business over with, the sooner we can recess for the day.

I do hope that we will be able to cover these matters without a written ballot because the Tellers are out counting ballots. However, we will see how things progress and if it is necessary, we will just have to defer a vote in connection with some of them.

... Business was conducted in the Iowa Corporation at this time...

IMPERIAL POTENTATE WECK: I understand that we have a report from our Tellers.

NOBLE J. C. HOWELL: Imperial Sir and Representatives: It is with pleasure I give you the results of ballot 18 for the office of Board of Trustees.

There were a possible 800 votes; 750 actually voted. There were two spoiled ballots. Necessary for choice were 377.

The votes were distributed as follows: Lucas 90, Brown 144; Morrison 184, Hessey 426 and Thornton, 652.

IMPERIAL POTENTATE WECK: I declare Mahlon Hessey and Victor Thornton to be elected to the Board of Trustees.

We will now recess until tomorrow morning at nine o'clock.

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at four-fifty o'clock, p.m. ...

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs and Representatives: Pursuant to Section 506.3 of the By-Laws of the Colorado Corporation, I nominate the following persons to serve as Directors of the Colorado Corporation for the ensuing year:

I move you, Imperial Sir, that these persons be elected Directors of the Colorado Corporation by acclamation.

... The motion was duly seconded...

IMPERIAL POTENTATE WECK: All of those in favor will indicate by saying aye; opposed. I declare these individuals elected by acclamation to be Directors of the Colorado Corporation.

I will now recognize the Chairman of the Building and Equipment Committee, Woody Bennett.

PAST IMPERIAL POTENTATE BENNETT: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Fellow Representatives, Distinguished Masons all: This is a report from the Building and Equipment Committee to the One Hundred Fifth Imperial Council Session.

The Building and Equipment Committee is made up of seven members with the responsibility and duties of maintaining all of your physical structures, to build new Hospital Units or headquarters, remodeling and renovation and to purchase all the surgical and medical equipment and all equipment necessary to operate your Units.

When we receive a request from a Unit it is reviewed by the Central Office, the Executive Administrator, the Director of Medical Affairs, and the Burns Advisory Board when it pertains to a Burns Unit, and then members of the Building and Equipment Committee.

This is done to be sure the request is needed and to comply with our instructions and to make sure that equipment or material that is requested to be purchased for a program has been approved in your Units. This takes time to receive everyone's input before the Building and Equipment Committee can act and answer back to the local Hospital Board Chairman.

We meet quarterly, or four times a year, and review all requests and make our recommendations to the Joint Board asking for their approval, ratification of our acts and money to fund the requests. Requests received during the interim are handled by telephone if an emergency, or by mail if time permits.

This is an ongoing daily Committee. As you will note by the report, we have hundreds of requests which take several millions of dollars within a year's time.

We are constantly confronted with Hospital inspections, environmental controls, OSHA and now we are faced with pollution standards. Each time there is an inspection made at one of your Units, we receive some request which is needed to bring the Unit in compliance.

I will report to you on new Headquarters Building in Florida.

TAMPA: In April of 1978, you approved the building of a new International Headquarters Building in Tampa, Florida. The site was selected, architects were interviewed and one firm was commissioned to draw plans and specifications to design the structure. This was put out for bids to general contractors and was awarded to the lowest and best bid received. The project is well underway. The building consists of reinforced concrete and at present they are pouring the roof structure. The building has two floors approximately 20,000 feet each with the first floor approximately five feet above street level. It is being studied that there is a possibility of having a lower floor of 20,000 feet that can be used for storage and so forth. The Building is in view of one of Florida's fine highways and will be window wall construction for the exterior with a gold and bronze color. The glass will be a light gold color and will be one of the finest office buildings in Tampa. On the grounds will be erected a statue of a Shriner more than fifteen feet in height holding a crippled child depicting the orthopedic, burns and research work that you are doing. It is anticipated that this structure will be completed by late Fall and ready for occupancy.

CHICAGO: You approved to build a new Hospital in Chicago, the architect was selected, plans have been completed, reviewed and submitted to general contractors for bidding. The contract has been awarded to a local Chicago contractor and the project is now underway with excavation started and within the next two weeks form work and concrete will be poured. It is projected to take approximately eighteen months for substantial completion. This will be one of the most modern hospitals in the country. Presently we are maintaining the old Unit as it will be demolished when the new structure is completed.

ERIE: We have renovated the Dietician Department including the kitchen and due to the scarcity of gas, we have been required to go to a combination gas and light oil for heating. This has required tank, boilers and so forth. The Board has requested that their play area be increased. This is now being done but was held

up due to a carpenter's strike. Provisions will also be made for the local Board of Governors to have a Board Room and the doctors will have a meeting room in the very near future.

GREENVILLE: This Unit has had some additions for classrooms and quite an extensive renovation program. Also, surgical, medical and office equipment has been approved for this Unit. This work is virtually completed and will make Greenville a more efficient Unit.

HONOLULU: We have been doing some extensive reroofing, repairs to airconditioning and supplying medical equipment.

HOUSTON: Renovation has been approved for a clinic waiting room and office remodeling. Equipment for research has been added to this Unit and we have had many mechanical repairs to update the Unit.

INTERMOUNTAIN: A new driveway is being installed, roof repairs, surgical equipment and office equipment.

LEXINGTON: Remodeling of an area for new laundry equipment and the furnishing of the equipment, surgical equipment, new drapes, shelving and so forth.

LOS ANGELES: A complete renovation of the Hospital including painting. This has been a donation to the Unit. We have been required to bring the elevators into compliance with the safety code and approval has been given for miscellaneous surgical equipment.

MEXICO: You are adding new resident quarters and this has been delayed due to receiving the proper permits for the Mexico Unit. However, I am advised that at this time the work has been started. Also, the Committee has approved miscellaneous equipment and medical equipment for this Unit.

MONTREAL: For the last two years we have been into an extensive remodeling program for the research to be carried on in the Montreal Unit. This work is now completed and the Committee has approved the purchase of several pieces of equipment.

PHILADELPHIA: Boiler repairs were needed and are now being completed. An airconditioner had gone bad and a new one was installed. Approval was given for the purchase of several pieces of medical equipment.

PORTLAND: We have had wind damage that has needed repairs and the Committee has approved miscellaneous equipment.

ST. LOUIS: We are doing an extensive reroofing to several areas of the Unit. The highway department widened the street in front of the Unit which required us to install new egress and ingress to the property. During this time an additional waterline was added to the Unit. This work will be completed this Fall.

SAN FRANCISCO: A fire alarm system was required to be added to this Unit and the Committee has approved several medical pieces of equipment.

SHREVEPORT: A new X-ray system wiring and viewers were installed as well as surgical equipment and miscellaneous needed equipment.

SPOKANE: A year ago we had an extensive electrical rewiring of the Unit which was required to meet the code. We approved an airconditioning installation, roof repairs, new sidewalks and medical equipment.

SPRINGFIELD: X-ray equipment was replaced and miscellaneous medical equipment was purchased and some general renovation in the nurses's home was done. We now have a request for enlarging the brace shop.

TWIN CITIES: Safety door latches have been installed, miscellaneous medical equipment has been purchased and the Unit is in need of roof repairs which have been authorized and we are awaiting final bids.

BOSTON: The Committee has approved an extensive list of surgical equipment as well as medical equipment and some new kitchen equipment.

GALVESTON: There has been approval of several pieces of medical equipment and also new research equipment.

CINCINNATI: Extensive repairs were made to the airconditioning system, an alternate water system was installed and a new public address system has been authorized.

I would also, at this time, like to give you a report in connection with the new Portland Unit.

Prior to the 1977 Imperial Session there was a Special Committee appointed to work with the University of Oregon for the possibility of building a new Shrine Unit and affiliation with the school. This program has proceeded far enough in 1977 that it was presented to you to appropriate \$6,500,000.00 for the construction of a new Hospital. This Hospital will be located as you enter the Medical School as a separate building and carries the full identity of the Shrine. This location is on a high elevation which overlooks the City of Portland and is one of the most beautiful sites that could ever be selected for a Unit. It will be connected to the University facility by either tunnel or walkway.

Since that time, constant negotiations have gone on with the University, the State Board of Higher Education, and the City of Portland and all of the necessary agents that permission must be given from for the construction of a new Unit. We have now received schematic drawings which have been reviewed by the medical staff and has the approval that we are receiving all of the services necessary to operate our own Unit. Due to the longevity of time and the necessity of all of the requirements, more than two years have passed since the study was begun and more than three years will have passed by the time construction is begun. We are now ready to go for final plans and get construction underway within the next nine months.

Since the unanimous adoption by this assembly in July of 1977 of the resolution authorizing the appropriation of \$6,500,000.00 by the Colorado Corporation for the construction of this new Portland Unit facility, the escalation of costs caused by inflationary pressures on our national economy have caused an increase in the dollar cost of the facility. Our professional medical advisors have consulted with our architects and a facility which will meet the high standards of excellence in clinical care and research potential which our program demands will necessitate an increased appropriation of \$2,000,000.00. As a member of the Board of Trustees and as Chairman of the Building and Equipment Committee, I, therefore, recommend to you the adoption of a resolution in this assembly which will appropriate and authorize the expenditure of an additional \$2,000,000.00 by the Colorado Corporation for the construction of his new Portland Unit facility so that the total appropriation for said facility will be \$8,500,000.00.

I, therefore, move for the adoption of the following resolution:

"WHEREAS, a new hospital facility at Portland, Oregon was authorized by the Representatives in July of 1977 and the sum of \$6,500,000.00 was then appropriated for the construction of this new facility; and

WHEREAS, during the past two years escalation of costs due to economic conditions prevailing in this nation have caused an increase in the total cost of construction of a new Portland Unit facility which will meet the high standards of clinical care and will provide a facility for clinical research in keeping with our research programs; and

WHEREAS, said increased cost is in the amount of \$2,000,000.00:

NOW, THEREFORE, BE IT RESOLVED, that an additional sum of \$2,000,000.00 be appropriated by the Colorado Corporation for the construction of this new Portland Unit facility so that the total appropriation for this facility as authorized by the members of this Corporation will be the sum of \$8,500,000.00."

...At this point, the adoption of the above resolution was severally seconded...

IMPERIAL POTENTATE WECK: Just a moment, moving for the adoption of that resolution is out of order, Woody. You should refer that to the Jurisprudence and Laws Committee for their report.

PAST IMPERIAL POTENTATE BENNETT: I would then move referral of this to the Jurisprudence and Laws Committee for their report.

...The motion was severally seconded...

IMPERIAL POTENTATE WECK: We have a motion and a second that this matter be referred to the Jurisprudence and Laws Committee for their report.

All in favor will say aye; opposed. It is carried.

I will now recognize Past Imperial Potentate Jack Streight for a report of the Special Committee on the Los Angeles Unit.

PAST IMPERIAL POTENTATE STREIGHT: Imperial Sir, Imperial Sirs, Fellow Nobles: Before I give you this report, I think all of us are concerned about the future of our Shrine Hospitals because of the census and other matters, and I am more than pleased to say to you we have been planning for many years and I can see the sunshine coming through. We are going to look for a splendid future and I am more than pleased to present to you this report from my Committee consisting of C. Victor Thornton, Walker Kisselburgh and Dr. Donald Lucas.

The Committee was appointed in 1976 to study the future of the Los Angeles Unit and this study has been carefully researched and it has brought its report to the Representatives for its consideration at this Annual Meeting in Minneapolis after due adoption by the Board of Directors and the Board of Trustees.

The Committee met in Los Angeles to study the efficiency of the Unit and came to the following conclusions after full discussion with the Chairman, the Board of Governors, the Chief Surgeon and the Administrator.

That the said Hospital Unit has served its purpose and now was most ineffective due to the following factors:

1. Lack of adequate support facilities
2. Difficulty in drawing consultants to the Unit.
3. Inability to recruit patients from the surrounding environment and
4. The increasing difficulty for the Unit to fund the necessary expenditures for equipment which is and will be increasingly necessary for modern medical care.

The study into the need for a new Shrine Hospital then proceeded and the Committee came to the conclusion that a new Hospital should be located in Los Angeles in a medical complex so that all disciplines of medicine would be available.

To reach this conclusion the Committee studied the input of medical authorities in Los Angeles and from our own medical supervisor and I quote from letters that were written after our interviews.

First, from our own Dr. Donald Lucas:

"All who have studied the census problem accept the conclusion that there is as much a need for Shriners Hospitals today as there was at the inception of the program in the 1920's. The basic objective remains to provide medical care for indigent crippled children. Who these children are is less well defined. Because of the outstanding capabilities of Shriners Hospitals, more and more of the children being treated from Canada and the United States are falling into the category of complex problems whose treatment is not generally available elsewhere.

"Many of the hospitals are opening their doors to medically needy children from nearby territories and countries, where the need for treatment is great and unmet.

"There is a great need to provide medical care for children who may never be cured or greatly improved but who, nevertheless, require ongoing medical care. There is need to provide care for children who exceed the present age limit. There is need to provide care for children from families who do not qualify for Title XIX care but whose care costs would inflict hardships on other children in the family."

Now, Dr. Henry Dunlap, Executive Director of the Children's Hospitals for Southern University, in a letter to me under date of May 31, 1977, explains his position in relation to the Los Angeles Unit as follows:

"I believe that the evolution in health care is proceeding at a rapid rate which challenges the autonomy of institutions like Shriners Hospitals. New regulations (AB 4001 in California) do not recognize the unique nature and role of your Hospitals and it will be difficult, if not impossible, for it to survive as an independent activity. Further, changes in financing health care services present problems in effective utilization of your facilities consistent with your objectives: Comprehensive, expensive and highly sophisticated equipment and services are increasingly required and relatively small institutions will have difficulty justifying them."

Then I would also like to quote from a letter under date of June 1, 1977, addressed to me by Dr. Allen Mathies, Dean, School of Medicine, University of Southern California, in relation to our Los Angeles Unit, as follows:

"As indicated to you, I believe the future of the small categorical hospital, such as the Shriners Hospital operated in Los Angeles, is doomed to failure. Current medical practice makes it necessary that patients have readily available multiple disciplines and resources. Additionally, the new regulations, both at the federal and state level, will require that institutions share such expensive resources as intensive care areas, sophisticated radiology and laboratory services."

He continues by saying: "I believe the future of the Shriners Hospital can best be met by close affiliation with the University of Southern California School of Medicine and one of its major resources, the Children's Hospital."

I would also like to quote from a letter to me from Dr. Harland Amstutz, Professor and Chief, Division of Orthopedic Surgery, University of California, Los Angeles. This is what he said in a letter to me under date of December 3, 1976:

"I would like to cite some examples of the need and the advantages which directly relate to your concerns regarding the new facility. UCLA, as you are aware, is a tertiary patient care center serving the large metropolitan area of seven million people plus the surrounding communities of Southern California and Arizona. Similarly, the Shriners Hospital has drawn patients from these areas and, in addition, Nevada and Mexico. I am certain that an expanded visibility due to enhancement of patient care and research as a result of physical cooperation would result in an increasing flow of new patients from the United States which would make any supplementation of patient material from Mexico in the future optional.

"We base this judgment on our strong belief that services related to crippled children will gradually move away from the individual doctor in the private sector to a team approach consisting of the orthopedist, pediatrician, social worker, psychologist and therapist. These teams will, of necessity, be center-based.

"Dr. Dennis Sakai our recent pediatricorthopedic faculty addition, is at the present time, setting up a team here at the UCLA to take care of the disabled child in conjunction with Dr. Bruce Litman of the Department of Pediatrics."

Now he then goes on and states:

"There are many significant advantages which we envision by a move of the Shriners Hospital and a strong affiliation with UCLA. These stem from enhanced accessibility and availability of medical and paramedical support. The greatest resource we have at UCLA is the excellent medical staff, with a full complement of subspecialists, pediatricians, internists and experts in all areas of surgery. In addition, there are other sources available on the main campus in the undergraduate and graduate schools, especially engineering. All of these can significantly impact patient care and provide impetus for needed collaborative research.

"I can foresee the development of numerous subspecialty units within the Shriners Hospital. UCLA is a regional center providing care for some 300 patients with congenital anomalies and other amputees. These patients could be combined with those undergoing treatment at the Shrine and provide additional focus for existing and new research projects to improve prosthetic design and other devices to enhance their rehabilitation."

He then goes on to say that there is a need for our Hospital within the UCLA set-up.

Now, the Committee did meet with the officials of Southern California University and the University of California at Los Angeles Medical School and the above quotations from said Universities resulted from these meetings.

In the Los Angeles Unit, Hospital problems are very similar to that of those at Portland.

The Committee was reappointed in 1978 and was instructed to make its recommendation at the Joint Board Meeting in January of 1979.

The Committee met in Los Angeles on November 20-21 of 1978 and considered other medical schools than those of UCLA and Southern California in Los Angeles. As they were located outside of Los Angeles and were considered to be less orthopedically structured than those in Los Angeles, it was decided that either UCLA or Southern California should be the one to be selected.

The Chairman polled individually the Committee members as to their selection

and it was unanimously agreed that the University of California at Los Angeles should be recommended for an affiliation agreement.

With this finding, the Committee appeared before the Board of Governors of Shriners Hospitals for Crippled Children at Los Angeles and presented their conclusions from the facts fathered. After a question and answer period, the Board of Governors unanimously endorsed the resolution of the Special Committee recommending affiliation with the University of California at Los Angeles.

On November 21, 1978, the Committee, with the Chairman of the Board (Roger Murdock) of the Los Angeles Unit, met with officials of the University of California, Los Angeles, and at this point I would like to indicate the names here because these are very important people.

They included Adrian Harris, Vice Chancellor for Planning; James W. Hobson, Vice Chancellor for Financial Aspects; Dr. Harlan Amstutz, Chief of Orthopedic Surgery; Dr. Sherman Mellinkoff, Dean of the Medical School and Dr. Baldwin G. Lamson, Director of Hospitals.

After proper introductions were made Chairman Thornton and myself informed the officials, that after due and careful deliberations, their University was chosen unanimously to be the site for our proposed new Hospital location. It was obvious that the officials from UCLA received this news with great pleasure.

Dr. Baldwin Lamson, Director of Hospitals, then presented, in a more detailed manner, the proposed selection site on Wilshire Boulevard for the new Los Angeles Unit. Dr. Lamson indicated that the proposed move of Shriners Hospitals for Crippled Children to the West Campus of UCLA will fill an unmet need. He also indicated, quite strongly, that UCLA does not consider Shriners Hospitals for Crippled Children as a competitor in any way.

I might say, that they agreed that we should have our Shrine Hospital completely run by our Shrine officials and that they pledge to work with us and furnish the land but we will fund our own project.

The Committee hereby reports at this Annual Convention and recommends the continuation of negotiations with the UCLA Officials.

I move the adoption of this report.

IMPERIAL SIR H'DOUBLER: Imperial Sir, I would like to second the motion and also commend Jack and his committee for the tremendous job they have done. I think we ought to express our appreciation with a nice round of applause. (Applause)

IMPERIAL POTENTATE WECK: I will now recognize Chuck Claypool.

IMPERIAL SIR CLAYPOOL: I would like to say to you, Nobles, that working out an affiliation agreement with a university in a state can be a lengthy process. I worked out an affiliation agreement in connection with Portland and it took me two years and many, many trips up there.

When we appropriated money for the Portland Unit, we figured it was going to cost \$6.5 million but in a time of two years, considering inflation and everything else, it has risen to \$8.5 million.

It was my idea that they bring this to you and that you appropriate enough money to handle all of the red tape and the working out of an affiliation agreement up there and so when they come to you, they will give you a figure and we will be ready to go. I would recommend that you would approve this.

IMPERIAL POTENTATE WECK: We have a motion to adopt the report of the Special Committee on the Los Angeles Unit. Is there further discussion on that?

If not, all in favor will say aye; opposed. I declare the motion to be carried by the necessary two-thirds Constitutional majority.

... Business was transacted in the Iowa Corporation at this time...

I will now recognize George Saunders for his report.

IMPERIAL SIR SAUNDERS: Imperial Sir, Imperial Sirs and Representatives: This report is the report of both the Fraternal Corporation and the Charitable Corporations. You are meeting jointly in all corporations.

It is in the book of reports. It has been printed and mailed to each of the

Representatives and the books are separate, one for the Iowa Corporation and one for the Charitable Corporations, Shriners Hospitals.

The report of the Recorder for 1978 and the report for the Secretary of the Colorado Corporation and other corporations for 1978 is printed in these two books.

I would move that they be received and that they be printed in the book of proceedings of this Session for the actions of the fiscal year 1978.

... The motion was duly seconded. . . .

IMPERIAL POTENTATE WECK: You have before you the motion and the second, is there discussion? If not, all in favor will indicate by saying aye; opposed. The motion is declared to be carried by the necessary two-thirds Constitutional majority.

... At this point, the gavel was tendered to Imperial Sir Bowers. . . .

IMPERIAL SIR BOWERS: The Chair recognizes Noble Cooper for a report from the Committee on Jurisprudence and Laws.

NOBLE R. E. COOPER [Reading]: To the members of the Colorado Corporation:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 503.5 of Article 3 of the By-Laws of the Colorado Corporation, so that it will read as follows:

"Section 503.5 Memorializing of Individuals, prohibited.

Except for those instances in which such has been done continuously since prior to January 1, 1975, the use of the individual name of any person living or dead on or about any building owned by this corporation or any of its affiliated corporations for the purpose of memorializing such individual, or his connection or assistance with the construction, establishment or operation of any such building is prohibited."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

NOBLE COOPER: I would move the receipt of this report.

... The motion was duly seconded. . . .

IMPERIAL SIR BOWERS: All of those in favor of the receipt of this report indicate by saying aye; opposed. The motion is carried and the report is received.

I will now call upon Warren F. Weck, the proposer of this legislation.

IMPERIAL POTENTATE WECK: You just heard the reading of the proposed amendment and I would move for its adoption.

... The motion was duly seconded. . . .

IMPERIAL POTENTATE WECK: Now I would like to discuss it—to discuss the purpose of this.

This is a kind of housekeeping item to make something legitimate that we have been doing for many, many years.

A number of years ago, we received a very substantial bequest from an individual from St. Louis and the bequest provided that we name a building or Hospital after that individual. Well, they built the new Hospital at St. Louis and they also built a building which is some 150 feet away from the Hospital and in order to receive the money, they named the other building Louderman Building. Now, with

our new research program which we are starting at St. Louis or will be starting, we are going to be using that building in conjunction with the Hospital, as kind of a part of it, and we feel it is necessary therefore that we legitimize what we have done—call it the Louderman Building. This is the only place that will be affected. There will be no other names any other place and so we ask that you permit us to legitimize what we have done.

IMPERIAL SIR BOWERS: Is there further discussion?

...The question was severally called for...

IMPERIAL SIR BOWERS: All in favor of this amendment will indicate by saying aye; opposed. I declare it carried by the necessary two-thirds Constitutional majority.

...The gavel was returned to Imperial Potentate Weck at this point and business was transacted in the Iowa Corporation at this time...

...The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was reconvened at the Minneapolis Convention Center, Minneapolis, Minnesota, at one-fifteen o'clock p.m., Imperial Potentate Warren F. Weck, Jr., presiding...

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE WECK: Now we will hear from Dan Bowers with regard to the Research Committee.

IMPERIAL SIR BOWERS: Imperial Sir, Imperial Sirs and Fellow Delegates: I shall give you a report from the Research Committee for this past year.

Recognizing the continuous social, economic and medical changes in our society, the Shrine embarked upon a research program to keep abreast of our times.

About thirteen years ago the budget for the Shrine was \$12,500 allocated for research and for the year 1978-1979, the orthopedic research budget was \$726,666 for funding for fifteen different projects in six Orthopedic Units.

In each, specific problems are investigated to gain better means to care for the crippled child. These projects are reviewed and recommended by an Orthopedic Advisory Board on Research, headed by Dr. Robert Ray, Professor of Orthopedics at the University of Illinois School of Medicine.

With such peer review, the Shrine will continue to be identified in the field of research in the years ahead. To do so, it becomes increasingly necessary that these Orthopedic Units be affiliated with medical schools to have the ancillary assistance required for positive research.

Likewise, in the Burns field, basic and clinical research programs under the peer review of Dr. Charles Baxter, University of Texas, continue to show progress because of the installation of the electron microscopes for the study of anatomical and microscopical structures of healed burned tissue.

I want to speak with regard to the research work we do at the Montreal Unit in Canada. Up there, we have under the direction of Dr. Glorieux a marvelous research program going on for the study of rheumatoid arthritis in children. I think it is important that you gentlemen know that we spend approximately \$900,000 for the Hospital in Montreal.

Now, one of the important things I think you fellows should take back to your own Temples and discuss concerns the study of the auto-immune factors in our bodies. By that I mean, for example, that in your circulating bloodstream, the white corpuscles, the lymphocytes, the body defense mechanism against disease sets up an auto-immune type of reaction against our own tissue.

The basic structure of the bones, the cartilage, the blood vessels is collagen number one and number two.

In the reaction between the lymphocytes certain enzymes are secreted and so we have an auto-immune reaction and in so doing there is involved a type of enzyme which attacks the cartilage of our bones. It takes the collagen from our blood vessels and all the supporting structure, the liver, the heart, etc.

Now, they have learned to measure this particular enzyme and they have also learned that in certain instances, for instance in relation to tumors, this type of enzyme is greatly increased and so therefore the day may come when, by a simple test of an individual's blood, they can tell by the increase of this particular enzyme, the possibility of having a malignancy.

They know that in certain tumors of the breast in women that this has greatly increased.

Now, this has been gleaned as a sidelight at the Montreal Unit and under the direction of Dr. Pool this has involved quite a discovery because he believed that this type of thing existed in our bodies, this auto-immune reaction. However, for many years it could not be identified because they could not measure it because of a certain pH of the body, wherein it was lost. However, now they can do it and so this year the Montreal Unit will present five papers before various bodies both in the States, Canada and England in relation to the work that is now being done at the Montreal Unit.

Certainly you gentlemen should know these things in relation to the research work that the Shrine is doing.

I might also say that we had submitted to us just a few weeks ago protocols requiring a funding of approximately \$1.5 million. These protocols will be reviewed by the Advisory Board—five professors from five universities. They will look into these on a peer review type of basis and then we will come up with a request for funds to continue this great research of ours in our Units.

Now, last year I spoke to you about the research being done at Houston in relation to the genetic program. This is being continued and we are setting up a marvelous genetic research laboratory at the Houston Unit.

These are the types of things I think you gentlemen should know as you go home and talk to your own people.

We hear much about crippled children and so on but when you think that only a few years ago we spent \$12,000 in relation to research and now we are spending a figure of \$750,000, not counting the \$900,000 that we spent in Montreal on the Burns, I would say, on this basis, we are spending approximately \$3 million per year on our research program.

Thank you very much.

Mr. Chairman, I would move for the acceptance of this report.

... The motion was severally seconded...

IMPERIAL POTENTATE WECK: We have before us a motion to accept the report of the Research Committee. Are there any questions?

If not, all those in favor of the acceptance of the report indicate by saying aye; opposed. The motion is carried and the report is hereby accepted.

IMPERIAL SIR TURLEY: I have a report from the Committee on Jurisprudence and Laws in the Colorado Corporation with respect to the resolution involving the Portland Unit. The resolution had been presented this morning by Imperial Sir Woody Bennett.

The report of the Committee reads as follows:

IMPERIAL SIR TURLEY [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by the Building and Equipment Committee of Shriners Hospitals for Crippled Children, a resolution, the text of which is as follows, viz:

"WHEREAS, a new Hospital facility at Portland, Oregon was authorized by the Representatives in July of 1977 and the sum of \$6,500,000.00 was then appropriated for the construction of this new facility; and

WHEREAS, during the past two years escalation of costs due to economic conditions prevailing in this nation have caused an increase in the total cost of con-

struction of a new Portland Unit facility which will meet the high standards of clinical care and will provide a facility for clinical research in keeping with our research programs; and

WHEREAS, said increased cost is in the amount of \$2,000,000.00;

Now, THEREFORE, BE IT RESOLVED, that an additional sum of \$2,000,000.00 be appropriated by the Colorado Corporation for the construction of this new Portland Unit facility so that the total appropriation for this facility as authorized by the members of this Corporation will be the sum of \$8,500,000.00."

The Committee reports that the resolution is in proper and legal form, and that it will not conflict with any provision of the Articles of Incorporation or By-Laws.

ANNUAL REPORT OF GEORGE M. SAUNDERS
SECRETARY
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

Imperial Potentate, Chairman of the Board of Trustees, Officers and Members of the Imperial Council, A.A.O.N.M.S., and Shriners Hospitals for Crippled Children.

Chicago, Illinois

GREETINGS:

Your Secretary respectfully submits the following detailed statement of the transactions of the Secretary's Office for the fiscal year January 1, 1978 to December 31, 1978 both dates inclusive.

The work of the Endowments, Wills and Gifts Committee continues to reflect great effort expended in bringing the problem of financial need to the Nobility. This fine Committee under the direction of Imperial Sir Walker Kisselburgh, and Illustrious Sir Allan Mallquist, Secretary, deserves the thanks of all for their continued cooperation. The Board of Trustees has always worked on the policy that only the income produced on the funds received from estates, games and most donations would be available for the operating account.

Experience tells us that we are faced with a continued higher rising hospital operation cost, and a continued spiraling inflationary trend. Operation cost for our Burns Units of 30 beds each, is more than five times the cost of operating an orthopedic Unit of 60 beds, and this with only one half the bed capacity. It is all costly work that is constantly increasing in cost in these inflationary times. It is felt that certain minor adjustments may be made in operating costs that will bring us within the appropriations approved and the funds provided by the Board of Directors. We cannot too strongly encourage the interest of all Nobles in these problems. This is a very serious problem that dictates the deep study and consideration of all Nobles in our plans for the future.

THE 100 MILLION DOLLAR CLUB

This program was developed as a program to quickly add to our endowment fund for Shriners Hospitals for Crippled Children additional funds which in accordance with our adopted policy from the very beginning of our charity work, would provide more income to be used in the operation of our hospital program. We have always promised that we would invest such funds received and use for operation of our Units only the income produced by the funds. This program gives every Noble and his friends the privilege of helping provide the much needed increase in operating fund money to help cover the drastically increasing hospital operating costs that have been experienced in this country in the past years. This coupled with the spiraling inflation that has known no curb, has been our greatest concern of late, and from all reports will continue even greater in the foreseeable future.

The 100 Million Dollar Club idea was slow in getting off the ground be-

cause of lack of communication down to the grass roots level with each Noble. Where we have been able to sell Temple Officers on the idea of getting the Club explanation down to each individual Noble, there has been remarkable success with this program. Only those Temples who have really concerned themselves with this program are having good success. All Nobles must be ever mindful of the need for this.

We are urging all Temples to put forth the extra effort to make their Nobles aware of this 100 Million Dollar Club program at once, and make every effort to get the full story of the program to every Noble. It is assured of success and we strongly urge every Temple Officer to get back of this idea and get the true word to each and every Noble of his Temple.

This is a program that all Temples and Nobles can take great personal pride in making it tremendously successful by their personal efforts.

100 MILLION DOLLAR CLUB

The sincerely dedicated members of the Board of Directors, Board of Trustees, and the Board of Governors, as well as the staff members at each Shriners Hospital Unit, deserve the recognition of all Nobles for their personal devotion to this noble cause, the World's Greatest Philanthropy. It is a glorious work.

The several committees under the direction of the Joint Boards contain the names of Nobles who have made great personal contribution to the work that is far beyond the call of duty. I know that I speak for every child either completely cured or materially helped by their visits to our merciful Temples of Baby Smiles, in expressing sincere thanks to each and every one of you.

The many years of past service of these great Hospitals have actually reflected the very soul of the Shrine and made us, in the eyes of the world a great fraternity of Nobles who possess big hearts, filled to overflowing with compassion for crippled children, along with a real desire to prosper the organization to which they belong and with which they work. Our thanks to you as Nobles and may God's richest blessings attend you as we continue into the second hundred years of our great fraternity, and the work of the World's Greatest Philanthropy, Shriners Hospitals for Crippled Children.

Cordially yours in the Faith,

GEORGE M. SAUNDERS

THE BOARD OF DIRECTORS SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

We have examined the combined balance sheets of Shriners Hospitals for Crippled Children as of December 31, 1978 and 1977, and the related combined statements of revenues and changes in fund balance and changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

It is the Hospitals' usual policy to recognize gains and losses on securities transactions when securities are sold or otherwise disposed of. However, as more fully described in Note 1 of Notes to Combined Financial Statements, the Hospitals recognized certain securities losses in 1977 even though the securities had not been sold.

In our opinion, except for the recognition of certain unrealized losses from securities in 1977 as discussed in the preceding paragraph, such financial statements present fairly the combined financial position of Shriners Hospitals for Crippled Children at December 31, 1978 and 1977, and the combined results of their operations and the combined changes in their financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO COMBINED FINANCIAL STATEMENTS

DECEMBER 31, 1978 AND 1977

1. SUMMARY OF ACCOUNTING POLICIES

Combined organizations—The combined financial statements include the accounts of the following Shriners Hospitals for Crippled Children organizations.

Shriners Hospitals for Crippled Children, a Colorado Corporation
Shriners Hospitals for Crippled Children, a Canadian Corporation
The Shriners' Hospital for Crippled Children, a Massachusetts Corporation
Shriners Hospitals for Crippled Children of Texas
Shriners Hospital for Crippled Children of Pennsylvania
Shriners Hospitals for Crippled Children, a Mexican Association
Shriners Hospital for Crippled Children (Quebec) Inc.

All United States corporations are exempt from federal income taxes under Section 501(c)3 of the Internal Revenue Code.

Reclassification—The combined balance sheet and statement of changes in financial position for 1977 has been reclassified to conform to the 1978 presentation.

Gifts and bequests—Assets received by gift or bequest are recorded at estimated market value at date of receipt. The values of bequests in the process of administration are not included in these financial statements. Income earned by estates during administration is treated as a part of the bequest.

Marketable securities—Marketable equity securities are carried at the lower of aggregate cost (or estimated market value at date of receipt) or market determined at the balance sheet date. Other marketable securities are carried at cost (or estimated market value at date of receipt).

Property, plant and equipment—Property, plant and equipment are carried at cost if purchased or at estimated market value at date of receipt if acquired by gift. Depreciation is computed using the straight-line method. When significant assets are retired, or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is reflected in income for the period. The cost of maintenance and repairs is charged to income as incurred, whereas significant renewals and betterments are capitalized and deduction is made for significant retirements resulting from the renewals or betterments.

Deferred charges—In connection with obtaining gifts and bequests the Hospitals sometimes incur legal fees, taxes and other expenses. These costs are deferred and charged against the subsequent receipt of the gift or bequest.

Inventories—Inventories are stated at the lower of cost (first-in, first-out method) or market.

Translation of foreign currencies—Mexican and Canadian currency accounts are translated to U. S. dollars at current or historical rates as appropriate in accordance with Statement of Financial Accounting Standards Number 8. Related gains or losses are reflected in operations for the period.

Pension costs—The Hospitals fund pension costs accrued of its noncontributory pension plan covering substantially all U. S. and Mexican employees.

Gains and losses from securities transactions—Gains and losses from securities transactions are normally recorded only at the time of disposition. However, in connection with the transfer of certain securities between investment management accounts, losses in the amount of \$2,649,148 were recognized during 1977, even though the securities were not actually sold. The recording of these losses had the effect of understating the carrying value of investments and overstating the losses realized on investments by the same amount.

2. FUNDS DESIGNATED AND RESTRICTED FOR INVESTMENT

The Hospitals, under policy established by the Boards of Directors, designate for investment receipts from gifts, bequests and gains from investment sales; generally only the income from the investments is used for operations.

Pending permanent investment receipts from gifts and bequests are designated as funds held for transfer. Since their policy is to retain gifts and bequests for investment purposes, the Hospitals do not generally maintain separate accounting records for funds restricted by outside sources. Management does not believe that the total of funds restricted by outside sources and retained for investment is significant in relation to total investments.

In January, 1977 the Boards of Directors approved a policy whereby gifts or bequests made exclusively for the use of a particular hospital should be transferred to the operating account of that unit and an equal amount transferred from revenues designated for operations to investments.

In 1978, the Boards of Directors approved a transfer of \$10,000,000 from funds designated for operations to investments. This is reflected as an interfund transfer in the accompanying combined statement of revenues and changes in fund balance.

3. MARKETABLE EQUITY SECURITIES

Marketable equity securities included in noncurrent assets at December 31, 1978 and 1977, carried at cost (or estimated market value at date of receipt) are summarized as follows:

	1978	1977
Market value	\$397,498,178	\$379,763,351
Cost (carrying value)	393,311,311	377,700,800
Net unrealized gains	<u>\$ 4,186,867</u>	<u>\$ 2,062,551</u>
Unrealized gains	\$ 37,518,870	\$ 31,299,832
Unrealized losses	33,332,003	29,237,281
	<u>\$ 4,186,867</u>	<u>\$ 2,062,551</u>

4. DEPRECIATION AND CAPITAL RESERVE FUND

Depreciation, based on rates shown below, was:

	1978	1977	Rates
Buildings and improvements	\$1,271,450	\$1,275,631	2.5 to 3.5 percent
Equipment	799,524	774,065	6.25 to 8.8 percent
Total charged to income	<u>\$2,070,974</u>	<u>\$2,049,696</u>	

The Hospitals fund depreciation by a cash transfer from operations to the Capital Reserve Fund. Expenditures for property, plant and equipment are made from the Capital Reserve Fund.

In 1977 the Boards of Directors approved a transfer of \$10,000,000 from funds designated for operations to the Capital Reserve Fund. This transfer was made to fund future construction of new hospital units in Chicago and Portland.

The Boards of Directors have appropriated \$11,000,000 and \$6,500,000 for the construction of new hospital units in Chicago and Portland, respectively. A donation of approximately \$7,600,000 was received from a foundation to fund a portion of the Chicago construction. (Also see Note 9, NATIONAL HEADQUARTERS RELOCATION.)

5. TRANSACTIONS WITH THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA

The Shriners Hospitals for Crippled Children organizations were founded by the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America (Imperial Council). Hospital assessments, donations and other receipts are collected and remitted to the Hospitals by the Imperial Council.

The Hospitals pay rent for the use of the National Headquarters Building owned by the Imperial Council in the amount of \$50,000 annually (see Note 9). In addition the Hospitals bear a substantial portion of the operating costs of the building. The Hospitals and the Imperial Council also prorate salaries and other costs based on the estimated value received by each organization.

Amounts of \$554,809 and \$618,636 were due from the Imperial Council as of December 31, 1978 and 1977, respectively, representing the net amount of collections due the Hospitals after deducting unpaid rents and other costs.

6. RETIREMENT PLANS

The employees of U. S. hospitals are included in the Shriners Hospitals for Crippled Children Revised Retirement Plan. Total aggregate contributions to the Plan for the years ended December 31, 1978 and 1977 amounted to \$806,513 and \$1,054,470, respectively. The 1978 contribution has been determined under an actuarial basis different from that used in 1977. The 1978 contribution would have been approximately \$200,000 higher had the prior actuarial method been used. As of June 30, 1978 the Hospitals have no past service liability.

Canadian hospital employees are included in provincial government retirement programs and have received annuities for vested benefits earned in the Shriners Hospitals for Crippled Children Revised Retirement Plan for Canadian employees which has been terminated.

Employees of the Mexico City unit are included in the Shriners Hospitals for Crippled Children Retirement Plan for Mexico City Employees.

7. WINNIPEG UNIT

The Boards of Directors and Trustees of Shriners Hospitals for Crippled Children were directed by the membership to arrange for the termination of the operations of the Winnipeg unit. Effective August 12, 1977 the unit's property, plant and equipment and certain operating assets and liabilities were transferred to the Manitoba Health Services Commission (MHSC). In return, MHSC and Shriners Hospitals for Crippled Children terminated their operating agreement. The unit's operations from January 1, 1977 to August 12, 1977 are included in orthopedic hospital expense in the accompanying financial statements. The costs of closing the Winnipeg hospital unit of \$1,199,009 in the accompanying combined statement of revenues and changes in fund balance represent the book value of the net assets transferred to MHSC.

8. OTHER LIABILITIES

Other liabilities at December 31, 1978 and 1977 include annuities payable of \$525,321 and \$415,170, respectively, under certain deferred compensation agreements with staff doctors. An asset equal to the liability is included in mortgages, real estate, and miscellaneous assets in the investments category of the accompanying combined balance sheet.

Included in other liabilities at December 31, 1978 and 1977 is \$893,612 and \$1,014,272 of annuities payable to beneficiaries of various donors under certain agreements whereby the Hospitals are required to pay specified annual amounts to these beneficiaries during their lifetime.

9. NATIONAL HEADQUARTERS RELOCATION

At a special meeting in April, 1978, the membership of the Colorado Corporation voted to relocate the Hospital's national headquarters from Chicago, Illinois to Tampa, Florida. The Hospitals have purchased 6.7 acres of land in Tampa for \$500,000 and at December 31, 1978 had expended \$290,000 in construction of a new National Headquarters Building. The estimated completion date of the building is November, 1979. The membership has appropriated \$2,600,000 to construct the building. The Imperial Council will be provided space for its National Headquarters on a rental basis in the new building.

In connection with the relocation the Hospitals have agreed to provide permanent financing for the new homes of relocated employees.

ACCOUNTANTS' OPINION ON SUPPLEMENTARY INFORMATION

Our examinations of the basic financial statements presented in the preceding section of this report were made primarily to form an opinion on such financial statements taken as a whole. Supplementary information, contained in the following pages, is not considered essential for the fair presentation of the combined financial position of Shriners Hospitals for Crippled Children or the combined results of their operations or the combined changes in their financial position in conformity with generally accepted accounting principles. However, the following data were subjected to the audit procedures applied in the examination of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

REPORT OF THE FINANCE AND ACCOUNTS COMMITTEE
COVERING COMBINED BUDGETS OF
HOSPITAL CORPORATIONS FOR YEAR 1978

Imperial Potentate, Warren F. Weck, Jr., Chairman of the Board of Directors, Officers and Members of the Imperial Council, A.A.O.N.M.S., and Shriners Hospitals for Crippled Children:

We submit for your approval, the Departures and Adjustments to the Hospital Corporation's Budget for the Year ended December 31, 1978:

OPERATIONS

As reported at the Imperial Council Session in Detroit, receipts for operations were estimated at \$44,939,800. This estimate was increased by \$6,315,200 during the year, thereby increasing Budget to \$51,255,000. Actual receipts amounted to \$54,174,032, or a net increase over revised estimate of \$2,919,032.

Operating and non-operating expenditures for 1978 were budgeted at \$42,297,000, and approved by the Imperial Council's representatives in Detroit. Subsequently, the Board of Trustees, with the approval of the Board of Directors, made a number of transfers from one appropriation to another without increasing or decreasing the original budget.

Actual expenditures for the year amounted to \$41,171,330, being \$1,125,670 less than appropriated by the original budget.

We list below the locations of all transfers approved by the Board of Directors, setting forth the adjusted budget, which is followed by actual income and expenditures, thereby reflecting a net increase, or decrease, of actual expenditures as applied against the Revised Budget:
